

## **He Will Fire Oreshnik Again 12-18-24@ 7:31 PM**

Lord Jesus Christ, I have been hearing "Oreshnik." Putin will fire the Oreshnik again. Then I was led by sweet Holy Spirit to read over some of the past dreams, words, and visions. Holy Spirit led me to nuclear weapons will be used 11/19/24 at 7:58 AM. The 1st 2 lines you stopped me on and said, "Look!" It reads, "Putin of the bear rages and bellows in outrage that his warnings have been defied by the world. He will fire at Ukraine with weapons sustaining and containing nuclear power within."

Holy Spirit said, "Stop daughter," and pointed out the word, "sustaining." He asked me, "What does it mean to sustain something?" I replied, "To be able to support something." "Correct," he said. "Daughter there are two different weapons." Then I began researching. I have the information I found on the confirmation page of the website. Now I'm here to pray.

Hear me now daughter, Putin shall launch his Oreshnik missile once again but the world leaders have a surprise for him. Once the ace card, the trump card, that winning card he calls the Oreshnik missile is removed, because of the surprise attack waiting for him, he will use the Satan ICBM. Satan will come to the Ukraine.

I have spoken it and I have declared it. Ukraine is not the innocent that so many are trying to make it be and I speak of the government and those in power. Just like there's innocent people in your nation, there are innocent people in Ukraine. There are innocent people in Russia. But the leaders are evil, controlled and ruled by the hidden secret society, by the rulers of darkness in the shadows, the fallen ones.

Lucifer sits atop his kingdom pulling the strings of his puppet but as far as I tell him his strings can only be pulled. I am God. I have the final say. This is My world that I created for man. Not the fallen angels. They are simply have simply been allowed to live here.

This is My mercy extended to them because they were cast out of Heaven for their evil wicked sins and they were contained inside that firmament so they could not reek havoc in Heaven anymore. Only allowed to appear before Me when summoned on those days when the kingdom of darkness was to appear and give an account. Things I already knew of but they understand the laws and Courts of Heaven and they cannot resist. They must obey. They were the ones that were defeated. They were the ones that were cast out of Heaven. They were the ones.... not Me! Not My holy angels, not My son, not Michael My Archangel captain.

Look for quick responses. Putin is angry with all that has happened to his army and those close around him. Watch daughter when the Oreshnik missile is met with a surprise.... and into the heart of Russia long missiles reach, Putin will fire! Putin will fire! That is the heart of Russia of old and not of Russia new.

Hear Me daughter, hear Me, what I have spoken shall come to pass.

There will be no Christmas Day celebrations. Christmas Day daughter, Christmas Day celebrations on that day. Now warn My people.

I will Lord.

Putin will fire at Ukraine with weapons sustaining (Able to support) and containing nuclear power within. We have 2 weapons being discussed here. One that can support nuclear power and

the other that will contain it. The missile supporting the nuclear capabilities is the Oreshnik that was first launched on 11-21-24. This word was shared on 11-19-24.

Oreshnik missile can sustain and has nuclear capabilities though not used on the attack by Russia on 11-21-24. Insert from Newsweek article from link below.

*Newsweek* spoke to John Erath, senior policy director for the Center for Arms Control and Non-Proliferation, about whether Russia's use of the Oreshnik could change the rules of nuclear warfare.

"Not at all," he said. "They already have the capability to deliver nuclear weapons wherever they want. This particular missile is nuclear capable, so you can put a nuclear weapon on it. So, if it's launched toward Western Europe, it is explicitly a nuclear threat. Because you don't know what the warhead is until the thing lands and explodes."

He regarded Putin's signing of an updated nuclear doctrine similarly and described it as an "intimidation tactic."

"The way that they updated the nuclear doctrine that was not too significant," Erath said. "It was updated to be a little bit more threatening, but the spirit of the thing is very much the same. Again, we look at it in terms of the overall Russian strategy of persuading countries supporting Ukraine that it's going to cost them more in every sense to continue to support Ukraine than it would to make a quick peace and get out."

# Russia fired new ballistic missile at Ukraine, Putin says

By Anastasiia Malenko, Tom Balmforth and Max Hunder

November 21, 2024 7:29 PM CST · Updated a month ago

## Summary

- Putin says Ukraine war taking on global character

.....and containing nuclear power within. (Putin's use of a nuclear weapon against Ukraine hasn't come yet as of today 12-18-24 at the time I am compiling this information with sweet Holy Spirit's help in Jesus Christ's Name.)

And then daughter he will also fire a barrage of weapons upon Babylon when all eyes have focused on the king of the east, of China as well as your wicked nation of Babylon daughter. The world calls Putin cruel and evil and what is done to the war victims of Ukraine. Yes, he is cruel. So is Zelensky of the Ukraine. It's just that aiding nations help keep this news of Ukraine from surfacing as much. But daughter the cruelty of what your nation's elite and military does in the shadows of darkness even to its own people far surpasses the cruelty of Zelensky or Putin of the bear. And for this cruelty Babylon shall be repaid. Russia the bear shall be fortified as time passes before the move comes as they cast their eyes upon Jerusalem, upon Israel My beloved land as it is written. Gog of Magog we'll attack Israel with others loyal to him. Who support can already be seen in the nations' alliances, the coalition formed against your once great nation now called Babylon to Me. Babylon of old, yet also Babylon of new.

Putin shall soon fire his nuclear-powered attack against Ukraine. When Zelensky gives the order for the long-range missiles to strike the heart of Russia of old and not what's called its heart of today Putin will fire. He will fire without hesitation. He is already preparing the attack response now by selecting his key target. Did I not say this would come? Do you really think Putin shall resist much longer? He is still enraged that a small piece of Russian territory has actually been captured by enemy hands. Something that hasn't happened since the last major war that hit your whole world. All these things go hand in hand intertwining and interlocking each event with one another to fulfill what I have commended for these end time days. Daughter is that time for these things to occur. Putin will fire first on Ukraine but he is not the only one who uses these types of weapons. Other nations shall follow including your own but your nation, daughter shall be the first to use them on their own people in the form of the suitcase nukes. See the cruelty of Babylon's rulers!

It's time to repent without delay. I called out to those straddling the fence trying to serve the world while professing to love Me. Calling me Jesus Christ your Savior. Repent while there's still time. Repent while My Spirit still convicts you and speaks to your heart, your mind to do so and to mend your ways. Repeat before I shut the door of grace upon you, those of you of Mine who refuse to surrender fully to Me. Who loves Me with mouth and deeds but your heart is still encased with the hardness of sin. This door is shut at different times for each person.

Repent O' world, I say to those My spirit is drawing to Me. He's drawing you to a place of repentance. Come to Me now, ask Me to forgive your sins and I will wash them clean away. I will give you new life. Many have not long before they are removed from this world. Whether by death which will be for many or whether by My return. Prepare your hearts for I'm on My way. It won't be long O' beloved children of Mine; it won't be long. There must be darkness for the light to be seen. I am the light of your world and I'm coming for those who are Mine. Be prepared to go because I'm on My way. All is set; all is ready. All is commanded; all is about to commence. Hold on little children I come, I come for what's Mine. For those Father has given Me and those who have chosen Me and are ready for My return. Do not be dismayed by all these things. They are to let you know it's the allotted time of My return.
