

The Pearl Harbor Moment of Past Words 12-2-24@2:15 PM

No year has been given for this word so please try, test, discern and pray about this in Jesus Christ's Name as the Word of God instructs all His children to do in 1 Thessalonians 5:21 & 1 John 4:1. God bless. Stay under the Blood of Jesus Christ always. Vicmki Goforth Parnell

Daughter..... Hear me.

No more delays, I move on Putin to fire.

Even with all the warnings, even with ALL the warnings, all the warnings your people have still failed to repent. Did you not see how they boast?

“Putin is trembling in fear.

Putin is not going to move.

Putin is not much of a man.”

PUTIN IS A MONSTER AND THEY DON'T KNOW IT.

Within him lies the antichrist spirit. He will fire on Ukraine. He will burn it down and what's left will go into captivity to him. He is part of this end plan. He must reacquire the land that belonged to Gog.

But daughter, daughter Ukraine is wicked, it's evil. The insides..... It's like a cancerous sickness with all the corrupt filth, the blackmail, the money laundering, the lies, the trafficking..... I see it all.

Everybody is expecting “Oreshnik.” I say, “Satan comes to Ukraine and it will level Kyiv.”

Hear me now daughter the questions you seek, you've been thinking about Pearl harbor I say now, "Your Pearl harbor attack that you are looking for is of a nuclear sort."

Yes, Hawaii will be attacked.

Yes, Hawaii will be in the invasion.

Yes, Hawaii will have parts of its Islands taken.

Yes, yes, yes.

But the Pearl Harbor moment is a surprise attack like that a Pearl harbor from the enemy. But daughter, your enemies lie within your own government..... and without.

What you are feeling is that feeling of dread. That feeling of this is going to happen even though you wanted it to come to pass, you don't want it to come to pass. Because you've seen what nuclear war looks like. You've seen the burning flesh as it drips from the bodies. It must be daughter, it must be.

Your nation will not celebrate another New Year daughter. You'll be in war that leads to captivity. And I hear your question. Is war going to be a strike on NATO which causes the US to be in war with Russia? Yes and no. Yes there will be strikes and attacks with NATO and Russia. But no daughter, Putin with fire. He will fire his nuclear weapon.

And I hear you say, "How is that possible when Taiwan has not even been invaded, the darkness has not come?" The suddenlies daughter, the suddenlies. The suddenlies daughter, it's going to happen so fast no one will have time to breathe hardly. And I warned them all. I warned My people. I warned My children. I warned the unsaved through My children. So what happens is by your own choice.

Tell My children to get ready to leave because I'm getting ready to come. And I have said this over and over and many are getting lax because I keep warning that I'm on My way. Daughter, I am literally on my way.

I'm commanding the darkness to come to be for 3 days.

I'm commanding Putin to fire.

I'm commanding all these things to happen..... the suitcase nukes. So I can come for My beloved children.

Now warn My people it's time for this to happen. While they all just wiped their mouths from their fat dinners Putin was waiting for this opportune time.

And that's how He ended the Word.

Note: when Jesus Christ mentioned that I was wanting it to come to pass but I didn't he was referring to where I want his bride to leave, for him to come get my brothers and sisters in Jesus Christ and get them out of all the sinful world but I don't want all the war and bad things that must come even though I know they have to or the end times to be fulfilled.

Pearl Harbor Vision 11-3-23

While driving back to Alabama from Tennessee a vision appeared before my eyes. It was as if the sky rolled apart. It was only a few short moments but I saw a lot in this short time. I saw a harbor that was made of pearls. Pearls adorned it in large sizes. It was built out of round pearls. I saw colorful confetti began falling from the sky. So, I looked up to see where it was originating from. Fireworks! It looked like exploding fireworks. Then next I heard a voice yell, “Surprise!” Like one would do at a surprise birthday party. But then as the different colored confetti began hitting the nearby buildings, ships and the harbor made of pearls each piece began exploding like bombs. Explosions were occurring everywhere. Then just as suddenly it appeared it was gone as if it had never appeared in the sky. I looked down at the van’s digital clock and it read 6:59.
