

## **I Send Fire Now 12-17-24@1:19PM**

Father God, I'm here. I heard You call out to me to come before You. I do so now in Your Son Jesus Christ's Name.

The time has come for mankind to get its just reward. The rewarding of evil upon evil. Mankind's wickedness has reached the heights of My very Heaven once again. I have sent warnings. Daughter I have it written in the Scripture of Truth what would happen. Even leaving examples in your history when a nation or the world forgets Me their Holy God and My holy ways given to man out of love so he could live a well pleasing life for him as well as for Me. Rebellion has risen to its highest levels since Noah's time of the great flood.

Do you ever consider why I say and had My Son speak, "As in the days of Noah," but also, "As in the days of Lot?" It's because Sodom and Gomorrah fell to the same sin as lucifer....pride! Then from there because they did not repent and return to Me they fell into moral decay and sexual perversion. Strange flesh daughter means flesh not like their own. They mated with the angels that fell as well as the beasts of the fields. The animals I created for other use, not to abuse. Sodom and Gomorrah was a warning to the whole world of how unrepented sin would bring down the final judgment of fire....not water.

Noah is referenced because the days were evil just like in Lot's days. They partook in the sins of mating with strange flesh as well. But I had My Son mention "as in the days of Noah and of Lot" together so the world knows the judgment coming will cover the whole world as with the times in Noah's days. But also it shall come by fire this time as My prophets and apostles, my servants have spoken it.

Your nation's sin daughter is pride.

Pride in oneself.

Pride in one's power.

Pride in its prosperity.

The pride of lucifer....this nation of yours...Babylon to Me, America to you. Just like lucifer led the other angels to follow his evil wicked ways causing them to fall into sin, then decay... further by lusting and taking the women of your earth which was not their nature but strange flesh to both species...your nation has led the whole world to fall! Again, just as lucifer whose original sin was pride.

Hear Me now beloved daughter, the trial by fire, the purging of your world is about to begin in the form of the use of nuclear power as the fervent heat melts all that is at your ground zero point as your nation and world's governments and militaries calls it.

I have begun this move already as Netanyahu unleashed his weapon of great power not previously known to your world. Did I not say the nations have hidden weapons and technology not known to the above world? Technology and weapons granted to them from lucifer and the fallen ones to ensure loyalty and power to those they need to bring their ill-gotten plans to fruition.

It makes no difference daughter. Nothing is hidden from Me ever. I hear every whisper, every thought. I see every lustful look, every hurtful word, and every heart of true praise to Me. Daughter I'm not blind to the things the enemy thinks they have hidden from Me. Deception has taken hold of these fallen ones themselves even as they continually deceive so many in your world. Including some of Mine who never take time to find out what My Scripture of Truth says for themselves. Or to take time to talk with Me through My Son in a real personal relationship.

So many of My children with good intentions focus on the feast days of the Jewish people. Yes, the time piece of your world is Israel and My Word. But daughter changes have occurred in time itself through allowed technology such as the portal particle accelerators found at CERN and the Oak Ridge facility in Tennessee. As well as the changing of the calendar I created by the use of the moon for seasons.

Not one man can now tell or know the exact time of My established feast days. This is why daughter I have not had you to focus on them in great detail. This way when I speak to you of such events or things coming you are not looking at the feast dates and times according to your world in great detail. Look to what is unchanging daughter. Look to what I have created for the signs of these such things. The Heavens' daughter. The top of your firmament wherein the sun I created, the moon, the stars I created, these daughter are what you look to when you look to the Heavens for signs. My Son is returning. My Son is the Lion of Judah. His time is now!

But first the elements shall melt under mankind's hands as they once again try to destroy each other at the urging of lucifer, the fallen ones and their demons, and others loyal to them of human and mutated nature. I am allowing this as I have foretold in My written Word because mankind as a whole is evil. The final purging, the trial by fire shall bring this world through its final ending of 7 years before My Son reigns as Lord and King over all for His 1000 years. A just reward for His children to live under His care but also for all He gave for you My people, Our people of the earth.

I called you here beloved daughter because you have an ear to listen and a heart that longs to be in My presence even in the middle of your canning and food preparations. So, now I've come to tell you daughter, it starts now. The melting by the nuclear power upon your earth. Netanyahu's weapon was the shaking and flash of bright light as I told to watch for that would be followed by a mushroom cloud, then 10 smaller. You prayed and sought. Sp you knew when the

nes came out I had placed in your YouTube feed that this was part of one of the most recent Words I have spoken to you about.

Again daughter, most assumed the shaking, the flash of light, and the mushroom cloud were all one event. Why? Because they thought they knew already the meaning and interpretation, choosing the obvious instead of taking the time out to pray and seek from Me My truth.

My heart is saddened at times by how often My children do this when I have told so many the obvious is not always the answer. The assumption is not always correct. Yet they opt out for the easiest way to get an answer. Instead of waiting for My truth or for Me to even tell them if what they assume is right is really correct or not. Then many of My children because of this end up at times disappointed, disheartened, and confused.

So daughter, know this, the warning time for most is almost over. Hidden in the shadows of false religion and bureaucracy, My Word is being removed. What will you do My people when no longer can you hold it in your hands or obtain a legal copy?

Now daughter, you see why the use of nuclear weapons, the hyperthermal, and others will be allowed as it fulfills My very Word of promise to a world full of pride that has fallen into sin with the majority refusing to repent. Now I burn this world leaving lucifer and his puppet antichrist nothing but a ruined, melted world charred and poisoned beyond recognition in many places for them to rule until My Son sets up His Kingdom on Mount Zion.

Tell them daughter the fire is coming now and will not be stopped. It began with Israel's strike on Damascus that shook the earth. You are in, daughter as I have said, the last few seconds of time, My time before 6:59 turns over to 7. Seven is the time of completion for this current era of grace. Tribulation time begins next for 7 years and will not be altered or stopped from what I have shown and have had written by My prophets of old and new. Hear Me daughter, your world begins melting with fervent heat now.

Tell My children, My Son and I are preparing your reception into Heaven where you will never have to face the heartaches and sorrow of living in a world of sin and evil. You are to be received as the royalty you are. Get ready My children for I send My Son before the last second plays out and the 7 arrives.

#### Additional Information:

The reason I am providing the below information on the attack on Syria is because Father God said this, "It began with Israel's strike on Damascus that shook the earth." According to news sources there was a multistrike attack the night of the dropping of the earthquake bomb by Israel in which Damascus was part of and targeted with other locations with many airstrikes. This included Tartus where the earthquake bomb was dropped. It is connected to Damascus by Homs. This is for those who refuse to seek the Lord Jesus Christ about this or simply refuse to research it themselves as I was instructed by my lovely Jesus Christ to share this information now instead of later. Please try, test, discern and pray about all this in the mighty Name of Jesus Christ.

Tartus has a developed road system. Tartus and Latakia are connected by the M1 international highway, and the city is connected to Damascus by the M5 highway via Homs. (Wikipedia)

The night Israeli's dropped the earthquake bomb, Israel also bombed sites in and around Damascus, particularly around the Qasioun mountain, hitting "radar systems" and "air defence systems", according to Serdar. (It was one multi plan attack plan carried in different locations)

British monitoring group, the Syrian Observatory for Human Rights (SOHR), said on Monday that Israeli airstrikes had targeted warehouses in Rif Dimashq province, which includes the Syrian capital, Damascus.

The SOHR also said on Monday that Israel had attacked weapons depots in the Tartus region, on Syria's coast. They were "the most violent Israeli attacks on Syrian territory since 2012," the group said, reporting that at least 36 civilians were injured in "consecutive explosions."
