CHAPTER ONE

THE EVIL LOAD

Matthew 11:28-30 says, "Come unto me (an invitation) all ye that labour and are heavy laden and I will give you rest. Take my yoke upon you and learn of me for I am meek and lowly in heart and ye shall find rest unto your souls. For my yoke is easy and my burden is light."

From these three verses of the scriptures we learn a few lessons:

1. There are people who are labouring under demonic bondage.
2. There are those who are carrying heavy burdens.
3. There are those who have the yoke of the enemy upon their necks.
4. There is only one Person who can break the yoke and remove the burden.
5. When He has finished removing the burden and breaking the yoke, He will give you His own yoke, and place His burden upon you.
6. His own yoke is easy and His own burden is light.

A version of the Bible called, "Good News for Modern Man" puts it this way: "All you who work hard, all you who carry heavy load, come to *me* I will give you rest; do what I tell you, learn what I teach you, I am gentle. I am not proud; lay your heart to rest. What I tell you to do is easy, what I give you to carry is not heavy." Simply put, it says, "Come unto me all you who are tired of carrying heavy load and I will give you rest. The yoke I will give you is easy and the burden I will put upon you is light."

Jesus spoke about heavy load. A lot of people are unconsciously carrying loads on their heads. If God opens your eyes spiritually, you would see all kinds of strange things. Some people in the streets are carrying coffins on their heads; some are carrying rags on their heads. These are the kinds of loads Jesus was talking about; they were not physical loads. Many have yokes upon them but they do not know. The bottom line is this: if you do not carry the load and yoke of Jesus, you will carry the devil's own; there is no neutral position. If you say, "I don't believe in God and I don't believe in

the devil," you will carry the yoke of the devil. It is as simple as that. Anything the enemy places on you would be doing havoc to you. It does not matter whether you are conscious of it or not.

The Bible makes us to understand that a person can carry a load that does not belong to him. It also makes us to understand that evil may be planned for somebody somewhere and one way or another, someone else goes there to carry that evil. The spiritual world operates in such a way that once evil has been determined, it must be carried out. The spirits in charge must perform their functions. Likewise God says, "The word that I speak shall go and prosper in that which I asked it to do; it shall not come back to me void" (Isaiah 55: 11). It is the same thing. So, when evil has been programmed, it must happen to someone.

Isaiah 58: 5-6 says, "Is it such a fast that I have chosen? a day for a man to afflict his soul? Is it to bow down his head as a bulrush, and to spread sackcloth and ashes under him? Wilt thou call this a fast, and an acceptable day to the Lord? Is not this the fast that I have chosen? To loose the bands of wickedness, to undo the heavy burdens, and to let the oppressed go free, and that ye break every yoke?"

The Bible agrees that there are some heavy burdens and with fasting and prayers you can discard them.

Galatians 2:18 says, "If I build again the things which I destroyed, I make myself a transgressor." Everything the Lord has helped to pull down in your life, all the sins of the past that have gone; He says that if you begin to build them again, you make yourself a transgressor. So, a person will carry an evil load once he begins to build up again what the Lord has helped him to destroy. Such a person will become a transgressor.

1 Timothy 5: 22 says, "Lay hands suddenly on no man, neither be partaker of other men's sins. Keep thyself pure," This means that you do not lay hands on somebody anyhow. If you do, you may share the person's problem. There have been cases where people laid hands on people and things were transferred to them. I know a man of God who laid hands on somebody and as he was praying, he noticed that something was entering his own hands from the person's head. He could feel the thing moving like a serpent through his hand. He called the person back, asked him to kneel down again, placed his hand on him again and said, "Go back to your

sender." And the thing went back to its owner. He would have carried an evil load.

Lamentation 5:7 says, "Our fathers have sinned and are not and we have borne their iniquities." That is, a person may be carrying the load of his forefathers, a person may be settling his grandfather's bill; a person can carry a load that does not belong to him. Habakkuk 2: 6 says, "Shall not all these take up a parable against him, and a taunting proverb against him, and say, Woe to him that increaseth that which is not his! How long? And to him that ladeth himself with thick clay!"

So, it is possible for a person to be going about with other people's load without knowing.

