DEDICATION

This book, **Prayer Passport To Crush Oppression**, is dedicated to late Apostle Joseph Ayodele Babalola, a minister of God, who minister of God, who understood the power of prayer. He was a man mightily used by God to ignite the fire of the first Christian revival in this country, in the nineteen thirties.

Brother J. A. and his team of aggressive prayer warriors entered forbidden forests, silenced demons that demanded worship and paralysed deeply-rooted, anti-gospel activities. Sometimes, beginning from the highest places, they openly disgraced satanic agents, emptied hospitals by the healing power of the Lord Jesus Christ, rendered witchdoctors jobless, and they started the first indigenous Holy-Ghost filled church in Nigeria. So far - and we stand to be corrected - none has equalled, let alone surpassed this humble brother in the field of aggressive evangelism in this country.

INTRODUCTION

Prayer is a gift to you and a privilege. The gift is offered to all and all may become the wielders of the great power of prayer. However, the fact remains that the power of prayer is least exercised by the average believer. You will do well to learn the art of warfare prayer. The present temperature of the prayer of many Christians needs to rise if they expect serious breakthroughs.

The prayer points in this book are targeted at certain needs so that as you pray, you will not be beating the air.

This is how to use this book

1. Locate your area of need by looking at the table of contents.
2. Select appropriate scriptures promising you what you desire. Meditate on them and let them sink into your spirit.
3. Go about the prayers in any of the following ways as you are led by the Holy Spirit:
 - a. Three days vigil, i.e. praying from 10:00 P.M. to 5:00 A.M. three-consecutive nights.
 - b. Three days fast (breaking daily), i.e. praying at intervals and breaking the fast at 6.00 P.M. or 9:00 P.M. daily.
 - c. Seven days vigil, i.e. from 10:00 P.M. to 5:00 A.M. seven consecutive nights.
 - d. Seven days fast (breaking daily), i.e. praying at intervals and breaking the fast at 6:00 P.M. or 9:00.P.M. daily.
 - e. Three or more days of dry fast, i.e. praying and fasting three or more days without any food or drink.
4. Pray aggressively.

NOTE

Spend part of the vigil or fast praying in the Spirit - Praying in the Spirit is an ability to pray in tongues as given utterance by the Holy Spirit. To pray in the Spirit, you must have been baptised in the Holy Ghost (not water baptism) - 1 Cor. 14:15.

You will be victorious in Jesus' name.

THE ANALYSIS OF OPPRESSION

What does it mean to be oppressed?

1. **To be oppressed means to be put under subjection by a force stronger than you are.**
2. **It means to be tortured by certain forces that are beyond your control.**

Oppression is not only experienced physically, it could be psychological, financial, marital, educational and most importantly spiritual. For a person to be under oppression physically, the oppression must have been planted spiritually. Nothing can come into manifestation unless it has been accomplished in the spirit.

Oppression is a state of captivity in which you rely on your enemy for survival. It is the foundation for difficulties, frustrations, hardships and unbearable sufferings. For an individual to be oppressed, he must have fulfilled certain criteria consciously or unconsciously. An oppressed fellow might be completely unaware of his state until trouble starts.

Psalm 42:9: I will say unto God my rock, Why hast thou forgotten me?
why go I mourning because of the oppression of the enemy?

These questions form the basis of what I am want you to attempt to answer them sincerely, as you read on.

No matter what form, shape or manner it taka, oppression is always from the camp of the enemy.

Isaiah 54:14: In righteousness shalt thou be established: thou shalt be

far from oppression; for thou shalt not fear and from terror; for it shall not come near thee.

As Christians and children of the Most High God, oppression is meant to be far from us. This is God's plan and purpose for our lives. However, it is not automatic that it works in our lives. It depends on the individual.

Eccl. 7:7: Surely oppression maketh wise man mad; and a gift destroyeth the heart.

From this verse, one can deduce that a man can only lay claim to wisdom when he is not oppressed. When oppression comes upon a man, he becomes another creature. He cannot regulate or control his affairs anymore because a power stronger than him is now in place. He really needs the mercy of God.

Acts of the Apostles 10:38: How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil.

In this verse, we are introduced to the power that can break the backbone of oppression. It is the Holy Ghost and the power of God. We can also notice that when a fellow has been under the power of oppression, he needs healing.

Many of us look and feel quite happy with ourselves. We are not quarreling with anybody or at war with any force. But when oppression sets in, our countenance changes and a kind of force takes control of our lives. As a result, many of us cannot explain the mystery we find ourselves in. When oppression comes upon a person, it introduces, an evil load upon him. And because of the heavy load that has been introduced, the person who used to be good becomes bad all of a sudden.

What does it mean to oppress?

To oppress means to weigh down. It also means to sit upon a person. To oppress means to cruelly exercise power over a person.

It could also mean to cause a person to be depressed. "Surely," the Bible says, "oppression maketh a wise man mad."

To be oppressed means to be under a very hard yoke and a heavy burden. Jesus Christ says, "Come unto me all you whose yokes are hard and your burdens are heavy and I will give you rest. For my yoke is easy and my burden is light."

Jesus recognized the implication of a yoke or burden in our lives. Like God the Father, Jesus gives each and everyone free will to choose whom to serve. But you must realize that we shall all reap what we sow in this world.

One of our brothers, who found a lady he wanted to marry, claimed he loved her with the whole of his heart and that she was God's choice for him. Things began to happen quickly over the marriage.

Oppression makes the yoke hard and the load heavy

Each time he wanted to sleep, he would dream that the lady dressed like a man. He got confused and told her not to come to his house anymore. The next morning, the first person to come to him was the lady. She told him that he had entered into her and she had entered into him, so his glory was now in her hands. He sent her away, but when he got to the office that morning, he saw a letter waiting for him. He was ordered to submit his car and his house to his employers, and to tender a letter of resignation immediately.

He went home to console himself, but on getting there, he noticed that thieves had come and stolen everything in the house, including the refrigerator. He ran back to the lady and said that he had made a slip of tongue. She forgave him and in less than a week, those who sacked him came back, apologized and reinstated him. This fellow died of oppression three years ago. The yoke he chose was too hard for him.

Oppression makes the yoke hard and the load heavy. The bible says Christ's yoke is easy and His burden is light. What does it still mean to be oppressed? It is for a wicked spirit to sit on someone's shoulder,

consistently harassing the person. It is sad but true that over 90 per cent of church-goers or so-called Christians suffer from one form of oppression or the other. You may deceive yourself by saying it is a lie but I know what I am talking about. Even in places where they shout and pray against the devil, if you are not free from doing his will, you are in deeper oppression compared to the unbelievers. The devil will deceive the unbeliever into committing sin for which he will get his reward, but the devil will torture you for praying against him and still doing his will.

Oppression is a terrible thing. It is a form of slavery.

Oppression is usually the first point of attack of the enemy. Most cases reported in the hospitals, either early or late, are usually cases of oppression.

15 KINDS OF OPPRESSION

There are 15 different kinds of oppression. I want you to read them carefully so you can realise their consequences and appreciate the need for you to be free from their captivity.

1. BODILY OPPRESSION

You just find out that something is not right with your body. You do not feel the way you should feel. There is something oppressing your body.

One of the greatest deliverance cases I have ever seen in my life was the one of a fellow who used to be very bright. All of a sudden, he became very dull. When the number of students in the class was 30, his position was the last and when they became 36, he took the 36th position. The teachers were confused. Nobody knew that there could be a padlock in the head of a person. As they laid hands on him on the deliverance ground, he coughed out a padlock. Right from that day, he moved again from 36th position to the 1st position.

"Every padlock of witchcraft locking my virtue, die, in the name of Jesus."

2. PHYSICAL OPPRESSION

3. MENTAL OPPRESSION

4. SPIRITUAL OPPRESSION

Many people are under these categories of oppression. The devil has limited the anointing upon their lives and they are now confused about what is happening to them.

5. MARITAL OPPRESSION

Many marriages are of convenience. Many couples are suffering day and night. I went to visit a couple and the hair of the madam was wet with water. She greeted me well, smiling at me, instead of telling me the truth that her husband had just put her head into a water closet and flushed it, and that he was still there, getting ready to beat her up. This is a case of marital oppression.

Now let me say that it is not only the man that oppresses the woman. Women now know how to oppress fellow women, and how to oppress and deal ruthlessly with men. I have seen a man trying to go out and the woman said if he stepped out of the door, hunger would kill him. He quickly went back because it was only the woman that was working.

Oppression has been programmed by the devil into an institution like marriage whose founder and chief proprietor is God Himself. This is very sad.

6. FINANCIAL OPPRESSION

7. CAREER OPPRESSION

Those who know about the university system of know that before one can move from one level to the other, one is asked to publish papers that would meet international standards and be reckoned with around the world. Some lecturers write as if they want to die, yet their works are not recognized. This man spent days and nights writing but they were not seen as materials. This is a situation where effort is not used to measure achievement.

8. DREAM OPPRESSION

Instead of people or Christians to fulfil the scripture that "The young shall dream dreams and the old shall see visions," every night is another battle ground of war with forces that are stronger than they are. Some situations have got so serious that those concerned attempt not to sleep at night so as to avoid being fed or battered in the dream. Some see dead relatives, others experience terrible nightmares.

9. VERBAL OPPRESSION

Verbal oppression is a case where the tongue becomes a snare to the whole body. Although a small member of the body, the tongue can set the whole world ablaze. As lifeless as it may seem, the tongue is tougher and stronger than a gun or a sword. It is a weapon, which when not controlled, could cause mass destruction. With it we bless, with it we curse; with it we give life, with it we take life.

10. EMOTIONAL OPPRESSION

Is a state when you notice that most of the time, for inconsequential and unnecessary issues, you just feel sad and downcast. You can't explain why or what happened. You just know that something keeps telling you that all is not well.

11. WITCHCRAFT OPPRESSION

Has become as common as bread and butter. In those days, witches were ashamed and used to hide their identity and association. But today, they have become as important as the united Nations, as some people have become dependent on them for their existence and survival. This may sound strange but it has continued to wax stronger and stronger as many Christians have given room to modernism and liberty to enjoy the pleasures or ordinances of the world.

12. INHERITED OPPRESSION

Inherited oppression is transferred from parents to children. The bible says that curses which are issued on some people are carried onto their third and fourth generation. You may not have offended anyone; you may not have done anything wrong but for the mere fact that you belong to a certain lineage or kindred, certain forces have been put in place before you were born to oppress you, except you are delivered by the mercy of God.

13. FORCED OPPRESSION

Those who experience forced oppression, like those who are oppressed unconsciously can do nothing about it. They fight by the means they know, yet they remain oppressed. Many of such people are Christians. For them to be saved, they need to pray specific and targeted prayers that will locate the unprotected forehead of their oppressors.

14. UNCONSCIOUS OPPRESSION

15. CONSCIOUS OPPRESSION

When oppression goes beyond tolerance, madness results. That is why the bible says, "Surely oppression maketh a wise man mad." Oppression is a destroyer and a maddening power. Oppression has an imprisonment power. It has a dominating and demoting power. It has a burdening and yoke power. It is not the normal function of oppression to kill a person. It will just keep the person unsettle, uncomfortable and depressed. It can be likened to a parasite.

They say that a good parasite does not kill the host. But a bad parasite like cancer will kill its host and have nothing to eat again, Like a tapeworm that stays inside the tummy, it waits for you to eat and digest your food. It only begins to operate when the individual is trying to absorb the nutrients into the body. Oppression is a terrible satanic spirit. It sometimes come upon a person and the person would say he feels like a breeze coming upon him. It can be compared to when you're trying to sleep and suddenly feel like a deep freezer is plugged to your bed, and the cold runs through your body,

and then goes away.

The spirit of oppression has done an unquantifiable amount of havoc to men and women. Oppression is the center forward player in the enemy's football team. If it gets in, other more terrible spirits would move in. There is no amount of work you will do that will prevent some people from getting into conscious oppression with their eyes wide open. Some of the victims don't just know what to do. The devil has so bamboozled them that they believe there is no way out.

Oppression is a masquerading spirit that comes in different forms

Oppression is a demon assigned by the devil to trap and to cage. Once it is dispatched against you, you must fight it to a standstill with all your strength, and heart. It causes heavy and antagonistic feeling in the body, soul and spirit. Like a virus in a computer system, it will prepare a person for a total and permanent shut-down.

Oppression can originate in early childhood

Oppression is a masquerading spirit that comes in different forms. It can enter into the life of an individual through all kinds of avenues. Anytime you no longer know whether to follow God or the devil, you are being oppressed. If you are always at the cross-roads in your spiritual life, not knowing if you should hold on to Jesus or go back to the world, you're being oppressed.

Oppression is particularly stubborn. When you find a particular sin holding a person captive, then it is oppression. When you see someone who, in spite of praying hard, his instrument of sin is in his pocket, he is under oppression.

In 1994 after a message on 'Brokenness,' a minister of God from another church came to see me. Immediately he entered my office he broke down, cried and said I should help him. He was a pastor, who kept cigarettes in his pocket. Even after the sermon on brokenness, he still kept his cigars. He was under oppression.

Oppression can originate in early childhood. Many spoiled their kids by oppressing them at a very young age. So, oppression can become a major factor in shaping a child's life.

Oppression presses you down when you are struggling to succeed.

Oppression is when you are going from one disappointment to the other. It is a mind destroyer. It has no respect for persons or races. Oppression is when your sleep is being disturbed or when you over-sleep.

Oppression is when you have an abnormal appetite; when you eat too much or eat too little.

Oppression is when a person is so upset with life that he refuses to go out or he wants to end it all.

Oppression is when you refuse to forgive yourself.

Oppression brings a spirit of worthlessness with it. All forms of addictions are oppressions. It starts from small things like tobacco, snuff, drinks and cigarettes.

Oppression can cause fear in the mind of a person.

Oppression can remove a person from those that will help him so that the enemy can have unmolested control over him. It is when satan becomes an authoritative figure in a person's life. It is when problems are packaged neatly for the future. This means that many people are just bombs walking around and getting ready to explode.

Oppression is spiritual weight. It is known for its ability to make a person stray from his divine destination. It is progressive insanity.

Unfortunately, at times, relevant prayers are not employed to make amend to what oppression has destroyed.

If you notice that you are being tormented by wicked oppressive spirits, then you are under oppression. Is the enemy attacking every area of your life? You should know you are suffering from multiple oppression. Do you notice that you are spiritually stagnant? Do you notice uncomfortable financial embarrassment? Do you discover that your helpers are running away? Is your marriage a cat and mouse marriage?

