CHAPTER ONE

RAIDING THE HOUSE OF THE STRONGMAN

As far as the Bible is concerned, we should not allow sleeping dogs to lie. That sleeping dog must be woken up and dealt with. From Matthew 12:29 and Luke 11:21 we can gather plenty of facts. The facts are:

1. There is an entity known as the strongman.
2. Jesus is the only one that identifies this strongman as an entity. The strongman is not just a concept, it is a spiritual entity.
3. The strongman, as the name implies, has a great level of power. Psalm 2:1 says, "Why do the heathen rage, and the people imagine a vain thing?" An entity is identified by the Psalmist. It is the same that Jesus tried to describe. Other names for the strongman are 'the mighty' and 'the terrible.' Isaiah 49:25 says, "But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children."
4. The strongman has a specific location, a house. Inside that house, he keeps goods. He is a keeper of confiscated goods. He ensures that those goods are with him forever and owners never get them.
5. The strongman has weapons according to the Scriptures. This is why sometimes when you pray, there would be a counter-attack. He too would gather his own weapons and fight back.

The Bible teaches that the strongman has armour. He defends himself. He has offensive and defensive weapons.

6. The entity called the strongman has a wicked agenda: to steal, to kill and to

destroy. When he is assigned to you and you don't deal with him, he can trail you from the cradle to the grave.

Unfortunately, in the Africa setting, immediately some people are born, they are handed over to the strongman and he goes after them and pursues their lives until the day they are buried.

7. The Bible makes us understand that ignorant people cannot control the strongman. No man can just stroll into his place and say: "Come out! Release my goods."
8. The Bible makes us understand that the strongman can operate in the heavenlies. His locations can be anywhere. Daniel knelt down and prayed and on the day God answered and sent an angel to bring the reply, beloved, the Bible makes us understand that there were some spirits in the atmosphere who were strong enough to prevent the angel from bringing the answers to Daniel.

If Daniel had stopped praying on day one, the angel bringing his prayer would have gone back to heaven. But as he continued, the prayer brought an angel from heaven to assist his angel of blessings. Plenty of us do not assist our angels. So, we don't get answers. That strongman was able to confront the angel bringing blessings from God and the angel could not pass through for 21 days. The strongman has capacity enough to confront the angel of blessings.

9. The strongman is a military personality. So he has declared himself as a soldier. In fact, demons refer to themselves as soldiers. This is why the Bible says: "The Lord is a man of war, the lord is His name." This is why heavens have no respect for civilian Christians.
10. From the passage we have read, we gather that the strongman is ready for defensive and offensive warfare.
11. The strongman is a thorough destroyer. Mercy is alien to him.
12. He is an alert guard ready to pounce on intruders like a dog guarding a house.

13. The Bible makes us to understand that the strongman has a palace. That is, he is a king. He reigns.

A family had a strange experience. There were five women in that family. The youngest was 39, the oldest around 50-59. All of them were virgins and not married. They had no lovers up to that age. One day, at our prayer meeting the first prayer point was this: "You strongman standing at the gate of my promised land, fall down and die." Everybody prayed the prayer. The youngest member of that family was there. Immediately she said: "Every strongman standing..., in the name of Jesus;" she fell down and remained on the floor until 5.00a.m when we said: "Let us share the grace." When the anointing service ended she opened her eyes and said, "I had a vision." Immediately she fell down, she found herself in a palace. Inside that palace was a king who had five wives. All the wives were wearing the same kind of attire. She said she looked at the faces of four of them and found that they were the faces of her sisters. Then she looked at her own body and found that she was wearing the same attire like those four. She said she challenged the king: "Sorry, others may be your wives, I divorce you, in the name of Jesus." Immediately she said this, the king fell down from the throne and she opened her eyes. That was what she saw in seven hours. Within few months, she was married.

Why? Because she finally dealt with the strongman.

I also remember the testimony of another sister who was promoted several times. Her salary was huge, but when she collected the money, she would not know what she did with it. She was poor, yet she was getting big money.

One day, she got angry in her spirit and started praying. As she was praying, something ministered to her: "You have a cutlass in your kitchen; hold it in your hand and use it for this prayer. Begin to cut all the hands of poverty that are hindering you." And she started praying: "I cut off every hand of poverty that is against my life, I cut them off." She cut until she was tired and she went to sleep. In the morning, they called her from the village that her grand-mother, who was a marine priestess, just woke up that morning and her two hands were cut off and were bleeding. The hands were on the bed. This lady did the cutting in Lagos and the effect was felt 100 miles away. And do you know? Right from that day,

the agenda of wealth that the Lord had for her began to manifest.

14. The strongman is a controller of a group of spirits. He is like a king, so he must have a kingdom.
15. The strongman is the power source and the dominating influence in a particular situation.
16. He is the principal demon, the leading demon in the warfare against your life. Therefore the key in setting many situations free is to: locate, identify and deal with the strongman.
17. He is the dominant or the head demon. He is like the prison warden of the devil, keeping his prison for him. He is the one energising evil activities, a commanding general of an evil army. He is the captain of the evil stronghold, the king in the palace of darkness.
18. He is the senior serpent or the senior scorpion of whom Jesus said: "I give you power to tread upon serpents and scorpions ..."
19. He is the evil power assigned against a problem, which says: "This problem must just continue. It must not be removed."
20. He is the ancestral power in charge of family bondages. He is the principality in people's individual heavens, a satanic prince over a particular territory.
21. He is the Pharaoh among your pursuers, the Goliath among your oppressors, the arrowhead of the attack you are facing, the manager of the satanic warehouse hiding people's blessings.
22. The strongman is that wild, protected enemy that ridicules our prayers, the evil power that rules a locality and decides that certain good things should not happen there.

When the strongman is still inside, other wicked spirits that have been chased out will always come back. He can have human agents representing him.

He will send his children to fight first before you can encounter him.

Every nation, every town, every village and every family has a strongman assigned to it.

23. A strongman can also be attached to somebody's career. All other people will move forward, but the victim cannot move.

