INTRODUCTION

THE JEHU PRAYERS

There are prayers that the enemy cannot toy with. There are prayer points that will be too hot for the enemy to confront. When the mystery of Jehu prayers is at work, arrows that are sent by the enemy will go back to the sender and so much violence will be discharged that the enemy will regret ever trying to go into conflict with a member of the Jehu army.

In these last days, God has established an elite force called the Jehu army, made up of aggressive warriors who are not ready to take nonsense from the enemy. This divine force has constituted serious headache to the enemy. Its symbol is holy fury. Its trade mark is fire. Its mission is to totally disgrace and bury Enemy's army.

TRAINING FOR WARRIORS

Members of the Jehu army are men and women whose fingers are trained to fight, who are always ready to fight to finish and who are not ready to tolerate nonsense from the kingdom of darkness. They are men and women trained in a special way for serious are as of warfare.

God has surveyed the length and breadth of the arrows, attacks, hostilities and wicked problems which people would face in this end-time and come up with a solution, the raising up of The Jehu company or the Jehu army.

The prayer manual you hold in your hands is a privileged document vomited by the Holy Spirit to make you a threat to the kingdom of darkness. With the Jehu prayers your story will change. Your Goliath will die, your Herod will be defeated and your stubborn pursuers will begin to pursue themselves.

The Jehu prayers will shake the earth and the kingdom of darkness. Wonderful changes will occur. Testimonies will fall upon testimonies. Victory will attract more victory. Power will change hands. Problems will fade away. Your Jericho walls will collapse. Your victory will be celebrated. You will dance your dance and sing your song.

THE FORCE OF THE BATTLE

From the archive of heaven God has favoured you with this secret document. Every prayer point in the Jehu prayers has been charged with uncommon authority and power to force the enemy to surrender. With Jehu prayers in place, no one will remain a victim of satanic attacks and ugly embarrassments. No household will continue to suffer defeat as long as there is a copy of the Jehu Prayers in it. No community or nation will continue to experience satanic invasion as long as there is a member of the Jehu army there who is armed with this dangerous book. With the unprecedented victory which this book will introduce, this generation will never be the same.

I congratulate you for being one of the favoured ones who has been given the privilege of arresting the tide of evil in your personal life, in your family, in your church, in your community as well as in your nation.

THE REASON

A lot of people are wondering about Jehu prayers. Why must we take warfare to such a high point? There are obvious answers. The precarious situation in the world and the dangerous trends in the lives of individuals call for a new strategy and a powerful force to dismantle the stronghold of darkness. In view of the high spate of satanic attacks, wicked manipulation of witchcraft agents coupled with terrible oppression being unleashed on many people, God has given us a strategy that will arrest, paralyse, destroy and completely route out every emissary of darkness and put an end to their activities.

THE NEED OF THE HOUR

Jehu prayers are the greatest need of the hour. They are strange warfare strategy for attacking the dark forces, especially the company of witches and wizards. It is crystal clear, therefore, that the concept of the Jehu company and the spiritual mechanism behind every Jehu prayer point will go very far in placing you on the mountain top of all-round victory.

God does not want any of His children to be a war casualty. He would not stand and watch the enemy defeat and disgrace you. By placing this prayer manual in your hands, He is enlisting you into the Jehu army. By His divine decree it is bye-bye to defeat. It is good bye to satanic disgrace and shame. You are now a seasoned warrior. You are now an overcomer. You have become a warrior whose sword cannot be touched. From this moment, every power that dares you shall be destroyed. You are no longer an ordinary person.

As a member of the Jehu army, your victory is guaranteed. You shall move from conquest to conquest. Your life shall be garnished with uncommon testimonies. As you join the Jehu company you must know that you can no longer live carelessly. You now belong to a dangerous group which the enemy dreads. Beloved, the Jehu company stands for a divine combat squad with the mission of operation wipeout.

MAN'S GREATEST ENEMY

The devil has used the dragnet of witchcraft to hold on to the world. The revival of satanism on the face of the earth is a sign of desperation for the forces of darkness which have opened their doors to train men in wickedness, politics, business, education, research, medicine and music have been penetrated by satan through witchcraft.

The enemy hates mankind and our progress with perfect hatred. This enemy supervises personal and national disasters. He has converted fertile lands to deserts. He has destroyed women with terrible destruction. He specialises in drinking blood and eating flesh. He has converted intelligent men to dullards and has destroyed and dismantled many profitable foundations. He controls many nations of the world.

THE ENEMY CALLED WITCHCRAFT

This enemy is known as witchcraft. Every nation has its own kind of witchcraft, but the witchcraft is the same.

Nahum 3:1-4 says: "Woe to the bloody city! It is all full of lies and robbery; the prey departeth not; The noise of a whip, and the noise of the rattling of the wheels, and of the prancing horses, and of the jumping chariots. The horseman lifteth up both the bright sword and the glittering spear: and there is a multitude of slain, and a great number of carcasses; and there is none end of their corpses; they stumble upon their corpses: Because of the multitude of the whoredoms of the well favoured harlot, the mistress of witchcrafts, that selleth nations through her whoredoms, and families through her witchcrafts."

Exodus 22:18: "Thou shalt not suffer a witch to live."

Luke 10:19: "Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any

means hurt you."

What is witchcraft? It is:

- a. Conference of evil spirits.
- b. Using satanic power to subdue people.
- c. Using satanic weapons.
- d. Summoning evil powers.
- e. Counterfeit spiritual authority.
- f. Accessing wicked powers from the earth and the heaven.
- g. The practice of magic, sorcery and wizardry.

The Jehu Prayers

God hates witchcraft with perfect hatred and issues physical and spiritual death sentences upon it.

The devil has repackaged witchcraft to suit the taste of the modern world. Many people are under bondage now, not knowing how to escape. They have been captured, not knowing the way out.

THE SPIRIT OF JEHU

There was something in Jehu's spirit that we must possess today. We must show no mercy to witchcraft spirit. Jehu offered witchcraft no hope for reform, no compromise whatsoever. Likewise we must not offer witchcraft money, but follow Christ and fearlessly tread upon the serpent, crushing it under our feet (Luke 10:19, Rom. 16:20).

Jehu Prayers

We must have no tolerance for the spirit of witchcraft. This is the hour to come forth, ride like a madman and dethrone witchcraft powers. Those who want to deal with witchcraft must be aggressive and not tolerate it. They must deal with it without compromise. They must be non-relenting and aggressive against it. As Jehu, they must be furiously determined to confront this spirit and be ruthless towards it. They must show no mercy. Operation Jehu is catch and destroy, throw and destroy, cage and destroy. The terribleness of witchcraft requires a Jehu army.

3. Holy violence
4. Holy crying
5. Holy madness
6. Violent faith
7. Violent praises

THE DAY OF POWER

These are the days of the manifestation of the power and the spirit of Jehu. Warfare has started. The Jehu company has been anointed. Now, it is time to smite the enemy. The elite strike force has been established.

2 Kings 9:6-8 says: "And he arose, and went into the house; and he poured the oil on his head, and said unto him, Thus saith the LORD God of Israel, I have anointed thee king over the people of the LORD, even over Israel. And thou shalt smite the house of Ahab thy master, that I may avenge the blood of my servants the prophets, and the blood of all the servants of the LORD, at the hand of Jezebel. For the whole house of Ahab shall perish: and I will cut off from Ahab him that pisseth against the wall, and him that is shut up and left in Israel: When you begin to make use of the prayer points in this book, Jezebel shall be arrested and disgraced. The prayer points must be said with holy aggression and divine fury."

2 Kings 9:20 says: "And the watchman told, saying, He came even unto them, and cometh not again: and the driving is like the driving of Jehu the son of Nimshi; for he driveth furiously."

SPIRITUAL MADNESS

A good measure of madness is allowed. The devil does not understand the language of gentleness. The only language he understands is the language of aggression.

What happens when the aggression is in full force? The answer is in 2 Kings 9:31-37 which says: **And as Jehu entered in at the gate, she said, Had Zimri peace, who slew his master? And he lifted up his face to the window, and said, Who is on my side? who? And there looked out to him two or three eunuchs. And he said, Throw her down. So they threw her down: and some of her blood was sprinkled on the wall, and on the horses: and he trode her under foot. And when he was come in, he did eat and drink, and said, Go, see now this cursed woman, and bury her: for she is a king's daughter. And they went to bury her: but they found no more of her than the skull, and the feet, and the palms of her hands. Wherefore they came again, and told him. And he said, This is the word of the LORD, which he spake by his servant Elijah the Tishbite, saying, in the portion of Jezreel shall dogs eat the flesh of Jezebel: And the carcase of Jezebel shall be as dung upon the face of the field in the portion of Jezreel; so that they shall not say, This is Jezebel.**

Beloved, we are living in an era of the greatest war which the world has ever witnessed. What we have read so far are details of what happened when operation Jehu was carried out. As we begin to carry out our own operation by making use of this prayer manual, we should expect great things to happen. The truth is that God is set to do more than He ever did in the time of Jehu

VIOLENCE BY FIRE 1

LIFE IS A BATTLE. The truth is that there is no rest on this side of eternity. The end of one battle signals the beginning of another. As long as satanic soldiers do not go on holidays, God's children should be on the battle field at all times. Hence, a songwriter says: Christians seek not yet repose. Hear thy guardian angel say, thou art in the midst of foes. Watch and pray."

You must use the weapon of violence morning, noon, and night. You must declare violent war against seen and unseen enemies. If the enemy is making use of bombs, you should not make use of cutlass and arrows. You must meet the enemy fire for fire and violence for violence.

CHAPTER TWO

VIOLENCE
BY FIRE

2

VIOLENCE BY FIRE 2

WARFARE DEMANDS VIOLENCE. The fact that you are fighting against dark forces demands that you make use of the weapon of fire. Fire and violence go hand in hand. The Bible makes it crystal clear that right from the days of John the Baptist the kingdom of God suffereth violence and the violent taketh it by force. Agents of darkness cannot be cajoled or appeased. The only way you can experience total victory over them is through violence and fire.

You need this prayer programme:

1. When you discover that certain negative conditions have repeatedly occurred.
2. When you discover that evil powers have vowed to finish you.
3. To enable you to deal with stubborn ancestral powers.
4. To get rid of re-occurrent problems.
5. To enable you to exterminate an array of deaf and dumb spirits who have vowed that they will never give up until they have achieved their goals.
6. When you discover that the network of dark power are passing for you a baton from hand to hand.
7. The prayer points will take you to the height of warfare where you will be empowered to cry unto God and your enemies will be frightened and turn back.

The prayers points below must be handled with the spirit of an aggressive warrior. Picture yourself on the battle front facing an array of wicked satanic solders. If you fail to attack them violently they may descend on you and attack you. Violence is the only language the enemy fears. When you combine violence with fire the devil trembles, evil spirits flee, and satanic burglars drop whatever

they have stolen and flee.

The secret of victory is that when I cry, my enemies shall turn back!

Psalms 56:10 says:

In God will I praise his word: in the LORD will I praise his word.

The prayer of violence by fire requires the following:

1. Stubborn faith.
2. Holy aggression.
3. Be on the offensive rather than defensive.
4. Let there be holy cry that is energised by fire.
5. Have no mercy for the enemy.
6. Request for angelic assistance.
7. Keep the fire burning repeatedly.
8. Make use of these prayer points with fasting.
9. Make use of these prayer points at the mid-night hour.
10. Fight until the enemy is crushed and you earn the victors crown.

PRAYER SECTION

These prayers are to be prayed **aggressively** between the hours of **midnight** and **1.00 a.m.** for **three** days.

CHAPTER THREE

KILLING
THE DRAGON

KILLING THE DRAGON

3

THERE ARE WICKED POWERS to contend with One of the entities that must be disgraced and paralysed is the spiritual entity called the dragon. It is a sort of principality in the spiritual realm. These are generals in the satanic kingdom. They are symbols of uncommon wickedness. Those who fall prey to ferocious dragons may never live to tell the story. Therefore, warriors who want to tackle dragons must be well equipped and should not pray like gentlemen. A dragon is a spirit that has been empowered by the kingdom of darkness to swallow their victims alive.

Psalms 91:13 says:

Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.

Revelation 12:11 says:

And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

THE NATURE OF THE DRAGON

1. The dragon is a poisonous entity.
2. It is armed to the teeth.
3. Its venom when injected into the system of a victim causes instant termination of life.
4. Many victims of the wicked have become casualties that are for the grave

Unless you attack the dragon, it will attack you. The battle against it is not for inexperienced soldiers. Its spirit must be attacked. Its power must be destroyed. Its strength must be weakened. The only antidote for dealing with wicked dragons is total destruction and death.