Do you notice that all those evil family patterns are happening to you one after the other? Are all other members of your family doing very well, but you seem to be the only one not doing well? If yes, then you must know that there is oppression on ground.

How Do We Break The Backbone of Oppression

SALVATION

You must give your life to Jesus so that through the baptism and anointing of the Holy Spirit, shackles of oppression can be destroyed completely. God first loved us and gave His only begotten Son to die for us. We need not remain under any form of oppression.

THROUGH THE WORD OF GOD

The Bible says the word of God is like a hammer that breaks rocks into pieces. When we renew our minds with the word of God, bondage must be broken, no matter how old they are; no matter who put them there or where they came from. I expect anyone who wants to be immune to oppression to know, at least, 52 memory verses.

GENUINE BAPTISM OF THE HOLY SPIRIT

At one of the Prayer Rain meetings, I shared a testimony about a woman with a very terrible problem. She had the result of two scans in her hand. Scan one said she was six months pregnant, while scan two said her womb was completely empty. For this, she went for a crusade and went to the section for the fruit of the womb but was directed to join the section for Holy Ghost baptism. She got baptized in the Holy Ghost, got into labour and was delivered of a large snail. When you receive the genuine baptism of the Holy Ghost, there is no way the wonder-working power of God will not come upon you and something will definitely happen.

THROUGH REPENTANCE

When we repent of our sins, the Lord promises us forgiveness and deliverance. Repentance removes the ladder and the legal ground of the enemy. Many of us need to repent of the wrong use of our eyes, ears, mouths, hearts and most especially, our tongues. The activities are known to you, but once the tongue issues forth a statement, it goes into the wind to your listener and can never return to you. You can plead to be forgiven but you can never

get back your words.

CAST OUT THE DEMON ON OPPRESSION

By the powers in the name and the blood of Jesus, you can cast out the demon of oppression. Our bodies are the sacred temples of God and a spirit or a false personality is not supposed to dwell therein.

VIOLENT FAITH

By this I mean the kind of faith exercised by Bartimaeus. He called on the Most High God: "Jesus, thou Son of David, have mercy on me." He was told to keep quiet, but the more he was silenced, the more he screamed. His voice was not the loudest but his faith was the strongest. He held our Lord Jesus at one spot and made Him to return and attend to him. The day you have violent faith, you will experience what to some others is "Impossible." For with our God, all things are possible.

BY WARFARE PRAYERS

There are many methods of deliverance but the best remains the power of prayer. Prayer has prevailed over fire, water and the earth. Joshua prayed in the bible and stopped the movement of the sun. Prayer has prevailed over angels. It has cast out the devil and broken down his kingdom.

Prayer has power over good angels to bring them from heaven. Prayer has healed the sick and raised the dead. In the case of Daniel, prayer has stopped the mouth of lions. It has subdued evil powers and put them to flight.

Prayer has opened prison gates and completely blindfolded the enemy. There is no artillery of hell fire that can stand against prayer. It is like an engine that makes the enemy tremble. The power of prayer remains undefeatable. The power of prayer is beyond human comprehension.

PRAYER POINTS

1. Holy Ghost fire, come upon my life, in the name of Jesus.
2. Thou power of spiritual dowries, die, in the name of Jesus.
3. Every counterfeit spiritual honeymoon, scatter, in the name of Jesus.
4. (Lay your hands on your stomach) Every sexual serpent and scorpion,

die, in the name of Jesus.

5. Inherited oppression in my life, die, in the name of Jesus.
6. Environmental darkness in my area, scatter, in the name of Jesus.
7. Dream robbers, die, in the name of Jesus.
8. I fire back every arrow of oppression, in the name of Jesus.

POWER TO SUPPRESS THE SUPPRESSOR

Luke 24:49: And, behold, I send the promise of my Father upon you: but tarry ye in the city of Jerusalem, until ye be endued with power from on high.

One of the greatest weakness of modern-day Christianity powerlessness. The enemy is aware of this and he is using it to terrorize and oppress us. Do you know that when a greater power comes across a smaller power, the smaller power bows? Do you believe that if you have the power to operate at a certain level of authority, the devil and his agents will be subject to you?

You must understand the fact that like every other organization or institution, there is a hierarchy in the school of power. There is the topmost level which is God Almighty, followed by His Son, Jesus Christ, who is followed closely by the Holy spirit.

This is a trinity which simultaneously operates at a level or magnitude of power that is incomprehensible to human knowledge. Just like when Jesus asked Peter "Who do you think I am," and Peter responded: "Jesus, the Son of the Most High God, the Messiah." Jesus said that this was not revealed to Peter by man but by God.

The only power that can suppress the suppressor is the Power from On High

So, for you to have a clear understanding of the principle of power, you have to move closer to God. The closer you are to God, the more you can experience and exercise His divine authority. The farthest person from the power of God is the devil, God is at one extreme and so is the devil at the other extreme.

The devil will try to prevent you from receiving power from God by

enticing you with the cares of this world. Whatever he gives you now is only a facade or a mirage. After a while, it disappears and you are in trouble. You have to decide to follow Jesus. Key in to His power so you can experience. Him as the "I am that I am."

The fellow who operates in the heavenlies is stronger than the fellow who operates down here or underneath the earth. The fellow on earth can experience the power from on high if he chooses to serve God, or he can decide to be deceived by the power from below which is determined to lure mankind from God in order to kill man's eternity.

The only power that can suppress the suppressor the power from on high. When Jesus was crucified, the state of His disciples was sorrowful. Peter went back to fishing. Thomas, "The I am a scientist. I am an honest and logical doubter," said he saw Jesus dying and was there when Jesus said he would come back. However, "Until I see Him and I put my finger into the holes in His hands, I won't believe He lives."

The disciples of Jesus were like the sheep, whose shepherd had been killed and they had to scatter. They behaved as if they had never known the Messiah.

Once the power of God comes into your life, you are a winner

The Messiah, who raised the dead in their presence was also the Healer, who cast out a legion of demons from the man at the grave-side. They saw all these, yet they were in a sorry state after His death. Why were they in this sorry state? It was because something was missing in their lives.

The reason something or someone is threatening you in your dream, or someone issued a curse upon you and it is working is that there is no power in you. Anytime a greater power comes against a lesser power, the lesser power must bow as a matter of necessity.

When I was in secondary school, a man was brought to our school and we had to contribute 10 kobo each to watch him. This amount was very big money then. They told us that he was a "Superman." When he undressed, one of his hands with its muscles was almost more than my size then. I was really surprised. The man said he wanted to display his power. So he tied a

string to a Volkswagen Beetle car and held it in his teeth and began to pull it and the car was moving.

Later, 50 boys held one end of the rope and he started pulling it at the other end as if all the boys-were just as light as pieces of paper. He could do this because he had power in him which could not be understood.

A lady took her fiancé home to introduce to her daddy. The father ran inside the room and brought out a cutlass. He was surprised that the girl wanted to marry. He asked her how she managed to break the yoke he put upon her. He then chased the young man away. If not for the mercy of God, that lady would never have married in her life.

Anytime a greater power comes against a lesser power, the lesser power must bow as a matter of necessity

A lion came upon Samson but something happened to him that the lion did not understand. The Bible says, "And the Spirit of the Lord came upon him." Immediately the Spirit of the Lord came upon Samson, he tore the lion into pieces."

Beloved, if you read your Bible carefully, you will realize that Samson was not a muscular or very huge person. He was just like an ordinary man, but when the Sprit of God came upon him, he became unstoppable.

Once the power of God comes into your life, you are a winner. When that power enters into your life, your yoke will break, those things that have been boasting that they are strong and have been suppressing you will flee.

Are you ready to receive the power from on high? When it comes upon you, your yoke will break and you can suppress your suppressors. When the power from on high rests upon you, you will torture and harass the devil to the uttermost. The devil and his demons will fear you like fire fears water.

In a city where the Mountain of Fire and Miracles Ministries is now located, there was a tree that the people of that community had been worshipping for 70 years. Anytime they wanted to worship this tree, practically the whole town would be summoned to be there. Fortunately and unfortunately, the Mountain of Fire and Miracles Ministries is situated at the back of this tree. So, after every service, the pastor in charge of that branch

told the congregation to pray one prayer point free of charge for the community: "Let the fire of God consume every evil tree, in the name of Jesus."

Are you ready to receive the Power from On High?

One day, they noticed smoke coming out right from the root of the tree. Later it became a great fire. The chief priest was called and they started pouring water on the tree, but the more they poured water, the more the fire burnt. Rain fell, but the fire did not quench and the tree fell and was destroyed. I pray that every evil tree growing in any life today shall be roasted, in the name of Jesus.

The Bible says that on the day of Pentecost, the apostles were of one accord. All of a sudden as they sat together, there was a noise like a mighty wind, and it filled the whole place. And there was a burning tongue of fire on the head of each of them. They were 120. That fire will fall on your head, in the name of Jesus. Then their lives changed.

One man of God has said that the sign of Christianity is not the cross but the tongue of fire. When that power comes upon you, you will feel the existence of the Almighty in you. When you walk into a demonic environment, the demons will walk out immediately.

O that you will have the power that the apostles had burning in them. You will not have to pray against evil forces, problems or frustration because the grand-father of any evil spirit that would want to torment your life has not been born. You would be completely immune to the devices of the devil.

Your life would become too hot for the enemy to handle or for the enemy to live in. Oh that the power from on high will enter into our bones like it entered into the life of Elisha! Even when Elisha was dead, the fire was still inside his bones and it was enough to raise the dead. If the bone of a dead man had fire in it to raise the dead, is that the kind of person that witches would want to attack? It is possible for us to receive this same power from on high to suppress the suppressors to the uttermost.

It is not good that someone will be speaking in tongues and will still be having dreams of spirit husbands or spirit wives, poverty and frustration, and every single day becomes a day of lamentation for him.

Many of us say that we have received the baptism of the Holy Spirit. Then why are you still afraid of witches and wizards? It is because you have not received it. When you receive it, you will become as bold as a lion.

Our present-day Christians wear materials and ornaments that are dedicated to demons without knowing it. Some of us have houseboys and maids that are serpents, and we don't know. Others are being surrounded by unfriendly friends and they don't know.

It is like that sister who attended our Prophetic Prayer Meeting. That was the first time in her life that she did three days dry fast. And God opened her eyes at the meeting. She went to look for her prayer partner and found her eating rice. But God opened her eyes and she saw that the stew on the rice was not stew but blood. She was offered some of the rice which she declined to eat and took her leave.

We need to wake up and become very serious. I know of a man of God who went to a crusade after beating his wife at home. He was asked to pray with someone. He laid his hands on the fellow's head and began to pray violently. After a while, he realized that his hands were bleeding. When he opened his eyes, he saw two horns on the fellow's head. These horns had pierced his palms. It took him about a year to use those hands actively again. Perhaps you still waste your time dancing every Sunday, when witchcraft powers are pursuing you, or you are on the side of witches who are the cause and are in charge of your problems. You really need deliverance from the suppressors.

Each and every one of us needs to have a divine encounter with the Holy Ghost. After such an encounter, your life can never be the same again. You ought to know that as a Christian, you are a champion in your school, your work place and where you live. You should not be a spiritual coward. You must note that until that power from on high comes upon you, you will continue to be suppressed by the enemy. I believe God that if you can pray like a mad person, He will deliver you.

In this world, before you can achieve anything to make your life move forward, you have to run a little bit mad. Somebody might want a first class degree from the university and he reads seven hours a day. That's a kind of madness. To achieve the unbelievable, you need to do the unusual, the unimaginable. Jesus said, "you shall receive power from on high." So you

must try to possess this power to set yourself free. Why should the bible say that we are seated at the right hand of Jesus in heavenly places and powers of the earth are troubling our lives? It is because we lack power.

To suppress means to put under oppression, to be tortured by the devil beyond human comprehension. In these last days, the devil has put many Christians under his false authority. He has limited many lives and destinies by force or by deceit. He has built a stronghold with which he has captured and caged many people.

The devil has suppressed many to the point of madness. Many Christians today have lost faith in the absolute power of God because they have been suppressed for too long. The devil prevents people from expressing themselves and their emotions in prayers. He uses deceit to prevent people from growing spiritually, financially and materially. He cuts short development which he believes is dangerous for his hold upon his captives. You need to understand this, so that very soon, when it is time for you to pray, you should pray like a wounded lion. You should, liberate yourself from the seemingly inescapable captivity of the enemy.

PRAYER POINTS

1. Thou power from on high, come upon my life, in Jesus' name.
2. Let the power of God locate me by fire, in Jesus' name
3. You the oppressor and suppressor of my life, die, in the name of Jesus.
4. Every pillar of suppression in my life, collapse, in the name of Jesus.
5. Every evil pattern of suppression in my life, break, in the name of Jesus.
6. Every stubborn oppressor working against my marriage, die, in the name of Jesus.
7. Every ancestral suppressor, die, in the name of Jesus.
8. You the serpent of suppression, die, in the name of Jesus.

OPPRESSION MAKETH A MAN MAD

What is Oppression?

To oppress means to rule or treat in a continually cruel or harsh way. It could also mean to make somebody feel unnecessarily anxious, uncomfortable or unhappy.

Oppression is not just the physical act of torture or depriving people of their fundamental human rights. In the school of prayer, oppression is one of the greatest weapons of the enemy with which he totally confuses many Christians. The devil or Lucifer has been an oppressor since he was cast down from heaven. He had a pretty good idea of what heaven looks like, so if he can't go back there and continue to enjoy the wonders of being in the presence of the Almighty God, then why should he allow ordinary men (i.e. humans) to go there?

Oppression is a form of physical, psychological, financial, mental, academic, marital and spiritual disorganization in which the victim or the oppressed does not and cannot comprehend the vices or manner of oppression used by the devil to deprive them of their privileges of being members of a chosen generation.

Oppression is a tool of the enemy. It must die in every area of your life, in the name of Jesus.

Ecc. 7:7: Surely oppression maketh a wise man mad; and a gift destroyeth the heart.

When you take a close look at that verse and meditate on it, you can interpret it like this - Wise people are troubled by the ways and deeds of the wicked.