24. He can be attached to somebody's business.

25. He can be assigned to somebody's calling, causing problems if you don't deal with him.

26. He can be assigned to somebody's marriage, work, house, academic and finances.

Until he is identified and dealt with and you possess your possession, he will continue to harass you. That is why the Bible describes him as 'the mighty' and 'the terrible,' the strong force that scares helpers. He is a power that will argue with deliverance ministers. He can scare away small prophets.

Let me give you good news:

1. It is possible to bind the strongman.
2. It is possible to enter his house and raid what he is hiding there.
3. It is possible to plunder his goods.

But then, the only language he understands is VIOLENCE. And you need the assistance of the Stronger Man, the Lord Jesus Christ, to fight him. You must understand that binding is the effective weapon against him. Proverb 6:31 describes how to deal with him: "But if he be found, he shall restore sevenfold; he shall give all the substance of his house." When he is in charge of someone's case, those who pray with the person are scared away, former friends will

become aggressors. You will always be at the brink of fearful and life-threatening medical condition. Your helpers will come under his attack. There would be terrible dreams. You will have aggressive spirit wives with terrible temper, or spirit husbands will be troubling you or you will always be having one accident after another. You may be seeing dead relatives or ghosts. There would be chains of bad luck. You may be hearing strange voices. You will be having multiple surgical operations. Suicidal thoughts may fill your heart.

When the strongman is in charge of a case the victim will say, "I don't dream, I just sleep." You dream but the strongman has taken away your monitor. You do a lot of hard work but have little progress. When you pray, something is resisting your prayers. There is profitless hard work. You just feel as if something had gone wrong somewhere.

When he is in charge of somebody's case, even when he is a member of a living church, fake members will drag him to witch doctors or to fake prophets somewhere. We have seen many cases like that.

When the strongman is in charge of somebody's case, that is when the person meets people who will lead him into error? Today, you need to surrender your life to Jesus if you want to confront the strongman. You need to pray confrontational prayers. You need to wage war against the strongman. You need to pray some prayers that will make your enemies to shake in terror.

A brother hired a flat somewhere. Every night he had attack and oppression. He would be hearing gun shots in his room. So he went to report to his pastor and was told to shoot back.

One night as he was in his room, the shooting started. The brother jumped up and shouted: "I don't know who you are shooting here, but I shoot you back." He went on like that for about 30 minutes and went to bed. What woke him up was the people running up the stairs. He opened the door and asked what the matter was and was informed that it was the landlord, that he had been screaming that somebody wanted to kill him.

The brother took his Bible and said, "Let me go and pray for him." Immediately he entered the landlord's room, he opened his eyes and said, "Don't

come near, don't come near. You are the one shooting at me." The brother prevailed because he had power over the strongman.

Remember, it is impossible to defeat the strongman when you are still in the camp of the enemy. When you are not born again and you have not yet surrendered your life to Jesus, you are going to experience defeat.

CHAPTER TWO

CONTROLLING THE ROOT WORKER

The word of God inspires the faith we need for victory in every battle of life. It gives us the power to prevail against the enemies of our souls and those who are determined to sentence us to destiny failure. The word of God is our confidence in battle against stubborn enemies. Read this believer's testimony below:

Job 29:17: "And I brake the jaws of the wicked, and plucked the spoil out of his teeth."

The word of God gives us power and boldness to break the jaws of the wicked. The testimonies of those who ran the race before us encourage us to fight and win life's battles through divine support. It is possible to defeat the devil and recover what we lost from his hands. The testimony above says it is possible to deal a jaw-breaking blow upon the enemy and recover the spoil out of his mouth. You will prevail. You can break the jaw of the wicked and recover the spoil from his teeth.

Matthew 11:12: *"And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force. "*

The kingdom of heaven demands violence. And it is the violent that takes it by force. Breaking the jaw of the wicked requires violent prayers.

You cannot recover anything from the devil without force or violence. The wickedness of the devil does not permit him to surrender to his attacker without violence. He was thrown out of heaven through violence. He attacks soldiers of the cross violently. The only language he recognises is violence and aggression through the force of prayer and authoritative command.

Bible characters who possessed their possessions were violent in faith, prayer, action and obedience. The Canaanite woman was violent in faith to receive her healing. Without violent faith that remained undaunted, by the initial seemingly reluctance of the Master to help her and the opposition of the disciples, she would have missed her breakthrough.

Jacob wrestled Violently with the heavenly personality. You can see the violence and aggression of his fighting spirit in his persistence and refusal to let the man go. It is only a violent fighter that will not allow his opponent to go even when the opponent surrenders. The heavenly personality surrendered to Jacob in fight. But he was still holding on to Jacob's blessing, for which he refused to let him go. You can't be satisfied with demons obeying your authority in the name of Jesus, if they are still holding onto your spoil. You must pray aggressively until you possess your possessions.

Blind Bartimaeus was violent. The voices of the multitude could not silence his voice. His violence could not be hidden. How could one man have shouted loud enough to prevail over the voices of a multitude? It was a violent cry. When Jesus told him to come, he Violently threw away his garment. There was violence in his voice. There was violence in his action. There was violence as well as aggression in his heart. No wonder, he received from Jesus. These examples teach us how to secure our breakthroughs by prevailing over the hosts of satan.

A six-year-old boy had a dream where he saw himself graduating from the university. He saw himself in a large gathering where people wore academic gowns. He heard his name read out that he made first class in a particular discipline. He was greatly applauded in the dream. He woke up and shared the dream with his parents, who encouraged him that it was a good dream he had. But before the dream could come to reality he fought a serious battle for 30 years of his life. If not for prayers, he would not have seen the fulfillment of the dream at the age of 36.

He was attacked by root workers who heard his dream and worked against its fulfillment. The result of their activities was that the fulfilment of the dream was prolonged. They manipulated his destiny and made a short journey long for him. For 30 years he struggled hard to achieve what could have been achieved in 14

years after he had the dream.

From this example, you can see that root workers are wicked. If they don't succeed at neutralising your dream, they make it to take longer time than necessary to manifest. Root workers are extremely wicked. They keep their wicked activities concealed and keep eating away the root of your destiny.

