

Elusive Visions and feelings of War 4/11/20@6:32AM With Confirmation

Concerning known and unknown illnesses/diseases/plagues.

“I’m troubled Lord, deeply troubled within my spirit for I awoke with elusive visions. Visions of war parading through my head and I know what they are. I sensed, I smelled, I even tasted what they were. I hear the sounds of war including the agonies and pleas, the cries of the many people. Yet I can’t fully see or bring these visions, these pictures into full focus. It’s like a haze over them that’s blurring my vision to what I “think” I need to see but I don’t because the sound of what I am hearing and I even feel is terrible.

The earth is shaking and shaking greatly. Rocking to and fro like you sometimes see a drunken person do and I’m not sure if it’s another earthquake because they are becoming more and more frequent and in unheard of places. The last being in Idaho on March 31 of this year being the magnitude of 6.5. Or was I and am I still feeling and sensing which I believe I am the feel of the earth shaking and rocking from the force of these nuclear weapons hitting upon our world. The force so strong I believe if it were possible could cause the earth to misalign and move off of its axis or foundation. Which I believe if this occurred would cause an abundant increase in seismic activity.

When the time of judgment begins and the earthquakes, natural disasters, and famine, and **diseases known and unknown origins sweep our world this will somehow factor into how all these things are made possible.** So, yes Lord, my mind is troubled this morning. I know that You, You are a great God incapable of failure of any kind. You are the one true living God and Jehovah is Your name. You tell us repeatedly that You cannot lie and Your words are true. I am very grateful and thankful but here is what also has me concerned! I have learned that through our, through man’s freewill, through our choices we make we can cause our paths to change from Your perfect will to one of permissiveness. One You will allow because You choose not to override our own decisions that we make.” “Child, every decision made in the natural is echoed in the spiritual also.”

The Safe Zone Vision 7/17/20 @ 10:59 AM

“and while seeing this I heard Your precious voice God say, “**Did not I say there would be known and unknown diseases** although this one once unknown has now been revealed and even named for what you are witnessing is still this raging Coronavirus but there are still more, much more to come.”

About The Safe Zone Vision 7/20/20 @ 9:19 AM

People will be herded in by the government, by the military because of the nuclear attacks and the invasion I have seen coming and there will be no masks and the closeness of the people shall cause this current Coronavirus, this Covid-19 and these yet to come of known and unknown diseases to spread like fire through all the people.....

A Dream & a Word of Our Collapsing Economy 6/24/22 to 7/1/22

Oh, Jesus, what a dream. A nation in total chaos, while disaster and plagues are hitting us and our world. Illnesses, new and old, were running rampant.

Prayers of the Enemy Dream 1/15/22-1/16/22

I hear them chanting and praying for other diseases known and unknown to break forth and consume all people everywhere, especially in America. One of these other diseases has the name of Marburg. They are asking the demons to spread them upon the wind to the people of my great nation, and then to progress to the other people in our world. Then to contaminate the food and water supplies! This is an assignment against America for the major portion of their chanting prayers so far.

9/7/19 @ 2:42 AM The AntiChrist Dream

Mankind will face the full wrath of nature unleashed upon the earth as she brings forth one destructive storm after another yet while refraining to cast forth her rain amongst many places aiding in the rise of famine, plagues and diseases, plagues that will spread across the face of the earth. Plagues and diseases that are different from those brought forth from man lying with his own kind turning away from the natural use of his body ordained by Father God. Famine will abound sorely across the earth as many of crops continue to fail brought on by disease to crops, lack of rain upon the fields, storms ravaging across the earth and through man's tampering with the genetics of that which I had already made perfect unto man.

I Send Darkness, War & Captivity, 5-8-23 @ 10:10am

I bring forth diseases and plagues of which you have never seen before in your world. Then who will look upon your fallen beauty, O' people of Babylon? Who will lust after one another when all they see is dead, rotting flesh? You will, for sin you have become.

Things coming.....Yet 3-23-23 @ 7:25am

A plague of sickness

Like none have seen before.....

A return of plagues from history....

A time of plagues and pestilence known and unknown

I Crack this World 3-28-23@ 4:01PM

For my little children, I shall fight for you, and with you, but you must be obedient to Me and follow My commands, and that of My Holy Spirit lest you faint in the battle, for many such things I send. Pestilence. **I send plagues of old;**