Prayers for killing the dragon are uncommon prayers. Mercy must be forgotten when it comes to dragon killing prayers. The prayers must be said swiftly, mercilessly, violently and with fire. Once you kill the dragon, elementary powers will give way.

Killing the dragon can be likened to killing the captain of the satanic army. Of course, the moment you finish the dragon all the other powers will flee. These prayer points must be said persistently. Do not expect the dragon to give up after the initial blow. You need to rain blows upon blows on it before you will be able to finish its wicked mission. Never spare it; for even if you avoid it you will not be spared. The only secret of victory over the dragon is to fight your way to victory.

This prayer programme differs from other prayer programmes. You need to possess the spirit of the warrior, the faith of an overcomer, the aggressiveness of a soldier and the doggedness of a fighter. The battle may be tough. You may experience certain manifestations. Keep on fighting. You are not involved in this battle for the fun of it. Total victory must be your goal. Every dragon fighting against you must die. Every weapon fashioned against you must not prosper.

Luke 10:19: *Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.*

Revelation 12:11: *And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.*

Job 5:12: *He disappointeth the devices of the crafty, so that their hands cannot perform their enterprise.*

CHAPTER FOUR

LET ME BE
WISER THAN
MY ENEMIES

LET ME BE WISER THAN MY ENEMIES

4

One of the greatest prayers you must pray is that God should make you wiser than your enemies. Victory begins when your wisdom surprises the enemy's wisdom. You are at a vantage point when you are wiser than your enemies. You can ask God to endow you with enough wisdom to overcome the enemy and sing the victor's song. Wisdom is a powerful weapon of war. The Wisdom of God will enable you to tackle the enemy effectively and overcome every antic of the wicked one.

It is indeed true that you cannot avoid enemies. But you can become so endowed with wisdom as to spread confusion in the camp of the enemy. When you are wiser than your enemies, you have supremacy and divine edge over them. When you pray and greater wisdom is bestowed upon you, the strategy of the enemy will be rendered null and void. No matter how numerous your enemies are, God will demonstrate the supremacy of His power by making you wiser than they. Divine wisdom will make you stand out and enable you to climb the ladder of victory.

The moment you are wiser than your enemies you will begin to operate from the platform of victory, God will make diviners mad, the enemies will take a bow and you will experience sweatless victory. You will prevail, wisdom will raise your head above the head of all the enemies.

The following steps must be taken:

1. You must ask God to envelope you with the spirit of wisdom.

2. Ask God to make you wiser than your enemies as your victory depends on these prayer points.
3. Take cognizance of the fact that wisdom is the ladder to the realm of unchallengeable victory.
4. Spend a great deal of time on these prayer points.
5. Know that wisdom gives you a higher platform where victory is achieved with ease.

Take note of the following:

1. Maintain a close relationship with God.
2. Meditate on the Scriptures.
3. Maintain a prayerful lifestyle.
4. Manifest faith for victory over the enemy.

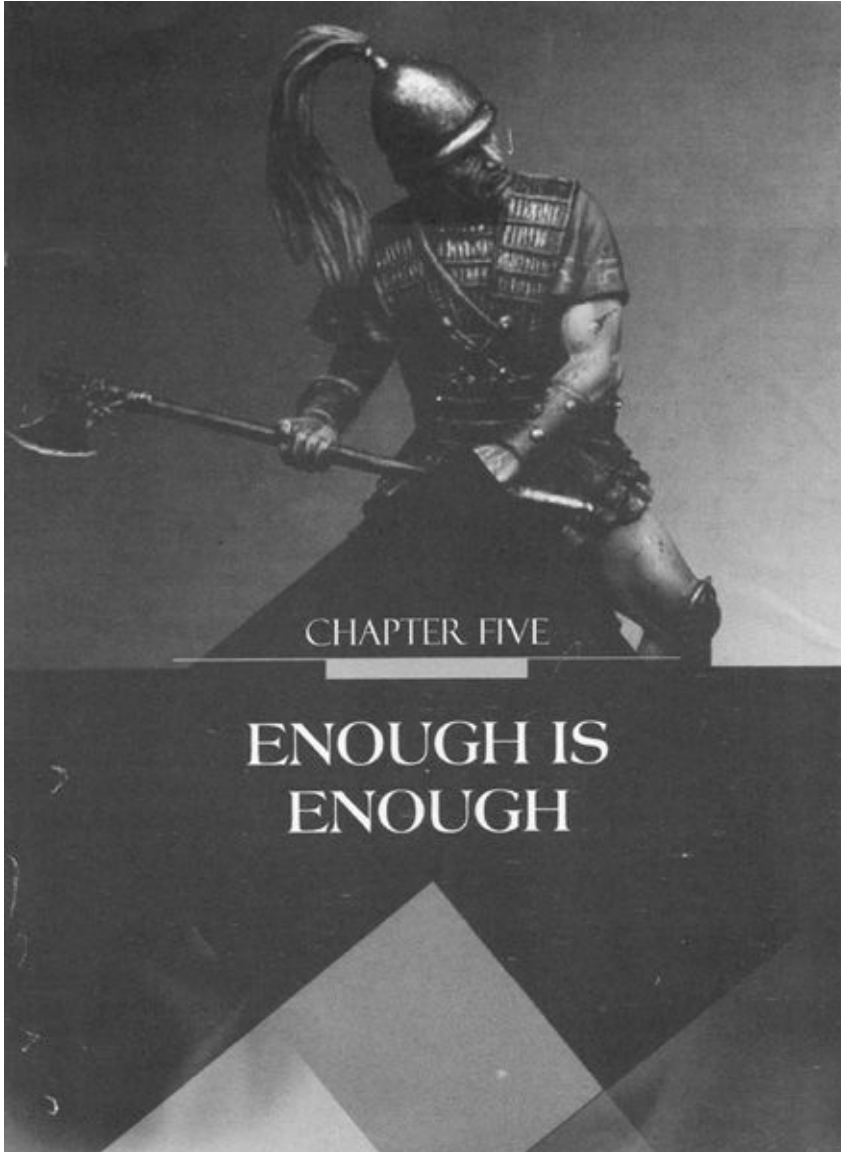

PRAYER SECTION

Confession: Psalm 19:1-14: *The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard. Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun, Which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race. His going forth is from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof. The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple. The statutes of the Lord are right, rejoicing the heart: the commandment of the Lord is pure, enlightening the eyes. The fear of the Lord is clean, enduring for ever: the judgments of the Lord are true and righteous altogether. More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb. Moreover by them is thy servant warned: and in keeping of them there is great reward. Who can understand his errors? cleanse thou me from secret faults. Keep back thy servant also from presumptuous sins; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression. Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O Lord, my strength, and my redeemer.*

CHAPTER FIVE

ENOUGH IS
ENOUGH

ENOUGH IS ENOUGH

5

The only language which the enemy understands is violence. When you confront all the powers that confront you with violence, you will overcome. The powers that operate in this environment are powers that are deaf and dumb. They are so stubborn that they will not give up easily. Nothing will change unless you make use of the weapon of bombardment. You must get to a point where you declare enough is enough. You must fight aggressively until you battle the enemy to a standstill. Victory cannot be won by those who are lazy or complacent. To obtain unchallengeable victory you must pursue and overtake your enemy.

The picture of an overcomer or a conqueror is painted in **Psalm 18:37-40**:

I have pursued mine enemies, and overtaken them: neither did I turn again till they were consumed. I have wounded them that they were not able to rise: they are fallen under my feet. For thou hast girded me with strength unto the battle: thou hast subdued under me those that rose up against me. Thou hast also given me the necks of mine enemies; that I might destroy them that hate me.

This kind of battle is offensive rather than defensive. Instead of being pursued by your enemies, you must stand your ground and pursue them. Enough is enough prayers are meant for men and women who can no longer tolerate what the enemy is doing. Enough is enough prayers are prayers for those who have had enough and are no longer ready to give any room for the enemy to operate. These are prayers that will stop the evil tide and give you freedom to fulfill your

destiny and live your life according to the design of the Almighty.

Enough is enough prayers are prayers said by a mad prophet who prays with holy aggression. These prayer points will enable you to confront the enemy fire for fire. They are prayers that will overthrow every evil king occupying the throne of your life. They will put an end to age-long problems and terminate the oppressive regime of the enemy. They will make every eater of flesh and drinker of blood to eat their own flesh and drink their own blood.

The prayer points will turn every victim to a victor. They will convert the pursued to the purser and make the prince who has been working barefoot to climb the horse of his destiny.

I have a warning for you at this point, do not start these prayer points unless you are ready to pound the enemy to submission.

CHAPTER SIX

CRUSHING WICKEDNESS

CRUSHING WICKEDNESS

6

WICKED POWERS HAVE A TERRIBLE AGENDA. The devil relishes wickedness. His agents are restless when they have no opportunity to unleash wickedness on mankind. When you allow evil powers to go to their warehouse and make use of their wicked weapons the result will be tragic.

Wickedness is an evil agenda that must not be allowed to see the light of day. The moment you allow demons to throw the bomb of wickedness into your camp, you may be crushed for life. The rule of the thumb, therefore, is crush wickedness before it crushes you. If there is anything you must tackle and crush totally, it is wickedness from the domain of dark powers.

If God opens your eyes to behold the agenda of wicked wasting powers you will decide to do everything that lies within your power to crush the totality of their agenda. The following are manifestation of wickedness to identify and crush:

1. Calamity.

CHAPTER SEVEN

POWER AGAINST
BATTLE
EXTENDERS

POWER AGAINST BATTLE EXTENDERS

7

One of the strategies of the devil is to stretch battles until the fighter becomes weary. He devil knows that a lot of people give up too soon and would easily quit when it appears as if the time spent on the field of battle has got too long. The story of the children of Israel highlights the peril of discouragement, especially when weariness is brought in. The devil knows that the shorter the period of a battle the greater your chances of winning. So, he stretches the time of conflict until you begin to get tired. When battles are prolonged, weariness will capture the heart of some victims. Other battles will set in and stubborn principalities will take change. You must deal decisively with any power that has vowed that your battle will not cease. You must pray fervently that any powers dribbling you on the field of battle must be paralysed.

You need to pray seriously if you notice the following:

1. Masquerading battles.
2. Battles that present the same manifestation.
3. Battles that trigger negative internal mechanisms within you.
4. The presence of the same pattern of ancestral problems.
5. Unexplainable provocation.
6. Chronic doubts.
7. Acute prayerlessness.
8. Mysterious apathy.

9. Acute immorality.
10. Curses being rained from every direction.
11. Being under the spell of my sterious foolishness.
12. Incomplete deliverance.
13. Laziness in the place of prayer.
14. Making personal efforts to prolong your battles without being aware that you are responding to a remote control antic.

There is always a sinister motive behind the extension of any battle by the devil. It is your responsibility to squash any attempt at extending your battles.

PRAYER SECTIONS

Scripture Reading: Numbers 13:23-33

Of the tribe of Asher, Sethur the son of Michael. Of the tribe of Naphtali, Nahbi the son of Vophsi. Of the tribe of Gad, Geuel the son of Machi. These are the names of the men which Moses sent to spy out the land. And Moses called Oshea the son of Nun Jehoshua. And Moses sent them to spy out the land of Canaan, and said unto them, Get you up this way southward, and go up into the mountain: And see the land, what it is; and the people that dwelleth therein, whether they be strong or weak, few or many; And what the land is that they dwell in, whether it be good or bad; and what cities they be that they dwell in, whether in tents, or in strong holds; And what the land is, whether it be fat or lean, whether there be wood therein, or not. And be ye of good courage, and bring of the fruit of the land. Now the time was the time of the firstripe grapes. So they went up, and searched the land from the wilderness of Zin unto Rehob, as men come to Hamath. And they ascended by the south, and came unto Hebron; where Ahiman, Sheshai, and Talmi, the children of Anak, were. (Now Hebron was built seven years before Zoan in Egypt.) And they came unto the brook of Eshcol, and cut down from thence a branch with one cluster of grapes, and they bare it between two upon a staff; and they brought of the pomegranates, and of the figs. The place was called the brook Eshcol, because of the cluster of grapes which the children of Israel cut down from thence. And they returned from searching of the land after forty days. And they went and came to Moses, and to Aaron, and to all the congregation of the children of Israel, unto the wilderness of Paran, to

Kadesh; and brought back word unto them, and unto all the congregation, and shewed them the fruit of the land. And they told him, and said, We came unto the land whither thou sentest us, and surely it floweth with milk and honey; and this is the fruit of it. Nevertheless the people be strong that dwell in the land, and the cities are walled, and very great: and moreover we saw the children of Anak there. The Amalekites dwell in the land of the south: and the Hittites, and the Jebusites, and the Amorites, dwell in the mountains: and the Canaanites dwell by the sea, and by the coast of Jordan. And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it. But the men that went up with him said, We be not able to go up against the people; for they are stronger than we. And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature. And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight.