I know the case of a sister who had a strange sickness that defied medication. She became very pale and was taken from place to place in a frantic search for solution. On a particular day, as prayer warriors gathered in her house and were praying, God opened the eyes of one of them to see a baby who disappeared and later re-appeared as a small goat with a string on its neck tied to a tree. The prayer warriors did not know about the vision and they kept praying. The only thing the brother continued to see was the lean, sick, small goat.

As the prayer went on, the face of the goat changed to the face of the sister whom they were praying for, and she screamed: "Help me, my uncle tied me here." The prayer warrior to whom the root of her problem was revealed changed the focus of their prayer until the satanic root workers were disgraced. The sister began to recover. She experienced the problem at age 32, but she had been tied like a little goat when she was a baby. She didn't know on time because the effect of the rope did not manifest until she was 32.

Satanic attacks can be likened to the physical structure of a tree. A tree has two parts: the one below the ground and the one above it. Above the ground are the stem, branches, leaves and fruits of a tree. Under some unfavourable conditions, a tree can lose its leaves, branches or stem. Any lost part above the ground can be grown again. Below the ground are the roots or the tuber. When the roots die the parts above the ground also die sooner or later.

The wickedness of root workers can also be divided into two categories - surface wickedness and underground wickedness. Their prime wickedness is that they specialise in working on the roots of people's lives. They dig up foundations and devour the essence of life. They are like termites eating the roots of a tree under the earth surface. Until the roots are finished, you might not notice anything going wrong with the tree. Some people's lives have been destroyed at the root without any noticeable outward sign. However, after a period, the effect

will manifest for all to see. You have to destroy the root workers of your life before they eat up your life.

The most critical aspect of your spiritual life is the foundation. God laid the foundation of the New Testament Church on the person and perfection of Christ, because He is the author and finisher of our faith.

Hebrews 12:2: *"Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God."*

In the Old Testament, Moses laid a foundation. He began but did not finish. Abraham laid the foundation of our faith; he began but missed it somewhere on the way. Every servant of God that came during the Old Testament period began but never finished the issues of our faith. If the Church was built on an imperfect foundation, its whole structure would have been imperfect. No building is stronger than its foundation. Jesus became the foundation of the New Testament because God wanted to build a perfect Church.

Ephesians 5:27: *"That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish."*

You can see that God Himself pays very close attention to foundation. It cost Him the life and sacrifice of His only begotten Son. The psalmist says:

Psalms 1:1:3: *"If the foundations be destroyed, what can the righteous do?"*

The foundation of your life is the most important of all. That is the reason root workers target the root, which is the foundation of life. The moment the root is destroyed, the righteous can do nothing. A house without foundation will become worthless sooner or later. Wicked root workers have destroyed many lives by attacking their roots.

A bitter root will produce a bitter tree. A contaminated root will pollute the whole tree. Your root is responsible for how your life is at present. Pay attention to your root. Dig up your foundation. Find out what has happened to it over time.

Discover the termites and ants eating up the root of your life. Pick them up one by one or sweep them together by Holy Ghost fire and consume them at once.

There is an inseparable connection between the root and the destiny of man.

Matthew 13:25: *"But while men slept, his enemy came and sowed tares among the wheat, and went his way."*

The manifestations of the wickedness of the enemy are products of seeds in many lives, seeds sown many years ago. Many people are not acting; they are reacting to the evils that have been done long ago. Your foundation is as deep as your history. The platform your parents and ancestors created for you is your foundation. The devil made Moses who was born to deliver Israel from bondage his target. He went into Moses' foundation long before he was ever born and sowed the seed of anger.

With this seed in the lineage of Moses, the devil had made the root his target. Moses was not the only tree that grew from the root of Levi. But because the purpose of God for his life was so great, the devil made sure that the evil seed of anger in his foundation was preserved and carefully guided in the tree of his life. From his polluted root anger entered into Moses and stood against his fulfillment in life.

In a family, everybody may not suffer the same level of problem emanating from evil foundation. Aaron was Moses' brother and Miriam was his sister. They all grew from the same root, but there is no Bible record of Moses type of anger in their lives. This is a great mystery. You may be the sale target of the evil foundation of your family. You maybe the sale reason why the devil polluted the root of your family so that you will grow corrupted. When the purpose of God for a man is great, the evil seed of his foundation may be targeted against him.

I have seen families where some members suffer certain perversions while others do not. I have seen families where everybody is morally loose, except one or two. The mystery of evil roots and their workers is that there are special targets in every family and generation. What makes you a target is the plan of God for your life.

As in the case of Moses, many evil seeds were sown into many lives when, as it were, men slept. Many things went wrong with your foundation when you were not conscious that any such thing was going on. A tree was planted on a soil and it began to grow. Suddenly, the green leaves of the tree turned yellow and dropped off. On close investigation, it was discovered that the root of the tree grew deep into the salty region of the soil from where poisonous elements were absorbed into the stem, branches, leaves and fruits.

When you were young you probably did not notice that anything was wrong with your life. Your root must have grown deep into the evil level in your history and ancestral descent. At that time, not only you, but the whole world would have seen that your green leaves were turning pale and yellow. They would have seen that your branches were shrinking to wither away. They have seen that your fruits were getting shed untimely and they had very acidic taste. You must deal with your root.

Dealing with the root of your life is not an easy task. The Lord compared Israel to an unfruitful vineyard which received rain, received sunshine and grew on a fruitful hill, but did not produce fruits. In His judgment He said He was going to dig out the vineyard. You must dig into your history. Make deep investigation into your foundation. If you don't, many things will remain hidden from your sight and they will continue to hunt and hurt your life.

Your manner of conception may be responsible for your present condition. Before God used Jephthah to deliver Israel, his brethren drove him away from the family's heritage because of the manner of his conception. His mother was a harlot. His manner of conception turned everybody in his father's household against him. He never enjoyed any body's favour or friendship in his father's household. He never knew acceptance or love, yet he was a warrior.

Jephthah was born a mighty man of valour, a deliverer and a leader, but he was driven away from home because of his manner of conception. I tell you: your great potentials can be wasted because of your manner of conception. Your privileges and opportunities in life could be denied you because of your manner of conception.

