Pray these prayer points with all aggression for a start:

1. I claim my freedom from every evil pronouncement, in the name of Jesus.
2. I claim my freedom from every hereditary problem, in the name of Jesus.
3. Every demonic communion concerning me, be broken, in the name of Jesus.
4. Every demonic reinforcement against me, be broken, in the name of Jesus.
5. Every troubler of Israel, trouble me, no more, in the name of Jesus.
6. I crush every serpent and scorpion despatched against me, in the name of Jesus.
7. Let the power of God be released into my body now, in the name of Jesus.
8. I cast into fire every evil load, in the name of Jesus.
9. I cast out the spirit of evil inheritance, in the name of Jesus.
10. None of my blessings shall disappear with this year, in the name of Jesus.
11. I possess my-possession, in the name of Jesus.

The topic of this message, *"Deliverance for the head"*, may sound strange to you, but there are indeed many sick heads around. We are talking about deliverance for the sick head.

In Genesis 3: 15, we read one of the most powerful verses in the Scripture. This was God speaking after Adam and Eve had committed sin. God cursed the serpent, saying:

"And I will put enmity between thee and the woman, and between thy seed and her seed, it shall bruise thy head, and thou shalt bruise his heel."

Let us read that verse more slowly. "I will put enmity between thee and the woman", simply means that there will be war between you and the seed of the woman, or, that God will make you enemies of each other, or, there will be eternal disagreement between the two of you. In other words, there is no way the devil can be friendly with man. If there is something like friendship now, later you will realise that it is the type of friendship that the Yorubas call the friendship of the cat and the mouse.

The devil is never a friend of anyone. Even those who are serving him now, and boasting about his power, are just being deceived. At the end of the day, the same devil will swallow them up. "I will put enmity between thee and the women, and between thy seed and her seed." That is, between your offspring and her offspring, and it shall bruise your head. "Bruise" here, means to wound, crush, strike or attack the head. That is to say, the seed of the woman shall crush the head of the serpent under his feet. Remember that, it is the head of the serpent that will be crushed.

WHEN A DELIVERANCE IS SAID TO HAVE TAKEN PLACE

A deliverance is said to have taken place in any of the following situations:

When somebody has been released from captivity, whatever form of captivity it is. Whether it is slavery or oppression, or when some evil spirits have been evicted from a person, a place or a thing.

When a person is released from a curse or spell issued on him or from a bewitchment.

- When an evil yoke is broken in somebody's life.
- When some evil covenants concerning somebody has been broken.
- When an embargo placed on somebody or something by satanic powers is removed.

THE BEAD IS A UNIQUE ORGAN

Beloved, the head is the uppermost and the most important part of the body. You can find somebody with one organ or the other missing from his body who is still living, but you can never find a headless person alive and moving about. This is why the Bible makes us to understand several things, about the head:

For example, 2 Samuel 1:16 says,

"And David said unto him, thy blood be upon thy head for thy mouth hath testified against thee, saying, I have slain the Lord's anointed."

So, in Scriptures the head can mean the whole person or the life of a person.

In Psalm 7: 16, the psalmist prayed his normal, aggressive prayer:

"His mischief shall return upon his own head,"

Here again the statement refers to the whole life of a person.

The popular Psalm: 23:5 says:

"Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil: my cup runneth over."

Here, it does not say my leg or my hand, but "my head".

Those of us who have read the book of Leviticus would have found that in Chapter 19:27-28 it is written:

"Ye shall not round the corners of your heads, neither shalt thou mar the corners of thy beard. Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the Lord."

Please, I want you to note all these Scripture verses.

In Matthew 5:36, we also find a very interesting statement made by Jesus:

"Neither shall thou swear by thy head, because thou canst not make one hair white or black."

In the Scriptures then, the head can be used to illustrate several things. When the head is covered, or when I say my head should be covered, it could mean defence and protection. When you say my head is lifted up, it could mean joy, exaltation and confidence. Isaiah 1:6 says:

"From the sole of the feet even unto the head, there is no soundness in it; but wounds, and bruises and putrifying sores, they have not been closed, neither bound up, neither mollified with ointment."

Isaiah is saying that a situation may arise when there is no soundness at all in the head. And Jesus said, "*Don't swear by your head.*" There is a purpose for all these verses.

Why are hands laid on the head? Why are crowns laid on the head? Why do we anoint prophets, priests and kings, in the Scriptures? Why is it the head of the serpent that has to be bruised? Why is it that the spirit of death and hell usually hides in people's brains? Remember that, it is the brain that is responsible for a person's intelligence, memory, power, and the five senses of hearing, speech, taste, feeling and smell. Therefore, a balance can only be maintained with a sound brain.

When something goes wrong with the head, physically or spiritually, there is a problem. Why, for example, does the Bible forbid swearing by the head? Because anything that affects the head affects the whole person.

CURSED HEAD

In our environment, we have many people whose heads have been cursed. Unfortunately, beloved, you will never find anyone in this country who has never been cursed, either playfully or seriously. All the careless words such as "you are mad", "poor thing", "your head is not correct", "bad head", etc, are curses against people and their works.

I remember the case of a brother who is a businessman. He and his colleagues agreed that anytime they would go for a business, they would gather at a place by 7 a.m. before taking off. But after sometime the brother found out that when he got to the agreed palce at the agreed time,

he wouldn't see his colleagues. He decided to get there at 8 am, yet he did not see them. He was astonished.

Then one day he decided to go there as early as 6 a.m. and found out to his amazement that his colleagues were just taking off. He demanded to know Why they had decided to abandon him, when they were all supposed to be doing the business together. They did not offer any explanation to him, but the only white man amongst them was quite open and frank to him. He said, "Well, we found out that any time we went out with you, there would be no success, that is why we have been going without you and it would be greatly appreciated, if you would not go with us today." That' is what we call a "cursed head."