Oppression can be so heavy at times. It can be so terrible that it can disgrace the wisest man's knowledge. The storms of life have a maddening

power; they can make a fellow senseless. One of the most pathetic scenes I have ever seen in my life was the one I saw at Idi-Araba, around the Lagos University Teaching Hospital. We took a boy there at night from the Lagos University campus. A trailer tyre ran over his leg. I decided to take a stroll to the gate and through the corner of my eye, I saw a naked woman carrying a pot. From the look of her hair, I saw that she was not mad. She looked well-educated and sophisticated. In those days, I was more of a trouble maker than I am now, so I ran over to meet her and I asked her why she was carrying that pot. I told her that there was a better solution to her problem than to make such a sacrifice. She broke down and cried her eyes out.

She told me she came from the United States with her husband. She had three children and was an orphan. She accompanied her husband back to Nigeria and on arrival, her in-laws took her things and threw her out. They also took the children from her. She had no one to run to and no place to turn until she was taken to a herbalist who told her to make the sacrifice, that it would bring her solution. She told me she was a banker and had a master's degree. Here was a woman, schooled to the level of a master's degree, carrying a pot of sacrifice on her head, stark naked at night. Oppression had made her mad.

"Any power carrying sacrifices against me, die, in the name of
Jesus."

The enemy raises a storm against you, when he sees your name in the plan of God. If he looks at the plan and sees that you are not serious, that you are not even listed among the elect, he would leave you alone. But immediately he sees your destiny being connected to the will of God, he would raise a storm against you. Many of us are not happy with our situations, at the same time, we are not mad against them yet.

Many people are losing their minds because of oppression. You should be able to know that the maddening power of the storm is more than able to make a man insane. Once we prayed with a man who wanted money at all cost. Fortunately for him, he got the money. Despite all the money, he developed cancer of the liver and was told to put his house in order and prepare to die. Eventually he found a person who told him that to be free from the sickness, he should sleep with his youngest daughter. He agreed and did. We had to conduct deliverance for him and his 19-year-old

daughter. This incident is just to show you how extreme these maddening powers could be.

A sister wanted a husband desperately, and she met someone who took an egg and rubbed it all over her body three times and gave it to her to swallow. Not only did she not get a husband after that, she found herself in a bondage. She always felt the urge to have sexual affairs with the fellow who rubbed the egg over her body. I am sure you should, by now, have a clear picture of what I am trying to explain to you.

Oppression is a tool of the enemy.

The truth is this, madness can only listen to a higher madness. The bible says, "For this cause was the Son of God made manifest that he might destroy the works of the devil." The devil himself is a destroyer, for we know it is written that he came solely to kill, to steal and to destroy while our Lord and Saviour, Jesus Christ, came that we might be saved that we might have life and have it abundantly.

The desire of the devil is to see humanity beg him, crave for him, wish he were God Almighty, and for many people to follow him to hell on the Day of Judgment. The path to destruction is wide and sadly, many find it. The path that leads to life and a peaceful eternity is narrow, and very few find it. Jesus is here to deliver and redeem, to the uttermost, as many as are willing to let Him into, their lives as their Lord and personal Saviour.

A king looked at Paul and said: "What kind of person is this, thou hast destroyed thyself Too much learning has made you mad." Violence will only yield to the control of higher violence. The maddening power of oppression, which has been made manifest in very many lives today, can only be silenced by a higher power. When a strongman keepeth his palace, the Bible says, his goods are in peace. But when a stronger man comes upon him, he will take away his strength and plunder his goods. Only a higher voice can silence the voice of oppression.

Oppression by the enemy can raise unprofitable conflict against you.

After one of the anointing services we had some years ago, a brother, who

used to hear the cry of a cat at night beside his window, anointed that window. He went to sleep but was suddenly awakened by the cry of the cat. He got up, took his bible and his anointing oil and went outside. The cat was glued to the window and began to talk: "Please, I did not come on my own, I was sent here." He summoned courage, killed the cat and burnt it.

The devil thought he was mad enough to torture this fellow by programming a cat to his window. But when he met a higher level of madness, his power was subdued. Evil cats being sent against you shall die, in the name of Jesus.

What I am trying to explain to you is that any power that tries to make the wise foolish is not a power to joke or toy with at all. If you think you can dine with the devil with a long spoon, he will climb on your spoon and get at you. Jesus spoke to the storms that felt that they were mad.

Although these storms tormented His disciples and they thought they would die, when a higher madness stood up and spoke just three words, "Peace, be still," the demonstration of the little power of the devil fell like a pack of cards. When Jesus got into the temple, He drove out all those who had turned His Father's house into a place of buying and selling.

The devil had infiltrated into the house of God and turned it into what, today, you would call a business center, a place for profit and loss and a playground for dubious people. Jesus went in and it was not recorded in the Bible that He was accompanied by any disciple. So it is safe to assume that He solely drove out those bargainers of destiny in the house of His father. There is a great possibility that even the local authorities could not have successfully driven them out, but one with a madness higher than theirs had come into the place and they bowed.

Oppression can remove our alertness

Oppression by the enemy can raise unprofitable conflict against you. I have seen people who say, "I don't know what is wrong but I don't just like that man or women"

Oppression can frighten us. It can even make you a believer to become half-hearted in your faith.

Oppression can make you think of giving up. You will suddenly feel that 'Enough is enough,' "I don't want to be oppressed by the devil anymore. I want to be free from all those hardships and frustration", you may say. Then the send in the spirit of suicide as a solution to your problem. It takes the grace of God to oppress your oppressors.

Oppression can remove your alertness.

Oppression can make you to sometimes forget. Jesus who is captain. A fellow can be so oppressed by the devil that he begins to wonder if there is God at all. The problem before you becomes very big because the devil puts magnifying glasses on you when the spirit of fear comes in. Then you will begin to doubt if Jesus really is a Saviour.

Oppression can make you lose your focus

Oppression can make you lose your focus. If you are not ready for the enemy to destroy your life physically and spiritually, then you need to quicken yourself to the fact that if you fail to fight now that you still can, you may not fight again but live or die to regret it. In one way or the other, all men have some madness in them. Many are mad for money. At least, I saw a man who was mad for money and was asked to swallow a live serpent and he did Love, which many have ignorantly turned to lust today, is a form of madness. Love is known for its ability to intoxicate. If you think alcohol can make a man lose his senses, then wait till you find a fellow who is deeply, truly and whole-heartedly in love. All the endless list of desires of humanity like ambitions passions, cares, regrets, lust, addictions - are all quiet madness. They have the capacity to grow, spread and consume people.

One of the popular madness is the desire to be noticed. Some of us derive pleasure from being noticed. Many are usually seriously disappointed if they go through a lot to prepare, suffer, stay awake all night, dress to kill and they are not noticed at the end of the day. The fellows who are noticed for good are mostly those who have the divine favour of God upon their lives.

All men have madness in them, but what varies is its degree or magnitude. Some are outright mad, like those in the psychiatric hospitals. Others require situations to quicken up their madness and there is a group whose madness grows unconsciously. They cannot control or stop themselves, once it's fully blown.

Fortunately and unknown to many, you can channel this madness to the right direction. You can decide to channel your madness against the oppressor. The energy you waste in backbiting, talking to unprofitable and unfriendly friends, fighting or having evil discussion should be gathered and directed against the oppressor. You need to ride on the wings of your madness so that you can oppress your oppressors.

I shared this somewhere before, about somewhere I lived for a long time called Akure. One day, the whole of the town went into uproar. A brother used to do morning cry in front of a shrine everyday at about 5 a.m.

One day, all the people in the shrine came out, called him and told him that they did not have any problem with him but that they wanted him to stop passing through that way. He refused and said that the Holy Ghost did not ask him to stop going through that path. The next day when he got there, about 21 of them came out naked and began to issue incantation against him. He started speaking in tongues. When they noticed that the incantations had no effect on him, they resorted to a physical assault of his person.

Another brother saw him and ran to the church where a service was going on and soon, members of the church arrived there and the shrine with all kinds of tongues.

Eventually, the town crier arrived and said that the king needed to see the quarrelling parties immediately. This incident caused a serious uproar because those who served the idols and offered sacrifices in the shrine wanted to see their gods in action. Those who had surrendered their lives to Jesus also wanted to see His much talked about awesome power in physical manifestation. The king later decided that the Christians should follow their Jesus while the shrine worshippers should call on their own gods.

He stressed that the land belongs to everybody and anyone could take whatever road he or she chooses. The beauty of the incident was that many of those who came out naked gave their lives to Jesus because they could not understand why their incantations did not work.

"Every incantation of darkness against my destiny, die, in the name of Jesus."

WHO ARE THE OPPRESSORS?

There are very many of them. The way things are going on in our country now, we need a lot of prayer if our people don't want to become an example of the proverbial saying that "A knife was put in the center of what bound us together and things have fallen apart." Many lives in our country today are under oppression and they need God before it is too late. National oppression is as a result of individual oppression. If there is individual deliverance, there will be national deliverance. The oppressors include:

PROBLEM EXPANDERS

These powers climb on top of problems already on ground and begin to expand them. Somebody might already be in trouble with household wickedness and the devil, wanting to destroy him, propels him to annoy a genuine man of God who now issues a curse upon his head. For example, Gehazi was already battling with covetousness and the problem expanders came upon him and added leprosy to it. I pray that any power enlarging any problem in your life shall die, in the name of Jesus.

STAR HUNTERS

Every man has a star and if the enemy can hunt down your star, you are in trouble. You will undergo constant oppression. An occultic man came to church to give his testimony. He had already surrendered his life to Jesus. He arrived at the pulpit but instead of talking, he broke down at the altar and started crying. He was asked what was wrong. When he got control of himself, he told the congregation to stand up and help him pray some prayers.

He said on his way to the crusade, he saw a boy with tattered dress sitting under a bridge. He said he recognized the boy, that on the day the boy was named, he was there and there were four stars on the boy's head and he took them all away. Now, he felt very bad because he was the one that destroyed the life of that boy. He asked the congregation to pray that the stars be returned to the boy and there would be a divine rearrangement in his life.

"Thou star of my life, reject the prison of darkness, in the name of Jesus."

DESTINY KILLERS

When a person's destiny is killed, he will suffer from oppression. When

your life is not going in the right direction, the enemy has the right to oppress you.

EVIL SPIES

These come to spy and monitor your progress. I was at the church one afternoon when somebody brought a dozen chairs for the anointing service. This fellow was very happy. He said before he came to Mountain of Fire, he wore one shirt and a pair of trousers for six months. But now, we could see the way he was dressing expensively. He said he had some evil people in his house who kept reporting to the devil that he was making progress in his endeavours and everything had been going back to zero point. I pray that every power monitoring your progress shall be blinded, in the name of Jesus.

HEAD MANIPULATOR

Consider the case of a well-groomed marriage which suddenly became a living hell. The husband became a dog and the wife a cat. They used to agree before, but now they have agreed to disagree. A student might be the best in school but all of a sudden, he moves to the tail of the class where he battles to become the last runner-up.

MONEY SWALLOWERS

They wait for you to invest, they watch the interest grow and when it is time for you to reap your harvest, they move in and swallow everything. They are the types of forces that feed on their hosts from time to time. They are not permanent parasites but they come when the harvest is near. I pray that all money swallows shall vomit all they have eaten, in the name of Jesus.

PROGRESS ARRESTERS

The victim moves slowly for a while, then all of a sudden, he is arrested and he becomes confused.

SATANIC MINISTERS

In this our generation more than in any other, satanic ministers are more rampant. They are the group that say, "Thus saith the Lord," when the Lord does not say anything. They are the ones Jesus warned about when he said,

"In the last days, many shall come in my name performing miracles and deceiving many." They will end up in hell. Do you know that no matter how powerful your church is, you will still find someone who will take you to the house of a herbalist if you want to go there?

POVERTY ACTIVATORS

These powers activate poverty out of apparent wealth and affluence. They make a man lose his divine favour before they plunder his goods. Most of the time, they are programmed against a person over a period and the fellow whom they are draining does not realise he is being drained until it is too late. He then begins to run helter-skelter, looking for a solution. They are very wicked powers and are no respecters of persons. They move in over a period of time, operate and move out suddenly.

COFFIN SPIRITS

These spirits come in through fear. They first of all withdraw your peace and you become restive. The growing fear becomes a voice which continues to implant the spirit of death. At every point, even when it is a common headache, the person sees death approaching. Some cases are so bad that the victims see the coffins coming to them. I pray that every coffin spirit in your life shall die, in the name of Jesus.

VAGABOND ANOINTING

The victim becomes a wanderer, roaming all over the place without a focus, aim or objective. Just like the wind blows and we don't know where it is coming from or where it's going, so does a person with vagabond anointing wander. It's a pity that many who are possessed by this spirit are not even aware. It destroys destinies and puts the people in bondage.

SPIRITS OF DEATH AND HELL

These spirits are bent on killing people and sending them to hell fire. That's why Jesus died and went to hell and it is written in Revelation 1:8:, I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

Jesus went to hell, fought with the devil and collected the keys of death and hades, and so He is in charge. All you need to do is get connected to the One who holds the keys and you will become free. You shall not die but live

to declare the works of God, in the name of Jesus.

RAIN OF AFFLICTION

This force torments people. Some victims have big files in hospitals. But it is written that, as children of the Most High, by the stripes of Jesus we are healed. So we have no reason to be afraid of the devil. I pray that every rain of affliction will backfire, in the name of Jesus.

STRANGE MONEY

Once you get this kind of money and it touches your own money, your money disappears in a mysterious way. You won't know what happened to your money. You must be very careful about those from whom you collect money. Plead the blood of Jesus on any balance of money you receive and pay your tithes regularly and faithfully. Your tithe is one tenth of your income, but wise people pay more.

WITCHCRAFT HANDWRITING

Some people sleep and when they wake up there are scratches all over their bodies. The devil gives such evil marks to people so he can manipulate their lives. They are signatures of the devil over his own properties.

SATANIC ARROWS AND BULLETS

These are fired at people from different directions. They are carriers of problems, diseases and troubles. When the bible talks about the arrows that fly by day and the fiery darts of the enemy, it is referring to satanic arrows and bullets. The blood of Jesus which speaks better things than the blood of Abel will keep you from the roach of these devil.

DESERT SPIRITS

These spirits cause whatever you do or you are involved in to become desolate like a dry land. The life of the victim becomes an arid region where nothing seems to work right. The dews of heaven and the rains of heaven are completely prevented from falling on such a life by desert spirits.

EVIL MARK

This is a mark of dis-favour and oppression. Anywhere the victim goes, he does not find favour or mercy. Everyone else would be allowed to go, but that fellow with the evil mark will be detained. When it is the person's turn for something, the thing goes upside down. Try as you may to help such a person, as long as the mark is still there, nothing can be done.