CHAPTER TWO

HOW TO ACQUIRE EVIL PROPERTY

- a. You can buy it: Some people buy their bondage and put it on.
- b. You can borrow it: Some people borrow bondage and put it on.
- c. You can steal it: People steal bondage and put it on.
- d. You can inherit it: People inherit bondage and put it on.
- e. It can come to a person as a gift: People get a lot of evil free gifts and through them trouble starts. It is exactly the same thing in the spiritual world.

Psalm 91: 5-6 says, "Thou shalt not be afraid for the terror by night nor for the arrow that flieth by day, nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday."

It means that the devil throws trouble around. A person may refuse or may decide to partake in it. It is unfortunate to know that there are many people who are carrying evil loads that do not belong to them.

Sometime ago, at a crusade, we were praying one prayer point that says, "Any owner of evil load, carry your load, in the name of Jesus." There was a 39-year old sister there who had never experienced her menstrual period. She went to the back and started praying seriously. All of a sudden, God opened her eyes and she saw a big bundle of load by her side, and there was an angel standing there talking to a short old woman. The angel said, "Carry your load," and the woman said, "No!" By this time the temper of the angel was rising. He said, "I say, carry your load." The woman said, "But I am dead." The angel said, "Come, I am going to say this one more time and I do not intent to repeat myself. I did not ask you whether you are alive or dead, what I said is, carry your load." Reluctantly, the woman picked up the load and walked away. By the time the prayer ended, blood was already dripping down the legs of the sister. She was carrying an evil load.

EVIL STRATEGIES THROUGH WHICH PEOPLE CARRY EVIL LOAD

People carry the evil load that does not belong to them through some technics of the enemy. What are these technics?

1. Bad confession: Immediately you say, "I am sick," you have signed a package. The devil is a bad postmaster; he will put the stamps on the person. Twelve people were sent to spy the Promised Land. Ten came back with a bad report. Look at what the Lord says in Numbers 14:28: "Say unto them, as truly as I live saith the Lord, as ye have spoken in mine ears, so will I do to you." Those people said they were like grasshoppers and God said, "Okay, that is what you said with your mouth; this load does not belong to you but since you said you want it, you shall carry it."

Once a person begins to say, "I shall not die but live to declare the works of God," he remains alive. But the moment you begin to carry a paper saying, "This is the song we are going to sing during the burial ceremony, this is the person that will render a special number," you have signed your package. The load will now belong to you legally and satan can now enforce the load on you. It is very sad that a lot of people kill themselves everyday and accept evil loads with their mouths.

2. Provoking God: Another way that the enemy gives people evil loads is by instigating them to provoke the angels of God.

Matthew 18:10 says, "Take heed that ye despise not one of these little ones; for I say unto you, that their angels do always behold the face of my Father which is in heaven." So, we all have guardian angels. But then, angels can be provoked.

Exodus 23:20-21 says, "Behold I send an angel before thee, to keep thee in the way, and to bring thee into the place which I have prepared. Beware of him, and obey his voice, provoke him not; for he will not pardon your transgressions: for my name is in him." The Lord said they should not provoke the angels. Those of them above 20 years old died in the wilderness; they provoked the angels.

Lot's wife provoked the angels. Zechariah the father of John the Baptist provoked the angels. The angel said, "Thus says the Lord," and Zechariah

said, "No, it is not possible." Gabriel then stopped Zechariah from speaking in doubt. God did not send him to make Zechariah dumb but the angel said, "Okay, you shall become dumb until these things come to pass." So Zechariah carried a load that did not belong to him. It would be better for many people to be dumb for three or four weeks while working on important projects so that they do not destroy the projects with their own mouths.

Once you provoke your angel, he will deal with you. An angel can cause a disease or death depending on how much you provoke him. Angels are not human beings and do not have to forgive anybody anything. When you go to where angels do not want you to go, you provoke them to deal with you. Zechariah carried the load of dumbness, which did not belong to him.

3. Foolish curiosity: Another way that people can carry a load that does not belong to them is what I call 'foolish curiosity.' Just like the Philistines in the Bible; they were curious to see what was inside the ark of the Lord and they paid dearly for it. Believers should not stand around watching magicians in the streets. Believers should not stand around watching juju (charm) hawkers to find out what they are saying. Many people get into trouble by wanting to try this, and wanting to try that. Many people follow their friends to herbalists not because they want to consult the herbalists. They just want to stand by to see what would happen. Sometimes, the herbalists turn to them and begin to prophesy evil to them.

