Psalm 5:12 *"For thou, Lord, wilt bless the righteous; with favour wilt thou compass him as with a shield".*

1 Samuel 2:7-8: *"The Lord maketh poor, and maketh rich: he bringeth low, and lifteth up. He raiseth up the poor out of the dust, and lifteth up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: for the pillars of the earth are the Lord's and he hath set the world upon them. He will keep the feet of his saints, and the wicked shall be silent in darkness; for by strength shall no man prevail. The adversaries of the Lord shall be broken to pieces; out of heaven shall he thunder upon them: the Lord shall judge the ends of the earth; and he shall give strength unto his king, and exalt the horn of his anointed".*

From these texts, it is clear that promotion belongs to God and comes from Him. The first one shows that we have a part to play: we must be righteous, for God to bless us with favour and His favour upon us will serve as shield from the fiery darts of the enemy. The second text goes further to say that if a person is a servant and in the dunghill, God can lift him or her from that state, to place the person where Princes sit; that is he or she is now on the same level with those that people are looking up to.

If you are a First-born and you are not finding your feet, it means your promotion has been stolen or transferred and you must be ready to pray today. God is able to lift anybody or relegate.

Proverbs 12:2: *"A good man obtaineth favour of the Lord: but a man of wicked devices will He condemn".*

Divine favour is a thing that everyone needs; it can turn around any unfavourable or terrible situation. There is no amount of limitation that divine favour cannot remove. If you read through the Bible, you will find out that through divine favour, many people won battles, many became heroes, slaves became kings, captives became captors, and confirmed failure became successful, all these happened under the oil of favour. I pray that the oil of favour shall fall upon you today in the Name of Jesus. By divine favour beloved, you will win the willingness of God to help, protect, and bless you.

Anyone that is seeking complete victory needs the oil of favour. If you want satanic agents to be under your feet, you need the oil of divine favour. Even in times of temptation, when others are falling and the same powers want to pull you down, or you are already, staggering and are about to fall, divine favour will sustain you. A servant, who has received divine favour, will be treated with honour and respect; that kind of servant will enjoy the privileges of freedom. With the oil of favour on your head, breakthroughs come easily. Divine favour will open the doors that the enemy has closed against you; it will remove the obstacles on the way and make you a celebrity. With the oil of favour on your head, even if you are in a desert situation, it will turn to Paradise. It turns your mountains to lowlands; turns impossibility to possibility and your wish becomes God's command. When you have divine favour, you have the concentrated presence of God that can do all things for you. Without the oil of favour, tragedy can occur instantly and wipe the

person out. I pray that the oil of favour shall come upon you today in the Name of Jesus.

A woman was travelling in a luxurious bus one day and some people wanted to ease themselves and the driver stopped. As they were coming back to their seats, a man told the woman that her old school mate wanted to see her at the back. She wondered who the person could be and hesitated. The man insisted and she obliged. As soon as she got to the back of the bus, they heard a loud noise; it was a trailer that ran into their bus. It was the area where the woman's original seat was that was affected. The person that sat on the seat next to hers can be said to have perished, not just died. Looking back at the situation, the woman could not really say that the man that came to call her was a passenger in the bus. She could not say also, if there was actually an old school mate that wanted to see her.

What that woman enjoyed, was divine favour that moved her from where she was seating, away from tragedy. When divine favour is upon your life, you will command respect; all the efforts of your enemies will come to naught. When divine favour is upon your life, you become a mystery and those around you will wonder. You will become a lamb amongst wolves, which the wolves cannot devour; you will become a spectacle, like grains of corn in a bottle, which the cock can only stare at, but cannot eat. The angels of God will keep watch over you. Divine favour will make you a wonder to your contemporaries.

With divine favour upon you, Balaam could come with seven rams and altars and any kind of thing against you, but will be defeated. With divine favour in your camp, there will always be the shout of the king. With divine favour, God will respect every sound you make and He backs it up. Divine favour will draw a mark around you and the enemy cannot touch it.

