

Dream of Truth and Evil! 1/10/19 @ 4:08 AM With Confirmation

I dreamed about truth and evil for the opposite of evil is truth and not good for even evil men can do good things. In this dream there was a great battle raging in the Heavens. In this dream there was a location where stood a gateway, a portal of some kind that would transport you from one place to another. It appeared to also be the entrance to somewhere great and grand. Someplace that was protected by these great spiritual warriors with incredible supernatural powers and yes, they had wings, incredible wings that appeared on them as needed. I know it was just a dream but it all was so vivid.

In this dream there was a mighty, mighty warrior of truth who for centuries had guarded a portal and it had remained hidden from the enemy's eyes but the tragedy of the dream is that because using his supernatural powers for truth would use a lot of power he stopped. Along with the other warriors with him from using them altogether. For it also had been determined that the use of supernatural powers would eventually draw the enemy to the secret location of this hidden portal they were guarding that led to a grand location.

So, this once mighty warrior fell sick with his body somewhat in decay because operating in his supernatural abilities had kept him alive with vitality and strength but it had all been in vain. All the centuries of not using their supernatural powers had left him and the other warriors almost defenseless and much, much weaker. Now this once mighty warrior was too sick to fight when the enemy finally discovered the secret location of this portal.

A mighty battle occurred but the warriors of truth, though they put up a good fight with their physical bodies, lost the battle against the supernatural forces of evil. As the enemy captured the forces of truth including the once mighty warrior by the evil forces they were sentenced to die. As they started to lead first the once fierce warrior of truth to his doom to be executed I awoke. As I lay there on my bed and studied on this dream I started to begin to understand.

Then God spoke into my spirit. "Yes, Child it's my church, my true church. The once mighty warrior and his decaying body represents my church due from the lack of my supernatural gifts no longer being operational within her and has caused a great sickness with much decay. This is causing her for the most part to be weak, sick and even defenseless for you cannot fight the supernatural forces of evil, of Satan and the fallen ones in your physical strength for they are spiritual beings and must be fought in the spiritual.

This is the dream Child. Never stop using the God given gifts that I have bestowed within you for fear that the enemy will find you for he is going to find you regardless. Use your gifts. Operate in them and you will become stronger and stronger through Me, Jesus. My church was not ever meant to become sickly and easily defeated. By letting these spiritual gifts that I had left for my church die so has the church begun to die and is now full of much decay. Death is imminent unless you start operating once again in the supernatural realm and fighting your battles through my name and my strength instead of trying to face your enemy alone and in your own physical strength.

I have already told you in my word that the weapons of your warfare are not carnal but mighty through me. It is not hard to understand nor to comprehend. Spiritual beings must be fought in

the spirit realm by the gifts that I have left you. I gave you my precious word and armor for you to put on daily. I gave you my Holy Spirit who comforts and leads you in many ways telling you which way to go, how to pray and who to pray for. In my word I have left you many examples and lessons to teach you to overcome but you must fight.

You cannot stand still and be complacent because if you do you will become stagnant. If you are not careful the enemy will kill you spiritually and even in your physical bodies sometimes. For when you're out of my will for your life you are also out of my covering of protection unless the prayers of someone else keeps you covered. Now is not the time to let down Child for the church, my church has become weak and sickly due to lack of inactivity. To keep the body healthy one must move and exercise. At least moderately for failure to do so will cause your body to become out of shape so that when the enemy comes and you try to fight you are in no shape. And therefore you have become easily defeated.

It is not hard to understand Child. The tragedy that has occurred already though is that my church is as this once mighty warrior in your dream being led to his destruction. With no gifts there is no power. No gifts, there's usually no one praying either. It's time for my church, my true believers to get upon their faces and cry out to me for their bodies, for their members, for their lost, and for the restoration of my gifts. Get the sin out and invite me and my Holy Spirit back into your hearts and into your churches. Souls are being lost and I need my church to become the reapers that they were called to be. Wake up church out of your sleep of complacency for the enemy is coming again and you are unprepared for you have laid your armor down. Your swords down and tried to walk upon this great battlefield totally unprotected.

My people, my church, were called out to be separate. To come out from among the world, not try to fit in. When did I instruct you to allow all this ungodliness within my houses, my churches? My house is holy and should be consecrated unto me not defiled by every ungodly and every known sin that's now standing behind the pulpit and in your positions of leadership. What I called sin over 2000 years ago is still sin today for I have not changed nor will I ever change. I am the same and will always be for I am Jesus Son of the most-high living God.

This dream Child is one of many that you will dream for I am speaking to my people, those who are diligently seeking my face once again through dreams and visions. And it is time Child for the prophets to start prophesying my words, my truths once again regardless of whether or not men will receive them! The prophet's job is to reveal, expose and to edify not to tickle the ears of the people with what they want to hear. And yes, Child most prophets will be rejected for truth hurts and most people are comfortable in their sins.

CERN & The Devil's Meeting Dream 6- 19-22 at 11:13 pm & Portals, Doorways & Demons Dream 7/2/22 at 5:41 am

I heard the angel man's voice speak, and it drew my attention away from the evil conversation. "Come daughter of faith, of grace, of mercy, and of understanding, and of wisdom it's time to go. You have heard and seen enough. Order has been given by Father God Jehovah, who rules and reigns forever, for you to be shown by dream and visions, some of the hidden mysteries once

sealed. You have known since the year of 2019, that you will be given a series of dreams ordered by the courts of heaven to share, to reveal, your world's enemy's plans.

In some cases, you have been placed in dreams, in situations, you will not find yourself in, as you may not be here for, should Jehovah God give the command for his Son, the Risen Lamb to come catch his bride at a later time. But this is done so you can let your nation and world know what is coming. And part of what can be expected if the coming of the Lamb is delayed further from Jehovah God who rules all in righteousness. Each dream, each vision are given from Heaven and should be sought by earnest prayer in Jesus the risen Lamb's name for the understanding that's contained inside them. Much of the same as you do already, oh daughter beloved by the Father, who sits on the throne of Heaven." I understand.