Before he had an encounter with God, Jephthah had lost his heritage in his

father's household and grown in the midst of outcasts. His manner of conception determined his kind of friends. His manner of conception also turned everybody in his father's household against him. This made him to lose the hope of a bright future in his father's house. Everything boiled down to his root and manner of his conception. Find out the circumstances surrounding your conception and birth. Your problems may be traceable to them.

Root workers gain access to people's lives through anomalies that surround their conception, which include parental fight during pregnancy, mother's consumption of alcohol and drugs during pregnancy, mother's difficulty to conceive, parent's death at early age, sexual abuse while young, accidental conception, *etc.* Children born from these experiences are generally wayward, stubborn, perverse, *etc.* The problem is that their roots have been polluted.

EVIDENCE OF ROOT WORKERS' ACTIVITIES

1. **Struggling in vain:** Root workers subject their victims to profitless hard work.
2. **Difficulty to understand:** People find it difficult to understand themselves because of the problems of root workers.
3. **Evasive miracles:** If miracles have been slippery, even when so much is happening around you, you need to look at your root.
4. **Career problems:** The career problems which root workers cause men to have could be in the form of passing subjects they do not require and failing the essentials ones.
5. **Poor health:** Root workers cause poor health. Their victims suffer stubborn diseases.
6. **Unfruitful spiritual life:** An unfruitful spiritual life could be the result of root workers' operations in people's lives. When root workers are busy eating away the foundation of your life your spiritual life would be unfruitful.

Generally, a life bombarded by root workers is full of frustration, confusion,

worry, anxiety, fear, lack of self confidence, inability to exercise will power, lack of power to act decisively, day-dreaming, idleness, wastage, enslavement and the rest.

ENTRY POINTS OF ROOT WORKERS

1. **Placenta manipulation:** I have seen cases where placentas were eaten up or planted under a tree. This is one of the entry points of root workers.
2. **Mysterious birth:** I have seen the case of a child conceived from the sexual act between a physical mother and a spiritual father. It is another entry point of root workers. The child becomes a hermaphrodite.
3. **Cauldron cage:** Some people's placentas are preserved in a cauldron. Evil root workers gain access to such a life, and cause confusion.
4. **Child dedication:** Root workers use the opportunity of child dedication to work against some people.
5. **Sexual abuse:** Root workers invade lives through sexual abuse, especially at a young age.
6. **Satanic tree planters:** Trees are planted in some families to represent the children according to their number and position. And whatever happens to the trees takes effect in their lives.

YOU MUST PRAY

There are prayers you must pray to bring hidden things to the surface. Such prayers can uproot evil roots. You need such prayers to deal with root workers in your life.

Before you start praying, make sure you settle the following:

1. Don't hold anything against anybody that you cannot let go.
2. Ask the Lord to show you where things went wrong in your life.

3. Repent of all known sins.
4. Wage war against the root workers.
5. Ask the Lord for inner healing
6. Re-possess the possessions you have lost.

PRAYER POINTS

1. Evil root workers, release my life, in the name of Jesus.
2. O Lord, shake evil root workers out of my life, in the name of Jesus.
3. Every covenant of satanic marriage, break, in the name of Jesus.
4. I recover, by the blood of Jesus, anything stolen from my body in the demonic world, in the name of Jesus.

CHAPTER THREE

THE POWER THAT SITTETH ON MANY WATERS

Pray thus: 1. Every conspiracy against me in the heavenlies, scatter, in the name of Jesus.

2. Every power designed to cut off my destiny, die, in the name of Jesus.

3. Every habitation of wickedness targeted against me, become desolate, in the name of Jesus.

Revelation 17:1-6: *"And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. So he. carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration."*

John was in the spirit and angels of God revealed unto him the secrets of the great whore that sat upon many waters.

THE MYSTERY OF WATER

There are only three strongholds in the universe. There is a stronghold called the heavenlies. There is the earth and the third is the sea. The thing common to all these strongholds is water.

Water can be found in the heavenlies, water can be found on earth and water abounds in the sea.

The mystery of water was brought to the fore in the book of Genesis which says that the spirit of the Lord moved upon the surface of the water.

There is a saying in a local Nigerian language that water has no friends and no enemies. If you look at the surface of water and admire it, it will remain as liquid water. If you apply heat to it, then it goes into the atmosphere as vapour. The moment vaporised water cools down it becomes liquid water and with further cooling it becomes solid ice. These are different states water can pass through. But its content is the same. Each of the three stages is made up of water which is chemically composed of hydrogen and oxygen.

Why are there powers in the water? The reasons are not far-fetched. Water has many benefits. This explains why evil spirits sit on many waters. This message will reveal why certain categories of people must pray hard for deliverance. This includes people from riverine areas, those whose parents worship water, those who are dedicated to water, those who dream of water and sometimes see themselves swimming when in real life they do not know how to swim. It also includes those who are afraid of water, those who feel drawn to water or those who suffer attacks from marine powers or dragon spirits.

Water is a powerful force that sits on men's destinies and breakthroughs. The name of the spirit that sits on many waters is BABYLON. The Bible calls it "MYSTERY BABYLON". Let us unravel the mystery of Babylon.

THE PHYSICAL BABYLON

The Babylonian empire was ruled by a strong king who worshiped idols. A demon called Ishtar, whose other name is Ashteroth, was also worshipped. Many of the idolatrous practices brought into Christianity were from Babylon. For

example, the Christian lent of 40 days originated from idolatry. It was Samisen who mourned his dead son for 40 days and this was later transmuted to 40 days fasting for Christians.

Christmas was a carbon copy of idol worship, in the way the sun, the moon and other planetary bodies were worshiped. It is clear that Jesus was not born in December; an evidence that Christmas has no bearing with His birth.

The book of Daniel brought to focus one of the kings of the kingdom of Babylon; Nebuchadnezzar. He was a powerful, authoritative king whose words were his bonds. He talked arrogantly and powerfully. He was surrounded by magicians, astrologers and sorcerers. It was in the land of Babylon that Daniel was thrown into the lions' den. It was there that Shadrach, Meshach and Abednego were thrown into the furnace of fire. Great Babylon was a city that was well fortified and had tall walls. The kingdom had enough food that could sustain it for 20 years. If the citizens were attacked or besieged, they could be indoors for about 20 years without dying because of the availability of surplus food.