CHAPTER EIGHT

BREAKING THE
DARK MYSTERY
OVER YOUR LIFE

BREAKING THE DARK MYSTERY OVER YOUR LIFE

8

There are mysteries in life. Problems that the human eye cannot see abound. There are deep mysteries that academic professors can never understand. Life is a mystery. Many situations are complex. It is indeed true that some communities can be regarded as habitations of cruelty

Psalms 74:20 says:

Have respect unto the covenant: for the dark places of the earth are full of the habitations of cruelty.

If you have listened to mysterious stories told by people, you will discover that the sky has been invaded by dark powers. You will also come to terms with the fact that certain ugly powers roam our beautiful cities. Dark creatures are here and there.

If you survey what is happening in the present world you will realise that we are confronted by a satanic abracadabra. Beloved, unless you are aided by the Almighty, the more you look, the less you will see. If you allow God to open the eyes of your understanding, you will be scared and shocked to your marrows. The mystery of darkness is at work. Wicked powers have turned a lot of things upside down. Beloved, the enemy is wickedly wicked and badly bad. An evil cloud is hanging over this generation. Many seas and rivers have been poisoned.

The air which we breathe has been polluted. The food sold in the markets has been contaminated by dark powers.

There is an evil invasion over our calendar. Our leaders have been captured by the spirits of error. There are unseen evil altars in several homes. The divine wind of blessing has been halted by demonic umbrellas. The rain of blessing has been barricaded from falling by wicked mysterious powers. The only way you can come out from the evil umbrella is to fight and break dark mysteries over your life. You must halt every evil programme and put an end to the satanic agenda being unfolded against your destiny.

This prayer programme will alter the course of your journey and change your destiny for good. You need these prayer points if you have discovered that you are aiming at the wrong destination. You need these prayers if you are being controlled mysteriously. You need to pray like a wounded lion. Then if you actually want the powers behind dark mysteries to be subjected to a divine summersault that will put them out of circulation. This is a do or die battle. It is a battle you must fight and win.

Isaiah 9:6 says:

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

CHAPTER NINE

DEALING WITH SATANIC ROBBERS

DEALING WITH SATANIC ROBBERS

9

Just as there are robbers and thieves in the physical realm, there are robbers in the spiritual realm. Jesus declared categorically that the enemy has come to steal. Satan and his agents are ready to steal precious items and destinies at any given opportunity. Wherever satanic robbers find things of value, they go for robbery. Satanic robbers are more wicked than physical robbers.

The enemy who steals your books is a wicked enemy. But the enemy who steals your brain is an embodiment of wickedness. The enemy who steals your mattress is a bad one, but the enemy who steals your sleep is the most wicked enemy you can ever come across. The robber who steals your certificate is wicked, but the spiritual robber who steals your success is the greatest of all robbers.

The enemy who steals your clothes has an evil intention, but the one who robs you of your glory is the worst robber you can ever imagine. The enemy who steals your money is a bad enemy but the enemy who steals your means of getting money is a satanic robber indeed. The enemy who steals instruments which you use to carry out your projects is a common thief. But the enemy who steals your idea and your entire concept is a robber from the pit of hell.

The enemy who steals your car will surely prevent you from moving around, but the robber who steals your progress is the greatest robber of all. The thief who comes to your house to pack all your belongings is heartless. But, the thief who steals your virtue is a wicked satanic robber. The thief who breaks into your

house and carts away all your musical instruments is a bad thief. But the thief who steals your joy and your ability to sing a new song is the most wicked robber you can ever imagine.

The thief who aims at physical things is not your friend at all. But the thief who steals your destiny is a satanic robber of monumental dimensions. You must therefore hate satanic robbers with perfect hatred. You must deal with satanic robbers and keep them out of business. If you want to enjoy your life and fulfill your destiny, you must locate satanic robbers and barricade your spiritual properties with the fire of the Holy Ghost. You must not suffer any satanic robber to live. The thief must be located, caught, punished and forced to vomit what he has eaten and restore what he has stolen. You must recover your stolen virtue and redeem what the enemy has captured. If you have to lose your voice while saying these prayer points, go ahead. This is your season of recovery. Make as many arrests as possible.

CHAPTER TEN

DEALING WITH
THE ABORTION
OF OPPORTUNITIES

DEALING WITH THE ABORTION OF OPPORTUNITIES

10

A single opportunity can change your situation. The loss of one opportunity can make you miserable for life. The abortion of opportunities is unpleasant. Every power that is trying to abort good opportunities in your life must be dealt with. The devil operates through demonic spies. Powers of darkness know the difference that opportunities can make. Hence, demonic agents are busy working vigorously towards the abortion of opportunities.

This prayer programme is meant for:

1. Those who have discovered that good opportunities slip through their hands.
2. Those who have gained nothing from their best opportunities.
3. Those who have discovered that certain powers are busy scattering their opportunities.
4. Men and women who have witnessed the frittering away of golden opportunities.
5. When you know that there are wicked powers swallowing opportunities.
6. Those who have been given wonderful promises but no fulfillment of anyone.
7. Those who have been in the condors of power but unable to harness any gain.

8. Men and women who discover that the opportunities that have made their colleagues to prosper have made them to be worse off.
9. Those who have discovered that they are constantly missing good opportunities.
10. When you discover that opportunities are withdrawn whenever it comes to your turn.
11. When you notice that ancient ancestral gates have been locked against members of your family.
12. When you notice that your family name constantly withdraws good opportunities from you.
13. When you notice that each time you are about to benefit from your opportunity some powers provoke you and consequently disqualify you.
14. When your portion is taken and given to another person.
15. When there are stumbling blocks between you and your opportunities.
16. When you discover that no opportunity has ever benefited you.
17. When you sense opportunity famine.
18. When you are kept far away from the land of your opportunities.
19. When you are suddenly deleted from the list of those who are supposed to benefit from a particular opportunity.
20. When your opportunities are swallowed by the power of the emptiers

You need to pray fervently against the power that aborts opportunities. The prayer points will change your situation.

BINDING THE STRONGMAN

The strongman can be likened to a brigade commander in charge of a large number of evil spiritual soldiers. He stands for the principality in charge of a territory and is the demonic personality who takes charge of a particular situation. He is generally armed to take control of a particular situation. To deal with him you must know what you are doing.

Fighting against the strongman is no child's play. When any battle gets to his level the warrior has a serious battle in his hands. The conditions of several people have proved stubborn simply because a strongman is in charge. The weapon needed to fight him is a serious one. When you are fighting him you shouldn't expect the battle to be over in a split second. When the enemy has

taken your cease to the table of the strongman, you must be prepared to fight until the strongman is defeated and victory is yours.

This particular prayer programme is a result-oriented one. There are seven prayer segments that can run for seven days. It is not a programme you can pursue half-way: The Holy Ghost has meticulously addressed every area of the prayer to give you decisive victory over the strongman who is an experienced war monger. You cannot go to his territory with toy guns, when he is armed to the teeth with sophisticated machines. Binding the strongman is not a joke, it is not what can be done by prayerless folks. To bind him is to get to the height of warfare. You must be fully prepared as you commence this prayer programme. You must pray with holy aggression. If you take this prayer programme to the end, the victory you will obtain will amaze you. Take note of the dreams and revelations, God will give you after each prayer session.

This is one of the greatest prayer programmes you can handle. Each prayer point will give birth to fantastic testimonies. Go through the prayer points meant for each day without omitting anyone.

CHAPTER ELEVEN

KILLING
GLORY KILLERS

KILLING GLORY KILLERS

11

Your God-given glory is your greatest asset. When you lose your glory you have lost your greatest possession. There are certain powers in the demonic kingdom whose goal is to locate, destroy and bury your glory. If you allow them powers to carry out their activities unhindered, they will swallow your glory completely and leave your life empty.

The nature of your glory:

1. Your glory is your strength.
2. It is your virtue.
3. It is your uniqueness.
4. It is what makes you outstanding.
5. It is what distinguishes you from the crowd.
6. It is your value.
7. It is the plus factor in your life.
8. It is the positive factor that makes you important wherever you find yourself.
9. It is the factor that makes you useful and indispensable.
10. It is the high point of your life.
11. It is your divine endowment.
12. It is the seed of your destiny.
13. It is what makes your relevant in your generation.

14. It is what marks you out among the masses.
15. It is the agent of your promotion.
16. It is what earns you reward among men.
17. It is what makes you someone who cannot be pushed aside.
18. It is what make your opinion counts.

The greatest thing you can do is to discover your glory and pray for its restoration. You must guard it jealously. You must not allow demonic agents to tamper with your glory. It is true that the devil goes about looking for any glory he can kill and bury, it is your duty to hinder glory killers to perform their enterprise.

You need these prayer points if you have ever discovered that some powers are attacking your glory. You must pray fervently if you have discovered that demonic agents are gradually turning your glory to shame. The moment you identify glory killers, there are certain weapons, you must make use of.

What you must do:

1. Recognise the activities of glory killers.
2. Identify the powers behind attacks on your glory.
3. Decide to kill them before they kill your glory.
4. Make use of the weapon of aggression.
5. You must deal with all categories of glory killers.
6. You must destroy their weapons.
7. Command them to restore what they have stolen from you.
8. Be filled with the Holy Spirit.
9. Be merciless when dealing with glory killers.
10. Let your faith be strong.
11. Make use of the weapon of praises.

CHAPTER TWELVE

SILENCING
ENEMIES OF
MY NEW SONGS

SILENCING ENEMIES OF MY NEW SONGS

12

There are powers that specialise in attacking testimonies. These powers hate to see you happy. Their major goal is to push you into the river of Babylon and make you to hang every instrument of music. Some powers are angry when you are about singing a new song. They will rather have you go through seasons of discouragement without any reason to sing a new song. Beloved, there are enemies who have vowed that there will be no sound of music or joy in your habitation. Such powers want you to get to the edge of your breakthroughs without smelling any blessing.

Enemies of your new song will do the following:

1.Push you into mistakes or errors that will erase your chances of singing a new song.
2.Trigger tragedies that will make you mourn.
3.Make you take God for granted.
4.Steal your faith.
5.Dim your hope.
6.Push you into frustration.
7.Throw you into a situation where you do not see any reason for singing a new song.

To deal with the satanic agenda you must cultivate the habit of singing new songs at all times. Make sure that sounds of music will not depart from your habitation, and the praise of the Almighty will not depart from your mouth. You must locate every enemy of your new song and command them to be busy with useless assignments. You must learn how to sing new songs from the depth of your heart at all times. You must learn how to sing in the spirit and sing with your own understanding. You must learn how to identify what the enemy is trying to do to hinder you from singing your song and dancing your dance. You need to pray that whatever will sentence you to mourning, murmuring and complaining should be consumed by the fire of the Holy Ghost. You need to learn how to make a joyful noise unto the Lord.

The following steps must be taken:

1. Silence the enemy of your new song before you are silenced.
2. Deal with every power that has been assigned to steal your song.
3. Deal with internal agents positioned secretly to prevent you from singing a new song and let the joy of the Lord be your strength.
4. Learn how to be happy at all times.
5. Keep the flag of your faith flying.
6. Launch a violent attack against powers that are bent on keeping you from singing your song of victory.
7. Pray until joy flows from your heart and a new song of victory from within.
8. Keep singing until the enemy flees.

PRAYER SECTION

Confession: Psalms 2: *Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure. Yet have I set my king upon my holy hill of Zion. I will declare the decree: the Lord hath said unto me, Thou art my Son; this day have I begotten thee. Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in*

pieces like a potter's vessel. Be wise now therefore, O ye kings: be instructed, ye judges of the earth. Serve the Lord with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him.

CHAPTER THIRTEEN

BURY YOUR
HAMAN

13

BURY YOUR HAMAN

13

Any power that is waging war against a true child of God is writing a quick letter of its obituary. Wicked powers must not be spared. They deserve quick and final burial. Everyone who is destined for greatness has a secret Haman lurking in dark places to inflict injury on him. The devil has set up lots of Hamans to bury the glory of God's people, steal precious virtues and destroy treasures that will make you great in life. You need to bury your Haman.

