

It's time for Rachel to Weep for Her Children 11-14-23 @ 8:44am.

This word came forth 11-14-23@ 8:44 a.m. and this is 11-14- 23.

Matthew 2:18 In Rama was there a voice heard, lamentation, and weeping, and great mourning, Rachel weeping for her children, and would not be comforted, because they are not.

I keep hearing this morning it's time for Rachel to weep. It's time for Rachel to weep. Also this same phrase over the last few days... over a week. Is there something further you would like to say Father God? Jesus Christ is there something you would like to say? If not I can just sit here in your holy presence and spend time with you. (I would recommend everybody doing that.)

Come little daughter I have much to say today. The time of Rachel's weeping has come. Rachel shall weep for her soon to be removed children. Rachel weeps! Rachel shall weep as my children of days of old weeped for their children.

Sin is the cause, little daughter. Sin will always be the cause of judgment's hand that falls. Judgment is sent because only in trials, hardships and desperation will my people, those I have created, those who possess a savable soul given by me, will they turn back from their evil wicked ways in true repentance of heart. In which I will lovingly forgive them, all who will come.

Rachel weeps! Rachel shall weep for her children as I have warned, yet many because it did not happen immediately when I issued the first, the second, the many warnings of what is to come are still not prepared. Never seeming to remember or realize that out of love for my people that I have created I sent these warnings in advance of the event to give you time to pray, to repent and to prepare your hearts of all that is to come and has come already.

Get your eyes off of the holiday seasons and back onto me your God and Savior. Only I can save you. Only I, Jesus Christ can fulfill you in every way so that should you still be here when all these things come you have me to lean on. You'll have my strength, My love, My hope and promises to you through it all.

Rachel shall weep! The time of Rachel's weeping is upon your nation and world little daughter. I have heard enough of the cries of the innocent ones as they cry out for help, cry out in pain, terrified by the assaults upon their little bodies before their lives are brutally taken as sacrifices to Lucifer and his kingdom of darkness. I have heard too many cries of anguish from the unborn babies as they're being torn to pieces while still alive. Because their arrival in their world was inconvenient to the mother or the father's timing in many cases. I hold them! I hold them everyone, cradling them in my loving hands as they breathe their last breath. Then I carry them to my Heaven.

Sin is a cause, yes it is, but one sins by choice. Man has been given the gift of free will. The right to choose what course of action they wish to take. I do not control man's free will or it would not be free. Each person, you choose yourself to sin or not to by each choice you make. I have warned of my impending judgments O' world. Did you repent? Did you choose to repent? For most... no, you did not! You chose to stay in your filth. To abide in the stench of it.

Sin decays! Sin destroys. It's not only your mortal bodies that show sin's effects but your soul is spiritually decaying. Meaning the effects of sin will cause your Eternal Soul to be spent in an eternity of gruesome torture of burning fire and it will be your choice. I have told you, warned you the consequences of a life of unrepentant sin. This is it! I will send you to hell and in the Lake of Fire at judgment's day but it will be by the choices you have chosen to make!

The time of Rachel's weeping is upon you. The time of Darkness, the time for war, the time of chaos. Where are your hearts at in me? I have warned you in advance that Rachel shall weep for her children. The removal of the innocent children and those like minded as I have forewarned. Those of a Godly seed and not the seed of the enemy.

Rachel shall weep as I sweep across your world with my holy Angels and remove those children and likeminded who do not have a true understanding yet of what is good or what's evil. Then the enemy can use their own evil seed for their evil plans. I'm taking those who are created as I have created man in heaven with a living breathing soul with me.

So, celebrate O' world, celebrate your seasons of Thanksgiving, Christmas, New Years, your Epiphany, Lent and all your traditions that have been construed as honorable and holy, but your hearts are far from both.

But you may very well find yourself doing so without your children, in the dark, with bombs dropping for some and so many vanishing without a trace. Why? Because you control your free will. I control all that remains. You're not promised tomorrow.

My return is imminent. Father God assures me it's my time. I'm coming for my children. Children of my own who serve and love me. Who have cast aside the man-made doctrines and claims of who I am supposed to be by their determination to get into my holy word. And now have a true intimate relationship with me and now realize I'm not only a God of love but of absolute power who's returning for them.

Not all the words I speak have to be in the order that I've spoken but know all these things come. The time of Rachel's weeping though is upon you. It is here! Rachel weeps! Rachel weeps! Are you prepared O' world for Rachel's weeping? The time of Rachel's weeping is now!

Repent, repent now! Repent! The time to repent is now! Repent of your sins now while you still can. Repent, I say repent!

I see the secret hidden things in your heart and lives. I see those little sins as you call them that you feel will not keep you from coming with me when I return. Repent! Repent now for they will leave you here when I return for they are sin! Now is the time to clean yourselves up by asking me to forgive all your sins. This is for all people, those unsaved and those of mine with sin in their lives, hidden from others but not for me.

This is my love in action. The this is my mercy and my grace extended. This time still given for you to repent and get your garments clean before me. My blood is enough to wash even the vilest sinner in your eyes clean. Now is the time to repent.

Rachel weeps! The time of Rachel's weeping is here upon you. Are you ready? Are you truly ready for all that is to come including my return? Now is the time to decide! Now is the allotted moment set aside for you to make your choice. Choose now! Make your choice while my arms are still open wide to usher you into my kingdom, because once my door of Grace is shut and all who are mine have come, all you will hear from me as righteous Judge will be, "Depart from me for I never knew you!" Repent, I say, repent!

I ask that you please pray about all these things. Again I'm not saying you take my word. I'm saying you lay this before God Almighty and you ask him his intentions and his truth. We do not know his ways. No, but he says you ask. Jeremiah 33:3 says it all. Call unto me and I will answer thee and show thee great and mighty things that thou knowest not.