God in several ways had proved that He could deal with spiritual Babylon. King Belshazzar reigned as king over Babylon after Nebuchadnezzar. God dealt with him severely. God passed death sentence on him through the handwriting on the wall - MENE, MENE, TEKEL UPHARSIN, which means, "Thou art weighed in the balances and art found wanting." The Lord can confront present-day Babylon if believers can manifest the anointing of Daniel of old.

SPIRITUAL BABYLON

The book of Revelation says that Babylon is a mystery. Babylon is the great mother of harlots and abominations of the earth. John was amazed when he saw the revelation.

The Bible describes the army of the Great Babylon:

Revelations 17:4: *"And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her*

hand full of abominations and filthiness of her fornication."

Overdressing, wearing of contrasting colours and flamboyant dresses emanated from Babylon. Indulging In luxuries to the point of spoiling one's body is a practice sponsored by the spirit of Babylon. The present-day luxurious living is the spirit of Babylon at work. I once read about someone who stole 300 million dollars. I wonder what he would do with such a huge amount of money. It is a high level of greed which originated from the spirit of Babylon.

The Bible says that the spirit of Babylon is drunken with the blood of the saints. The spirit specialises in killing believers. It is a spirit that is blood-thirsty. It is the spirit that sponsors the death of saints and the murdering of innocent souls. All the abominations of the earth can be traced to the power that sits upon many waters.

The various television adverts that carry pictures of ladies posed in nude are the works of great Babylon. Babylon loves to mingle with kings. It is the power that seduces people in high places.

The uncontrollable sexual urge and fornication and adultery that go along with it are parts of the activities of the spirit of Babylon. The power that has infiltrated into christendom and makes believers to commit fornication and abortion is the power of Babylon.

If you commit fornication with anyone, either with the usage of condom or not, you have inherited the demons possessed by the person. The various forms of religion of the East that have no resemblance with Christianity were brought by the spirit of Babylon.

The music you hear, the clothes you wear should be prayed upon, else you might imbibe the Babylonian spirit. Most clothes are dedicated to idols before being offered for sale. It will be advisable to pray on such clothes before wearing them.

THE EVIL AGENDA OF BABYLON

The agenda of the spirit of Babylon is to pollute men with immorality in all

ramifications and to introduce character disorder into the lives of people. The lust of the eyes is part of the manifestations of the spirit of Babylon. Instance of snake bite in the dream is also one of the manifestations of the spirit of Babylon. All forms of seduction are rooted in the spirit of Babylon.

Do you enjoy seeing nude pictures? It is the influence of Babylonian spirit. Often seeing the opposite sex in the dream is a manifestation of the spirit of Babylon. Have you dreamed of seeing a city full of the opposite sex belonging to you? Then, you must address the spirit of Babylon.

When you enjoy reading sexual and romantic books, the spirit of Babylon is at work in your life. Those who enjoy sex movies and films are infested with the power that sits on many waters.

There was a time Balaam was invited by the enemy of the Jews (Balak) to curse Israel. The reward of covetousness gripped him and he set out to curse God's people. The Lord, on several occasions, intervened in the matter and instead of Balaam to curse the people of God he blessed them. Balaam confessed: "I cannot curse those whom God has blessed."

To destroy the Jews, Balak still said something like: "Push women to their midst so that they would commit fornication! Then their God would leave them." It happened that strange women were brought into the land of Israel. The children of Israel started to fornicate with them. Through this act many people fell. God destroyed thousands of them. What the curse of Balaam could not do, immorality was able to accomplish. All forms of unholy intimacy are signs of Babylon. All the constant sexual thoughts and all forms of sexual soul-ties are signs that the victim is caged by the power of Babylon.

All immoral, jezebelic dresses that are rampant in so many churches now, originated from the spirit of Babylon. Many pastors are falling through these jezebelic attires. The demonic cosmetics and the bleaching of the skin are evil suggestions from the spirit of Babylon.

Revelations 17:5: *"And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS*

OF THE EARTH."

All the marriages in the dream and all forms of homosexuality, oral sex and bestiality are from the spirit of Babylon. Every form of prostitution and sexual perversion is from the power that sitteth on many waters.

Once the power of the Babylon spirit succeeds in introducing immorality, which is an abomination, into a life, then human strength is broken and destroyed. Consequently, great fall would follow such a life. The sin of fornication can bring down anybody.

Samson could pull down the gates of the Philistines. He could harass them anytime and any day. He literally became a terror to them. But when the spirit of Babylon rose against him, he became like a jelly fish. His power was gone. This is the more reason prayer should be said for our spiritual' leaders. A spiritual leader is pulled down once he starts to sleep with ladies. Such sin destroys everything a servant of God has been building for years.

CHARACTER DISORDER

Another abomination that Babylon introduces is character disorder. All the gossips, backbiting, negative criticisms, spiritual blockages, unforgiveness, hidden wickedness, suicidal tendencies and secret sins are sponsored by the power of the spirit of Babylon. Killing children with the tongue by saying, "I wish you had never been born" is a sign of Babylon's spirit. All pride of beauty and all forms of nudity and indulging in scanty, indecent dressing, are from the power of Babylon. Fragmentation of personality and wretchedness are sponsored by the power that sits upon many waters.

It has been noticed that marriage vows are not well respected by people who live in riverine areas because of the influence of the power that sits on many waters.

GOD'S WAY OF ESCAPE

There is a need and a call for warfare against the spiritual stronghold of Babylon. There is need to take positive actions to quench the power of the spirit

of Babylon.

1. Repent of all the sins that enable this power to cage you. For the Bible says that he who breaks an hedge the serpent will bite him.
2. After this, there is need to map out strategic warfare. This is to say that one would clinically and strategically pray against the spirit of Babylon. Daniel was successful in Babylon because he knew the secret of prayers and fasting. He knew how to take the battle to the heavenlies.