4. Fighting alone when you know you have little power: People can pick up evil load by fighting alone when they know that they have little power. There is a time to take over and there is a time to take cover. Moses wanted to take over when he was supposed to take cover and we saw what happened to him. You should not follow anybody to shrines of idols or to swear before idols. Christians do not follow people to necromancers. Christians do not go to watch worldly films at public theatres.

The New Testament does not teach us to be going about visiting prophets. As godly as Abraham was, when he went down to Egypt, he had problems. So, when you go to the wrong place, you will have problems. There are some people who are fond of roaming about the houses of all sorts of prophets, and they collect evil arrows all over. Those who are fond of roaming around should be very careful so that they do not carry the load

that they are not supposed to have. People, who are fond of roaming about their hometowns when they do not have adequate power, carry unwanted load. Some people rush to their hometowns at any small thing, when they do not have power.

5. Evil friends: People pick up evil luggage by following evil friends. The Bible says that evil communication corrupts good manners. Many people are in trouble today because of the friends they keep. If your childhood friend is not born again, you should severely limit that kind of friendship. Many ladies are living a confused life now because of their friends. Friends have let them into bondage and they cannot find these friends any more. Any close friendship with a child of the devil will make you to carry evil load.

Sometime ago, a certain woman noticed that her friend was becoming very rich. She was buying cars and was prosperous. She went to the friend and asked her to show her the way to become rich too. She took her to one herbalist somewhere who did something for her and asked her to put it under her seat in her shop in order to have good patronage. She took the thing and did as she was told. The first day, she made very good sales. She was amazed and she rejoiced, but by the time she got home that first day, she found her son rolling on the floor. He was saying, "Mummy, I am dying. Some thing is pulling my throat." The woman began to cry. Her friend who took her to the herbalist came, and finding the boy on the floor and the mother crying, she said, "Ah, why are you crying? Don't cry. This is the price to pay for what you want. Did you not notice that when I did my own, my first son died? So, what is the problem? This one has to go if you want money. You still have two more, let this one go and enjoy your life." The woman said, "No" and asked her friend to take her back to the herbalist. When she got there, she told the herbalist that she was no longer interested. The herbalist got angry and said, "But I asked you if your friend told you the price." She said, "She did not tell me." The man asked her to bring certain things so that he would reverse what he did. This cost her all the money she made on the first day. When you follow evil friends, you get into serious trouble. Many unwanted loads are pursuing people all over the place.

6. Dreams: Many unwanted loads are transferred through dreams. People get fed with all kinds of food in the dream and when they wake up, trouble starts.

7. By chance: People can pick up unwanted load accidentally. They unknowingly walk into the trap of the enemy and problem begins to happen.

A long time ago, a certain lady was going to fetch water and met some men who asked her to kindly tell them where they could find the National Stadium and she described it to them. They said, "Oh, you are a wonderful girl, bring your palm and let us read it for you." She gave them her palm and they made the sign of the cross on it, and asked her to turn it upside down and when she did, she saw the mark at the back of her hand. From that moment she got carried away and these men raped her, took her home and instructed her to give them all her mother's property. It was after she had given them the last item that she came to her senses. She had to go through very serious deliverance.

8. By Inheritance: A person can pick up unwanted luggage by inheritance. The heaviest burden that many people carry is most times inherited.

CHAPTER THREE

EXCESS LOAD

WHAT IS A BURDEN?

A burden is a load. A burden can be a job or a duty. It can be a punishment or an inconvenience. A certain old woman was going somewhere with a heavy load on her head. Eventually, somebody drove past her in a Jeep and decided to give her a lift. The woman entered into the back seat of the Jeep and the driver took off. The man had gone a few kilometers before he looked back and found that the woman was sitting quite alright on her seat but the load was still on her head. So, he said, "Mama, put the load down." She said, "Thank you my son. I thought you gave me a lift and not the load." She did not understand. There existed in her what we can call an "internal excess baggage."

