

Revisiting The Black King Rises 11-26-22@7:06 PM

Presenting what I can now share on this Word in Jesus Christ's Name with additional words and vision sources included.

This word came from my lovely Jesus after deep prayer.

Riots in China.... Smokescreen for real activities of Xi Jinping-----Taiwan

No Christmas Day celebration on the 25th of December.

Black king rises from pits of the abyss.

Another Pearl Harbor attack it will be,

*****One point is that these things may not be spoken in order if the mention of Pearl Harbor here is referring to an actual attack on it because it was on December 7th while Christmas Day mentioned prior is December 25th.*****

******This is referring to another surprise attack that shocks the world like Pearl harbor did. It was a surprise attack on U.S soil in Hawaii that shocked the world. This is another event that will have the same effect as the attack on Pearl harbor.******

*****All these above things mentioned are world events. Things that concern all parts of the world and not America alone. In addition it says, "Another," pearl harbor attack which has now been made clear this is referring to a surprise attack of some kind that shocked the world.**

The word "another" means more than one but also one like before. This word is talking about 2 pearl harbor-like surprise attacks because it's specified later in this word that for my nation it will be the invasion coming upon our land as made in the comment below.***

on 7th of December.

***** on 7th of December is the correct wording. It is not supposed to be on "the: 7th of December.**

This is pointing out to the 7th of something in a sequence of things in December. It's pointing out the 7th position of something. It can be since 11-26-22 when this word came forth or for the month alone this is to occur in.

The video release is very clear in the wording of this sentence. It is the 7th position. This is also why it said at the end of this word, "look to the 7th daughter," We're looking for

something in the 7th position that's going to pinpoint the time of this attack. Again that 7th position we know its 7th place. We know it's not the 7th day because we've done passed the 7th if it's this December. Because He doesn't specify it as "on the 7th of December but simply as on 7th of December. (Unless He is using the Enochian or Julian calendar, then it could still be December 7th of this year.)*** Also the prior helpers had typed this word and spacing incorrect in several places. The video is being read as it was received and is correct.*****

Out of the abyss he comes. This night! This night! This night! This hour.

It begins now. It starts Now!

REPENT! REPENT! REPENT! REPENT! I say REPENT!

It starts now! I say now! Now! Now! Now! Now! Now! Now! Now! And Now!

Submarine submerged in the deep
comes in three
has now arrived

Smokescreen. Smokescreen. Nothing but a smokescreen.
China is wise! Xi Jinping is so.

Judgment time has come! Has come! It has come! It HAS COME!
No more time left! No more time I say. I say it again. No more time is left.

Get down on your knees now and repent. Repent now or you will die My people.
I am your God. You my created people. You will die! I say many, so many shall die across your world.

REPENT! REPENT! REPENT NOW! NOW! PLEASE NOW!

I'm coming! I'm coming!
Have not I told you I'm coming? Get ready of foolish virgin bride. Get ready.
Why stand ye idle when it's time for our wedding and you are still not ready?

Get ready. Get ready.

I come! I come! I'm on My way, so be ready or I will leave you behind.
DO YOU HEAR ME?
DO YOU UNDERSTAND ME?

Absolutely no sin! No sin! No sin! I say again. No sin shall enter Heaven's gates ever again since lucifer has been cast down.

REPENT! REPENT! REPENT!

Man going down.

Man going down.

Man going down.

Attack! Attack! Attack!

Imminent Attack.

It's now. It's here.

Attack! Attack!

Run! Scream! Howl and wail.

Judgment's strong hand has found you wanting this very night for some. This very day for others.

The trigger has been pulled and the bullet has reached its target. In less than 2 weeks of your time Babylon falls. She falls! She falls! She falls hard never to recover fully ever again.

Oh, America, oh Babylon one and the same, your time has come. Has come! Has come!

The trigger has been fully pulled and released. The smoking gun is reloading and this bullet is not aimed at Taiwan, but you O' America...Babylon and it is set to kill you. My aim is deadly accurate for I shoot by My voice command.

Like puppets on a string following My commands because even satan has to obey My command. I order his demons to fulfill My word of Judgment. They have complied willingly.