The key to an uncommon position, the key to being highly lifted, is divine favour. There are different kinds of oil. There are positive and negative oils. There are oils that will be upon your head and your cup will be filled and it will run over. There is oil that comes upon your head and you become a king, or priest or prophet. If the oil of favour is upon you, you will be the only one that will be singled out for an uncommon promotion. Even if there is only one seat to occupy and there are many candidates, you will be the one that will be chosen. If there is only one contract to be given out it will be you that will be chosen. If there is only one person to be blessed, the person will be you. You will be singled out for good things, you will be distinguished amongst many people and you will stand out of the crowd without being crushed. Favour will announce you wherever you go. It is important for you to pray the prayers I am suggesting below, with all the seriousness that you can gather.

When divine favour is upon you, heavens will open upon you, irrespective of your circumstances. You need to understand how to draw upon the oil of divine favour. When you begin to draw this oil, your destiny will be beautified and God will be glorified and

you will move forward. The key to that promotion that you are seeking, is divine favour; the power of favour, which comes upon you and you will outshine other people; even those who have been on the queue before you.

Proverbs 22: 1 *"A good name is rather to be chosen than great riches, and loving favour rather than silver and gold".*

When you have favour, you do not have to bother about riches; they will come. If you must have uncommon success, you must have divine favour.

After a crusade abroad, a sister that attended got the oil of favour. She is a medical doctor and she applied for a job. She was the only African candidate. Out of the five examiners, only one gave her 95%. The others gave her 98% each. When she started working, she was in the midst of experts; elderly, experienced professors. They would go round the wards together, seeing patients. If there was a decision to be taken concerning a patient, the Professors would put heads together and would arrive at a conclusion. If she had any objection to their decision and suggested something else and they carried it out, the patient gets well faster than expected. Now, any time they go round the wards, even patients look out for her. She has since been promoted. All these happened, because she got the oil of divine favour.

The oil of favour could be stolen. An ordination from birth could be taken away, just as virtues could be transferred. That is why

spiritual warfare is necessary, to possess that which you have lost, to capture back what the enemy has stolen and reposes that which is yours. Many people have never smelt that, which is theirs; the enemy never allowed them to see it, not to talk of possessing it. The prayers you are being asked to pray after reading through this message are prayers that were vomited by the Holy Ghost. I would like you to pray them with boiling anger. If you require fresh oil from the Lord, you shall receive it today in the Name of Jesus. If you desire uncommon promotion, pray them seriously. If you are a First-born and you are not finding your feet, make sure you pray like a mad prophet. The Angels of the Living God will pour upon your head, the anointing oil of favour. You would need to pray like blind Bathemeus, who ran temporarily mad and cried out saying: *"Jesus, Son of David, have mercy on me"*.

People told him to shut up, but he shouted even louder.

A woman went to an Embassy for visa. Many people were turned down and she sat there, waiting. Suddenly, an indigene of that country working there walked up to her and asked her what she wanted. She said she wanted a visa, so that she could go to that country to buy shoes. The man asked if she had money and she said she did not, but that she wanted the visa, whilst trying to gather funds. The man asked her to give him her passport and come back at 2 pm to collect it with the visa on it. That was divine favour. She was singled out of the crowd. Normally, the fact that she did not have money for the business, should have disqualified her, but the oil of favour that made the man ask her questions,

made him not to disqualify her for lack of funds.

This is a serious matter beloved, and I would like you to be serious about it. If hitherto, you have not surrendered your life to the Lord Jesus Christ, I would like you to take the decision to do it right away, right there where you are. You cannot receive the oil of favour from God, if you do not belong to Him. You have to leave the camp of the enemy and turn to the Lord. He is right there where you are and is ready to set you free from your sins and take you up in His arms. All you need do is acknowledge the fact that you are a sinner and that you cannot approach God in your sinful state. Repent of your sins; confess them to the Lord and ask Him to forgive you. Name them one by one, renounce and forsake them, and ask the Lord to cleanse you from all unrighteousness. Renounce the devil and the world of sin. Say bye-bye to them and make sure you do not go back to your vomit.

Open your heart and ask the Lord Jesus to come in. Invite Him into your life and ask Him to come in and become your personal Lord and Saviour. Enthroned Him over your life and ask Him to take absolute control of all that concerns you. Surrender your totality to Him and make Him the Lord of your life. I congratulate you for this decision that you have taken; I pray that it shall be permanent in your life in the Name of Jesus. I pray that your name shall be written in the Book of Life and nothing shall by any means, rub it off in the Name of Jesus. Go and sin no more!