It is time you got rid of the spirit of Babylon in your life. Daniel was living in Babylon but the spirit of Babylon was not in him. There is need to cooperate with God's angels to dismantle the castle built by this spirit.

The way to deal with Babylon was the way God dealt with it in the book of Daniel. There is need to pray that the hand that wrote the handwriting on the wall would be at work again. You must pray until God dismantles every Babylonian stronghold in your life.

PRAYER POINTS

6. Every glory of my life in the valley of witchcraft, arise and locate me, in the

name of Jesus.

8. Every arrow fired into my life between midnight and 1.00 a.m., go back to the sender, in the name of Jesus.

CHAPTER FOUR

EVIL PREPARATION

Luke 13:1-5: *"There were present at that season some that told him of the Galileans, whose blood Pilate had mingled with their sacrifices. And Jesus answering said unto them, Suppose ye that these Galileans were sinners above all the Galileans, because they suffered such things? , tell you, Nay: but, except ye repent, ye shall all likewise perish. Or those eighteen, upon whom the tower in Siloam fell, and slew them, think ye that they were sinners above all men that dwelt in Jerusalem? I tell you, Nay: but, except ye repent, ye shall all likewise perish."*

Some people were killed and their blood was mingled with sacrifice by Pilate. Only God knew what they did to Pilate that made him to order that they be killed. They were killed and their blood was mingled with the sacrifice they were offering. Some people reported the matter to Jesus and he answered them: *"Do you think that those people were more terrible sinners than all other Galileans?"*

I want you to consider the above passage seriously. It is crystal clear that tragedies are occurring in our nation. Fire outbreak, mass killing through accidents and all kinds of terrible things are happening. What Jesus is saying is this: do not think that all those who perish through accidents are terrible sinners. Repentance is the key. But unfortunately, these days, a lot of people are making evil preparation. They mistakenly prepare platforms for the devil to destroy them.

It is possible to be preparing for something but your preparation is faulty. For example, you are a student and you are supposed to sit for mathematics examination tomorrow, and for some reasons you think it is geography. And you prepare for geography, only for you to get there and discover that it is mathematics. You have done your preparation all right, but it was a wrong preparation.

To prepare is to make ready, to make previous arrangement for something. It means to be ready. Unfortunately, a lot of people are making evil preparations. I want you to understand that everyone in this world is living a borrowed life. You do not know how you started living in this world, so also you cannot tell when your life will end. No one has the power to choose where he or she would be born and how he or she would be born. So, if you look closely into the word of God, you will agree that our lives do not belong to us. The world is not the last bus stop; hence you have to be very careful what you do with your life. There is a destination in view.

One streak of human nature is the attitude of planning to do evil. Most people in the world today are actually planning to fail. It is unfortunate that many church goers are preparing for failure. And many are planning to perish.

Jesus spoke frankly in the verses we read above. The message is very clear: you either repent or you perish. The opposite of repentance is peril. So, if a person does not fully repent, he is making preparation to perish. And the worst preparation you can make for your life is preparation to perish. If you go to a place where the word of God is preached, and God cannot achieve what he wants to achieve in your life and He says, "Let him go," that word, "Let him go," means that He has given up on you. I pray that God will not give up on you.

The message is very clear: you either repent or you perish. Repentance is a powerful word in Scripture. There were 400 years of silence in the Bible, when the book of Malachi closed and there was no prophet and nothing happened. After that long period, the silence was broken with the cry that came through John the Baptist. That cry was "Repent." Repentance is the first key to becoming a friend of God and to receiving complete deliverance. Unfortunately, many who say they are believers take this lightly. If you refuse to repent, you are making an evil preparation.

I am afraid we may be leading masses of unrepentant people. They live and believe in 'false peace'. They are being told that there is peace when there is none. These are people who have refused to repent. A lot of people who come to the church are not genuinely convicted of their sins. We have people who say they are saved when they have not really repented. Unfortunately, many

churches focus on remedy while ignoring the disease. You must repent or you perish. There is no middle camp.

You can say, 'But I have repented'. Well, if you say you have repented, why do you still go back to that sin from which you repented? That kind of repentance is questionable because true repentance should produce a change of heart. It means something has been removed from within you. True repentance means renouncing your sins. It is evidenced by consciousness of sin. It is having the consciousness of self judgment. It makes you have a sense of unworthiness and elimination of pride. It will bring great grief for sin in your heart. It will make you have godly sorrow. True repentance will make you pray seriously and receive power to resist temptation. Many people need to repent. Enough of fake repentance.

If we want revival and desire that the power of God should be manifested, the first message we must honour is the message of repentance. If that is not done, deliverance cannot follow. To be very honest with you, the greatest deliverance comes after repentance. Where there is true repentance, people weep before the cross; they cry because of their sins. Today, people come to the church without having anything concerning salvation. Some people ask; "What does it mean to be born again?" That kind of deliverance is just a waste of time. And pastors who conduct deliverance without ensuring that those they want to deliver are born again are equally sinners. More demons may come upon such people. A lot of people in churches today need to be broken down completely by the power of God. They need to shake sin out of their lives like one shakes liquid out of a bottle, so that the power of God would be able to manifest in their lives. The lesson that many people in the church have not learnt is that the devil is wicked and that he does not know mercy.

The devil is looking for those who will go to hell fire with him. As long as there is a little sin in your life, it is enough ladder for the enemy to deal with you. The truth is that even if we called you a believer and you have not repented, you are only deceiving yourself and not God. There is nothing like partial repentance. It is like saying that seven thieves went to raid a house, six of them could not get in, only one got in. The moment the house is raided the seven thieves are guilty. If you repent from telling lies and you are proud, or if you repent of the way you talk, but bitterness is still there; or you repent of bitterness but stealing is still there; or you repent of lies but covetousness is still there, or

you repent of covetousness but the lust of the heart is still there; or you repent of the lust of heart but you are still forging papers, you are guilty all the same. As far as the Scripture is concerned, you have not repented. It is like saying that a bird fell into a snare but the snare caught only one of its wings. Of course the bird cannot escape. That is what you suffer when you repent partially.