You must not suffer your Haman to live. He must be located, paralysed and forced to do repeated summersaults until he is confirmed dead. The ministry of Haman must be terminated. His activities must be stopped, his goals must be destroyed. You must not allow the enemy of your progress to prosper in his demonic mission. You must destroy Haman before he destroys you. You need these prayer points if:

1. Your destiny is colourful
2. Your star is unique.
3. You are supernaturally endowed to function in the realm of glory.
4. You are a threat to the kingdom of darkness.
5. Your goals and aspirations are making the enemy sad.
6. The destiny of several people are attached to your destiny.
7. You have discovered that you have a unique role to play in your generation.
8. The power of your father's house has instigated revolt against your progress.

9. The enemy is angry because your moment of breakthrough is near.
10. Power of the dark kingdom are ganging up against you.
11. The enemy is fighting you because your life is a symbol of hope for the hopeless.
12. God has made you a helper to many in this generation.

If these describe your condition, you cannot escape attacks from Haman. The fact that you are attacked does not mean that Haman will win. To tackle him, you must take the following steps:

1. Put on the armour Of faith.
2. Put on the regalia of a fighter.
3. Use the weapon of consistent bombardment.
4. Make up your mind that every Haman that wants you to die must die.
5. Command your Haman to be destroyed by his own weapons.
6. Decree that your Haman must hang, using the weapon he has constructed for you.
7. Pray like a wounded lion.
8. Issue the cry of vengeance against your Haman.
9. Command angels that have no mercy to invade the camp of Haman and perform utter destruction.
10. Kill and bury your Haman.

Beloved, the prayer points in this programme have been vomited by the Holy Ghost to give you victory over your Haman. This is the day that God will give you the head of your Haman and the head of your Goliath. Pray and your testimony will spread disaster in the camp of the enemy.

CHAPTER FOURTEEN

PULLING DOWN
STRONGHOLDS

14

PULLING DOWN STRONGHOLDS

14

One of the toughest problems to deal with is the demonic stronghold. There are ordinary problems and there are deep problems. However, when a particular problem has been erected and fortified by stubborn strongholds victims will struggle every moment of their lives. What most people go through today are problems that are put in place by the enemy using strong pillars. To pull down such stubborn pillars can be very difficult, more so when you are merely chasing shadow. Prayers for pulling down strongholds are uncommon prayers that must be handled with the highest degree of fervency. Strongholds of darkness are responsible for the knotty problem that people go through day in day out.

2 Corinthians 10:5 says:

Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

You need these prayer points when your problems are compounded, when you keep going through circular problems, when you suddenly discover that you are in the midst of problem and there is no amount of breather, when every season of your life is characterised by tragedies, terrible mishaps and problems sponsored by the kingdom of darkness.

You need them when you go through days, weeks and years without a single testimony, when thoughts of committing suicide invade your heart, when you

want to put an end to all forms of satanic revival that have erupted in your life, when your destiny is floating upon the ocean of life.

You need these prayer points when you are completely immersed in the mud of satanic captivity, when you discover that your destiny is completely buried, when you discover that you have become a shadow of your real self. Beloved, as far as this prayer points are concerned you must keep on praying until the stronghold of darkness collapses and you are free to pursue your God-given agenda. You must pray until every stubborn foe is vanquished, until your testimony is full. The strongholds of darkness must not prevail over you.

WHERE IS THE
LORD GOD
OF ELIJAH

WHERE IS THE LORD GOD OF ELIJAH?

15

There are various levels of prayers. There are prayer patterns that have constituted threats to the kingdom of darkness. One of such prayers centres on evoking the Lord God of Elijah to swing into action.

The Lord God of Elijah is the God that answereth by fire. He is the God of instant judgment. He is the God who appears with the manifestation of the consuming fire. The Lord God of Elijah is the God who thunders and roars against the kingdom of darkness. He is the God who shall suddenly appear and inflict unforgettable injury upon the enemy of your destiny. He is the God who appears and shakes heaven and earth. When He comes into a situation, every agenda of darkness is annihilated. When He speaks from His holy temple, the whole earth will be silent.

You need to invoke the power of the Lord God of Elijah when you are sick and tired of the evil onslaughts of the kingdom of darkness. This prayer programme is needed by men and women who want God to appear suddenly and intervene in their situations. It will prove invaluable for those who desperately seek divine answers to their problems.

It is a powerful battle cry for those who have an eye on winning victory at all cost. "When you declare, "Where is the Lord God of Elijah? "You are automatically sounding the battle cry that the Lord responds to. The God who answers by fire will prove Himself You will experience dumbfounding miracles. To provoke the Lord God of Elijah you must continue with your prayer efforts until He appears with His chariot of fire.

INTERVIEW
SUCCESS

INTERVIEW SUCCESS

1

Prayer points for success at important interviews must be handled with utmost seriousness. You must handle the spiritual aspect of any interview before you go there. Wisdom and ultimate success belong to God. When you spend time and prayed before going for an important interview the whole process will be achieved with ease.

During an interview various personalities are involved. However, when you allow God to take charge by handling every aspect of the interview over to Him through prayer, success is sure. The truth is that over 50 per-cent of the success you anticipate is often achieved at the place of prayer. Prayer opens the door of favour, gives you wisdom to answer questions with the wisdom of God and takes charge of the atmosphere during the interview.

When you pray yourself into the realm of favour, you will speak the right word at the right time and experience favour from members of the interview panel. When you secure the release of success from the spiritual realm, it will be delivered unto you with ease. Even if you are not able to answer every question right, the favour of the Almighty will earn you a place among the whole lot.

This prayer programme will prove invaluable:

1. When you are going for a job interview.
2. When you are attending a promotion interview.
3. When you are going to attend an admission interview.

4. When you are going for a contract interview.
5. When you want to appear before a selection board.
6. When you are in the midst of several competitors.
7. When decisions are about being taken to favour you.
8. When you want to achieve success at all costs.
9. When you need divine intervention.
10. When you know that your efforts are not just enough.
11. When you need someone to put in a word for you.
12. When you have dreams that bother on the fact that your success is threatened.
13. When you want God to distinguish you as an outstanding candidate.

Just three things to keep in mind.

1. Adequate preparation.
2. Confidence.
3. Absolute faith in God.

With this prayer point, success is yours, your success will become a reference point, and you will prove to the whole world that with God all things are possible.

Mark 9:23 says:

Jesus said unto him, If thou canst believe, all things are possible to him that believeth.

TO SECURE
CONTRACTS

PRAYER POINTS TO SECURE CONTRACTS

2

When favour is bestowed upon your labour, the consequences are unimaginable. Success and prosperity come from above. You need a great deal of efforts to secure contracts that will change your situation. Children of the devil do all sorts in of orders to secure contracts and succeed in their business endeavors. The truth is that the God of possibilities is the only One who can so overshadow your life with favour that you will be the preferred candidate when people are hustling for beneficial contracts.

Picture in your mind's eye the particular place where you need contracts. Be assured of the fact that God is the Alpha and Omega of the establishment and workplace. When you make use of this prayer programme favour will speak for you. Those who are to give out the contracts will be restless until they give the contracts to you.

This prayer programme will, among other things:

1. Open the door of favour for you.
2. Lead you to where beneficial contracts can be found.
3. Remove any cobweb limitation against the contract.

CHAPTER THREE

**SPEEDY
PROMOTION**

SPEEDY PROMOTION

3

Your altitude in life depends on your attitude. The height you attain is directly proportional to your prayer temperature. Speedy prayers will produce speedy promotion. When you tarry long in the realm of prayer you will experience supernatural exploits. You can determine the speed that you will be promoted in life.

The prayer programme in this section will link you to the realm of accelerated promotion. You can fast-track your promotion and make things happen beyond human imagination. The mystery of speedy promotion can become an experience you cherish. The Bible makes it crystal clear that God is the source of promotion.

Psalms 75:6 says:

For promotion cometh neither from the east, nor from the west, nor from the south.

When you enjoy the benefits of divine promotion no power on earth will be able to limit them. Your promotion comes from the throne of the Almighty and its speed will reflect God's unlimited ability. When God promotes you, your promotion will be extraordinary. God does not need anyone to assist you before He promotes you. Once your promotion has been decreed in heaven, it will be established here on earth. No one can stand in the way of God when he moves. Immediately heaven signs your letter of promotion your life shall break forth and

you will experience multiple promotions.

Isaiah 58:8 says:

Then shall thy light break forth as the morning, and thine health shall spring forth speedily: and thy righteousness shall go before thee; the glory of the LORD shall be thy rereward.

The mystery of divine compensation operates through supernatural principles. Even if you have been denied the promotion due to you, God will step into your case and the officers that are above you will bend backward over to place you where you belong.

Beloved, you need speedy promotion when:

1. The spirit of the tail has plagued your destiny.
2. When you discover that you have remained at the back while your contemporaries have been moved above you.
3. When you discover that you have been marking time on the same spot for a very long time.
4. When you are ashamed of being at the rear.
5. When people with whom you started have taken giant strides.
6. When you have put in so much without being adequately rewarded.
7. When you have struggled unsuccessfully to make it in life.
8. When you have constantly lived from hand to mouth.
9. When the powers of your fathers house have kept you in a backward position.
10. When your hard-work is unnoticed and unrewarded.
11. When the spirit of the snail has plagued your destiny.
12. When you have been given a loud official title without any corresponding benefit.
13. When you have discovered that demoting powers are working seriously against your promotion.
14. When you have noticed that your promotion has been mysteriously kept on hold.
15. When you desire speedy promotion.

Beloved, this prayer programme will make a difference in your life. It will take

you to the realm of destiny fulfilment. Speedy promotion will announce the awesome power of God and portray His glory in your life. Uncommon promotion will be your lot as you vigorously pursue this prayer programme.

CHAPTER FIVE

ARRESTING
SLIPPERY
BLESSINGS

ARRESTING SLIPPERY BLESSINGS

5

There is nothing as frustrating as being taken to the place of your blessing and discovering that your blessings are nowhere to be found. There is nothing as disheartening as getting to the edge of your breakthroughs and discovering that the breakthroughs have suddenly disappeared.

When expectations are denied, hopes are dashed, desires are not met and what you hope for never comes to pass, your heart will be discouraged and the urge to move forward will be completely gone.

You need to arrest the tide of slippery blessings. God does not want any of His children to grapple with slippery blessings. Unfortunately, heaven has released some blessings but demonic powers have made the recipients to catch nothing.

Peter and his partners went afishing, laboured throughout the night and caught nothing. They had nothing to show for their labours and persistent efforts

John 21:3 says:

Simon Peter saith unto them, I go a fishing. They say unto him, We also go with thee. They went forth, and entered into a ship immediately; and that night they caught nothing.

The problem of slippery blessings have dribbled many and left them confused.

The devil will not prevent you from making efforts, praying and expecting your blessings but he will stand at the gate of your breakthroughs and make sure that nothing comes to you.

Slippery blessings mean that there are no blessings at all. When you work and pray persistently and no blessings are on the horizon, it shows that the powers of slippery blessings are waging war against you.

The moment you discover that you can go through a whole season without a single testimony, there is a serious problem. You need this prayer programme when you have spread word concerning an intending blessings and the blessings never come.

It is a prayer programme you must handle with aggression if you happen to have been a victim of slippery blessings. It will help you if certain entitlements and benefits that could have been yours for a very long time are withdrawn for no justifiable reason.

This prayer programme will change your situation if you labour more than your contemporaries but what you reap is far below what you are entitled to. You need to arrest slippery blessings if you have sat down and you have discovered that your blessings are just not forthcoming even when you have anticipated their arrival.

This prayer programme will help you if you have prayed and fasted and there are no tangible results. This prayer programme is needed by those who have been told by their establishment that they are due for promotion but suddenly, the decisions are revoked. You need to arrest the mystery of slippery blessings if blessings have refused to show up even when you have sensed that the blessings were on the way.

You must arrest the tide of slippery blessings if you have discovered that it is an ancestral problem. You must pray fervently against this problem if you always end up obtaining half or part of what belongs to you. This prayer will come handy for those who are sweating profusely without any moment of rest or success.

You need these prayers if financial losses have been your constant experience. This prayer programme would change your situation if you have discovered that

no matter how hard you have tried to come out of poverty; something comes up suddenly and drags you into the cage of poverty.

You need to pray aggressively if you have discovered that the curse of profitless hard work has been raging against your life, if you have discovered that witchcraft agents are sitting on your blessings.

To tackle the problem of slippery blessings, you must take the following steps:

1. Repent of every sin that has put slippery blessings in place.
2. Remove yourself from the umbrella of slippery blessings.
3. Pray for power to magnetise your blessings.
4. Revoke every covenant that has made you a perpetual victim of slippery blessings.
5. Go through personal deliverance.
6. Pray with aggression.
7. Claim God's promises.
8. Obtain your blessings by force.
9. Pray fervently until the yoke of slippery blessings is broken.
10. Declare that you shall not build and another inhabits, you shall not plant and another eats.
11. Declare that you shall eat the work of your hand.