CONTENDERS WITH ANGELS OF BLESSINGS

These are the kind of contenders that stopped the angel sent to Daniel for 21 days. He prayed and God answered, but the prince of Persia refused to let the angel go until angel Gabriel came from heaven to help the angel. These contenders hold people's blessings and prevent them from achieving their goals.

BUSINESS BEWITCHMENT

It possesses the goods before they enter the market. People would search through the whole town looking for these goods but once they reach the market, no one would be interested because this oppressing spirit has possessed it.

MARRIAGE KILLERS

A research showed that 25 per cent of the women in psychiatric hospitals are there because of marital stress. Marriage is an institution created by God. Two people (a male and a female) are to come together to live as one to the glory of God and for the purpose of procreation. Like he challenges other institutions of God, the devil has also attacked marriages, right from the time of Adam and Eve up till today.

CHILDREN KILLERS

These prevent children from, even, entering the wombs of their mothers. When the children enter, they try to snuff life out of them before they are born.

SATANIC PRAYERS

There are churches of satan all over the places. These days, people pray these prayers to the devil to strengthen him to fight against Christians, but our God is more than able to deal with him.

TERRITORIAL DEMOTION

It is impossible to prosper in certain areas. Even if you had so much before you moved into such places, the forces of demotion will not allow you to prosper there. They suffocate all forms of progress.

POCKET WITH HOLES

There are pockets that have holes. No matter how hard you try to safeguard what belongs to you, it keeps disappearing or slipping out of your hands.

DESTRUCTIVE INCANTATIONS DEMON IDOLS DREAM MANIPULATORS

These enter into people's dream and make them experience practical nightmares that are horror. They never dream of heaven or prosperity, but of torture and masquerades that continue to oppress them. Some people's cases are so serious that they are even afraid to sleep.

UNFRIENDLY FRIENDS

This is terrible because those whom you call your close friends are the ones that go behind you to carefully plan your downfall. Some appear to be caring and loving, but are more wicked than the devil himself.

HOUSEHOLD WICKEDNESS

The Bible says that the enemies of a man are the members of his household and those he loves are the ones he should fear the most. It happened to Samson when Delilah got his secret and traded him to the Philistines. It also happened to Joseph when his brothers sold him to the Ishmeelites who took him to Egypt.

The forces of oppression are doing a lot of havoc. The Bible says, "Surely oppression maketh a wise man mad."

WHAT TO DO

Decide that you will take your circumstances into your hands - you cannot be delivered until you decide wholeheartedly to fight and say, 'Enough is enough.' Take that decision right now in your mind.

You must exhibit holy violence, a higher madness to deliver your destiny from the hands of the oppressors.

Pray barricading prayers so that the oppressors will not be able to disgrace you.

Somebody said that for any success you want to achieve in life, to win a race, pass an exam excellently or to rise in your career, you definitely need a little bit of madness.

PRAYER POINTS

1. Every power that wants to swallow my destiny, what are you waiting for? Die, in the name of Jesus.
2. Every agenda of oppression for my life, I bury you today, in the name of Jesus.
3. Every oppressor of the night, what are you waiting for? Die, in the name of Jesus.
4. By reason of the anointing, every yoke in my life, break, in the name of Jesus.
5. Anointing that breaks the yoke, break my yoke, in the name of Jesus.
6. Yoke-breaking power of the Holy Ghost, fall upon my life, in the name of Jesus.

IMMUNITY AGAINST OPPRESSORS

Daniel 2:22: He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him.

There is only one person who qualifies for the above description and that is the Almighty God. He can reveal what is deep and secret; He knows what is in the darkness and the light dwells with Him. He is the only Person who can see into the two worlds very well.

In this message, we would be considering some of the secrets of freedom from the hands of the oppressors, particularly in our environment. Anything that is affecting your body, soul, spirit, life or business in a negative way is an oppressor. When you earnestly want to grow up spiritually but something seems to be dragging you back, that thing is an oppressor. Anything that is ruling a person's life in a hard or cruel way is an oppressor.

CERTAIN THINGS YOU OUGHT TO KNOW ABOUT THE POWERS OF THE OPPRESSORS

☞ Their main purpose is to keep men from serving the true God

If witches, wizards and demons do not succeed in that, they will ensure that a person who has started with God does not make much progress.

☞ They need a door to enter into any life

They just cannot enter anywhere and begin to operate. No, a door is required for them to get in. Many people open these doors for them by themselves. Others get the doors open by their parents.

☞ The oppressors vary in power

A man of God prayed hard to God for somebody to be delivered from a particular thing. While he was praying, he saw a vision that the person was being guarded by some soldiers and lions. Each time he tried to move near,

the lions roared and tried to jump at him and he ran away. This continued until the vision cleared.

The problem of that person remained and the man of God cried unto the Lord saying, "Why is the lion preventing me from setting this person free?" The Lord said. "You need to obtain sufficient power because the power oppressing this person is higher than you think." So, he went into fasting and prayer. It was then he could conquer the lions and the person was set free. Sometimes, certain things go easily when you order them once to do so in the name of Jesus. But some would not go at a single command.

Opressors like unhappy people

They like them because a sad spirit creates a gateway for demons to enter into a person's life and oppress him. So, anybody suffering from depression would continually have a traffic of evil spirits in his life.

Most of the time, human beings invite them in through many things they do.

For example, when a small girl is raped at a very young age, a big door is opened in the world of the spirits to something that may happen to her later. Immorality is an open door. Sacrificing things to idols or eating food anyhow, anywhere; maybe because you do not have enough food in the house or because the food is attractive, is opening doors through which these spirits enter. If you eat beans cooked on Fridays for twins, you are opening doors to the oppressors.

A person who is guilty concerning a matter and is cursing himself that he is not guilty is opening a door to the oppressors. When a young person of about 14 or 15 peeps through the keyhole of a door to see what a man and a woman are doing inside the room, he is opening a door through which oppressors can enter. When they have entered, the person could struggle all his life and may not be able to find the cause of his problems.

The Bible says that it is wrong to pray with the name of angels. There is nothing like Six and Seven Books of Moses anywhere. Moses never wrote any six or seven Books. If a person begins to read such books, he gets into trouble and the Lord would look at him twice before he gets deliverance.

I want you to look back a little bit into your life to identify where you went wrong so that you can retrace your steps.

A certain mother brought her son to me and said that he was reading the Sixth and Seventh Books of Moses because he wanted a visa. She asked me to appeal to him to stop reading the books before he got into trouble. But before I talked to the boy, he had read a little bit of it and that was enough for the devil to operate in his life.

Carrying of sacrifice to the cross-roads is also an invitation to oppressors

Somebody whose father was a chief hunter learnt and memorized demonic incantations. When he became born again, he forgot about them and did not even pray to God to wipe them off from his brain. Now that he is excited when he sees masquerades, he should know that there is an open door in his life. His father put his leg on something which must be taken out.

When a young girl of 15 sees men coming to sleep with her in the dream, it is quite possible that she has been committing fornication in real life, and through the act, a ladder has been created for oppressors. Such a girl needs to repent.

Carrying of sacrifices to the cross-roads is also an invitation to oppressors. Those, who visit false prophets, obey their instructions and use their materials are also opening doors for the oppressors to come in. Whether those instructions are simple or complicated, they are invitations to tormentors or oppressors.

Borrowing clothes from people to wear is a dangerous thing to do in this environment. If the person you borrowed from is possessed, you too would be possessed and a transfer would be carried out through the clothes. Since the anointing power of God can be transferred through handkerchiefs and it will heal the sick, evil spirits too can move through people's clothes.

Mothers who seek the fruit of the womb through charms are not only endangering their lives, the children would also get their share of the trouble. All those who invite the oppressors cannot blame the devil or God because they issued the invitations themselves.

Many people have been spiritually contaminated and have to be purged. There are different types of ink. Some, you can easily clean off with water and some you cannot. In the spirit world, spiritual marks are like that. There

are some you can easily remove by praying for half an hour while others cannot be easily removed like that.

Sometime ago, as I was praying with somebody, a spirit spoke to me from the person's mouth: "Leave me alone. This girl has been dedicated to me from birth, so leave us alone. After all, does she tell you that she wants to be free?" A door had been opened and the enemy had rushed in and there was trouble.

When somebody is suffering from spiritual contamination, his problems would be multiplied. God did not create drug addicts. He did not create mad people. He did not create ulcer patients or broken homes. These things have been happening since the world became contaminated. Many people have been spiritually contaminated, some from birth. Even some people who call themselves Christians still need deliverance in one area of their lives or the other. Hot temper opens the doors for the oppressors, even in the life of a Christian. A Christian, who is hot-tempered, needs to repent so that he can be delivered.

Many people come from idolatrous homes and some bear idol names. All these open doors. Some people are fond of praying and at the same time consulting herbalists, while some are stylishly worshipping nature. Looking at the stars and believing that the horoscope is dictating your life is opening doors to evil powers. You have life and they do not have life, so they cannot control or dictate your life in anyway.

Our lives are in the hands of God, not in the hands of stars. A star may fall down and crash but God can never fall down. We may not know about tomorrow but we know the Person who owns tomorrow in His hands. Let this be settled in our spirits.

People dedicate their children to idols, thereby starting problems for them early in life. Sometimes at naming ceremonies, people eat dead rats and from there, trouble begins. You must withdraw yourself from all these things today through prayer.

Many times while evil spirits keep to themselves, people go to look for their trouble. Distributing cakes and things like that to people have no biblical backing at all. Collecting names of a child from false prophets creates an evil door. Such names must be changed because they will not do

him any good since their spiritual source is evil.

Many people are doing what you call astral travel. They read books that help them to take their bodies from this physical world to the river or somewhere else. The devil allows them to do all that, but contaminates their spirits before they come back to their bodies, and when they come back, they will start behaving funny.

Some people worship angels. This is wrong. The bible says that we would judge the angels. John was addressing an angel and when the angel spoke to him, he prostrated. But the angel said, "No, no, no, don't worship me. Just worship God."

Incense burning is a serious invitation to demons. All the special perfumes and special use of Psalms are invitations to the oppressors.

A woman came to one of our meetings about three years ago and said that her husband was not loving her enough. One white garment priest told her to bring the picture of her wedding and she took it to him. He tied some strings around the picture and did something to it saying, "As from now, when you say, 'go,' the man would go and when you say, 'run,' he would run to you." She found that the thing was working and was excited.

However, her husband made a roundabout turn and it became so serious that the woman rushed back to the white garment man and told him that the charm was no longer working. Then the man started making passes at her and she knew that there was trouble. So she came to our meeting and the Lord revealed that she did something that she hid in her room. She was asked to bring the picture. It was after we destroyed that picture and prayed very well that the man began to follow her to church.

All these things are traps that people put their legs into. You must seriously examine everything you put on your body. Find out where they came from. Be sure that you get them from a source that you can explain or a source that is not cloudy. These things may be open gateways for the oppressors.

A lot of black people are worried by ancestral spirits which have caused them one trouble or the other. Some people kiss the dead and from there, the demons that are yet to go out of the dead person get into them. It is like a trap set by the devil and when people get into it, they start struggling to get

out.

At times, the devil operates like the fly. When the fly lays eggs in a particular place, the eggs may be difficult to see. The same stands for the eggs of evil spirits. They may be difficult to see but when they start becoming maggots and develop further, then we will see that there is trouble.

If you know that you are being oppressed, it is not good to leave the oppressors alone. Give them no peace. Take action and do not allow them to work unmolested in your life.

But you must first clean the temple of your life. Once you clean the temple of your life, God will fill it for you because He will not live in a dirty environment just as you would not find houseflies living in a very clean environment.

HOW TO BE IMMUNE AGAINST THE OPPRESSORS

LIVE A HOLY LIFE

I have said that things do not just happen; maybe a gate or a door has been opened. A holy life annoys the devil. A Christian with a pure heart, mind and body is surrounded by fire which burns brightly all the time. Your naked eyes may not be able to see it, but Satan and his agents can see it, and they avoid people with such fire because they know that when they are attacked, they react violently.

Unfortunately, today, sin and immorality have removed holiness from many people's lives and many Christians have been unequally yoked with unbelievers. When they mix so much with unbelievers, they make themselves vulnerable to all the attacking forces. When we begin to say foul things with our mouths and begin to do bad things, we are giving the oppressors a foothold. But when we clean our temples and fill them with good spirits, we are immune.

But the fact is that a lazy Christian can never be holy because holiness requires reading the Bible; it requires disciplining our bodies; it requires our praying very well, and it requires our praying in the Holy Ghost which is vaccine number one.

So if we want to be free from oppressors, we must go back to holy life which the devil cannot pollute or touch. We must examine our lives very well and see to it that there is nothing there which can invite him in: no envy, no malice, no quarrelsome spirit, no spirit of anger. All these things must go to render the devil powerless.

Sometime ago, a man took his friend's case to a herbalist. The herbalist asked him, "Have you quarrelled?" He said, we have never never quarrelled." The herbalist said, "Go and quarrel with him then come back." The man did not succeed because his friend was somebody who would not talk when you look for his trouble. He would smile at you and go away. Such people are difficult to attack. When you attack them, the evil will come back to you.

WALK IN THE SPIRIT.

Galatians 5:16-17 says, "This I say then, Walk in the Spirit, and ye shall not fulfil the lust of the flesh. For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would."

When you give your life to the Holy Ghost and you are genuinely baptized in Him, one of His symbols is fire. It makes the environment too hot for the devil. It brings every thought to captivity. When you begin to walk in the Spirit, your life will be filled with Him. You would pray in tongues in the morning, pray in tongues in the afternoon and at night, and even before you take your actions, you would ask the Holy Spirit. When somebody talks to you, before you react, you would say, "Holy Spirit, what should I say to this person." But when the flesh is in control, we open the gate for the enemy.

BE HUMBLE

When you set humility against the devil, he will flee. The bible says that the humble man occupies a high place. He takes the place of the fallen angels. Isaiah 57:15 says, "For thus saith the high and lofty One that inhabiteth eternity, whose name is Holy; I dwell in the high and holy place, with him also that is of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones." So, the Lord would actually bless those who are humble and He hates the proud because pride is a character of the devil. The devil committed only one sin before he was cast out of heaven. He wanted to exalt himself above God.

So, demons would be far away from any person who is humble, but to an angry or proud person, they will always be close. What we are saying is that, you must totally submit yourself to God. That is the easiest way to force satan out of his stronghold. You must totally submit your body to God. The devil recognises that once you are living a life of submission to God he cannot touch you. Every area of your life must be brought under the power of God.