I want you to understand that it is either you repent or perish. I like to tell you that with all that is happening now, it is dangerous for you to move about without ensuring that at every moment you are ready for heaven. It is also very dangerous for you to pray a certain kind of prayer when the enemy is still resident in your house. If you know you are rebellious and proud, if you know you still commit fornication and the lust of the heart is still in you, but you are attacking witches and wizards, of course, they will turn around and deal with you. Satan (like Pharaoh) would want to keep some sins in you as a pledge, so that he can return.

Moses said, "Let my people go." Pharaoh said, "You can go but leave your cattle behind." Today the devil will say, "You can go but leave your business life with us." You can give your body, soul and spirit to Jesus, but continue with your fraudulent business. That was what Pharaoh said: "You can go, but leave your family behind."

How can you say you are born again but your children are demons in the streets. Satan, like Pharaoh, would want to keep a little sin there so that you can still turn back. Satan would tell you to hate your enemy but don't harm him, whereas God says you should cut him off and don't allow him to destroy you. God is seeking true repentance from us.

Genuine repentance is the first step towards brokenness. But if you don't prepare for it, then you are preparing to perish. When you repent, you surrender yourself to the word of God in all situations. When you repent, you deny yourself completely and take up your cross daily. When you repent you come to Jesus with the mind of seeking help in Jesus. When you repent, you come to Jesus with a broken and a contrite heart. Repentance means turning from the way you were travelling earlier to the opposite direction.

Jesus said, "Repent or perish." When you repent, you feel sorry for your sins.

You will manifest godly sorrow. You would not like to go back to that kind of life anymore. When you repent, you will hate evil things. You will depart from all the filthy things you were doing before. There would be a radical and fundamental change in your life.

When the gospel first came into this continent, some of our fathers joined the church with multiple wives and so on. But as they repented, they began to disengage such multiple wives one after the other until a man with 15 wives would be left with one. And they were able to move the hands of God. They had an understanding of what it means to repent.

The modern-day gospel is brandishing fake repentance. It provides a lot of substitution for real repentance. Makeup your mind to go for true repentance. There are people who God wants to use but He cannot use them now because they are too dirty. There are people for whom God has lined up wonderful programmes. When such people cry: "God, I want you to do something wonderful in my life. I want you to use me", God will say, "Yes, I want to use you, but how about this filthiness in your life? Remove it and I will use you." Although God wants to use them, He cannot, because they are not fully surrendered to Him. Some people think that repentance is just a change in action without a change of heart. Some people have only experienced emotional revival, no change has gone deep in their lives. Some appear very godly but let someone upset them, then you will hear terrible words that would make you wonder if they are believers. You may confess the word of God with your mouth while your heart is not in it. Confessing to God that you are a sinner is good, but confession should not be characterised only by the movement of your lips, it must move your heart. The exercise of your mouth alone cannot really change your heart.

Some people repent temporarily because of the gain they want from God. This is not true repentance. You may attempt to leave some terrible sins and keep hidden pet sins. That is not repentance. If you are always going to God, saying, "I am sorry for my sins," it means that you have not repented. A person like that should be assured that he is on his way to hell fire.

Repentance is not the sorrow of a thief caught red-handed with stolen property and is afraid of the consequences. It is not reluctant apology of a person who has

been proved wrong. It is not mere regret because someone discovered what you did. It is not regretting because of the physical things one would lose as a result of the sin in which one was found. It goes beyond stopping one particular sin because of certain circumstances. If you stop smoking or drinking for health reasons, you have really not repented of them. Repentance is not just saying sorry. There must be a fundamental change of heart. That is why Jesus said, "Except ye repent, ye shall likewise perish."

Many years ago, a beautiful girl sang in the choir of the church which I was attending. She came from a Christian home and led prayers at home. Her father was a pastor and a very strict man. One day, the lady was asked to fetch water and she came home very late at night. Her father was angry and shouted at her: "Where are you coming from?" She gave flimsy answers with which her father was not satisfied. So, he went to the mission and called a midwife to check the girl whether she had committed fornication. The midwife checked and confirmed that she had committed fornication. The man was mad with her, stripped her naked and used blade to cut her back. Then he called her mother to bring pepper which they robbed in the wound.

He thought that aggressive, acidic reactions would have changed the girl, but a year later, the girl became pregnant. The father, who happened to have followed her to one boy's house, was shocked when the boy said he was not the only one. He accompanied her to another boy's house, who also denied responsibility for the pregnancy. They went to another boy and he also said: "I am not responsible for the pregnancy." The man came back home and gave up. This happened in 1977. Right now the girl is in her fifth marriage.

If you allow the devil to hold your finger, he will pull your hand. If you allow him an inch in your life, he will go a mile. If you give him a seat in your life, he will build a big empire there. That girl was going to church, listening to all the messages but she never repented.

One of the most embarrassing days I have had in my life time was the day an Alhaji entered the church I was once attending. It was a small church of about 100 members. The Alhaji came in while the pastor was preaching and shouted at the top of his voice at all of us: "You foolish people, you gather yourself here saying that you are praying and holding vigil upon Vigil. I warned my daughter

about this your Vigil. Now, you people have gotten her pregnant. I told her to stop coming here. Now look at what you people have done to her. Your foolish choirmaster has made her pregnant." The Alhaji came and embarrassed us.

That meant that the choirmaster had never repented.

Many people in the house of God have not really repented. It is a tragedy that anyone would go from the altar of the Lord and end up in hell fire. What a tragedy it would be that an angel should read from the same hymn book you have been singing your special number and ask you if you didn't remember that you sang the song. Then you will say, "I did." Then he will ask you why you did not do what you sang.

If you cannot obey what is written in Hebrew 12:4, then you are planning to perish.

Hebrew 12:4: *"Ye have not yet resisted unto blood, striving against sin."*

If you don't resist sin by striving against it unto blood, then you are planning and preparing to perish. You must not deceive yourself. If you are close to heaven, you know. If you are far from there, you also know. If your fellowship with God is real, you know. If you are a weak believer, you know, and if you are a strong believer, you know. You know your spiritual status, except you want to deceive yourself. But one thing is certain, a day is coming when everybody will stand to give account of what he did with all the messages he or she heard.