Excess load is a load you are not supposed to carry. Things are never easy for anyone carrying an excess load. A person may be normal until a load comes on his head. The load may change the person from his or her normal self. I cannot help laughing sometimes when somebody comes to me and says, "Since the time I got married, they have been monitoring my life. They have been controlling my life. I can't do what I want, things are tough now." What happened to that person is that a new load came upon his or her head and that is trying to change him or her.

The Almighty God knows that a lot of people will carry evil load. He knows that many people will carry excess luggage and baggage. Therefore, He was careful to put the following two verses for us in the Bible:

Psalm 55: 22: "Cast thy burden upon the Lord, and he shall sustain thee: he shall never suffer the righteous to be moved."

That scripture does not say "Cast your burden upon your husbands, or upon yours pastors, but upon the Lord and He shall sustain thee. But if you refuse to hand your burden over to Him then do not blame the Lord for looking at you and doing nothing. Every man, one way or the other, will locate his own load or the load will locate him. So, you have to cast it down.

A certain man cried to the Lord and said, "Lord, this cross that I am carrying is too heavy for me, please change it." He prayed hard and that night, he had a dream where he saw Jesus, who said, "Son, you want to change your load? You want to change your cross? He said, "Yes." Jesus asked him to follow Him and He took him to a very beautiful room. In the room were all kinds of crosses, small, big, nice, well polished, etc. The man who was excited said, "Why am I carrying this when there are all kinds of beautiful crosses around?" He put his own down in a corner and started trying other ones. He saw a nice little one, which was well polished and carried it. Although it looked small when he carried it, he realized that it was heavy. He expressed surprise at the weight and dropped it. Then he tried another one that looked like the size of his own but found that it was very heavy. He tried different ones and after sometime he found one, lifted it and said, "Lord, this one is better. Let me go away with this one." The Lord said, "Are you sure this is the one you want?" He said, "Yes." And before he went out, The Lord said, "Wait, that one you took is the one you dropped." Every man will locate his own load or his load will locate him. That is why the Bible says, "Comparing themselves by themselves they are not wise" (2 Corinthians 10:12). Sometimes, you hear somebody say, "I wish I were like so and so person." If he or she knows what the person is going through, he or she will be praising God.

1 Peter 5:7 says, "Casting all your care upon him; for he careth for you."

This scripture does not say, "Casting some," it says, "all upon Him for He cares for you." It is therefore very sad when a person is carrying a load and he or she is not aware.

A certain preacher was preaching in the market place and people gathered and were listening to him. Suddenly, a man dressed a three-piece suit came and everybody greeted him with a lot of respect. They said, "Ah, doctor, how are you? You are welcome. You too want to listen to the preacher?" He said yes. After sometime, the preacher said, "Before I pray for you, do you have any question? The man in three-piece suit put up his hand and said, "Yes preacher, you have been talking about heavy load, but I don't feel any heaviness on my head. I am not carrying any heavy load, so what do you mean by heavy load?" And the preacher said, "Sir, if you put a bucket of water on the head of a dead man, will he feel it?" The man said, "No of

course because he is dead." The preacher said, "You are dead. So, your position is so bad that you cannot even feel it. There is a load on your head. All sinners are like that dead man."

The issue of evil load is so serious that the Bible takes time to tell us the solution. A load is anything, person, or experience from the past or present that hinders your walk with the Lord. Many believers carry heavy load everyday and this heavy load ranges from experiences from childhood, broken relationships, experiences and issues that people are not willing to talk about. It is something that people prefer to keep buried in the past. It is something over which you have no control. Loads can be issues you do not even want to think about.

The Bible says in Isaiah 10: 27: "It shall come to pass on that day that the burden shall be taken away from off thy shoulder and the yoke from off thy neck. And the yoke shall be destroyed because of the anointing."

So, the issue of burdens and yokes is so serious that you need the anointing to deal with them. The Bible specifically tells us that the anointing of the Holy Ghost is needed to destroy them. In that verse also we see the simplest definition of anointing. You can define anointing as the burden-removing and the yoke-destroying power of God. It is interesting that the first time anointing would be described in the Bible; it makes reference to yokes and burdens. It is therefore a serious matter.

CHAPTER FOUR

THE EFFECTS OF EVIL LOAD

Evil loads are placed mainly on the head, the symbol of destiny. An evil spiritual load compresses the destiny of a person. It slows down a destiny. It weighs down a destiny. It weakens the destiny.