1 Peter 5:6-9: Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time: Casting all your care upon him; for he careth for you. Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.

James 4:7: Submit yourselves therefore to God. Resist the devil, and he will flee from you.

It is when you submit yourself to God that you can resist the devil. The reason all the parts of the body are functioning well is that they are under a particular authority. So, submit yourself to God in every area of your life and let us see how the oppressor can come in.

READ THE WORD OF GOD AND MEDITATE UPON IT DAILY

The word of God is the mirror of the Spirit. All our faults are exposed in the mirror and the word is able to transform our lives.

KEEP THE RIGHT COMPANY

1Corinthians 15:33: Be not deceived: evil communications corrupt good manners.

We are supposed to be separated from the world and keep away from possible sources of contamination.

An unbeliever should not be a believer's closest friend. In fact, the bible asks us to keep away from certain groups of people. If God delivers you

from drinking of alcohol, you must not go back and fellowship with those who drink it because you are now a different person.

MAKE SURE YOU GO TO THE RIGHT CHURCH

It is important for you to go to a Bible-believing church, a church where you can grow. You must not stay in a church where your spiritual life is dying out and you are not doing anything to improve on it. If you stay there because you were born there, you may end up in trouble. Look for a bible-believing church which believes in the totality of the word of God; which believes in the power of the Holy Ghost and which believes in the gift of the Holy Spirit, not where there is corruption and people are doing things contrary to the word of God. Look for a bible-believing church where the power of God is present.

PUT ON THE WHOLE ARMOUR OF GOD

Ephesians 6:12: For we wrestle not against flesh and blood, but against principalities against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Verses 13-18: Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness. And your feet shod with the preparation of the gospel of peace. Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God: Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints.

All these things are the armour of God.

Deuteronomy 7:26: Neither shalt thou bring an abomination into thine house, lest thou be a curse thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it, for it is a cursed thing.

You must remove all demonic materials from your house so that you don't have a ladder through which oppressors can come in. Re-examine all the pictures that you have, examine all those things that are put in your house as decorations. Deeply look at them again from your spirit. Removing

abominable things from your house would help to set you free from the oppressors. The devil uses them to set traps and deceive people to step into bondage from which they will be struggling to get out. The people I feel sorry for most are those who enter into these traps unconsciously.

One day, a girl who could not walk was carried to our church. What happened to her? Her classmate belonged to a mermaid group which told its members to bring one person each within a specified period. The girl tried but could not get anybody to join voluntarily.

So she went and wrote down the name of this girl. And from that night the immobile girl would find herself swimming at the Bar-beach without knowing what was happening to her. It was later she discovered that her friend wrote down her name in the group and the important thing for her was to get out.

Please pray the following prayer points very well. Do not allow your mind to wander. Forget about past failures. Trust God today. Stand against monitoring spirits with great anger and violence because the kingdom of God suffers violence and the violent takes it by force.

2. I withdraw my leg and my life from any monitoring spirit, in Jesus' name.

PRAYERS POINTS TO CRUSH OPPRESSION

PRAYERS TO RECEIVE FRESH FIRE

- ☞ When you need personal revival.
- ☞ When you need fresh fire for fighting the battles of life.
- ☞ When you need the power of the Holy Ghost to enable you to fulfil your destiny in life.

Fire is one thing which the enemy cannot withstand. When you receive fresh fire, you become untouchable. When the totality of your life is set on fire, you will emerge a winner in the battles of life. The fire of the Holy Ghost is one major weapon which we need for victory in life. God has promised to slay His

For by fire and by his sword will the LORD plead with all flesh: and the slain of the LORD shall be many. Isa 66:16.

Fire is one of the weapons which God has freely given to you to enable you to go through life successfully. Whenever the fire of your life goes down, you will be enveloped with fear. But the moment your fire level increases, it will be victory all the way. The shortest route to your testimonies is to pray fresh fire upon your life. God dwells in the midst of fire. When God envelops your life with fresh fire, His mighty presence will also envelope your life. You need to pray the prayer points that follow aggressively if you want to experience the fire of God afresh. Pray the prayer points aggressively and the God who answereth by fire shall manifest Himself in your life.

Galatians 3:13- 14: Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that

hangeth on a tree: That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith.

2 Tim. 4:18: And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever. Amen.

Col. 1:13: Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son:

Col. 2:15: And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.

And, call ye on the name of your gods, and I will call on the name of the LORD: and the God that answereth by fire, let him be God. And all the people answered and said, It is well spoken. 1 Kings 18:24.

MY HAMAN AND BALAAM SHALL DIE

A prayer programme to be done:

- ☞ **When you are surrounded by enemies.**
- ☞ **For those who are experiencing deep opposition.**
- ☞ **For those who are facing recurrent battles.**
- ☞ **For those under the attack of very hostile powers.**

Haman and Balaam stand out in the Scriptures as enemies of God's people. One major characteristic of these two enemies is that they carried out their activities in broad daylight. You need this prayer programme when you face attacks from the enemies who fight you openly.

Haman and Balaam represent principal agents from the kingdom of darkness. When the spirit of Haman is at work, enemies will try to destroy you completely.

And he thought scorn to lay hands on Mordecai alone; for they had showed him the people of Mordecai: wherefore Haman sought to destroy all the Jews that were throughout the whole kingdom of Ahasuerus, even the people of Mordecai. Est 3:6.

You need the prayer points in this section to get rid of your Haman. Balaam, on the other hand, fought against God's people with the power of curses and bewitchment. This kind of power uses the weapon of demonic manipulation and tries to curse the people whom God has blessed

And God said unto Balaam, Thou shalt not go with them; thou shalt not

curse the people: for they are blessed. Num 22:12.

When you pray the prayers in this section aggressively, those who have been hired to curse you will fail woefully and will declare that no one can curse you since your God has blessed you. When you are praying this prayer, you may receive certain reports along the way. Keep on praying until your Haman and Balaam are dead.

CONFESSION: Numbers 23:8: How shall I curse, whom God hath not cursed? or how shall I defy, whom the Lord hath not defied?

BEWITCHMENT MUST DIE

☞ For those suffering witchcraft attacks.

☞ For those who have experienced demonic manipulations.

☞ For victims of household witchcraft.

God is a man of war. He will always rise up in the full strength of His military power to deal death blows on bewitchment.

There are agents of witchcraft in the nooks and crannies of every community. One of the major preoccupations of these witchcraft agents is to bewitch men, women and children. They infiltrate into the lives of their victims and manipulate, intimidate, oppress, subdue and attack them. Hence, many people find themselves in all forms of demonic actions as a result of bewitchment.

Additionally, marriages experience bewitchment, business ventures are bewitched; houses and business premises are also bewitched. You need to take up the prayer points below to pass the judgment of death on every form of bewitchment. When bewitchment is eliminated, the glory of God will envelop you and whatever belongs to you

KILLING THE WITCHCRAFT IN YOUR DESTINY

You need to bar any form of witchcraft interference in the affairs of your destiny because you are meant to shine like stars. God has given you a colourful destiny and it is His divine plan that you fulfil it. But whenever witchcraft succeeds in eating the root of your destiny, you will find it difficult to experience the manifestation of God's plan for your life and destiny.

The bible says, "Thou shall not suffer a witch to live." This shows that any witchcraft toying with your destiny must receive the sentence of death.

With this prayer, you will succeed in killing the witchcraft in your destiny. Once witchcraft is dead, you will be able to fulfil your destiny in life.

PRAYERS TO BREAK THE BACKBONE OF POVERTY

Poverty is not just the absence of prosperity; it is an attack from the kingdom of darkness. There is a spiritual entity responsible for afflicting people with poverty. When you come across people who work like elephants and eat like ants, you have come across people, who are attacked by the spirit of poverty.

Wealth or prosperity is not mainly achieved by working hard or labouring from dawn to dusk. If you want to experience prosperity in life, first and foremost, you must deal with the spirit of poverty. The principality behind the spirit of poverty must be stripped of his power and rendered impotent.

You need to use the prayer points below as a potent weapon for breaking the backbone of poverty. Once the backbone of poverty is broken, every trace of poverty will be removed from your life.

MY CALLING SHALL NOT BE WASTED

DELIVERANCE PRAYERS FOR MINISTERS

PRAYERS TO RECEIVE SPIRITUAL STRENGTH

The devil takes delight in weakening the strength of the saints. If he succeeds in weakening his victim, he will succeed in executing his wicked programmes. As long as you are spiritually strong, the devil will not be able to execute his agenda in your life. You need this prayer programme to renew your strength in the presence of God. You need this programme to mount up with wings as eagles.

You should make use of the prayer points until your spiritual batteries are charged. You can turn your closet into an arena where you receive power.

This prayer programme is your personal antidote to failure in the day of battle.

BIBLE STUDY: Nehemiah 8:10; Isa. 40:29-31; 2 Sam. 22:33-36

Praise Worship

Confession: In the name of Jesus Christ, I am a beloved child of God. I believe in God. I believe in Jesus Christ and I believe in the blessed Holy Spirit, which is dwelling inside me. I believe in the unshakable and eternal power in the word of God. I believe that life and death are in the power of my tongue. I believe that as I make this confession unto life with the power in my tongue, according to the words which the Lord has put in my mouth this day, I shall prosper therewith.

It is written that Jesus Christ offered His blood as a drink and His flesh as bread, that whosoever drinks and eats them shall not die forever. Now, with strong faith in my heart, I hold in my hand, a cup containing the blood of the Lamb of God and I drink it that I may have eternal life.

I receive unto myself, the virtues, strength, power, might and anointing in the blood.

And I say, let the blood quicken all that is dead within me. Let all sucked, sapped and paralysed spiritual milk and strength of my life resurrect by the blood.

Let the blood re-energize, revitalize, reactivate and revive all dead potentials and spiritual gifts within me

Let the blood flush out of me, all inherited or self-acquired evil deposits in my system.

Let it purify my blood system. Let it make old things pass away in my life and transform everything to become new.

Let the power in the blood clean my spiritual vision and wash my spiritual pipe, that I may be receiving from the Lord unhindered.

I eat the flesh of Jesus with the heart of faith; for it is written, "His flesh is bread indeed." I eat it now, so that I can also eat with Him in His glory.

I eat the flesh of Jesus to receive new spiritual strength and vigour. I receive new spiritual strength and vigour: to put all the works of the flesh under subjection; to paralyse the desires of my flesh; to buffet my flesh; to paralyse the power of my flesh and make it obedient to the laws of the Lord.

As I eat and drink the flesh and blood of my Lord Jesus Christ, I renew my covenant with Him and I receive the life therein for it is written, "Life is in the blood." Thus, I possess the life and the Spirit of Christ in me, Amen.

Jeremiah found the words of God and ate them, and they became the joy of his heart. I have found the words of God and now, I throw them in my mouth like vitamin pills and chew, and digest them. Let them produce within me, the power to rejoice in the Holy Ghost, the power to be steadfast in following God, the power to walk circumspectly, the power of holy living and the power of unashamed faithfulness in all circumstances.

The word of God is spirit and life. It entered Ezekiel and he was put back on his feet.

Let the word of God raise every downtrodden area of my life. Let the word, like fire, purify me like the refiner's fire. Let the word recreate in me everything stolen or destroyed by the enemy. Let the word build me up and

give me inheritance among all sanctified brethren.

Let the joy of the Lord strengthen me. Let His right hand of righteousness uphold me. Let His countenance brighten up my life. Let the horn of His salvation lift me up, out of the valley of death and let his life giving anointing oil fall on me like the Dew of Hermon, and fill my life till I want no more.

Lord, make me drunk with the blood of Jesus and I shall be full of life eternally.

Father Lord, as it is written, that I should be strong in the Lord and in the power of His might, as you will be my might and my strength all the days of my life according to Your word, gird me with Your strength and let me not fall into the pit of my enemies, and I will praise You all the days of my life.

With my heart, I believe the word of God; with my mouth, I have confessed unto salvation and justification. O Lord, let it be performed unto me, as I have prayed, in the one and only Jesus Christ's mighty name, Amen.

1. Thank God for the strength with which He has been uploading all these years.
2. Cover yourself with the blood of Jesus.
3. I hold the blood of Jesus, as a shield against any power that is already poised to resist me, in the name of Jesus.
4. By the blood of Jesus, I stand against every device of distractions, in the name of Jesus.
5. I stand upon the word of God and I declare myself unmoveable, in the name of Jesus.
6. Father Lord, inject me with Your spiritual vitamins that will make me spiritually healthy, in the name of Jesus.
7. Father Lord inject me with spiritual vitamins that will boost my appetite to eat Your word, in the name of Jesus.
8. Father Lord, infuse my blood with spiritual vitamins that will produce hunger and thirst for prayers in me, in the name of Jesus.
9. Lord God, inject me with spiritual vitamins that will clear my vision and strengthen its clarity, in the name of Jesus.

10. Lord God, inject me with spiritual vitamins that will sustain me in the evil days, in the name of Jesus.
11. Lord God, inject me with divine immunity that will always kill spiritual germs and evil deposits in me, in the name of Jesus.
12. Lord God, inject me with spiritual energy that will make me tireless with You, in the name of Jesus.
13. Lord God, feed me with the food of the champions, in the name of Jesus.
14. Lord God, boost my energy to run the race that is set before me, in the name of Jesus.
15. I receive the comforting anointing and power in the Holy Ghost, in the name of Jesus.
16. I receive the unsearchable wisdom of the Holy Ghost, in the name of Jesus.
17. I take the shield of faith to quench every fiery dart of the enemy, in the name of Jesus.
18. I run into the name of the Lord, which is a strong tower, and I am safe, in the name of Jesus.
19. Father Lord, always make me drink from Your everlasting well of joy, in the name of Jesus.
20. Begin to bless the Lord for all answered prayers.

I AM FOR BLESSING AND NOT FOR CURSES

The world is filled with satanic agents who place curses on people with impunity. Curses are placed upon people from several quarters. At the end of the day, the curses manifest in the lives of many people. However, curses can be turned into blessings through the prayer points in this section. You can deal with generational curses, as well as self-inflicted curses, by making use of the prayer points below.

Additionally, you can use them to command blessings to come upon you. Make use of the prayer points until you completely get rid of curses and your life becomes a symbol of the blessings of God.

Confessions

Jesus Christ has purchased my freedom from the curse of the law and all its condemnation, by offering Himself as a curse for me. I can no longer labour under the burden of the law for I have become a saint, a lively stone, a built-up spiritual stone and a holy priesthood to offer up spiritual sacrifices acceptable to God by Christ. I am a chosen generation, a royal priesthood, a peculiar person that shows forth the praises of Him, who has called me out of darkness into His marvellous light.