Finally, this prayer programme will make a great difference in your life. Your situation will change and your blessings will locate you.

CHAPTER SIX

I SHALL SING
MY SONG AND
DANCE MY DANCE

I SHALL SING MY SONG AND DANCE MY DANCE

6

The devil hates to hear any sound of music in your camp. He does not want you to sing your song or dance your dance. But as far as God is concerned an unending rhythm of joyful songs should be found in your habitations at all times. God takes delight in giving you new songs on daily basis. He wants your joy to be so full that you will begin to dance joyfully.

It is therefore your responsibility to pray your way to breakthroughs. God wants you to sing for joy and celebrate your breakthrough through dancing. He is ever ready to put a new song in your mouth

Psalm40:3 says:

And he hath put a new song in my mouth, even praise unto our God: many shall see it, and fear, and shall trust in the LORD.

When God puts a new song in your mouth, praise will erupt from within. Then, you will sing unto Him a new song, and His praise from the end of the earth.

Isaiah 42:10 says:

As with a sword in my bones, mine enemies reproach me; while they say daily unto me, Where is thy God?

The devil has continued to put the garment of mourning and sorrow upon people. For multitudes, there is no reason whatsoever to dance or celebrate. This

situation must change. Whatever the devil has done to put your celebration on hold must be destroyed. All forms of evil barricades must be dismantled. Every enemy of your joy must be disgraced. However, you must pray until your nights of weeping come to an end and you are ushered into your season of singing and dancing. This particular prayer programme has been vomited by the Holy Ghost to lead you into breakthroughs that will make you sing and dance impulsively. You must cast aside all internal enemies of your joy. You must put away carnal roadblocks and self-constructed hindrances to your total joy.

These prayer points must not be handled half way. You must give yourself no rest until your joy is full and your cup of celebration begins to overflow. You need this prayer programme if you have gone through weeks, months and years without any testimony. You need the prayer points in this section if tears have flowed from your eyes ceaselessly and the sighing of the prisoner has been your lot for a very long time. You need to pray these prayers aggressively if you have become an object of ridicule. These prayers are of utmost importance if you want those who have mocked you to be forced to celebrate with you.

Beloved, these prayer points will give you access to sing the victor's song and dance the overcomer's dance. This is your season of rejoicing and celebrating the goodness of the Lord in the land of the living.

Psalms 118:17 says:

I shall not die, but live, and declare the works of the LORD.

LET MY
JORDAN DIVIDE

LET MY JORDAN DIVIDE

There is a season in the life of everyone when a decisive change comes and there is a remarkable difference, between the past and the present. When you get to a point where going back is burdensome and moving forward is near impossible you need to pray until God changes the situation.

You need these prayers:

CHAPTER EIGHT

BREAKING THE
YOKE OF
BAD LUCK

BREAKING THE YOKE OF BAD LUCK

8

One of the greatest problems that people are grappling with today can be attributed to the evil burden of bad luck. A lot of people struggle from dawn to dusk, yet they keep going in circles because the mystery of bad luck has programmed them to dwell in a negative realm in life. The yoke of bad luck is one of the manifestations of wicked programmes being activated by dark powers.

There is no way you can enjoy your life, experience God's blessings and fulfill your destiny without dealing with the yoke of bad luck. To say that there is nothing like bad luck is to be simplistic. The Bible makes it crystal clear that a lot of people have been forced to place their heads under the yoke of bad luck.

Unfortunately, our ancestral past has made the mystery of the yoke of bad luck to flourish. Our ancestors erected a platform that has made bad luck a common experience. It is, indeed, true that many have grown up in the dark places of the earth which have been described as the habitation of cruelty. Whatever looks like the yoke of bad luck must break even if it has been put to place by enchantment, divination or incantations.

The Bible has declared that there is no enchantment against Jacob. When the yoke of bad luck is broken, there will be a new lease of life and vitality in you. God will make wars to cease. The bow, the spear and the chariot of bad luck will be consumed by the fire of the Holy Ghost

Psalms 46:8-9 says:

Come, behold the works of the LORD, what desolations he hath made in the earth. He maketh wars to cease unto the end of the earth; he breaketh the bow, and cutteth the spear in sunder; he burneth the chariot in the fire.

When the yoke of bad luck is broken you will be able to declare **Psalms 16:6** says:

The lines are fallen unto me in pleasant places; yea, I have a goodly heritage.

The yoke of bad luck is an invisible satanic burden. Once it is in place the victim will discover that nothing works. The prayer point below are divine solution to the bad luck dilemma.

Victims of bad luck experience favour famine. Blessings disappear mysteriously whenever it comes to the turn of those who are victims of bad luck. What has been available previously suddenly becomes unavailable.

Prayers for breaking the yoke of bad luck must be done with aggression. To deal with bad luck you need the weapon of holy violence. It is a yoke that must be broken with the force of aggressive prayers. Often times when bad luck has been in place for along time you need to add deliverance prayers and combine fasting with prayer to break and grind the yoke to powder. Breaking the yoke of bad luck prayers are needed by everyone in this environment. You will surely experience some manifestations as you take these prayer points.

Your enemies will either turn back or submit themselves to you. The uniqueness of this prayer programme resides in it is being an important aspect of Jehu prayers. When you pray fervently; problems that have been part of you for a long time will be dealt with. The powers of your father's house will let you go. Your heavens will open and demonic stumbling blocks will give way. Your testimonies will be awesome.

CHAPTER NINE

VICTORIOUS
LAUGHTER

VICTORIOUS LAUGHTER

9

There is a world of difference between sorrow and joy. If you have ever gone through a long season of sorrow mourning and despondency you will cherish the season of laughter and dancing. After battles come celebration. When you experience unchallengeable victory you are bound to burst into laughter and rejoicing.

When the enemy confronts you with battles from all fronts, it is your duty to fight aggressively until victory is yours and you are able to celebrate with uncommon joy. If you are surrounded by wicked enemies who pound and launch ferocious attacks at you from every direction, there is no way you can declare that your joy is full.

Victims of satanic attacks hardly laugh. Such people go about wearing long faces, a situation which leaves much to be desired. The situation will not change until you take the battle to the enemy and declare that enough is enough. There is no laughter without victory. There is no room for rejoicing until you achieve the conquest that will make the enemy to take a bow and submit unto you.

Psalms 66:3 says:

Say unto God, How terrible art thou in thy works! through the greatness of thy power shall thine enemies submit themselves unto thee.

This prayer programme has been vomited by the Holy Ghost for those who want to celebrate victory over the powers that are mocking them. It is indeed true that he who laughs last laughs best. These prayer points will prove invaluable for

those who shed tears day and night. It is a prayer programme that has been carved out for people who are desperate for a change. It is carved out for modern day Hannahs who are ready to pray their way to breakthroughs.

It portrays the spirit of Jacob when he declared, "Unless you bless me, I won't let you go." It is a prayer programme that will make you laugh and compel your enemy to cry. With this prayer programme God will wipe your tears, give you a new song and make you to burst into the type of laughter that will send confusion into the camp of the enemy. These prayer points will provoke heaven and sentence you to laughter 365 days of year. I welcome you to your season of laughter. Your joy has come. Your celebration has started, your testimony shall proclaim the awesome power of the Almighty.

PRAYER SECTION

Confession: Psalm 46:1-11: *God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof Selah. There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High. God is in the midst of her; she shall not be moved: God shall help her, and that right early. The heathen raged, the kingdoms were moved: he uttered his voice, the earth melted. The Lord of hosts is with us; the God of Jacob is our refuge. Come, behold the works of the Lord, what desolations he hath made in the earth. He maketh wars to cease unto the end of the earth; he breaketh the bow, and cutteth the spear in sunder; he burneth the chariot in the fire. Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth. The Lord of hosts is with us; the God of Jacob is our refuge. Selah.*

**WINNING THE
MARRIAGE
BATTLE**

CHAPTER ONE

MY MARRIAGE,
COME FORTH

MY MARRIAGE, COME FORTH

1

Every situation in life is an entity. Like every situation in life, Marriage is an entity. It has an ear and can hear both negative and positive voices. If you allow situations in life to remain as they are, you will continue to go through unpleasant conditions. You can take control of the situation in your marriage through prayer and it can come alive and become what God wants it to be.

The force of prayer can be applied on your marriage and be made to conform with the divine image and purpose. But change will not occur unless you pray it into manifestation. All you need to do is to face your marital situation squarely and command it to come forth from the graveyard of oppression. The devil has swept many marriages into the valley. The only solution is to address your marriage the same way Jesus resurrected Lazarus when he was dead and stinking. When you command your marriage to come alive, the grave will give way and every dead cell in your marriage will receive life. A lot of marriages are dead and stinking, you need to pray if the following conditions describe your marriage.

1. Any marriage attacked by ancestral powers.
2. Any marriage besieged by witchcraft agents.
3. Any marriage characterized by a dead relationship.
4. Any marriage where there are frequent squabbles.
5. Any marriage in which the couple live like cat and rat.
6. Any marriage constantly under a siege.

7. Any marriage at the verge of hitting the rocks.
8. Any marriage characterised by incessant troubles through parental influence.
9. Any marriage filled with hatred and frustration.
10. Any marriage characterised by lack of divine honey that makes the family wholesome.
11. Any marriage filled with manifestation of curses.
12. Any marriage that experience mysterious fights day in day out
13. Any marriage that witnesses the success of the agenda of witchcraft.
14. Any marriage in which the couple have given up on each other.
15. Any marriage buried by household wickedness.

If these types of problems can be found in your marriage, you need to command it to come forth. You must pray that the divine agenda for your marriage will succeed. Your marriage must come forth. Every goodness of your marriage that has been buried must be exhumed. The health of your marriage can be attained through this prayer programme. Pray until there is a remarkable change in your marriage.

**BREAKTHROUGH
PRAYERS FOR
SUPERNATURAL
CONCEPTION**

BREAKTHROUGH PRAYERS FOR SUPERNATURAL CONCEPTION

2

Children are God's heritage. When God puts supernatural conception in place, you are bound to carry your pregnancy full-term and experience the bliss of a joyful mother. Prayers for supernatural conception will grant you immunity. Your pregnancy cannot be tempered with. When a woman gets pregnant, it may not be hidden from friends and foes alike. Satanic agents are also able to detect pregnancies from its earliest stage. To keep enemies of your pregnancy at bay you must raise a prayer altar to insulate the baby in your womb. The mystery of supernatural conception must be understood. You can tap into the mystery of the Hebrew women when you pray aggressively. God becomes the Alpha and the Omega in your journey to safe delivery. Even before pregnancy takes place, you must pray for supernatural conception. Supernatural conception and you will be singled out from the crowd. When your colleagues complain of peculiar problems in pregnancy your case will be different. When fellow women go through pain or first miscarriage your own pregnancy will be intact. When other women are subjected to all kinds of attacks during conception no power will touch you. When other women tell tales of woe, pain and agony yours will be testimonies galore.

When other children give birth to deformed children, yours will be a healthy bouncing baby. When others are played back and forth like football by witchcraft

practitioners. God will simply issue a decree, concerning you saying; "Touch not my anointed" God will pour the oil of grace upon you during your season of pregnancy. Your health shall be sound and the power of the Holy Ghost shall overshadow the baby in your womb. The baby shall enjoy the constant flow of divine supply. Since yours is supernatural conception everything about your pregnancy will be supernatural. The power of the Most High will be made manifest in your conception. People far and near will declare that the finger of the Almighty is upon both the mother and the child. Additionally, when supernatural conception is in place there shall be supernatural supply of all the needs of the parents and the child.

You need not bother about the fears and troubles of those who go through hell. This prayer programme will separate the favoured from the ordinary pregnant woman. God is set to give you the blessings of supernatural conception.

CHAPTER THREE

PROTECTION
OF CHILDREN

PROTECTION OF CHILDREN

3

The Bible places much premium on children. Their protection and preservation are of utmost importance to God. Right from the womb until God has made a provision to ensure that children are well protected from all harms and wicked attacks. Children are weak, during the age of innocence and are not able to pray for protection. They therefore need the adults to intercede for them.

Parents, pastors, children ministers and older members of the family should, from time to time, take the prayer points in this section. We should not wait until children are endangered or attacked. The axiom, "in the time of peace, prepare for war", makes a lot of sense. Do not wait until you sense danger, accident, health challenges or attacks that threaten the lives of children before you pray. It is the responsibility of every parent to stand in the gap and pray for their children.