These are some of the bad effects of an evil load. If God opens the eyes of many people and they are able to see the spiritual state of a lot of people moving around the street, many will become intercessors forever. You will see some people carrying coffins, big fishes, and sometimes big baskets but the people carrying them do not see what they are carrying. A load puts one's destiny under tension. It suffocates the destiny. It stretches the destiny and creates inconveniences for the destiny.

An evil load is sometimes placed on the shoulder, which is the symbol of dignity. It compresses the dignity of a person, it stresses and inconveniences it.

It is sometimes placed on the back which is the symbol of strength. It puts it under tension and stretches it.

A load is sometimes placed on the hand which is the symbol of work. It compresses one's work. So, a load is burdensome, troublesome and oppressive.

All the things we can suffer or enjoy are spiritual entities in the spirit world. Spiritually, they are very real. This is why deliverance is very important. Deliverance is a way of shedding evil loads that the enemy has put in place to prevent the movement of God's power into people's lives. The power of God cannot come upon the life of a person who is carrying a load on his head, until that load is completely destroyed.

In Matthew 10:12-13, Jesus gave His disciples a very interesting command. It says, "And when you go into a household, greet it. If the household is worthy, let your peace come upon it. But if it be not worthy, let your peace return to you."

A man of God can release blessing and can also withdraw it. A man of God can ordain a pastor and can also withdraw the ordination. A man of God can pray anointing into a situation and he can also withdraw it. He can give you a certificate and can also withdraw the certificate spiritually. All these things are spiritual things. Jesus told His disciples that when they say, "Peace be upon you," the peace as an entity would rest upon the people, but if there is nobody there who is qualified for it, the peace will go back. This is why it is possible to transfer an evil load. Some people go to herbalists and witchdoctors who ask them to buy sponge so that they can wash away evil loads from their heads, and as they are washing away the load, they are also washing away their miracles and virtues, which they later transfer to other people. Eventually, they end up with nothing. Ignorance is a terrible thing.

Ezekiel 8:7-12 says, "And he brought me to the door of the court; and when I looked, behold a hole in the wall. Then said he unto me, Son of man, dig now in the wall: and when I had digged in the wall, behold a door. And he said unto me, Go in, and behold the wicked abominations that they do here. So I went in and saw; and behold every form of creeping things, and abominable beasts, and all the idols of the house of Israel, pourtrayed upon the wall round about. And there stood before them seventy men of the ancients of the house of Israel, and in the midst of them stood Jaazaniah the son of Shaphan, with every man his censer in his hand; and a thick cloud of incense went up. Then said he unto me, Son of man, hast thou seen what the ancients of the house of Israel do in the dark, every man in the chambers of his imagery? for they say, The Lord seeth us not; the Lord hath forsaken the earth."

This little description of what the prophet of God was allowed to see in the secret places is a film show of witchcraft powers. What are the powers that specialize in preparing heavy loads? They are witchcraft powers. They prepare unconscious loads, put them on people, cause trouble for them, paralyze their lives, and slow them down.

WHAT IS WITCHCRAFT?

It is the use of evil powers to subdue other people and to carry out evil activities. It is accessing power from below, that is using weapons in satanic

armoury to attack others, and many people are under this bondage every day. They go about with heavy loads on their heads.

CHAPTER FIVE

CANDIDATES OF EVIL LOADS

Let us look at the symptoms or signs that show that there is a heavy load on a life and such a person needs the anointing to break free.

1 If you are being tormented by intelligent forces. What do I mean by intelligent forces? They are the powers that will not follow you to church because they know that it will be a disaster if they come. They wait for you to get home, and then they start. The day you decide to go for deliverance, it would seem as if all the problems have disappeared, so you relax and they come back.

2 If you discover that you are being denied your rightful place in life, you need to bombard every load of the enemy with holy anger.

3 If you find that you are pursued by unrepentant and household enemies, then know that you have a load to deal with.

4 If you find that you are experiencing unexplainable marital turbulence, there is a load to fire off.

5 If you notice an "almost there" anointing, then you *need* to fight seriously against the load of the enemy.

6 If you find that you are being bombarded by sicknesses that defy medicine, then you need to strike immediately.

7 If you discover that since you started living in a particular house for 10 years or more, you have made no progress. Instead of progress, there is demotion, you need to pray against evil loads.