What did you do with the Bible you read? What did you do with the grace of God that was upon you? You may say, "But I was a minister." Then the Lord will tell you, "But I don't know." Then you will say, "But I worked for the Lord." And He will tell you: "Yes, you did, but you did it in sin."

The moment a person dies, a sheet of cloth or a blanket would be placed over him. A vehicle would take the body to the mortuary if the family can afford it. Arrangements would be made for the funeral service, if the family can get a religious group to perform the funeral. The choir would sing some songs from the hymn book. There is a section in the hymn book for dead people.

People would spend money to print pamphlets and obituary posters. And some would cry saying the deceased was a good person. While they are crying, others would be saying in their heart that the foolish man or foolish woman is gone. People would shed tears over the lifeless body. But what the deceased did not want to let go and serve God, he would not be able to hold anymore. The money he pursued day and night, that did not allow him to have time for his spiritual life, that money if placed in the hand of the corpse now, it would not be able to hold it. The business he was always thinking about for which he could not pray, he would no longer go for it. The spouse whom the deceased was so fond of that he or she could not develop spiritually, would now mean nothing. Soon after the spouse is buried, the one living will start talking about marrying someone else.

People may gather to give what they call their final respects, sing funeral songs and say all kinds of good things concerning the deceased.

They may say that the deceased has gone to be with the Lord. They would give the date of his birth and the date he died. But the question is: "Are you really sure you are going to be with the Lord?" People will decide where your body should be buried, but they cannot decide where your soul will be. If you eventually land in hell fire, the demons there would torment you even the more, because of the good funeral songs and the good testimonies given concerning you.

How can you see light and choose death? Why must you run after money when money would flyaway soon? Do you spend your life running after sex? Sex is the expressway to hell fire. Why should the ugly and dirty spirit face you on that day and ask: "Were you not the one praying fire prayers? Were you not the one singing? Were you not the one going about ringing bell along the streets saying, 'Repent for the kingdom of God is at hand?' Were you not a Sunday school teacher? Were you not a member of the choir? What are you doing here?" These questions will be passed to you if you do not repent.

The Bible says that if you entertain evil thoughts in your heart, even if you did not carry them out, you have already sinned. It means you can commit sin with your eyes closed. Some people are professional time wasters. They come to a man of God and hide their sins. They would be wasting the precious prayers of

the man of God. They would not tell him what they have been doing wrong. When things continue going wrong, they would say, "I don't understand why the prayers of the man of God is not working for me." However, they never told the man of God what they were doing in secret.

Ezekiel was an interesting prophet. God took him by the hair and cut his hair and his beard. After, God asked him to burn one-third of it with fire. He did. Then God asked him to cut the second part to pieces with a knife, and he did. God asked him to scatter the third part in the wind, and he did. While he was doing all these, people were watching him. They didn't understand what he was doing until he began to interpret his actions.

He said that the one-third that was burnt with fire meant that one-third of the people would die by famine and pestilence. Another one-third of the people would fall by the sword. That was what the hair cut into pieces meant. The final part that was scattered in the wind meant that the people would be scattered all over the world. With many illustrations like that, Ezekiel warned the people. In fact, he could be said to be the man of God who warned the people greatest in the Bible. One day God called him and told him something:

Ezekiel 33:30-33: *"Also, thou son of man, the children of thy people still are talking against thee by the walls and in the doors of the houses, and speak one to another, every one to his brother, saying, Come, I pray you, and hear what is the word that cometh forth from the LORD. And they come unto thee as the people cometh, and they sit before thee as my people, and they hear thy words, but they will not do them: for with their mouth they shew much love, but their heart goeth after their covetousness. And, lo, thou art unto them as a very lovely song of one that hath a pleasant voice, and can play well on an instrument: for they hear thy words, but they do them not. And when this cometh to pass, (lo, it will come,) then shall they know that a prophet hath been among them."*

The people enjoyed listening to prophet Ezekiel, but would not do what he said. The children of Israel were making evil preparation, preparing to perish; and they perished at last.

Paul preached to many people. Some listened and some did not. Then he uttered a prophetic word to them. He said: "You will die and you will perish; I

will do a work in your days that even if you see it you wouldn't understand it, you will hear but you will not understand."

If the Bible says some people will perish, dear reader, it should not be you. If the Bible says, some people will be deceived, it should not be you. If the Bible says that the love of many shall wax cold, you should not be one of them. You need to face this reality: what will happen to you at the end of the day depends on you. You must not be guilty of any form of evil preparation today. Pray and remove yourself from the list of those who blindly go into evil preparation.

About The Book

In this auspicious time when violent battles are raging, we need tested and proven weapons for dealing with every unrepentant strongman. The main thrust of this battle is an offensive against the kingdom of darkness. The major antics of the strongman are brought to the fore. Each chapter contains keys for raiding the house of the strongman. The illustrations are powerful. The scriptural exegesis of the mystery of the strongman will make you to hate the strongman with perfect hatred. This book will make you to rise up in anger and raid the house of the strongman.

About The Author

Dr. D. K. Olukoya is the General Overseer of the Mountain of Fire and Miracles Ministries and The Battle Cry Christian Ministries.

The Mountain of Fire and Miracles Ministries' Headquarters is the largest single christian congregation in Africa with attendance of over 120,000 in single meetings.

MFM is a full gospel ministry devoted to the revival of Apostolic signs, Holy Ghost Fireworks, miracles and the unlimited demonstration of the power of God to deliver to the uttermost. Absolute holiness within and without as spiritual insecticide and pre-requisite for heaven is openly taught. MFM is a do-it-yourself Gospel Ministry, where your hands are trained to wage war and your fingers to do battle.

Dr. Olukoya holds a first class honours degree in Micro-biology from the University of Lagos and a PhD in Molecular Genetics from the University of Reading, United Kingdom. As a researcher, he has over seventy scientific publications to his credit.

Anointed by God, Dr. Olukoya is a prophet, evangelist, teacher and preacher of the Word. His life and that of his wife, Shade and their son, Elijah Toluwani are living proofs that all power belongs to God.
