# THE TERRIBLE NATURE OF IGNORANCE

## WHAT IS IGNORANCE?

- Ignorance is lack of knowledge.
- Ignorance is being destitute of knowledge.
- Ignorance is to be unlearned.
- Ignorance is to be unaware.
- Ignorance is to be uninformed.
- Ignorance is the greatest enemy of man.
- Ignorance is the mother of personal destruction.
- Ignorance is voluntary misfortune.
- Ignorance is the mother of suspicion.
- Ignorance is the night of the mind.
- Ignorance is the root of misfortune.

Every man's mountain is his mountain of ignorance.

Most religions are an arrangements and classifications of ignorance.

The greatest enemy of knowledge is ignorance. Knowledge is power and it will forever govern ignorance. The greatest slaves are those who cannot learn and relearn.

Your knowledge is based on what you have learnt. What you have learnt is not all, there are more to learn. Your attitude to problems is based on your level of knowledge.

All tragedies of human experience are due to ignorance. Our degree of ignorance will determine how the enemy will gain on us, prey on us and defraud us.

Problems cannot be solved on the same level of awareness that created them.

There are many who are smart but not wise. Education does not bring wisdom. A person can spend the whole of his life learning the wrong things.

What is education? Education is progressive discovery of our own ignorance. Real education is to know the extent of your ignorance.

Age is not wisdom. A person can be an expert in ignorance. A person can also learn everything about nothing.

Fear is a product of ignorance.

When one is at the mercy of ignorance, it will control such a life.

It is worse to be ignorant of your own ignorance.

Ignorance costs more than education.

Experimentation is an admission of ignorance.

Ignorance is never out of style. It was in fashion yesterday, it is the rage of today, and it will set the pace of tomorrow.

The highest form of ignorance is when you reject something you do not know anything about.

The most tragic ignorance is ignorance about your self, that is, ignorance about your destiny.

It is better to be unborn than untaught.

There is nothing more foolish than ignorance in action.

Sincere ignorance "equals gross stupidity.

Ignorance therefore, is the root of most problems. That is, when there is no understanding of the root of the problem.

# FIVE KINDS OF LEARNERS

We are all learners, but who is the right learner?

- **Those who are aware.** That is, merely recognising the presence or existence of something but unable to recall, interpret or utilize the information.
- **Those who are aware and can recall.** They can recall information but lack the ability to understand or to interpret the meaning.
- **Those who understand.** That is developing insights into the uses and meanings of that which was learnt and being able to interpret what was learnt.
- **Those who are convinced.** Such have developed attitudes and commitments regarding that which was learnt.
- **Those who can apply knowledge.** This is the right learner. They develop skills in using that which has been learnt.

It is important to pray that the Lord would make us profitable learners and upgrade our understanding faculty.

# FIVE KINDS OF IGNORANCE

- **Ignorance of not knowing.** This person just does not know. He has never known. He has never had opportunity to know.
- **Ignorance of inadequate information.** That is, believing that you know when you do not know. A person thinks he has all the necessary information, when, as a matter of fact, he does not have enough information to reach a valid conclusion.
- **Ignorance of misunderstood knowledge.** This person has the knowledge but he does not put the knowledge together correctly. He uses incorrect concepts to put knowledge together.
- **Ignorance of wrong expectations.** Right information but wrong expectation. Before Jesus was born, Israel had correct information but wrong expectation.
- **Ignorance of specialisation.** That is, only concentrating on specific aspects.

# SEVERE SPIRITUAL IMPLICATIONS OF DENYING THAT A CHRISTIAN COULD BE DEMONIZED

It is important to know that false teachings can create a chain of problems that may have terrible consequences. The erroneous and unscriptural position that believers cannot have demons has caused untold hardship. The following is a partial list of the pitfalls associated with taking such a position:

1. The old sinful nature becomes the 'whipping boy' and the middle ground between God and the demons.
2. All problems are thought to be due to the 'lack of surrender'.
3. People are left open to be snared into cults by evil angels.
4. All inherited characteristics are thought to be unchangeable.
5. Personality quirks and characteristics are thought to be unchangeable.
6. Makes us unable to break the bondage on another person's will.
7. Mental health programmes which teach that problems are the result of heredity, are supported.
8. Demons are given legal ground to stay when a person sits under teachings that deny a Christian can have a demon.
9. Demonic lies about oppression, possession, etc, are perpetuated.
10. Reinforces spiritual pride which keeps leaders from re-examining their teachings and correcting errors.