Children are at risk in the following ways:

1. Witchcraft attacks.
2. Domestic accidents.
3. The peril of being injured by domestic servants.
4. The attack that comes from household wickedness.
5. Childhood diseases.
6. The proliferation of kidnappers.

7. Infectious diseases.
8. The threat of drinkers of blood and eaters of flesh.
9. The danger of being injured by playmates.
10. Wicked peer pressure.
11. Obtaining dangerous items from mates and adults.
12. The wickedness of envious neighbours.
13. Attacks that come when children are asleep.
14. Attacks during birth.
15. Stealing the star during naming ceremony.
16. Getting into trouble through innocent past times or leisure.
17. Attacks during times in school.
18. Food poisoning.

We have mentioned only few of the dangers which children are prone to. Parents, pastors and family members who love children must pray protective prayers for them. If the prayer points below are vigorously said, children will be spared lots of attacks. Take these prayer points aggressively and you may be saving the lives of precious children.

CHAPTER FIVE

**BREAKTHROUGH
PRAYERS FOR
SUPERNATURAL
CONCEPTION 1**

BREAKTHROUGH PRAYERS FOR SUPERNATURAL CONCEPTION 1

5

The issue of child bearing is so crucial that it must be addressed by every couple. The moment God decrees that you shall be fruitful in marriage, the kingdom of darkness has no right to tamper with His programme for you. Lots of casualties have been reported in recent times. During pregnancy all kinds of arrows are fired against women in their moment of weakness. The burden of carrying a child in the womb for a number of months is heavy enough, not to talk of, when such a burden is compounded by demonic attacks coming from left, right and centre.

For some women, the problem of conception takes place right at the time they are supposed to become pregnant. But some powers have vowed that some women will not taste pregnancy. Hence, the moment some women get married the whole of hell is let loose and a demonic whirl-wind will continue to blow against those who are expectant. When such women visit hospitals they are told that nothing is wrong. Beloved, many people experience severe battles at the gate of conception. Wicked spirits mount lofty roadblocks against conception. Immediately some women begin to see signs of pregnancy some wicked satanic soldiers invade their womb and there is turbulence until miscarriage is occasioned.

Those who are seeking the fruit of the womb should not take this battle for

granted. Serious prayers must be said to cancel the satanic agenda against conception. Prayers must be continuous to ensure that there is nothing like miscarriage after conception. These prayers are needed by couples who are facing challenges in the area of fruitfulness. They are designed by the Holy Ghost against vicious cycle of constant miscarriage. If you have discovered that miscarriages are common in your lineage, you must say these prayers as a wounded lion. You need them to silence people who are asking: where is your God?

You need this prayer programme to silence every demonic tongue. You must pray your way to miraculous delivery. You must invoke the power of the Almighty and declare **Jeremiah 32:17 which says:**

BREAKTHROUGH PRAYERS FOR SUPERNATURAL CONCEPTION 2

6

The issue of child bearing is so important in present day generation. The devil has afflicted many homes in the area of pregnancy and delivery. The weapon of prayer has proved to be invaluable in withstanding him. Hospitals have done quite a lot. Medical personnel have assisted in no small way, but recent experiences have proved that the best way to tackle issues related to child bearing in the family is to do so spiritually. It is clear that the spiritual controls the physical. Whenever there are problems in the area of pregnancy and child bearing most of the time there are spiritual factors behind them.

Matthew 13:25 says:

But while men slept, his enemy came and sowed tares among the wheat, and went his way.

Evil forces generally carry out their activities surreptitiously. They perfect their wicked plans when people are not vigilant. It is this hidden method that makes them to succeed. Whenever satanic agents finishes uprooting what has been planted, their victims begin to experience problems physically: The best way to tackle physical problems is to address their root spiritually. You must lay the axe at the root.

Matthew 3:10 says:

And now also the axe is laid unto the root of the trees: therefore every tree

which bringeth not forth good fruit is hewn down, and cast into the fire.

Once you tackle things from the spiritual realm everything will fall into line.

You need prayers for supernatural conception when:

1. You discover that strange things are happening to you.
2. You are going through your season of conception.
3. You are experiencing attacks.
4. People come to you physically or spiritually threatening that you will see trouble during conception and delivery.
5. Strange powers are fighting against your becoming a joyful mother.
6. You discover that most people who get married in your lineage find it difficult to get pregnant and experience safe delivery.
7. It becomes clear your season of pregnancy has become a season of incessant attacks.
8. The powers of your father's house are fighting tooth and nail to turn your joy to sorrow.
9. You have constant attacks in the dream during pregnancy and prior to delivery.
10. Medication has proved ineffective.
11. You sense that certain powers have waited for you in the area of child bearing.

These prayers must be said aggressively. You must not allow weakness to stop you from persistently praying. You must declare war against powers that have vowed that you will not carry your own baby. There must be fire in your prayers.

PRAYER SECTION

Confession: Genesis 1:1-3: *In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light. John 1:1-3:* *In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. Ezekiel 37:1-10:* *The hand of the Lord*

was upon me, and carried me out in the spirit of the Lord, and set me down in the midst of the valley which was full of bones, And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry. And he said unto me, Son of man, can these bones live? And I answered, O Lord God, thou knowest. Again he said unto me, Prophecy upon these bones, and say unto them, O ye dry bones, hear the word of the Lord. Thus saith the Lord God unto these bones; Behold, I will cause breath to enter into you, and ye shall live: And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the Lord. So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone. And when I beheld, lo, the sinews and the flesh came up upon them, and the skin covered them above: but there was no breath in them. Then said he unto me, Prophecy unto the wind, prophesy, son of man, and say to the wind, Thus saith the Lord God; Come from the four winds, O breath, and breathe upon these slain, that they may live. So I prophesied as he commanded me, and the breath came into them, and they lived, and stood up upon their feet, an exceeding great army. **Philip. 3:10:** That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death.

CHAPTER SEVEN

POWER TO
DEFEAT
MISCARRIAGE

POWER TO DEFEAT MISCARRIAGE

7

God has established this prayer programme to put an end to the stigma of recurrent miscarriages. It is not good to take anything for granted. A single miscarriage is enough to provoke holy anger and make you to say, "Enough is enough." The enemy must not be allowed to have his way. He must not be permitted to negate the divine purpose for marriage, God's purpose has been made clear. Procreation or fruitfulness is the bonafide benefit of every child of God.

Genesis 1:28 says:

And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Whatever runs contrary to the divine injunction that declared "Be fruitful and multipl"y must be fought aggressively. Fruitlessness must be defeated. God's decree must be enforced. The fruit of your body must flourish. Even if the agenda of miscarriages is sponsored by dark powers, they must be defeated. A lot of couples have given in to defeat and discouragement, instead of defeating the agenda of dark powers. Beloved, miscarriage is an evil entity and is not God's will for your life. It will not bring glory to the Almighty. It will not make you sing your song and dance your dance. Neither can it make you to experience the manifestation of God's ability to deliver to the uttermost. You need to declare

war against every power trying to frustrate you with miscarriages. Medical science, no doubt, makes efforts, but the greatest challenge to miscarriages is serious prayer programme that will locate the hiding place of the enemy and paralyse his weapon.

This prayer programme is for:

1. Those who are looking up to God for the fruit of the womb.
2. Families that are ridiculed by the enemy because of childlessness.
3. Couples that have gone in and out of hospitals without discovering the reason for constant miscarriages.
4. Women that are under spiritual attack.
5. Those who have experienced still births.
6. Victims of several abortions.
7. Wombs that have miscarried several times.
8. Pregnant women who are threatened by spirit husbands
9. Those who have visited fetish priests or witchdoctors in the past.
10. Those who have experienced premature labour.
11. Women who suffer from fibroid.
12. Victims of ectopic pregnancy.
13. Women who have problematic wombs.
14. Those who are not able to get pregnant at all.

You need to carry out this prayer programme with holy aggression. You must defeat miscarriage. Your story must change. Your testimony must be heard.

PRAYER SECTION

Sources of Problem.

1. Marriage to unseen spouse.
2. Seeing yourself carrying children or someone collected your child in the dream.
3. Abortion committed in time past.
4. Appearances of palm oil, red pepper, or certain animals like goat, dog, cow, etc. in the dreams. These speak of evil dedication in the past and can hinder

you from conceiving and delivering safely.

5. This spirit of error or mistake.

7. Medical pollution.

Confessions: Genesis 1:28: *And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. Exodus 23:26:* *There shall nothing cast their young, nor be barren, in thy land: the number of thy days I will fulfil. 1 Samuel 2:4-6:* *The bows of the mighty men are broken, and they that stumbled are girded with strength. They that were full have hired out themselves for bread; and they that were hungry ceased: so that the barren hath born seven; and she that hath many children is waxed feeble. The Lord killeth, and maketh alive: he bringeth down to the grave, and bringeth up. Psalm 119:89:* *For ever; O Lord, thy word is settled in heaven. Eccles. 3:1:* *To every thing there is a season, and a time to every purpose under the heaven: Eccles. 3:14:* *I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it: and God doeth it, that men should fear before him. Hosea 9:13-14:* *Ephraim, as I saw Tyrus, is planted in a pleasant place: but Ephraim shall bring forth his children to the murderer. Give them, O Lord: what wilt thou give? give them a miscarrying womb and dry breasts. Revelation 12:14-16:* *And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent. And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.*

CHAPTER EIGHT

CRUSHING
MISCARRIAGES

8

CRUSHING MISCARRIAGES

8

God's perfect will is fruitfulness. The fruit of the womb is His generous gifts to all families. He wants you to be fruitful. His command at the beginning is that we should be fruitful, multiply and populate the earth. When He blesses a couple with the fruit of the womb, the enemy of fruitfulness will attempt programming miscarriages. But the good news is that there is a divine legislation against miscarriages that are sponsored by the kingdom of darkness.

God's decree is in **Exodus 23:26**:

There shall nothing cast their young, nor be barren, in thy land: the number of thy days I will fulfil.

What God has programmed is that right from conception to the time of delivery nothing should temper with or terminate the seed that has been planted by His hand. Any form of miscarriage runs contrary to God's agenda for your life.

The truth is that when there is a conflict between God's programme and demonic machinations, the divine programme will prevail against God's decree. It has been settled eternally that the gates of hell shall not prevail. Miscarriage is one of the manifestations of fruitlessness. The best thing to do is to begin to pray against it.

Prevention, they say, is better than cure. Do not wait for the enemy to attack your pregnancy. Focus your attention on security and immunity. Pray prayers that will

incubate your womb with the fire of the Holy Ghost. You must declare loud and clear that miscarriage is not your lot.

You must crush miscarriage before you are crushed or devastated by it. You must learn how to identify early symptoms of miscarriage.

You must spot the locations from where attacks on your pregnancy are coming. You must become so prayerful as to deflect the arrows of miscarriage. When as a pregnant woman you have dreams of things like palm-oil or blood, there is trouble. When you have dreams of theft-of your seed, it may be an indication that the devil wants to cause miscarriage or probably terminate your pregnancy. When you dream of certain personalities rough-handling you fighting against you or you may be in for miscarriage.

When you dream of someone appearing to to you threatening that you will not be safely delivered of your pregnancy it may be a serious threat. When you dream of being pursued by masquerade or fetish priests, you may risk an impending miscarriage. To keep dark agents away from your pregnancy you need to muster all your spiritual energy and say no to miscarriage or untimely death. This prayer must be said violently, continuously and prophetically. God is set to cancel the agenda of miscarriages in your family.

CHAPTER NINE

O GOD OF
POSSIBILITIES,
ARISE

O GOD OF POSSIBILITIES ARISE

9

There is a season in the life of everyone for asking the God of possibilities to arise. This is a time to pray for uncommon manifestations of divine signs and wonders. Why should a child of God go through life without occurrence of miracles, signs and wonders. Why should those who are called by the name of the Lord spend their lives without experiencing the types of miracles that were very common in the lives of our Pentecostal fathers.

It is God's desire to overshadow and inundated His children with supernatural blessings and miracles. However, for this to happen we are required to pray and ask God to arise and manifest His power.

Ezekiel 36:37 says:

Thus saith the Lord GOD; I will yet for this be enquired of by the house of Israel, to do it for them; I will increase them with men like a flock.

When you ask God to arise, miracles will flow unhindered. When you knock at heaven's door, God will arise and scatter the enemies of your breakthroughs, impossibilities will become possible and hindrances will be dismantled. Problems will be converted to testimonies, hopelessness will disappear and your story will change. The manner with which you handle this prayer programme will determine the way heaven will attend to your situation. There is a mystery behind this prayer programme. When you ask the God of possibilities to arise, no power will be able to erect any stumbling block that will barricade you from possessing your possessions.