The name of Jesus Christ is given unto me to exercise authority in three different worlds: the earth, seas and beneath the earth. For the Bible says, "God has highly exalted Him and has freely bestowed upon him the name that is above every name." So, when I pronounce that name, it becomes a strong tower for me; it makes everything against my prayers in the heavenlies to bow. Also, those in the earth and seas beneath the earth surrender to the authority of that name.

In Jesus' name, I take authority over the heavenlies, the earth, the seas, the earth beneath and the things in them. I destroy, with the sword of the Spirit,

every dark person that is poised to stand against my prayer or to reinforce against me.

Jesus Christ is my personal Lord He is my Saviour, my Redeemer and Deliverer. His blood has done so much for me and it is the reason for my living today. The blood saves me from the wrath of God, inspired by the consequences of my sins. Through the blood, I have received forgiveness of my sins; through the blood, God becomes merciful to my unrighteousness and He no longer remember my past. Now, I am justified by the blood of Jesus Christ, for faith in the blood of Jesus delivers me from every accusation that the devil makes against me.

It is written that if Jesus Christ sets me free, I am free indeed. I confess and receive freedom from every ancestral curse of untimely death, ancestral curse of marital destruction or frustration, poverty or financial handicap, infirmities and failure at the edge of breakthroughs.

By the blood of Jesus, there is no condemnation for me. I am in Christ Jesus, for I walk not after the flesh, but after the Spirit and the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death. I confess that every ancestral dedication of children to idols, god's sacred waters and trees in my family lineage is broken in my life. For, I shall not suffer for the sins of my forefathers; everyone shall bear his own iniquity. By the blood of Jesus, every unconscious covenant with familiar spirits in my family shall break and release me.

By the power in the blood of Jesus, I decree that every curse of sexual immorality over my life, as a result of incest, lesbianism, homosexuality, bestiality, fornication, adultery, oral sex, abortion, sexual sins of my father, sexual iniquities of my mother should break now, in the name of Jesus. For Jesus was bruised for my transgressions.

Every curse, affecting my dwelling place, positions, land and properties, as a result of any past ritual or sacrifice performed on them shall break by the power in the blood of Jesus.

It is written that life and death are in the power of the tongue and by the words of our mouth, we shall be condemned or justified. Every curse placed on my life and property through witchcraft, spells, jinx, enchantments and incantations shall break by the blood of Jesus. Every curse that I have

personally attracted to my life through my actions, promises, vows, oaths and negative confessions shall break by the blood of Jesus. The Scripture says, "Whatsoever I bind here on earth shall be bound in heaven" I bind the activities of these curses and loose myself from their grip.

The Bible says, "Where I sold myself without money, the Lord will buy me back." Every curse resulting from my consultations with evil spirits, herbalists, oracles, mediums and palmists, I break you with the blood of Jesus and I command you to loose your grip over my life.

Every curse activated through my personal sins, be removed by the blood of Jesus. I confess that I am now in the service of God. My body is the temple of God, as it is written, God will dwell in me and walk in me. He shall be my God and I shall be His. I command all the demons operating these curses to come out of my life and property. Let their activities come to an end and the blessings of God begin to replace their curses.

In the place of the curse that ever affects me, I confess these scriptures: And I have peace through the blood of His cross, by Him to reconcile all things unto Himself. I confess that everything that pertains to me is reconciled to Christ.

The Lord will give me strength. He will bless me and my household with peace. The Lord God will bless me as He promised me, I shall lend unto many nations, I shall not borrow. I shall reign over many nations. The Lord shall open unto me His good treasure. The heaven shall give rain unto my land in its season and bless all the works of my hand. The Lord shall cause my enemies, who rise up against me, to be defeated before my face. They shall come out against me in one way and shall be defeated before me in seven ways. The Lord will establish me a holy person to Himself as He has spoken.

I shall be the head and not tail. Blessed shall be my land, my storehouse, my business place, my dwelling place and the works of my hand. The Lord shall not allow destruction and peril to come upon me all the days of my life. I seal my confession with the precious blood of the Lamb of God.

PRAYERS TO DEAL WITH EVIL SOUL TIES

An evil soul-tie represents a spiritual link with individuals or groups of people. An evil soul-tie can be acquired by association. Friends can be involved in evil soul-ties. Parents and children can be united through soul-ties. It is also possible to experience an evil soul-tie through past involvement with a religious group.

An individual or group of people can have influence over your life to the detriment of your destiny. Ungodly and immoral relationships have also led to evil soul-ties. It is therefore difficult to break a relationship when it is entrenched in an evil soul-tie. If you want to be free from any form of undue influence from anyone, living or dead, you must make use of the following prayer points. You must separate yourself from every evil soul-tie, if you want to experience total freedom.

DESTROYING THE DESTROYER

The best strategy for any battle is the offensive rather than the defensive.

Offensive warfare enables you to determine the result of a battle. Most people in life are at the receiving end of spiritual attacks, but effective students in the school of spiritual warfare have learnt to attack the attacker and destroy the destroyer. You should not wait for the enemy to attack you.

Rather, you should confront satanic agents and destroy their weapons of war before they raise a finger against you. Don't wait for agents of destruction to convert your life to an experimental guinea pig. Rise up, take up your weapons of war and destroy the destroyer before he charges at you.

The prayer points below are God's weapons for killing the destroyers assigned against your destiny. Remember, don't spare the destroyer. Let the power of the destroyer be consumed by fire!

Confessions: Luke 10:19; Matt.18:18-19; 1John 3:8; James 4:7; Ps.27:2; Job 8:22; Jer. 30:23; Isa. 54:17; Matt. 15:13; 3:1; 2 Cor. 10:1-5.

POWER AGAINST MISCARRIAGE 3

Marital Jericho stands for every shade of demonic hindrance to marital fulfilment. This is the prayer to pray when the enemy has set up a strong wall between your dreams of marital bliss and its fulfilment.

However, the prayer is intercessory in nature. It is best undertaken by those concerned about marital problems in the lives of their family members, neighbours or acquaintances. Even if victims of marital Jericho are thousands of miles away, this prayer programme will pull down the evil walls and there will be restoration, harmony and peace. You can use the prayer points when you come across hopeless situations in the marriage or the homes of your beloved ones.

DEMOTION MUST DIE

It is God's plan that His children should be above only. Therefore, whatever looks like a valley experience is contrary to His plan for His beloved children.

However, there are powers whose major pre-occupation is to programme demotion into the lives of people. They are the reason people fall from grace to grass. Such people are victims of the spirit of demotion. The spirit of demotion will make a man to fall from great heights and remain in the lowest dungeon.

There are people who were once princes, riding on horses but later they began to trek. This prayer programme can make those who are victims of satanic demotion to rise again and become prominent men and women. They will prevent you from being demoted in any area of your life. The God that answereth by fire will relocate you. You will mount up with wings and get to the top once again.

Give this prayer programme all the seriousness it deserves.

I CLAIM DIVINE FAVOUR

It is God's desire to favour His children. When divine favour is unleashed by God upon your life, He will bless you beyond your wildest dreams and people will stumble upon themselves to bestow favour upon you, simply because you have found favour with God.

Much as divine favour has been provided, you need to pray fervently in order to experience it.

God has given lots of promises to His children in the area of divine favour. These promises must be claimed through prayer. You need to set time apart for the prayer points in this section and you must continue praying them vigorously until favour begins to locate you from the North, South, East and West. Don't live a life that is characterized by lack of favour. Claim divine favour today and your story will change. Doors that were closed will be thrown wide open.

I SHALL NOT BACKSLIDE

The devil may not prevent a man from giving his life to Christ but he will put up a wicked plan towards making him to backslide. Backsliding is not just a physical problem, it is a spiritual one. When people backslide, it is often programmed from the kingdom of darkness. Once the powers of darkness have concluded their evil plans, those who are on the pilgrimage to heaven will mysteriously become flabby, grow lukewarm and become cold. To continue to live the Christian life and remain on fire for the Lord, you need a good knowledge of spiritual warfare.

To escape the snare of backsliding, you need to fight spiritually. This prayer programme will prove invaluable when you begin, to notice traces of lukewarmness or marks of backsliding.

These aggressive prayer points are antidotes to backsliding. They will help quicken the restoration of backsliders and enhance the stability of the fervent.

POWER AGAINST THE SPIRIT OF THE SNAIL

The spirit of the snail is one of the most wicked weapons used by the devil. Satan's intention is to make people hoist the flag of their lives at half mast. It is the spirit of slow motion. It makes the victims go back and forth sluggishly, while their counterparts are breaking new ground and achieving great feats.

The spirit of the snail manifests itself in various ways. Students who are under the attack of this ugly spirit keep writing the same examination without achieving any success.

When victims undertake a journey that should last for two weeks, they spend two years. The spirit of the snail is the spirit of non-achievement. It makes men sluggish in their endeavours. Lots of people become too slow and have no tangible achievement to show for their efforts. They eventually give up in the race of life.

The ultimate aim of the devil is to make the runners in the race of life trail behind through an embarrassingly slow movement. These prayer points will destroy the manifestations of the spirit of the snail and make you experience accelerated progress.

DEALING WITH THE SPIRIT OF THE DOG

The spirit of the dog is the spirit of spiritual pollution. The devil will attack the victims in two major ways. The first way is the spirit-husband and spirit-wife. Many people experience dirty or wet dreams and keep seeing a particular spirit-husband or spirit-wife on regular basis.

Another method is through the projection of the spirit of immorality into the lives of unsuspecting victims.

When this spirit has fully injected its poison into the lives of its victims, they will go about manifesting every form of immoral behaviour. Often times the victims are not able to control their sexual appetite since they have inherited terrible propensity towards licentious lifestyle. Some victims have been initiated into the cult of the dog. They go from one place to another, exhibiting all forms of lewdness.

To experience freedom from the power of the dog, you need to pray against this stubborn spirit. Use these prayer points as your battle weapons against every kingdom of darkness targeted at looting your life and destiny.

DEALING WITH ANTI-PROMOTION WITCHCRAFT

There are times when getting promoted from one level to another becomes mysteriously impossible. When the power of witchcraft is behind the inability to attain promotion, you need to use the weapon of spiritual warfare. There is a department in the realm of witchcraft charged with making promotion impossible. But we all need promotion in life.

When we are promoted, God is glorified. You must therefore deal with anti-promotion witchcraft. Remember the Bible has declared that there is no enchantment against God's children.

POWER AGAINST ROCK SPIRITS

Students of spiritual warfare know that certain powers in the kingdom of darkness either make their abode in the rock or draw their powers from there. The rock spirits are stubborn spirits. They are responsible for ruling nations, communities and families.

The spirits of the rock are spirits that generally have records for perpetrating evil for a very long time. Many ancient rocks harbour spirits that are as old as the history of the communities where they are located.

Prayers against rock spirits are not ordinary prayers. The virtues and blessings of so many people are stored in some evil vaults in the rock. You must pray against every rock affecting your destiny and recover your stolen virtues.

BEELZEBUB MUST DIE

Beelzebub is the evil spirit which operates in the kingdom of flies. The fly kingdom forms an integral part of the demonic kingdom. Flies generally dominate any environment that is dominated by dirt.

Flies are carriers of evil demonic messages in the dark kingdom. Since evil spirits can materialize and dematerialize, they operate as flies to inflict spiritual epidemic on their victims. Those who are under the attack of these categories of evil spirits experience contamination of their destinies. Once they are invaded by a swam of evil flies in the spiritual realm, their problems will be legion in their physical lives. You must fight against the spirit of Beelzebub and destroy it in the physical realm.

The prayer programme is meant for men and women.

FOUNDATIONAL DELIVERANCE

The greatest problems in life are those deeply entrenched in the foundations of men and women. The bible clearly states that "If the foundation be destroyed, what can the righteous do?"

Foundational problems are very difficult to tackle. Hence, we generally prescribe foundational deliverance. Since a house that is built on a faulty foundation would collapse sooner or later, those who have problems with their foundations will continue to experience set-backs until fire is set on every satanic plantation in their foundations. You need foundational deliverance, if you have been grappling with problems for years. You need the prayer points in this section, if certain problems in your foundation have refused to go after repeated prayer efforts. You need to use these prayer points aggressively, if some problems have remained with you from the beginning of your life.

The prayers will enable you to say goodbye to problems that are mysterious in nature, as well as situations that appear resistant to prayers.

Since every territory or geographical location is under the jurisdiction of satanic agents, the power of God cannot flow freely in such areas and the people of God there cannot enjoy completely the benefits God has provided for them. Territorial deliverance will unleash upon you the power to excel and the ability to succeed where others fail. You can also make use of these prayer points if you want to get away with spiritual warfare in the area of deliverance.

You can rise up as a soldier of Christ, challenge the powers that be in your territory, disgrace them, and uphold the banner of the gospel of the Lord Jesus Christ.

With these prayer points, you will surely overcome territorial powers.

ARRESTING DARK CLOUD OVER YOUR DESTINY

Whenever a dark cloud hangs over your destiny, you will have problems with destiny fulfilment. The dark cloud is an attempt by the enemy to create an artificial barrier between you and the destination earmarked for you by God. To have a dark cloud hang over your destiny can be likened to driving on a highway that is over-shadowed by palpable darkness. A driver on such a highway will hit the ditch sooner or later. The devil generally targets colourful and glorious destinies. His ultimate intention is to create so much darkness that the one who is undertaking the journey to destiny fulfilment will lose his bearing and miss the target. The only way to forestall what the enemy wants to achieve is to put your battle in high gear and arrest the dark cloud.

The prayer points in this section will enable you to speak against the dark cloud and force it to disappear by fire. Do not spare any dark cloud sponsored by the enemy to divert destiny.

WHEN THE ENEMY WILL NOT LET GO

In every generation, there is a stubborn Pharaoh who will not let Israel go. Satan is not soft. He is stubborn to the core.

He will not release his victims with ease. The only language he understands is violence. There is a type of prayer to pray when the enemy is hell bent on denying you your freedom. Such a drastic situation requires some drastic prayer points.

These prayer points will enable you to send confusion into the camp of demonic agents. You will send the task master packing and disgrace Pharaoh and all his horsemen. The enemy that will not let you go will also not call you to a conference table to negotiate your release. This prayer programme will lead to the re-enactment of the burial of Pharaoh and his agents.

LET GOD ARISE

There are times in the ministry of prayer, when the battle becomes very intense, and God begins to demonstrate His full strength as a man of war. Such a battle is described below.