# STEPS TO PERSONAL DELIVERANCE

## ***Step ONE***

Start by praise worship. You can sing songs to praise God or take a worship song.

## ***Step TWO***

Confess out loud scriptures promising deliverance. Let us run through a few of them: Luke 10:19, Ephesians 1:7, Romans 16:20, Revelation 12:11, Colossians 2:14,15, Galatians 3:13,14, Psalm 91:3. 2 Tim. 4:18.

## ***Step THREE***

Break covenants and curses to destroy their legal hold. You pray a simple prayer: I break any curse against me or I break any covenant against me. Simple prayer, much result.

## ***Step FOUR***

Bind all the spirits associated with those covenants and curses like this: I bind all the spirits attached or connected to the curses and covenants I have just broken in the name of Jesus.

## ***Step FIVE***

Lay one hand on your head and the other on your stomach or navel and begin to pray like this: Holy Ghost Fire, burn from the top of my head to the sole of my feet. Begin to mention every organ of your body; your kidney, liver, intestine, blood *etc.* You must not rush at this level, because the fire will actually come and you may start feeling the heat.

## ***Step SIX***

You begin to saturate yourself with the blood of Jesus. You say: Blood of Jesus, enter into my spirit, soul and body. Next you say: I drink the blood of Jesus.

## ***Step SEVEN***

It is now that you are able to demand firmly in the name of the Lord Jesus Christ that any spirit that is not of God should leave you. You demand it forcefully. It is done like this: In the name of the Lord Jesus Christ, I come against all you hidden spirits and I bind your activities in my life. You can no longer hide below the surface because I now recognize what you have been doing; release me! in the name of Jesus. If sickness is the problem, address it and say you spirit of infirmity, I speak to you directly, get out of my life now! I am redeemed by the blood of Jesus Christ, come out and go now! Go out with every breath. By the power of the Holy Spirit, I prevail over you.

At this point, you stop talking; open your mouth and nose and begin to breath in and out. Take about three to seven deep breaths, and expel them forcefully through your mouth and nose. You may be surprised that strange things begin to happen. Repeat this stage again and again; issue the command, and expel by breathing.

## ***Step EIGHT***

When you have finished the expulsion stage, you ask for a fresh in-filling of the Holy Spirit and close the session with praises.

When you are attacked in your dream, rise up and go through the stages I have already mentioned. It keeps you from getting sick; it removes every evil seed of the enemy; it charges your body with fire. It uproots evil plantations and builds up your confidence.

Every night before you go to bed, you must remember these three important prayer points. The Bible says: For I, saith the Lord, will be unto her a wall of fire round about, and will be the glory in the midst of her" (Rev. 2:5).

Pray for the walls of fire to surround you. Pray for the blood of Jesus to be upon you. Also pray that the angels of God should surround you. No matter how sleepy you are, make sure you pray these three prayer points nightly.

# MANIFESTATIONS DURING DELIVERANCE

Various manifestations take place during deliverance. Some of these can be very mild and others very wild. The mildness or wildness of the manifestations do not indicate the effectiveness of deliverance or lack of it. Whether you just yawn away your demons gently or you roar like a monster and get violent, it is the same - the demons go out!

I have observed some manifestations during deliverance. Some of these are:

## ***SERPENTINE***

- The tongue darts about in and out rapidly, like that of snake.
- The eyes take on the lustre, slowness and coldness resembling snake's eyes.
- The victim blows air, making hissing sound exactly like the snake's.
- The body writhes on the ground like that of the snake.

## ***HANDS***

Wiggles, clenches, or may grow numb and sometimes shake. Fingers get very stiff and elongated. Note that the demons that cause these are often the demons of witchcraft, suicide, murder and lust.