Beloved, the type of prayer that will make God to arise must be fervent, persistent and backed up by the power of the Holy Ghost. When the God of possibilities arise doors will open on their own accord, power will change hands and God will demonstrate the fullness of His power in every department of your life.

Do you want a change of situation? Then let your prayers move God to intervene in your situation. Cry passionately before the throne of mercy. Raise a voice against wicked powers in the kingdom of darkness that have bombarded your life with raging impossibilities.

This is your opportunity to prove that although certain things are impossible with men, all things are possible with God.

Matthew 19:26 says:

But Jesus beheld them, and said unto them, With men this is impossible; but with God all things are possible

Your prayers must be aggressive. Your faith must be strong and your plea must be persistent. This is the prayer programme you have been waiting for to move out of the dungeon of impossibility into the realm of divine possibilities. As you pray these prayers like a wounded lion, God shall roar and your miracles shall flow from heaven.

77 PRAYERS TO BRING HONEY INTO YOUR MARRIAGE

11

God specialises in turning worse conditions to pleasant ones. He takes delight in turning hopeless situations around and He has a passion for the family. With His supernatural power He is able to take you as you are, bring His supernatural ability to bear and turn your worse condition into raw material for a glorious condition. If there is one realm where God delights in making this possible, it is in the realm of marriage.

Beloved, there is enough honey in heaven to make every marriage to become delightful and glorious. God can turn the bitterness in your marriage into sweet honey. No matter how many dark spots there are in your marriage, God is ready to build His divine rays of sunlight and make your home heaven on earth. When there is no honey in your marriage, your finances will nose-dive, joy will jump out of the window, peace will become elusive and fulfillment will be difficult to come by. Families that lack honey in their home suffer friction, needs will not be met and satisfaction will be scanty. You need to pray that your marriage will experience days of heaven on earth. There will be abundant honey in your home.

Deuteronomy 11:21 says:

That your days may be multiplied, and the days of your children, in the land which the LORD swore unto your fathers to give them, as the days of heaven upon the earth.

Numbers 14:8 says:

If the LORD delight in us, then he will bring us into this land, and give it us; a land which floweth with milk and honey.

You need these prayers if there is no peace in your life. You need them if your marriage is on the verge of collapse. They are divine life line for rescuing ailing marriages.

DEALING WITH
HIDDEN
BONDAGE

1

DEALING WITH HIDDEN BONDAGE

1

When bondage is concealed, it is quite difficult to deal with it. Whenever the devil wants to perpetuate bondage; he hides it. A lot of people are grappling with secret bondage. There are many ways of dealing with bondage. The nature of a particular bondage determines the method of dealing with it. General methods may not do. You must know how to deal with every form of hidden bondage.

Applying the right method at the right time to specific bondage patterns will enable you to deal with hidden satanic bondage. The power of the Holy Spirit is able to deal with any type of bondage. The Holy Spirit will locate evil strangers and frighten them out of their hidden places.

Psalm 18:45 says:

The strangers shall fade away, and be afraid out of their close places.

When the battle is taken up with uncommon aggression, powers that keep people under bondage secretly will lose their victims. It is unfortunate that a lot of people claim that they are not under any kind of bondage. The truth is that the worst type of bondage is the bondage that is not detected.

Blind victims of terrible bondage often claim that they are not under the bondage of any power. The more you are not able to locate areas of bondage in your life,

the more you allow the devil to dig into your life and conceal terrible bandages. The devil knows that the moment you are able to admit and locate your areas of bondage, you are on your way out of the cage. You must therefore seek knowledge at all costs.

Beloved, there is no harm in praying against bondage. Even if you pray and there is no bondage to deal with you would not have lost anything.

However, if there are hidden places of bondage in your life and you refuse to pray it will be disastrous. The greatest weapon you can use is that of the fire of the Holy Ghost. When you address your foundation by invoking the fire of the Holy Ghost you will locate hidden bandages and deal with them decisively. Besides setting your life on fire through fervent prayers, you can make use of the weapon of continuous bombardment. Some powers may not jump out of their hiding places until they are pounded continuously.

This prayer programme is needed when:

1. You discover that general prayers are not working.
2. Mysterious things are happening in your life.
3. The devil succeeds each time he attacks you.
4. Ancestral problems are legion in your life.
5. The spirit of error is at work.
6. Evil patterns are visible.
7. Satanic agents have consistently made you their targets.

To handle these prayer points you must do the following:

1. Fight ignorance.
2. Be ready to pray until your life becomes too hot for the enemy to handle.
3. Let the fire of the Holy Ghost burn on the altar of your life.
4. Take these prayer points with Holy aggression, be ready to spend enough time on these prayer points until you secure your release.
5. Do not settle for anything less than your total deliverance.

DIVINE MEDICATION

2

This prayer programme will grant you the keys of the mystery of divine healing. It has been declared in the Scripture that God's word is a mighty instrument of healing and health. Therefore, prayer points concerning divine medication will work wonders in your body.

This prayer programme will take you to the theatre of heaven where you will go through a life-changing spiritual treatment. No matter how long you have languished or suffered certain diseases or ailments, when God comes to the scene and gives you a single dose of His divine medication, the result would be awesome.

The best way to handle anything is to take it back to the manufacturer. When handled by the manufacturer everything would be normalised. If you have tried certain prescriptions and you are far from enjoying total health, you need divine medication. God is the Creator of every organ in your body and He alone knows how the organs would function perfectly and your entire body would be wholesome. Human efforts would remain imperfect but when God takes over, His healing virtue would flow through your system and whatever is in the state of disintegration, pain or malfunctioning would receive divine touch and normalcy would return.

A lot of people have not known how to reap all the benefits that can be found in divine medication. One single injection from the Almighty would fill every gap in your body, restore every spent energy, energise every tired nerve, heal any ailing part and restore health in your body. Divine medication is all you need.

There is no injection that can be compared with prayers into your blood streams. When you are fervent in prayers the effect would be visible in your body. Those who pray until their systems are charged by the fire of the Holy Ghost enjoy soundness of health. These prayer points will invite heavenly surgeons into your body to perform divine operations.

The purpose of divine medication is to stimulate the flow of divine healing into your body. When you receive the healing touch of the Almighty, long-standing diseases will vanish, incurable ailments will die, recurrent diseases will be sent packing. A great deal of awesome power resides in divine medication. This prayer programme will take you to the divine hospital where the best medical facilities can be found.

You need these prayer points:

1. You want to enjoy divine health.
2. When you want to kill every germ of sickness.
3. When you want to put an end to constant attacks on your health.
4. When your entire body needs general overhauling.
5. When you need your blood to be sanitised.
6. When there are strange diseases in your body.
7. When there are stubborn health problems that have defied medication.
8. When you are sick and tired of being sick.
9. When you have discovered that your poor health condition can be traced to unseen powers.
10. When you are tired of expending huge financial resources on your poor health.
11. When you need the type of divine touch that will completely transform your health and change your status from a sickler to someone whose health is sound.
12. When you want to be a symbol of divine health.
13. When you want to take a single pill that would heal a number of diseases.
14. When you want to enjoy your health.
15. When you want to defeat the arrow of untimely death
16. When the enemy has subjected your body to a habitation of poor health.
17. When you want to have access to the best health facility that can be found

here on earth.

18. When you want God to bless you with the miracle of divine health
19. When you want to enjoy the benefit of redemption in the area of health

These prayers must be handled fervently, persistently and thoroughly. You must get rid of anything that would not allow divine medication to function in your body. You must charge your foundation by fire. Finally, you must allow God to keep you in His divine theatre until you are completely healed. The healing virtue of God has been made available. CHAPTER FOUR

DIVINE
INTERNAL
SURGERY

DIVINE INTERNAL SURGERY

4

Healing and health are gifts from the Almighty. There is nothing as permanent as divine healing or divine health. When God heals, He heals permanently. As far as heaven is concerned, there is nothing like an incurable disease. God is ready to go to the root of any sickness and wipe it out completely. Jesus' death on the cross of Calvary has fully paid for our healing. Every stripe He received and the blood that oozed out of his body have sealed our healing. You only need to appropriate what God has finished. When Jesus declared "It is finished", reference was made to our total healing and health. Whatever is the source of any sickness plaguing your body, the healing virtue has cancelled it.

God has given you an access to the greatest hospital in the universe. It is the hospital where The Great Physician is the resident doctor. There is no disease He cannot cure, there is no operation he cannot perform, there is no infirmity he cannot cancel. He is able to put an end to any kind of health problem. frightened and jump out of your body. This prayer programme takes you to the operating theatre of the Holy Ghost where doctor Jesus will heal you totally and freely.

CHAPTER FIVE

**BREAKING
INTERNAL
CHAINS**

BREAKING INTERNAL CHAINS

5

Most of life's problems can be traced to the existence of stubborn chains that are tying people down. Those who are tied down in the spiritual realm will always go through intractable and protracted problems. Chainlike problems are generally difficult to handle. It is quite easy to deal with physical and noticeable chains, but hidden internal chains are the worst type of chains to deal with.

Internal chains come from within and are often self-crafted. They often prepare tough platforms for external chains. When the foundation is laid by internal chains, such problems will rope layers of chains round the life of the victim. It is indeed true that the internal thief that beckons the external thief to come in and rob. To deal with external chains you must first address internal chains.

The moment you are done with internal chains, the external ones will break. Chains are instruments of oppression, constructed to put humanity in bondage. However, I have good news for you. Jesus is the bondage breaker. The first place to start with is within. No matter how many times you go through deliverance, bondage will remain part and parcel of you as long as you nurture and harbour internal chains.

The shortest route to the realm of freedom is the route of dealing with internal chains. Internal chains may not appear lofty but the truth is that they are stubborn. When you thoroughly examine the manifestations of internal chains

you will discover that a lot of people go about with invisible internal chains. You need to break the internal chains that you are struggling with. They are secret sins and bad habits. You need to break internal chains when you are responsible for putting external chains in place, when you experience failure at the edge of miracles, when you find yourself building with one hand and destroying with another, when you find it difficult to remove self-imposed barriers, when you are struggling with compulsive negative habits, when you discover that little termites are busy consuming what you have spent years to achieve.

You need to break internal chains when you suddenly discover that there are internal agents that are aiding and abetting satanic external aggression, when you discover that what works for others is not working for you. You should fight the enemies to a standstill and give up every property of his in your possession.

CHAPTER SIX

HOLY
PURGING

6

HOLY PURGING

6

Make these confessions boldly and loudly:

Matthew 3:10: *And now also the axe is laid unto the root of the trees: therefore every tree which bringeth not forth good fruit is hewn down, and cast into the fire. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire.* **Galatians 3:13-14:** *Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree: That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise if the Spirit through faith.* **2 Timothy 4:18:** *And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever. Amen.* **Colossians 1:13:** *Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son.* **Colossians 2:15:** *And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.* **Psalms 56:9:** *When I cry unto thee, then shall mine enemies turn back: this I know; for God is for me.* **Malachai 4:2:** *But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall.* **Col 2:14-15:** *Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross; And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.* **Matthew 8:17:** *That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses.* **Romans**

16:20: *And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen. I John 3:8b:* For this purpose the Son of God was manifested, that he might destroy the works of the devil. **2 Timothy 4:18:** *And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever. Amen.*

Jesus is Lord over my spirit, soul and body, for the word of God tells me that at the name of Jesus every knee shall bow. I can do all things through Christ who strengthens me. The Lord is my shepherd, I shall not want. Jesus has delivered me from the powers of darkness and has translated me into His kingdom. In Jesus I have redemption and forgiveness of sins through His shed blood. Jesus has blotted out the handwriting of ordinances that was against me which was contrary to me, and took it out of the way, nailing it to His cross. I am the body of Christ. I am redeemed from the curse of the law because Jesus bore my physical and spiritual diseases in His body. I have the mind of Christ and I hold the thoughts, feelings and purposes of His heart.

**WINNING
FOUNDATIONAL
WARS**

CHAPTER ONE

POWER AGAINST
ANCESTRAL
POWERS

POWER AGAINST ANCESTRAL POWERS

1

The battle against ancestral powers is a battle that must be fought decisively. Ancestral powers are powers that will not easily release their victims. They derive their strength from a deep knowledge of your family history and thrive on covenants and pledges made by your ancestors. They ensure that their victims are held tight. They bind generations, even unborn children are not beyond their grip. The powers of your father's house and the powers of your mother's house operate with uncommon aggression. Unless you deal with them you may not be able to live your life freely. Their mystery is deep. Whenever foundational covenants are in place there will be manifestations in the lives of members of the lineage at home and abroad.