"For every battle of the warrior is with confused noise, and garments rolled in blood; but this shall be with burning and fuel of fire." Isa 9:5

During sessions of intensive spiritual warfare, you can invoke the divine presence saying: "Let God arise and all his enemies scattered." God will surely arise at that moment and the battle becomes His. I have stated time and again that any power that tries to challenge a true child of God is set for instant burial.

When you are involved in a battle with an array of evil forces, you simply need to shout with holy anger saying: "Let God Arise!" When you pray like that, you are throwing a challenge to the Almighty and asking Him to grant you more strength in the fullness of His power.

These prayer points would always grant you victory in all your battles.

STUBBORN PROBLEMS MUST DIE

There are certain problem that can be classified as extremely stubborn: problems that border on violent attacks from the kingdom of darkness; that are meant to terminate lives; problems meant to put people into perpetual bondage; enchantment from the kingdom of darkness and that are targeted against your destiny. Such problems must be dealt with decisively.

When a problem has proved stubborn and has remained entrenched in your life for a long time, you need to settle down and address it or face it squarely. Dealing with such a problem can be likened to uprooting a tree with firm roots. Cutting off a branch cannot give you lasting results. You need to lay the axe of prayer to the root of every wicked tree.

Many who go about with stubborn problems have not really addressed them with seriousness. You must use the weapon of aggressive prayers to address every stubborn tenant bent on making your life their permanent place of residence.

Pray until the powers behind stubborn problems bow and take their leave. The battle against them must be fought and won.

Confession: Psalm 2:1-12: Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision. Then shall he speak unto them in his wrath, and vex them in his sore displeasure. Yet have I set my king upon my holy hill of Zion. I will declare the decree: the Lord hath said unto me, Thou art my Son; this day have I begotten thee. Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. Be wise now therefore, O ye

kings: be instructed, ye judges of the earth. Serve the Lord with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him.

GLORY REVIVAL

God has an agenda of greatness for you. But the problem with many people today is that those whose destinies are meant to be colourful are languishing in the dustbin and require aggressive prayers to effect resurrection of their destinies that are dead. When a particular destiny is dead, its glory becomes shame. Good prospects are rubbished and brilliant stars are hidden in darkness.

It requires serious prayer battle for lost glory to be found. You must pray fervently if the glory which God destined you to experience and enjoy must be revived.

When your glory is revived, those who once disregarded you will begin to reckon with you.

Revival of glory is an important prayer programme which must be undertaken by those who are serious about becoming who God wants them to be.

COMMAND THE MORNING 1

The mystery of spiritual warfare can only be understood by those who have decided to venture into certain areas which other people hardly explore. Those who belong to the dark kingdom have invented a particular strategy for carrying out their wicked antics. They rise up in the early hours of the morning and programme into the day. By so doing, they succeed in having negative impact on the lives of their victims. Soldiers of spiritual warfare have learnt to turn the tide against their enemies by employing a more powerful weapon.

To command the morning is to take charge of the day. It is to exercise dominion and to order the elements of nature, as well as the agents of the enemy, to bow to the wish of the Almighty. By so doing, evil plans are captured.

The sentence of the enemy is rendered null and void. Those who have learnt to command the morning experience first class victory. This is undoubtedly the greatest success tablet. Use it on daily basis and you will be more than a conqueror.

Start by singing songs of praises and thanksgiving to God for giving you another new day.

COMMAND THE MORNING 2

The mystery of spiritual warfare can only be understood by those who have decided to venture into certain areas which other people hardly explore. Those who belong to the dark kingdom have invented a particular strategy for carrying out their wicked antics. They rise up in the early hours of the morning and program into the day. By so doing, they succeed in having negative impact on the lives of their victim. Soldiers of spiritual warfare have learnt to turn the tide against their enemies by employing a more powerful weapon.

To command the morning is to take charge of the day. It is to exercise dominion and to order the elements of nature, as well as the agents of the enemy, to bow to the wish of the Almighty. By so doing, evil plans are captured.

The sentence of the enemy is rendered null and void. Those who have learnt to command the morning experience first class victory. This is undoubtedly the greatest success tablet. Use it on daily basis and you will be more than a conqueror.

Start by singing songs of praises and thanksgiving to God, for giving you another new day.

OVERTHROWING THE WALL OF JERICHO 1

There are times in life when the barrier between you and your breakthroughs appears as the impregnable walls of Jericho.

Jericho is a symbol of barrier put up by the devil. It is the plan of the devil to make you view your miracles afar off, but incapacitates you by surrounding your miracles with the walls of Jericho. Jericho walls represent the totality of the might of the enemy. When he wants to do his worst, he erects the walls of Jericho. It is one way of challenging the power of God.

In the Old Testament, the walls of Jericho amounted to statement of defiance by the enemy. The walls of Jericho were so strong and fortified that the enemies of the children of Israel could go on boasting.

According to ancient history, the walls of Jericho were so massive that a vehicle could ply on them. The walls were so huge that penetrating Jericho was impossible. The picture painted by Jericho walls is that of a strong barricade. When the enemy succeeds in erecting wicked walls around you, he begins to boast, feeling that he has done everything necessary to hinder or prevent you from receiving and enjoying your breakthroughs.

The walls of Jericho cannot allow you to fulfil your destiny in life. As long as they stand, your dreams may remain shattered, your hopes may remain dashed and your prospects may remain a far cry from what you want to experience.

Allow God to intervene in your situation today. Enough is enough. Do not tolerate satanic walls in your life. Let the bulldozer of the Holy Ghost crush all Jericho walls.

Ask God to turn your tragedies to triumph, your tears to testimonies, sorrow to joy, problems to promotions and inadequacies to uncommon strength. The same God who made Jericho walls to fall down will arise in your life and the existence of Jericho walls will become a thing of the past.

God is set to do something unique in your life and when He arises as a man of war, no Jericho wall will remain intact. Remember the following Scripture:

And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen. Rom 16:20

Start by singing songs of praises and thanksgiving to God for giving you another new day.

BAPTISM OF FIRE 1

One of the greatest weapons for crushing oppression is to be baptized with the fire of the Holy Ghost.

Generally, oppression will thrive where there is no fire. The devil and his agents will perpetrate all kinds of wicked acts when they find the atmosphere comfortable. You cannot say no to oppression until you have fire in your life. When you become baptized in the fire of the Holy Ghost, your life will become too hot for the enemy to handle. If you have noticed symbols of oppression, intimidation, manipulation and wickedness, it is an indication of the fact that your fire has been extinguished. Rather than box shadows, you need to go back to the presence of God and receive fresh fire. The baptism of fire is a symbol of the overflowing presence of the Holy Spirit in your life.

The moment you are endued with fire from on high, you will become master over circumstances and forces of darkness. This prayer programme will restore your lost glory and make you to declare that there is something in your life that can repel the enemy.

BAPTISM OF FIRE 2

The fire of the Holy Ghost is the antidote for rescuing a perpetual candidate of satanic attack. This programme is for those who have laboured under negative anointing at one time or the other. When you are baptized by the fire of the Holy Ghost, its presence will consume and expel every form of negative anointing in your life.

Baptism by fire will exert sanitizing influence upon your life. One simple way of carrying out through internal environmental sanitation is to seek baptism by fire if you have never experienced it. If you have sensed in any way that your fire level is low, you need a refreshing experience of fresh baptism in the Holy Ghost. You need to seek God's face for baptism by fire. This prayer programme will thoroughly eliminate every stranger hibernating in your life.

DREAM SURGERY 1

The dream world is a realm of reality. God can use our dreams to bring His plans and purposes pass, while the devil can make use of the vehicle of the dream to attack men and women. Many people, who have battled with stubborn problems, have discovered that there is a link between their persistent problem and their dreams. Those who suffer failure, mysterious attacks, marital distress, failure at the edge of breakthroughs, incurable diseases, unexplainable tragedies, etc are often victim of satanic dream invasion. Most of the time demonic infiltration begins in the realm of the dream. While the victims sleep, they are injected by evil surgeons from the realm of darkness. Such people need another kind of dream surgery.

You must go to the theatre of prayer and use the prayer points below to enable the Great Physician to remove every poison of darkness from your life and destiny. The kind of dream surgery will enable you to get rid of evil deposits that are accumulated in your body and life over a long period of time.

POWER AGAINST THE SPIRIT OF DEATH AND HELL

The spirit of death and hell is the spiritual personality charged with the responsibility of destroying the lives of men and women.

This wicked spirit has carried out its activities unchallenged, in many lives. The result is that many have experienced premature or untimely death, while others have died through mysterious circumstances.

Unknown to some of the victims, they entered into the covenant of death without knowing what they were going into. The spirit of death and hell is so strong that individuals, families and communities should carry out this prayer programme aggressively.

When satanic agents decide to send the spirit of death and hell over a victim, even the best medical facilities will prove abortive.

Prayer against the spirit of death and hell must be done aggressively. When this spirit hovers around a victim, he or she may pass away within the shortest possible time. These prayer points will help you barricade your life and that of your loved ones from every attack of the spirit of death and hell.

POWER AGAINST WOMB POLLUTERS

One of the greatest problems today is that of childless couples. The greater bulk of instances of childlessness, if viewed from the standpoint of spiritual warfare, can be traced to the activities of womb polluters.

Womb polluters pollute the womb and give women complicated problems. Moreover, womb polluters are responsible for spiritual poisoning. When people consume poison, the womb or stomach becomes caged. Problems like internal heat, incurable stomach problems, emitting odious substances and other problems are sponsored by womb polluters. When the womb or stomach is polluted the entire body functions go into disarray: blood circulation is impaired, sound health becomes difficult to come by, while medication will avail for nothing. You need to wage war against womb polluters in order to put a stop to womb-related problems.

POWER AGAINST EATERS OF FLESH AND DRINKERS OF BLOOD

The devil hates you with perfect hatred. Incidentally, he does not hide his wickedness. In recent times, eaters of flesh and drinkers of blood have switched to the most dangerous gear. Some satanic agents openly admit the fact that they eat human flesh and drink human blood. They cause precious lives to perish like ants.

The rate at which people get murdered spiritually in broad day light has become worrisome. This is the time when you must exhibit holy anger.

We must rise up and declare that eaters of flesh shall eat their own flesh and drinkers of blood shall drink their own blood. These prayer points will enable you to put a stop to the spate of premature deaths in homes, families, offices, churches and communities. What is more, the prayer points will enable you to convert your blood and your flesh into poison, hence, you will become too hot for the enemy to handle.

POWER AGAINST SATANIC POISON

One problem medical science has not been able to tackle is the problem of spiritual, poison. When some people develop certain strange sicknesses and go from one hospital to the other without any tangible diagnosis, they are often advised by medical doctors to seek help elsewhere.

Satanic poison cannot be detected by any medical gadget simply because it is spiritual in nature. The only solution is to attack the roots of such spiritual poison. The weapon of aggressive prayer will lay the divine axe to the root of such wicked poisons and their power will be rendered impotent. Healing and health will result from the experience.

You need this prayer programme, if you have battled with a congenital health problem. The so-called psychosomatic diseases can also be cured through a spiritual programme such as this one.

Those who have spent a fortune on seeking medical help will do well to declare war against every form of spiritual poison, by using these acidic prayer points. No poison from the pit of hell will remain in your life and body after this spiritual warfare.

WITCHCRAFT MUST DIE

Witchcraft is public enemy number one. Its activities are deadly, its influence is pervading and its impact is destructive, while its presence is ubiquitous.

Families are invaded by witchcraft agents; communities are turned upside down by witches and wizards. Nations are sold into slavery by witchcraft, the mother of harlots. No family setup will remain intact when witchcraft invasion is allowed. No community will remain intact where witches and wizards have a field day. Your dreams and destiny cannot be fulfilled as long as witchcraft is given a spot from which to land and operate. Witchcraft must die. Spiritually, its agents must be stoned to death. You must make your life too hot for any witchcraft operative to live in.

You need the aggressive prayer programme in this section to kill witchcraft. You must not suffer a witch to live in your life or environment. You must get baptized with the spirit of a warrior as you carry out this particular programme. Anyone who is in the valley cannot wage this war. Your life must be charged with fire and you must be on top of the mountain where your spiritual thermometer is at the highest scale.

POWER AGAINST DEMONIC FOOD

Just as we have human caterers, there are spiritual caterers. Their responsibility is to prepare demonic food and feed their victims with it. People are fed with evil food, mostly through dreams. Eating in the dream is a serious problem that must be spiritually handled with urgency.

Those who are ignorant of the devices of the devil consume delicacies each night in their dreams. As soon as demonic food is consumed, all kinds of complicated physical and spiritual problems ensue. Every instance of eating in the dream is an invitation to satanic bondage.

Demonic foods, whether consumed in a demonic gathering or not, always produces negative result. You must pray against demonic food until its effect and power are rendered null and void. Aggressive prayers will prevent you from any further eating in the dream.

There is a type of prayer to pray when problems are repeated, time and again. These prayer points will prevent the repetition of problems that are sponsored by the devil.

DESTINY CHANGING AND RESTORATION PRAYER 1

To fulfil your destiny, there are two things you must do. You must pray to make power change from the hands of the enemy to the hands of the Holy Ghost. Additionally, you must seek the restoration of your destiny through aggressive prayer points.

Destiny can only be restored and fulfilled when it is handled with seriousness. The battle for destiny fulfilment is one which you must fight and win. The greatest problem today is the inability of multitudes to fulfil their destinies. Many people are living in the valley as a result of destiny diversion by the combination of forces of witchcraft and household enemies. This problem must be solved through a change of destiny. Stolen destinies must be restored for God's will and purpose to be fulfilled.

I recommend these prayer points for anyone who wants to succeed in life and make heaven. This is one prayer programme you cannot joke with. It is a must for anyone who has an idea of the type of damage which household witchcraft has perpetrated.

Confessions: Ps. 113:5-8: Who is like unto the Lord our God, who dwelleth on high? He raised up the poor out of the dust, and lifteth the needy out of the dunghill; that he may set him with princes, even with the princes of his people

Deut 28: 13: And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:

Job 22:25-28: Yea, the Almighty shall be thy defence, and thou shalt have plenty of silver. For then shalt thou have thy delight in the Almighty, and shalt lift up thy face unto God. Thou shalt make thy prayer unto him, and he shall hear thee, and thou shalt pay thy

vows. Thou shalt also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways.