## ***FACE***

May be twisted or distorted and may show much wrath, anger, defiance, pride or disdain or any other negative emotion.

## ***PAINS***

Cramps, nausea, may be felt at various parts of the body during the operation but they usually disappear as deliverance progresses or at the end of the deliverance.

## ***SWAYING***

Swaying of the hips, gyrating of the hips, or sexual motions may occur as you are casting out the demons of lust or adultery or dancing.

## ***BAD ODOUR***

This may be produced by the patient as deliverance progresses. It may be familiar or unfamiliar odour. It lingers for a time and then disappears.

## ***DEATH***

Demons may manifest and cause the patient to "die". If you are a novice in the ministry of deliverance, this may scare you, but you need not be. What you should do at this instance is to get into the spirit realm, recognize your highly exalted position in Christ, (Ephesians 2:6), act from the unfailing position of your royal priesthood, (I Peter 2:9), command life to come back and then bind and cast out the spirit of death.

When you see the eye lids hang open, the eye balls rolled up into the head, the body stiff and retired and motionless, the limbs hanging loose and drooping, know that the spirit of death is around and is manifesting.

## ***VIOLENCE***

This may manifest itself with the patient kicking, jumping, bawling, fighting, struggling, and resisting attempts to calm the patient down. It has been known in field experience that one frail, little woman defied the

strength of two strong men and a woman trying to hold her down when she was operating under the influence of extra-natural strength. Be careful NOT to hurt the patient nor yourself.

## ***PRIDE***

This may show itself by standing stiff like an army officer saluting the flag. There may be other starchy manners too.

## ***SPEAKING IN TONGUES***

False tongues may be witnessed by the deliverance worker. He or she may hear the victim speaking loudly or softly in other tongues. When this occurs, command the demons to shut up. Often, this is an attempt by the demons to curse you the deliverance minister or worker and render you ineffective spiritually, or mentally.

This is why some people fall into grievous sins, errors, damages, sickness or troubles after ministering deliverance to others. What to do therefore is to command the demons speaking in tongues to shut up and then you reverse the curse to them, you send the curse back to them, even as the Scripture suggests in Psalm 109:17.

## ***THREATS***

These are known to have come from various demons. Some demons are talkative. They talk a lot during deliverance, using the victim's voice at will, even if not at the victim's will. Often, the demons speak defiantly and threatening:

- To kill their victim if you insist on deliverance;
- To come back after being cast out;
- To undo the deliverance worker;

- To reveal to or tell everybody the particulars of deliverance worker's past sins to make him or her the laughing stock of the public.

Note that all these are empty threats and the demons don't really carry them out. Besides their much talking is satan's strategy (2 Corinthians 2:11) to (a) Side-track you from the deliverance, (b) Tell you lies to confuse you and (c) delay the deliverance and also (d) see if you will fear their threat of exposing your past sins to everybody and then agree to reach a compromise with them, he call off the battle, draw up a cease fire agreement and then get into peace talks with them.

# HOW DEMONS LEAVE

Since demons are evil spirits and nobody can see a spirit like air, there have to be some indication by which you can know that demons are escaping.

Each time a demon is commanded to get out. it usually goes out through the nose or mouth.

Occasionally, it may go out through the eyes or via any of the human orifices. Here are some signs:

## ***Through the Mouth***

- Crying
- Roaring
- Loud shout
- Shrieking
- Yawning
- Vomiting
- Coughing
- Laughing
- Gagging
- Chocking

- Chuckling
- Drooling
- Spiriting
- Sighing
- Belching
- Groaning
- Frothing
- Moaning

### ***Through the Nose***

- Deep Noisy Breath - Exhalation
- Sneezing
- Blowing the nose as in sinusitis or nasal drainage
- Spontaneous quozing of phlegm from the victim.

### ***Through the Eyes***

- Tears

### ***Others***

- Sweat in profusion
- Gas - Effluvium
- Excreta

- Terrible odour
- Profuse urination
