

## **Dream Vision of the Great Pearl & Black Suitcase 12-7-24 @ 6:13 AM Shared 12-8-24**

I was dreaming and woke up to see this dream now as a vision. I see, I see a giant round, solid pearl in the air. It's a white pearl. It's hovering over a flat map of our world spread out flat on some type of table or floor. I cannot see what it is because my eyes are focused on the suspended pearl floating, non-moving above this map of our world.

Now suddenly it darts downward and begins changing its shape as it hits the world map. It now has taken on the shape of a nation. I am now looking down at the world map that has covered what I now see. It covers the land of Ukraine.

Now large red digital letters appear upon the white stretched out pearl that has now formed into the shape of Ukraine. It says, "6:59."

"A pearl harbor attack. This is a pearl harbor attack, a surprise attack like that of pearl harbor for our world. There's 2 pearl harbor attacks being spoken about Jesus Christ. America's Pearl Harbor moment is an invasion which includes preliminary attacks. A surprise invasion is coming after Putin's first nuclear strike on us."

I still see the pearl shaped nation of Ukraine. It still reads 6:59 but now a mushroom cloud has appeared approximately at the northern midway point of this nation. Now it's gone.

I see, I see a black suitcase. One of the 12 black suitcases of the original 8 that's hidden in America. (Now there's only 10 that will detonate from past words.) It's suspended in the air. The handle is in the upright position as if being held but I see no hand holding it. I see it from the side edge. The small end. Now it's being turned to where I can see the large wider side of it. There in the same bold digital red number is 7:01 displayed on it.

"Jesus Christ, it's interconnected. It's just sitting in the air in front of my eyes. I recall in the Black King Rises word from November 6 of 2022. That when December 7th was first mentioned it was while world events were being warned of. Like China, Taiwan and the black king himself rising. It was at the end of this same word when it mentions for America the invasion of our country would be the Pearl Harbor-like surprise attack. You knew Jesus Christ that most would assume it would be an actual attack on Pearl Harbor itself. But You were meaning these attacks in their "surprise" elements. The Pearl Harbor attack surprised and shocked the whole world. This is why You have used it in these dreams and visions. They're unexpected and a surprise." "Yes daughter they are, and yes that's what I meant."

(So we're talking actually about 2 Pearl Harbor type attacks meaning surprise attacks that shock the world. We have whenever Ukraine gets hit with a nuclear weapon. Then we have the invasion which starts with nuclear attacks, then the invasion of America.)

I still see the black suitcase before my eyes with the numbers 7:01. One aspect of this is that these numbers I'm beginning to understand refers to the closeness of these two events. Putin's nuclear strike on Ukraine and the now only 10 hidden rogue nuclear devices in America in Your timeline to give me an understanding." "Not quite daughter like that." "Also in the Black King Rises word, Jesus Christ You said at the firs, "another," "Another Pearl Harbor attack it will be, on 7th of December."

Another means more than one but also one like before. You weren't identifying this date either." "no, I was not daughter,"

"Also You said in the Black King Rises word, "Hawaii is about to go under daughter. Your Pearl Harbor moment is the invasion of your nation." This identified for America our Pearl Harbor moment meaning, surprise attack for our land will be the coming invasion by Putin and other nations."

"Also Ukraine struck, the hidden suitcases, the auroras and darkness, plus the rapture are all one major event in Your eyes Jesus Christ. (These are the suddenlies, the 4 chain link suddenlies Jesus Christ talked about prior.) So when Ukraine is struck it's the same or is the start of the suitcase nukes going off. It's the start for the aurora's and the darkness. Am I understanding this Jesus Christ my love, 100% correct in the information I have today?" "Yes, yes, yes My daughter, yes you do." (Another note I had written. All these things happen before the "7" ends. (from past words) What is the 7? The completion before the Great Day of the Lord of wrath.) All these things happen before the 7 ends. So at 6:59, it is the start point of these. There's gongs in each hour. For example 12 has 12 strikes or gongs for midnight and 7 has 7 gongs. These things transpire in Your timeline meaning the 7:01 is for me as Big Mike said recently." "Yes, daughter, yes it is."

### **The Black King Rises 11-26-22@7:06 PM**

This word came from my lovely Jesus after deep prayer.

Riots in China.... Smokescreen for real activities of Xi Jinping-----Taiwan

No Christmas Day celebration on the 25th of December.

Black king rises from pits of the abyss.

Another Pearl Harbor attack it will be, on 7th of December.

**\*\*\* on 7th of December is the correct wording. It is not supposed to be on “the: 7th of December.**

**This is pointing out to the 7th of something in a sequence of things in December. It can be since 11-26-22 when this word came forth or for the month alone this is to occur in. The video release is very clear in the wording of this sentence.\*\*\*\*\* Also the prior helpers had typed this word and spacing incorrect in several places. The video is being read as it was received and is correct.\*\*\***

### **Pearl Harbor Vision 11-3-23**

While driving back to Alabama from Tennessee a vision appeared before my eyes. It was as if the sky rolled apart. It was only a few short moments but I saw a lot in this short time. I saw a harbor that was made of pearls. Pearls adorned it in large sizes. It was built out of round pearls. I saw colorful confetti began falling from the sky. So, I looked up to see where it was originating from. Fireworks! It looked like exploding fireworks. Then next I heard a voice yell, “Surprise!” Like one would do at a surprise birthday party. But then as the different colored confetti begin hitting the nearby buildings, ships and the harbor made of pearls, each piece began exploding like bombs. Explosions were occurring everywhere. Then just as suddenly it appeared it was gone as if it had never appeared in the sky. I looked down at the van’s digital clock and it read 6:59.

The dream mentioned about Hawaii being attacked but there’s no mention of a Pearl Harbor attack in the dream itself. It’s titled, **“So it Begins Dream 9-25-22@4:06 PM.”**