Ps 27:6: And now shall mine head be lifted up above mine enemies round about me: therefore will I offer in his tabernacle sacrifices of joy; I will sing, yea, I will sing praises unto the LORD.

God is not a man that He should lie, nor the son of man that He should repent of any of His pronouncements. Once has God spoken, twice have I heard this, that all power belongs to Him. Therefore, I believe every word of God, because the word of God is God Himself, and if God, it cannot lie. Every promise of God for my life will surely come to pass.

As I make these confessions, I declare to the devil that I am not ignorant of who I am in Christ. I am born again and I have been crucified with Christ. Now, I am seated with Him, far above all realms of darkness in heavenly places.

I am a saint. I belong to God. I am a king and a royal priest, called to the service of God. Jesus bought me with His own precious and blameless blood, and has translated my life from the kingdom of darkness to His kingdom of light, peace and abundant life.

I stand on the victory of Jesus over satan, and over death and hell, for it is written that Jesus first of all descended into the lower parts of the earth, and stripped the devil of all his power. He then ascended on high, leading captivity captive and gave gifts unto men. By this victory, let every gathering of the powers of darkness that is against my prayer life, my success and my breakthrough, be defeated by the blood of Jesus.

The day I wholeheartedly gave my life to Christ, I have submitted myself to the authority of the Lord of hosts. Therefore, satan, I have authority to resist you and your attacks against my sound relationship with my Maker, Jehovah God. Through my faith in Jesus Christ, I have become a seed of Abraham. The blessings of Abraham are mine.

The Scriptures say that I am blessed with the faithful Abraham. I am a partaker of all God's heavenly blessings. It is written that

God has blessed all His children with all spiritual blessings in the heavenly places. The Lord God is a sun and a shield; He will give me grace and glory. No good thing, will He withhold from them that walk uprightly.

The scripture says that if I ask I will receive. I ask and by faith, I receive grace, glory and open heavens from God. Jehovah God is all-sufficient. The bible says He is more than sufficient. I ask for God's divine abundance in every area of my life and I receive it by faith. I confess and receive it by faith.

My prayers are meet smelling savour in the presence of God. I ask, and I receive His grace and fire to incubate me. As it is written, I shall be a crown of glory in the hand of God, a royal diadem in the hand of my Maker. I begin to shine as a shining light. The light of God is in me. Darkness cannot abide in me and cannot overshadow me. The light of God shall be seen upon me and all eyes shall see it together.

Anywhere I go, I shall always stand out. Even when darkness shall cover the earth and tense darkness over all people, the Lord shall arise over me and His glory shall be seen upon me. I shall see and be radiant. My heart shall thrill and tremble with Joy and be enlarged, because the abundance of the sea shall be turned to me. Unto me shall the nations come with their treasures. Foreigners shall build up walls for me and their kings shall minister to me. In God's wrath, He smote me, but in His favour, pleasure and goodwill, He has mercy and love for me.

The sons of those who afflicted me shall come, bending low to me; and all those who despised me shall bow down at my feet. They shall call me the city of the Lord, the Zion of the Holy one of Israel. Whereas I have been forsaken and hated, so that no good thing passed through me, God will make me an eternal glory, a joy from age to age.

I shall eat the riches of the Gentiles and in their glory I shall boast myself, and all shall see and shall acknowledge that I am the seed which the Lord has blessed.

God has spoken to my life. I believe it and I begin to manifest it. I am not a failure, I shall operate at the head only and not beneath. I shall dwell on the mountain always and not in the valley. I shall no longer experience the activities of the spirit of mount Pisgah. I shall no longer be disappointed or fail at the edge of my desired miracles, success and victory; for the blood of the Lamb of God has cleansed every mark of witchcraft, hatred, jealousy, bewitchment and envy from my life.

I trample under my feet every serpent of treachery, evil report, accusation, machination and criticism. No counsel of the wicked shall stand against me. If God be for me, who can be against me. No weapon that is fashioned against me shall prosper and every tongue that rises up against me is already condemned. Therefore, I tear down in faith, every spiritual wall between me and my divinely appointed helpers and benefactors.

Right now, I stand in my position as a true child of Jehovah God, ordained to reign as a king on earth and I command the flavour of divine favour of God to fill me. God has put His Word in my mouth as a weapon of destruction and restoration. I use that power to speak destruction upon all devil's agents, assigned to hinder me and divert my blessings. I use the same weapon to decree restoration upon my life. It is written that I should discard the former things. God shall do a new thing in my life and it shall spring forth. Now, I ask that new things should begin to spring forth in my marriage, in my business, in my finances and in my spiritual life.

The Lord will make His face to shine upon me always and shall be gracious unto me. His light will shine on my path and His favour will encompass me all the days of my life.

Job 22:25-28: Yea, the Almighty shall be thy defence, and thou shalt have plenty of silver. For then shalt thou have thy delight in the Almighty, and shalt lift up thy face unto God. Thou shalt make thy prayer unto him, and he shall hear thee, and thou shalt pay thy

vows. Thou shalt also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways.

Ps 27:6: And now shall mine head be lifted up above mine enemies round about me: therefore will I offer in his tabernacle sacrifices of joy; I will sing, yea, I will sing praises unto the LORD.

God is not a man that He should lie, nor the son of man that He should repent of any of His pronouncements. Once has God spoken twice have I heard this, that all power belongs to Him. Therefore, I believe every word of God, because the word of God is God Himself, and if God, He cannot lie. Every promise of God for my life will, surely come to pass.

As I make these confessions, I declare to the devil that I am not ignorant of who I am in Christ. I am born again and I have been crucified with Christ. Now, I am seated with Him, far above all realms of darkness in heavenly places.

I am a saint. I belong to God. I am a king and a royal priest, called to the service of God. Jesus bought me with His own precious and blameless blood, and has translated my life from the kingdom of darkness to His kingdom of light, peace and abundant life.

I stand on the victory of Jesus over satan, and over death and hell, for it is written that Jesus first of all descended into the lower parts of the earth, and stripped the devil of all his powers. He then ascended on high, leading captivity captive and gave gifts unto men. By this victory, let every gathering of the powers of darkness that is against my prayer life, my success and my breakthrough, be defeated by the blood of Jesus.

The day I wholeheartedly gave my life to Christ, I have submitted myself to the authority of the Lord of hosts. Therefore, satan, I have authority to resist you and your attacks against my sound relationship with my Maker, Jehovah God. Through my faith in Jesus Christ, I have become a seed of Abraham. The blessings of Abraham are mine.

The scriptures say that I am blessed with the faithful Abraham. I am a partaker of all God's heavenly blessings. It is written that

God has blessed all His children with all spiritual blessings in the heavenly places. The Lord God is a sun and a shield; He will give me grace and glory. No good thing will He withhold from them that walk uprightly.

The scripture says that if I ask I will receive. I ask and by faith, I receive grace, glory and open heavens from God. Jehovah God is all-sufficient. The bible says He is more than sufficient. I ask for God's divine abundance in every area of my life and I receive it by faith. I confess and receive it by faith.

My prayers are sweet smelling savouries in the presence of God. I ask, and I receive His grace and fire to incubate me. As it is written, I shall be a crown of glory in the hand of God, a royal diadem in the hand of my Maker. I begin to shine as a shining light. The light of God is in me. Darkness cannot abide in me and cannot overshadow me. The light of God shall be seen upon me and all eyes shall see it together.

Anywhere I go, I shall always stand out. Even when darkness shall cover the earth and tense darkness over all people, the Lord shall arise over me and His glory shall be seen upon me. I shall see and be radiant. My heart shall thrill and tremble with joy and be enlarged, because the abundance of the sea shall be turned to me. Unto me shall the nations come with their treasures. Foreigners shall build up walls, for me and their kings shall minister to me. In God's wrath. He smote me, but in His favour, pleasure and goodwill, He has mercy and love for me.

The sons if those who afflicted me shall come, bending low to me; and all those who despised me shall bow down at my feet. They shall call me the city of the Lord, the Zion of the Holy one of Israel. Whereas I have been forsaken and hated, so that no good thing passed through me, God will make me an eternal glory, a joy from age to age.

I shall eat the riches of the Gentiles and in their glory I shall boast myself, and all shall see and shall acknowledge that I am the seed which the Lord has blessed.

God has spoken to my life. I believe it and I begin to manifest it. I am not a failure, I shall operate at the head only and not beneath. I shall dwell on the mountain always and not in the valley. I shall no longer experience the activities of the spirit of mount Pisgah. I shall no longer be disappointed or fail at the edge of my desired miracles, success and victory; for the blood of the Lamb of God has cleansed every mark of witchcraft, hatred, jealousy, bewitchment and envy from my life.

I trample under my feet every serpent of treachery, evil report, accusation, machination and criticism. No counsel of the wicked shall stand against me. If God be for me, who can be against me. No weapon that is fashioned against me shall prosper and every tongue that rises up against me is already condemned. Therefore, I tear down in faith, every spiritual wall between me and my divinely appointed helpers and benefactors.

Right now, I stand in my position as a true child of Jehovah God, ordained to reign as a king on earth and I command the flavour of divine favour of God to fill me. God has put His word in my mouth as a weapon of destruction and restoration. I use that power to speak destruction upon all devil's agents, assigned to hinder me and divert my blessings. I use the same weapon to decree restoration upon my life. It is written that I should discard the former things. God shall do a new thing in my life and it shall spring forth. Now, I ask that new things should begin to spring forth in my marriage, in my business, in my finances and in my spiritual life.

The Lord will make His face to shine upon me always and shall be gracious unto me. His light will shine on my path and His favour will encompass me all the days of my life.

SUCCESS IN THE MINISTRY

Ministerial success goes beyond the acquisition of theological knowledge or hard work.

A good number of spiritual factors determine the level of success which anyone in the ministry would achieve. A typical minister has lots of hostile powers to contend with. The devil has assigned hindering forces to each minister to programme failure into the work of the ministry. To succeed therefore, you need a great deal of prayer. Since the work of the ministry is spiritual in nature, the minister must fight and win certain battles in the spiritual realm to achieve success in the ministry.

You will achieve success in the ministry as a minister if you will take time to handle this prayer programme with uncommon aggression. This is the secret of success in the ministry.

By the power in the blood of the Lord Jesus Christ, I confess that my pregnancy is perfect, in the name of Jesus. Every part of my body shall function perfectly for the formation of the baby, in Jesus' name. My blood shall circulate effectively. Everything that passes from me to the baby for its development shall be perfect, in Jesus' name. I confess that I am strong. Weakness is not my lot, in the name of Jesus. I will not have morning sickness or vomiting in my pregnancy, in the name of Jesus. I reject cramps, varicose veins, piles and backaches, because Jesus Christ has borne all my sicknesses. I refuse constipation, anaemia, vitamin and mineral deficiencies, swollen hands and feet, hypertension,

convulsion and diabetes in the mighty name of Jesus. My urine will remain normal in the name of Jesus (Psalm 103: 3-5). I confess that the activities of eaters of flesh and drinkers of blood will not prosper in my life, in the name of Jesus. I refuse and reject all negative dreams, visions, prophecies and imaginations, in the name of Jesus.

I confess God's Word in Exodus 23:26, that I shall not have a miscarriage or any form of abnormal bleeding or malformation of the baby, in Jesus' name. I shall be a joyous mother of children. My womb is fruitful. I am a fruitful vine by the side of our house. My children are like olive plants round about our table. As the baby grows, every aspect of its growth, formation and development, shall be perfect, in Jesus' name.

I also confess that I shall not suffer any sickness like nausea, irritation, headache, internal or external pain, because by the stripes of Jesus, I am healed. I tread on sickness and upon all the powers of the devil. My body is the temple of the Holy Spirit. I have the life and health of Christ in me. The Sun of Righteousness has arisen, having conquered sickness, pains and satan. There is healing in His wings for me. God's will for me and my baby is to prosper and be in good health. God is at work in me now to will and to do His good pleasure. The power of the Holy Spirit is at work in me right now. It is flowing in me and perfecting all that pertains to my baby's formation, in Jesus' name.

I declare that every disease and germ should die now, in Jesus' name. Nothing I take into my body through the mouth shall harm me or my baby, in Jesus' name. God's word says, "If I drink any deadly thing, it shall not harm me." I confess that as I go to deliver my baby, the Lord shall direct those taking the delivery on what care suits me and the baby, in Jesus' name.

My pregnancy is established in righteousness. I am far from oppression, therefore, I shall not fear, because no terror shall come near me. No evil shall befall me or my baby, and no plague shall come near my dwelling place and my family.

As the pregnancy progresses, the Lord shall fulfil the number of my days. I shall not have a premature baby but a fully grown baby. My baby shall come out alive, strong and healthy because nothing shall harm my

young ones. I am fearfully and wonderfully made. My pelvis is wide enough to allow my baby to pass through, in the name of Jesus.

I also confess according to Isaiah 43, that when I pass through the water, the Lord will be with me, if through the rivers, it shall not overflow me and if I walk through the fire, I shall not be burnt nor shall the flame scorch me. Therefore, I confess that I shall pass through the child-delivery without any pain or hurt, in Jesus' name.

The Lord shall take away from me every sickness of pregnancy and child bearing and those that accompany complication, according to Deut. 7:14,15. Therefore, I shall not fear because I have been redeemed from the curse of the law - the curse of bringing forth in agony (Galatians 4).

I boldly confess Isaiah 66:7, that before I travail, I will give birth and before any pain comes, I will be delivered of my baby. Moreover, according to 1 Tim. 2:15, I will be delivered of my baby. Also, according to 1 Tim. 2:15, I will be saved in child-bearing because I continue in faith, love and holiness with self-control.

I confess that I shall go to the delivery room confidently, in Jesus' name. The Lord has given me perfect peace, because my mind rests on Him. My trust is in the Lord and Jehovah God is my everlasting strength.

According to Psalm 118:17, I confess that I shall neither die at child-birth nor shall my baby suffer death. We shall both live to declare the works of the Lord, in Jesus' name.

My cervix shall be fully dilated, and the passage big and open enough to allow the baby pass through with ease. The delivery shall be perfect, in Jesus' name. No evil shall befall me or my baby. No weapon of the devil that is fashioned against me or against my baby shall prosper, in Jesus' name.

The Lord is the strength of my life, of whom shall I be afraid. He is my Deliverer, my God, my Buckler and the Horn of my Salvation. The Lord is all I need to take through on that day. He will strengthen the bars of my gate. He has blessed my children within me. Therefore, through the Lord, I shall do valiantly. I will live to be the happy mother of my baby. None of us shall see death, in Jesus' name. I refuse prolonged labour