A lot of people are tied by ancestral padlocks. The fact that idol worship is found in your foundation explains why you are grappling with ancestral bondage. Family idols that existed several years ago still receive their dues in this modern generation. Even when they have been discarded or abandoned, their influence and manifestations are still great. These powers have stolen the virtues of several family members.

You need to take this prayer programme seriously, especially if:

1. Your ancestors were idol worshippers.
2. Your grandparents were fetish priests.
3. Your parents and grandparents were devotees of fetish shrines.

4. Your ancestors were involved with demonic rituals.
5. Your grandparents fought intra-tribal wars.
6. Your ancestors obtained their children from idols.
7. The power of your father's house has been troubling you.
8. Yours parents or grandparents secretly worshipped idols or got involved in fetish practices on your behalf.
9. Your family name has something to do with idol worship.
10. Your family praise names are demonic.
11. Fetish powers have played active roles in your foundation.
12. There are foundational curses in your background.
13. Your ancestors made covenants by pledging their children.
14. You happen to come from a riverine area.
15. You experience mysterious hindrances.
16. You notice an evil pattern in your ancestral line.
17. There are traces of dedication to family idols.
18. There is chronic poverty in your lineage.
19. There are deep mysteries in your family line.
20. Your place of birth or village has remained backward.

These and other symptoms show that you must break ancestral yokes. You must release yourself from any form of umbrella bondage, or the yoke of collective captivity. You need complete deliverance. If you add fasting to your prayers it will be very effective. Do not allow any bondage to remain in place. Pray until you are totally free.

CHAPTER TWO

**ATTACKING
SATANIC
WAREHOUSE**

ATTACKING SATANIC WAREHOUSE

2

Satanic warehouse is the place where wicked weapons of the dark kingdom are kept. More importantly, it is the place where the confiscated blessings of God's children are hidden. In the physical realm the Customs Department seize contrabands and goods for reasons best known to them. The cost of confiscated items: vehicles, gadgets and machinery, etc. that can be found in the warehouse meant for keeping such items will run into billions of Naira.

On the other hand, if God would open your eyes to see what has been confiscated and kept in the satanic warehouse you will be shocked. The wicked satanic warehouse contains confiscated husbands, wives, children, certificates, breakthroughs, promotions, scholarships, overseas travels, contracts, landed properties, houses, appointments, grants, academic success, glorious opportunities, peace, joy, etc.

As long as what belongs to you has been kept in the satanic warehouse, you cannot enjoy the blessings. The satanic warehouse is a wicked abode. It can be described as a habitation of cruelty. There are lots of people who have been destined to possess their possessions, but have been wickedly robbed by terrible powers. You must not allow the enemy to swallow what belongs to you.

If your property has been rotting away in satanic warehouse, now is the time to declare war against the satanic strongholds that have vowed that you will not

enjoy what belongs to you. Do I not allow the enemy to have his way. You must take the battle to his gates. You must invade the satanic warehouse and free what belongs to you. You cannot afford to go to the grave without enjoying what heaven has freely given to you. Powers that have passed your blessings to other hands and eventually locked them up in a fortified wicked warehouse must be challenged and forced to restore what they have stolen.

You need this prayer programme when:

1. Your benefits are denied.
2. Your blessings are seized.
3. Your virtues are stolen.
4. You have experienced the mystery of incomplete projects.
5. You have discovered that you have not been able to possess your possessions.
6. You have achieved nothing in spite of your numerous talents.
7. You have become beggarly instead of being a generous giver.
8. You are struggling with shame and misery.
9. You are constantly a victim of armed robbers.
10. You are not able to receive good when you have paid for them.
11. You constantly have dreams of seeing your properties locked up.
12. Benefits and rights for what belongs to you are given to those who do not deserve them.
13. Wicked powers have sat on your blessings.
14. You labour like an elephant but reap like an ant.

Beloved, you must declare "enough is enough". You must target your prayers against the satanic warehouse and pray until you recover your confiscated blessings.

CHAPTER ONE

DELIVERY
VITAMINS

DELIVERY VITAMINS

1

If there is any time women need divine intervention, it is at the hour of delivery. When the burden of pregnancy is carried for nine months, there is great anticipation for safe and miraculous delivery. Knowing that the hour of delivery is fraught with danger, anxiety and several mishaps, the devil has chosen that hour as the hour of wicked attacks. God knows the importance and the role of delivery that He has given us what I have termed as delivery vitamins. These vitamins, when used properly, will turn delivery to a time of celebration. When you make use of delivery vitamins, you will be likened to the Hebrew women who were delivered of their babies with ease and miraculously. When you make use of these vitamins, you will succeed at frustrating the agenda of witchcraft and demonic powers. Delivery vitamins will make the process of child-bearing safe and without unnecessary pains and attack. The moment of delivery will also be made easy by the power of the Almighty.

Delivery vitamins cover the whole range of conception, pregnancy and safe delivery. If you make use of these vitamins, your husband's seed will produce glorious fruits. As a woman, you will be able to get pregnant with ease, carry the pregnancy full term and experience divine presence during the time of delivery. Many have not known how to make use of the delivery vitamins, hence, there are stories of miscarriages, inability to conceive and tragedies at the time of delivery. These vitamins will perform wonders. You need to make use of it if

CHAPTER TWO

**BRINGING
FORTH VITAMINS**

BRINGING FORTH VITAMINS

2

It is crystal clear that the spiritual determines the physical. When something happens in the physical realm, it has been programmed in the spiritual realm. Conception does not begin the day a woman actually gets pregnant. It begins in the spiritual realm when the journey into pregnancy and delivery is activated spiritually. This is the most important prayer programme every married couple must observe. Since it is the joy of marital union that the home be blessed with glorious children, couples should raise up a prayer altar to enable them to bring forth victoriously. God has given every couple vitamins for bringing forth. When the Bible says, "Be fruitful and multiply", it shows that the divine intention is that every home should be blessed with children. Therefore, you need a full dose of bringing forth vitamins to experience this divine miracle. These vitamins will activate the process of bringing forth good fruits. The vitamins will work in your body spiritually and ensure that there are biological reactions that will give you the fruit of the womb. Every anti-conception will go back to the sender. Problems that are associated with pregnancy will not be your lot. Evil eyes monitoring your pregnancy will suddenly become blind. The yoke of barrenness will break. Whatever has been done in the kingdom of darkness to make you weep in the area of conception will be subjected to a divine summersault. Spirit husbands or spirit children will swallow these vitamins and leave you alone or die.

This prayer programme is meant for:

1. Husbands who are burden for their wives.
2. Women who want to bring forth without any problem.
3. Couple who have been given negative clinical prophesies.
4. Couples who are struggling with infertility or impotency.
5. Couples who have a history of low sperm count.
6. Couples who are being mocked by the enemy.

12. Women who have experienced multiple miscarriages.
13. Women who are disappointed as they suddenly experience blood flow when they thought they were pregnant.
14. Those who have been threatened in their dreams that they would not give birth to children.

You need to take this prayer programme aggressively. Your story must change. Your mockers must be disgraced. Your enemies must bow. Wicked drinkers of blood and eaters of flesh must drink their own blood and eat their own flesh. You must tell evil powers that your pregnancy is not for sale.

CHAPTER THREE

LET MY BONES
RECEIVE
STRENGTH

LET MY BONES RECEIVE STRENGTH

3

More than ever before, we need fire in our bones. We need to take in a great deal of spiritual vitamins in our bones. What you consume is what your body will make use of. A lot of people complain of weakness, tiredness, spiritual attacks and general poor health. It is because such people have not known how to make use of vitamins that will set their entire system on fire. The spiritual aspect of life must not be neglected. When you allow internal weakness, you will experience weakness physically.

This is a prayer programme that must be done regularly. People who go abroad for medical check up will experience better results in their health condition if only they can take this particular prayer programme. What you need to do is to virtually lock yourself up and take these spiritual vitamins like a wounded lion. You need to attack spiritual bacteria, demonic viruses, wicked arrows shot from the kingdom of darkness against your health and every satanic weakness attached to your bones. You must command your bones to receive strength. You must fire prayer arrows against health problems hiding at the foundation of your life and command healing virtues in the blood of Jesus to flow through your entire system, until you experience soundness of health. This prayer programme will be very effective when you make use of it for the following conditions:

1. Weak limbs.
2. Symptoms of paralysis.

3. Weak body organs.
4. Contaminated blood.
5. Attacks by the spirit of death and hell.
6. Satanic sores.
7. Afflictions in the bone marrow.
8. Hearing impairment.
9. Satanically induced ear, nose and throat problems.
10. Spinal cord related ailments.
11. Unexplainable migraine.
12. Attacks on the brain.
13. Weak nervous system.
14. Strange pain in the stomach.
15. Growth in the body.
16. Fibroid.
17. Cancer.
18. Airborne diseases.
19. Pains in the waistline.
20. Ulcer.
21. Partial blindness.

These and other problems require serious handling. You must make use of these prayer vitamins to tackle known or unknown ailments. When you succeed in tackling them, your body will no longer harbour any health problems. From the sickbed, you will bounce back and you will testify to the power that resides in

the blood of Jesus.

37:1-10: *The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones, And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry. And he said unto me, Son of man, can these bones live? And I answered, O Lord GOD, thou knowest. Again he said unto me, Prophecy upon these bones, and say unto them, O ye dry bones, hear the word of the LORD. Thus saith the Lord GOD unto these bones; Behold, I will cause breath to enter into you, and ye shall live: And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD. So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone. And when I beheld, lo, the sinews and the flesh came up upon them, and the skin covered them above: but there was no breath in them. Then said he unto me, Prophecy unto the wind, prophesy, son of man, and say to the wind, Thus saith the Lord GOD; Come from the four winds, O breath, and breathe upon these slain, that they may live. So I prophesied as he commanded me, and the breath came into them, and they lived, and stood up upon their feet, an exceeding great army.*

CHAPTER FIVE

RAPID
MANIFESTATIONS

RAPID MANIFESTATIONS

5

This is a strange prayer programme. It runs for 11 days. If you carry it out, you are on a high risk. You risk fresh testimonies, amazing miracles, signs and wonders and witnessing the burial of your problems and the powers behind them. There is a time for addressing serious problems, a time when you must declare enough is enough. There is a time when you must refuse to let the status quo remain as it is, a time when you must pray until God shakes the heavens and the earth for your sake, a time when you must carry the battle to the gate of your enemy, a time when you must take charge of your situation through aggressive prayers, a time when you must demand total restitution from the enemy and a time when you must possess what belongs to you and arise to fulfil your destiny. This is an uncommon prayer section to observe. It is for serious students in the school of spiritual warfare. Do not start this prayer programme unless you are serious and you are bent on having God's will fulfilled in your life. It is not for men and women who are lazy when they approach the prayer altar.

You need these prayers when:

1. You are tired of what the enemy is doing.
2. You no longer want to be tossed back and forth by the enemy.
3. You are no longer ready to remain history when you are still alive.
4. You want to see and experience the power of God that saves to the uttermost.
5. You want your testimonies to be loud and clear.

6. You want to become a candidate of supernatural surprises.
7. You want your glory to appear by fire.

I plead with you to give this prayer programme all the attention it deserves. Take each prayer points with holy aggression.

CHAPTER EIGHT

HOLY
PURGING

HOLY PURGING

8

One of the greatest problems today is that of spiritual contamination. Unknown to many, they have gathered dust and contamination in the course of their journey on earth. To be wholesome, you must submit yourself for holy purging. When the Holy Spirit is at work in your life, satanic deposits would be located and whatever is not of God will be expelled from your system. Holy purging will get to your evil spiritual deposits and cleanse them. It will relieve you of all manner of inherited bondage. When the fire of God enters your system, witchcraft food or drink will be flushed out. This prayer programme will enable you to get rid of the effect of food poisoning. Many have consumed meals prepared by dark powers in the dream. Night caterers have fed multitudes in the dreams while they slept. These meals must be vomited by fire. You need a form of spiritual cleansing if you must attain the height that God has destined for you.

You need this prayer points when:

1. You want to get rid of satanic food that you have consumed knowingly and unknowingly.
2. You want to get rid of poison deposits in your blood system.
3. You need to nullify the effects of the food you have mistakenly eaten from the table of the devil.
4. You want to sack demonic caterers.
5. You need powers to sack satanic caterers.

6. You want to put an end to the pollution of anointing of God upon your life.
7. You want to nullify the effect of ancestral pollution.
8. You want to release yourself from satanic ancestral umbrellas.
9. You want to become too hot for the enemy to handle.

These prayer points will take you to the realm of victory and separate you from the powers of your father's house. When you are purged, you will experience the unadulterated glory of God in your life.
