*** Definition of tomorrow: on the day after today; used in reference to a particular time period on the day after tomorrow; in the future, especially the near future.

Satan flies tomorrow daughter!

Satan..... flies..... tomorrow!

Many of My children's prayers are ineffective because of the accursed items that they have come in league with. That they have come in agreement with allowing the enemies to have free reign in their lives. This is why you read Joshua 7 today daughter. You can see that when the accursed thing is in the camp I cannot move. I will not find this acceptable.

"What do you want me to do?"

Many of My children confess to love Me yet they are in love with the things of the world. They're in love with the little trinkets. They're in love with the jewelry. They're in love with their makeup. They're in love with their looks. They're in love with their brand name clothes. They're in love with the luxuries of this world. And many of these items are accursed. Straight from the kingdom of darkness and many such things they put into their homes.

They do not seek Me.

They do not seek Me.

They do not seek Me daughter.

They do not seek Me.

Many of the brands, these items that I have shown you are accursed. Meaning something has been created with demon DNA, spiritual DNA turned into the physical form. Yes daughter it can be done as I showed you. When demons possess inanimate objects or live objects and then that object is turned into something else like the cake mix I showed you, then yes daughter that product's end result is that made of demon DNA. And that is not acceptable to Me. It is a stench! It is foul! It is evil and My children invited into their homes.

They do not check, they do not look. They do not try, they do not test about these things. Yes,

many of My children are trying and testing in the things of the spiritual but they're not looking in their own home. They're not trying and testing their video collections. They're not trying and testing their perfumes. They're not trying and testing their colognes. They're not trying to testing even their hair products and things, daughter. I have told you the Marine Kingdom has covered this all. This is why you pray and you check with Me. I have told you that's why you cannot use certain brands daughter. Because they have started creating it with demon DNA.

"I understand."

Satan flies tomorrow. Get ready daughter, get ready. Children of Mine hear Me now get the accursed items out of your homes, lives, and workplaces and do it now because Satan flies tomorrow and many are unprepared of what is to come. When you could have instead been grounded firmly in Me. Satan flies tomorrow daughter. Satan flies tomorrow to the Ukraine.

The word “accursed” meaning as found in Joshua 6:17

Accursed: H2764 herem

Strong's definition: usually a doomed object, abstractly extermination; cursed thing; dedicated thing, things which should have been utterly destroyed. (Appointed to) utter destruction.

Demons are accursed. They've already been judged and their determined fate is the lake of fire. They're doomed and appointed for destruction in the lake of fire to come. (Revelation 20:10-15)

Example. Demons possess people. Satan entered Judas Iscariot. (Luke 22:3; John 13:7)

Please note the Holy Bible now says devils instead of demons. Please check out all the older books, videos, teachings and such like on the subjects of casting out demons and demon possession from the past. A great number of them can still be found in which demon is said instead of devil.

But also Satan filled Ananias heart. (Acts 5:3)

Please pray, try, test this word in Jesus Christ's Name and line it up with the Word of God. Thank you, God bless, and stay under the Blood of Jesus Christ always.
