

**Last Call 10-26-24@11:37 AM**

I am the Way.

I am the Truth.

And I am the Life.

If you want to live and live abundantly, come to Me.

See the scars where I had bled for you so you could go free.

I cry out to those.... I called out to those who are Mine, yet still have not come.

I call out to those of Mine who are of unfaithful hearts... return. Come to Me before it's too late.

Grace's door has been shut. And it is extended to those who believe in Me, who are to come, and for those who are covered by prayer by one of My children or more.

This world is wicked and it's evil.

Babylon you celebrated at the beginning of this new year your demise as a nation. You celebrated the fact that you're going into war, and you're going into captivity, and you're going into famine.

Your economy has already started collapsing as I have spoken. Not just through you daughter but through many of My children.

You celebrate it at the beginning of this year the demise of your nation O' people of the United States of Babylon. Now war comes to your land followed by captivity, invasion which includes pestilence and plagues and famine as I have declared it. You are wicked and you are evil and you are unrepented. Your stench has reached up to My Heavens.

I came so you could have life and more abundantly and you would not have to live in the cesspools of sin, in debauchery, and the pig sties. You would not have to rub elbow to elbow and shoulder to shoulder with the filth of the fallen ones and their offspring. That you could rise above and be what I created you to be.

When My Blood covers you, when My Blood cleanses you, you become a new creation in Me. Yes you still have to fight the sin nature of this body until you are changed until you are with Me in Heaven, but that's not license to sin. Sin is sin.

I say, "Come running and come now while they're still time. While mercy is still extended and grace." I call out to those with listening hearts. And to those with not..... I speak not to you.

O' prideful America, Babylon to Me can you now see the proof that war is coming to your shores? Can you not now see that Putin will fire and Xi Jinping will aid in the invasion? Can you not see how the world has turned against you? Yes you can. Because you're no longer blessed and favored and covered by My protection.

You have played the harlot to Me America, Babylon! You have played the harlot to your God and I called, and I called, and I called, willing to forgive you repeatedly, repeatedly, and repeatedly.

Now judgment's hand has fell. Did I not declare this? That when the ball dropped, your idol ball dropped in New York City to celebrate your new year that My fist of judgment fell? Yes I did. And I said you celebrated your last, your last New Year celebration.

Because you're going into war.  
And you are going into captivity.  
And you're going into invasion.  
And you're going into famine. And you're going into plagues and pestilences.  
And you're going into the fact that you as other nations have.... eat your own!

When a nation forgets Me their God they're turned into hell. Hell on Earth. For those unrepented, hell in reality in the afterlife where your soul will spend its eternity thrown into the lake of fire. These are not myths but truth. These are not myths but TRUTH.

If you will take time to look at the cover up by your nation's governments of how I created this world... Start doing the physics yourself. Start adding it up. Start doing the tests. Where's the curvature? Where's the curvature in the land? Where's the curvature in the water? Where is the curvature when I created it? When "I" created it. I know what I'm saying.

When I say your whole world lies in deception and wickedness I mean it lies in deception.

Daughter the spirit and physical realms have almost fully merged. When the black rock, My black magnetic rock fully demagnetizes woe will come.

Woe.... Woe... Woe.

All this is interconnected daughter. All this is interconnected and will bring forth My Great Day. The nuclear devices... The nuclear in both ukraine, in Babylon.... in other places to come.... The three days of darkness....The rapture..... The aliens..... All these things.... the fake aliens daughter..... antichrist's rise. You know, you know how they go hand in hand.

Daughter, you know how when someone is boarding a plane they will say, “Last call, get on board!”

Or they're boarding a boat.

This is the last call, this is the last call.

THIS IS THE LAST CALL BEFORE THESE THINGS START.
