

## RELEASE FROM DESTRUCTIVE COVENANTS

D.K. Olukoya Prayer Rain Book

Isa. 49:24-26

To break evil covenants.

For freedom from both conscious and unconscious evil covenants.

A covenant is an agreement between two or more parties to get certain things done on conditional terms. It is legally binding on the parties involved. Any covenant made in the physical is as strong as the one made in the spiritual. A lot of christians are swimming in the sea of the problems caused by unknown evil covenants they entered into to at the time of ignorance. The blood of Jesus, the never failing weapon, can deliver and set free, even, the lawful captive.

Hosea 4:6: "My people are destroyed for lack of knowledge."

As in the court of law ignorance is not an excuse, so it is not in the spiritual realm. If there is an evil covenant in place, it is binding until something serious is done to break it. How do people get into covenants? It could be through parents or by one's personal choice. Some breakthroughs will refuse to materialize until hidden destructive covenants are broken. There are numerous signs to know if hidden covenants are in place.

For example, fear at times is an evidence that there is a hidden covenant somewhere. Also, hearing strange voices, constant harassment in the dream, late marriages and unstable homes, uncontrollable anger, etc.

How do you get out of hidden covenants? The first step is repentance. You need to repent from whatever sins you have committed consciously or unconsciously. The second thing to do is to renounce all those evil things you have ever done. The third thing is to revoke and cancel the past covenants, in the name of Jesus and bind the spirits in charge of the evil covenants. Lastly, replace the covenants with Abraham's blessings.

Thanks to God for the victory of the cross (Gal. 3:13,14). Jesus has paid with His blood the price to be. These prayer points are designed to help you do all these.