Now you fall, My harlot bride. Now you fall in less than 2 of your weeks.

News arrives on the wind of the invasion of Taiwan, Japan, of South Korea. News no longer suffocated but fully alive and breathing now.

Mayday! Mayday! We're under attack. I say we are under attack. The Chinese have come. Mayday! Mayday!

Xi sits smugly in his chair sipping champagne as he conference calls the evil Putin and the young but evil Kim Jong-Un.

"At last unification for all," Xi says smugly. Hear him daughter? "Hear him laugh out loud in smug satisfaction as thousands upon thousands die?" An offering to Satan as the abyss is opened and the spirit of the dark king rises to possess antichrist's very soul.

Wail O' people of the earth. Your time of woe has come, has come.

WOE! WOE! WOE!

Woe as the Trumpets of Judgment prepare to sound as soon as the seal of the 6th still opened is fulfilled. The 7th seal has already opened and been completed as silence of horrors was given in Heaven for what has come to the souls of man on your earth.

Run! Run! Run, O' people of the earth as judgment's wind wreaks havoc on your world.

My breath!

My wind!

My voice!

My command!

My righteous right fist has come to you fully this moment...this very moment of your time.

Taiwan falls tonight under the control of Xi Jinping's CCP. His evil governmental iron fist.

"Run little people," he yells from his padded chair and laughs as he watches all the destruction he is causing.

Then I had a vision:

"Bring Tsai wen. Bring the president," he yells jovially with Putin on the video screen and Kim Jung Un is there too. I see the general from visions before in his green uniform come in a few minutes later with the president of Taiwan. She's been beaten. Her glasses are missing. Her shirt is torn. They have abused her in so many ways. Oh God! Oh God! Yet she still manages to hold her head slightly up in defiance.

****** During this time of the vision Tsai Ing-Wen was the President of Taiwan. This is how I identified her and knew her because I'm not personally involved in politics or the news unless led by the sweet Holy Spirit to research something. So that's how I saw her face and called her the president of Taiwan.******

Xi scrunches his face up, angered by her actions. He shouts out a command I can't understand. Within a few minutes a cameraman comes into this room. He's filming what's going on inside. Xi Jinping stands up. The champagne glass falls to the floor and shatters. He doesn't even notice. Now I understand him. "The tribunal," he says then waves his hand toward the video screens with Putin and Kim Jong Un watching, "finds you guilty of treason for raising a rebellion against your rightful government." Then with one swift move of his hand he lifts a handgun I hadn't noticed before and with lightning speed he shoots her between the eyes. I know she's dead before she even hits the floor. Oh God! Oh God! Oh God!

****** When Xi Jinping calls Tsai Wen and calls her als the president this is because this is an informal tribunal and she has been found guilty of rebellion/treason for the crimes she committed in her role as President. She was executed for her actions she did as Taiwan's president. She was Taiwan's 7th president and her presidency ended in May 2024.******

Then I hear:

“The trigger has been pulled my daughter. The bullet has hit its mark. War comes to America. War comes to Babylon and in a few short days Babylon falls.

Tell My people to get the sin out now because tomorrow is too late for some.

Hawaii is about to go under daughter. **Your Pearl Harbor moment is the invasion on your nation.**

****We know from this word the other pearl harbor surprise attack that will shock our world will involve some type of nuclear attack.

But the Pearl Harbor moment is a surprise attack like that a Pearl harbor from the enemy. But daughter, your enemies lie within your own government..... and without.

Notice in this comment Jesus Christ said from “the” enemy” then says, “But daughter, “your” enemies lie within your own government..... and without.

He has made a distinction from “the” enemy to “your” enemies meaning my nation’s enemies. My understanding is this other or the “another” pearl harbor moment (In the Black King Rises Word) is not for the U.S. Our Pearl harbor-like surprise moment He has already declared will be our coming invasion of our nation.*****

Look to the 7th daughter. Look to the 7th for the ending of it all, the beginning of the end this I Say.

The black king! The black king! The black king rises tonight!

Apollyon has come to your world daughter and most of your world's people haven't even got a clue of what great evil has risen from below.”