8 If you have been having terrible and frightening witchcraft dreams, it is a sign that there is a load somewhere you need to shed off.

9 If you have been facing unexplainable financial embarrassment, you need to pray against evil loads.

10 If you notice that you are spiritually stagnant, you need to shed off that which is slowing down your spiritual life. Or if you have seen visions of rapture where other people around you went up but you could not fly, it means there is a load pressing you down.

When there is a load of the world in your life, buried down here; you will not be able to move up. That which is making you to sleep when you are reading your Bible is a load, and you must shed it off.

11 If you notice an attack by devourers; they are devouring your money, property and everything, then you have a load to deal with.

12 If you find constant hindrance to your breakthrough, then you have a load to shed.

13 If you know that you are talented but useless; you know that God has deposited a lot of things in, your life, but one way or the other you are getting old and these things are dying with you, you need to pray hard against evil loads.

14 If you find that your helpers are disappearing or unwilling, then you have a load on your head to shed off.

15 If you are experiencing chain problems, as one goes, another comes, it is a sign that there is a load somewhere that you need to deal with. There is an excess baggage somewhere.

16 If you find that you always have to fight hard before you get anything useful done then you have a load to shed.

17 If you know that you have children or spouse, who are alive but it is like they are unavailable, it is a load. There are so many old men and women suffering in the streets of Nigeria, whose children are very rich abroad, but some people have told the children that their parents are witches and wizards. So, they are enjoying while their parents are suffering. People in this kind of situation need to shed the load of darkness.

18 If you find that you always occupy the wrong positions, then you need to shed off some load.

19 If you find that your promotion is being denied or delayed, you need to shed off some loads.

20 If you notice untimely death in your family, you need to pray hard. It is a load that has to be shed.

Sometime ago, a boy of 17 came to me and said that he needed counselling. He asked me where he could get a coffin to buy and I asked him what he wanted to do with a coffin. He said that his father just died. I told him to get his uncles and other members of his family to do that and he

said that he was the only one left, that everybody was dead. So, I had to ask our church to help him. The whole family was dead and he was the only one remaining. That family had an evil load that needed to go.

21 If you notice that you are running a desert business. That is a business that is not profitable despite the hard work you put into it, you need to shed the heavy load.

22 If you notice that you have an unexplainable high debt; then you need to shed off some load.

23 If you find that your prayer life is paralytic and your spiritual eyes are blind, you need to pray hard against evil loads.

24 If you notice a mark of hatred; people just hate you for no reason, you need to do something about it because it is a sign that you are carrying an evil load.

Jesus says, "Come unto me all ye that labour and are heavy laden, and I will give you rest." It means that without the removal of the yokes and the burdens, there is no rest. This is why you find a lot of restlessness around. All over the place, you see people rushing. There is a lot of hustle and bustle. But we know that out of those rushing; only a few percentage make something out of the rush.

CHAPTER SIX

WAY OUT

1. Come unto Jesus.
2. Cast your load at His feet and leave it there. You cannot have the load on your head and at the same time at His feet. It has to be somewhere. When you take your problem to the specialist and then you are trying to manipulate it yourself, you will end up with more trouble.
3. Confess your sins to the Lord.
4. Command the satanic burdens to be removed, in the name of Jesus.
5. Declare war against the load of darkness, and the powers that make people to carry the load they are not supposed to carry.
6. Ask the owners of the loads to carry their loads.
7. Pray that the angels of God should enforce the instructions.
8. Pray that whatsoever the enemy has destroyed in your life before you found Christ should be repaired.

Many people are under very heavy burdens. Some see the burden, while some do not. Some understand it while some do not. How can somebody who has a boiling pot on his or her head fulfill his or her destiny? Likewise, somebody who has a mortar on the head and they are pounding something inside it cannot fulfill his or her divine destiny. You must pray aggressively for owners of evil load to carry their loads.

PRAYER POINTS

1. Angelic firing squad, shoot my evil load, in the name of Jesus.
2. Every owner of evil load, carry your load by fire, in the name of Jesus.
3. Every internal evil-load, die, in the name of Jesus.