In this our environment, when a curse is issued using the head, whether it is personal or not, whether you issued it on yourself or somebody issued it on you, there is trouble. Jesus said, "Swear not at all." Some people, when they get really angry, beat the ground in anger or bash the table. Such people already have problems in the head.

One time we preached a message here, entitled "Madness according to God." Our own definition of madness is when a person loses his mind and is roaming the streets; but as far as God is concerned, His definition of madness is different. Many people say they are not mad, but God says that they are; and some who say they are mad, God tells them that they are perfectly normal. After all, people told Jesus that He was mad by their own definition. They also told Paul that he was mad by their own definition. God has His own definition.

Some people, when they are angry, bash their heads on the wall, or look for any piece of metal to bite; some touch their tongue and raise a finger to heaven. That is an insult to God. Others bite their fingers, or just say, "My head will punish you."

The truth is that, if you keep saying that kind of a thing, you are inviting the spirit of witchcraft. All these people need deliverance of one form or the other, either for direct or indirect curses issued upon their heads.

Many years ago, when I was a teacher in a school, the students looked at me and concluded that I did not understand their language, that I must have come from another ethnic group. So, I decided not to speak their

language and always minded my business. The students said all sorts of evil things against the teachers. At a time I had revealed my identity and told them that I understood all the things they said. If one didn't possess sufficient fire to cancel all those things they said, one would end up carrying a heavy evil burden.

Now, bow down your head and pray this prayer point:

"I break every personal and external curse issued against my head, in the name of Jesus."

Many people have great problems because of this. In our environment here, we issue a lot of curses against our heads and other people issue curses on us and ultimately problems are set in motion. Unless you run the head through a deliverance there is no other solution.

THE SOURCES OF POLLUTING THE HEAD

1. Through demonic prayers

You want to get married and you know that your parents will pray for you; this is quite good and normal. But the Bible says that the prayer of a sinner is an abomination" unto God. Now, when your father, who is a member of a secret society, and your mother, who is a witch, pray for you, there would definitely be trouble. You would be better off without their prayers, because what they are saying physically is the opposite of what they mean in their hearts.

2. Cutting-off the hair for evil manipulation

If the enemies cannot get your hair through your barber or your hair-dresser, they will look for it in your dust-bin, to use it against you.

A lot of people have woken up in the morning to find that their hair has been cut. What do the enemies do with the hair? The answer is simple. Evil manipulation. With it, they cause so much trouble. Many people are married to their enemies. For example, the husband cuts off the wife's hair

and takes it away, or the wife cuts off the hair of the husband, and takes it away. The owner of the hair is under manipulation.

3. Eating the hair they have taken.

It may sound unbelievable but there are people who take people's hair, cook it, with something and eat it, believing that after they have done so, their victim will listen to anything they say. The person whose hair had been then becomes a slave, because his or her head is under their control.

The case is similar to a person whose placenta has been eaten. If that happens, the eater then assumes total control of the victim's life.

There was a sister like that in our Church MFM. Her father ate her hair and when she began having marital problems we sent her to her father. After hot prayers her father said, "My daughter, somebody must have advised you to do this. Don't worry, by the time you get to Lagos, there will be no more problem."

The man then went under his bed, brought out a bottle and in it was this sister's hair. The bottle was turned upside down. Things were really upside down for that sister. The man said, "Okay, I will turn the bottle upright. Go in peace and enjoy yourself." But we had to plan our own strategy to remove the bottle. Of course, the man nearly fainted when he could not find the bottle.

There are so many wicked devices in our environment. This means that we really have to be on fire not once a week but everyday.

4. Manipulated head gear or cap

A person's head gear or cap may be stolen and exchanged with a manipulated one. Those men who are busy carrying caps everywhere should take note.

5. Summoning the head of a person

A person's head may be satanically summoned for some harm to be done to him. This is why some people find themselves in strange and unfriendly places, where it is impossible for them to escape. Even if they fly, the enemy flies after them. This happens in the spirit.

A sister had a dream in which she found herself on a mat and flying like an airplane. There was another woman beside *her* on the mat. When she inquired from the woman where they were going, she said, "Shut up, we are attending a meeting of witches." The sister said, "But I am not a witch, why should I go with you?" Again the woman said, "Shut up." Then, the sister screamed, "Jesus" and the mat broke into two. She dropped to the ground and the woman continued her journey.

The question is: Why did that sister get on the mat at all? She was called out to join. You may have heard stories of people hearing their names without knowing who called them. It is part of the evil scheme. Now, you know what we mean when we say, "Deliverance for the head."

6. Demonic pomade or hair cream

When the enemies grind human parts and put them in the pomade for you. You use it, and problem starts. Or if the enemy puts Indian hemp in your pomade and you rub it into your hair or head, problems arise, because your head now smokes hemp.

7. Incisions on the head

Any single incision on your head is a demonic invitation to evil. Apostle Paul said: "Let no man trouble me because I bear in my body the marks of the Lord Jesus." It is an evil mark that should be nullified.

8. Chieftaincy titles

When leaves are hung on your head because you are given titles, you are rejoicing, saying that you are a chief in your village. However those who did not have access to your head before and who could not have been able

to touch your body, have had the opportunity to bring their demonic leaves and stick to your head. That can be a source of real problems for you.

9. Carrying sacrifices on the head

This is another source of problems. You have allowed your head to become a Satanic transport services.

10. Washing the head with demonic soap

When somebody, who is not finding things easy, decides to go to 'native doctors' to wash his head with demonic soap, that definitely worsens the matter for him.

11. Shaving the hair for the dead

This can also be a source of problems.

12. Swearing, by your own head

This will cause all kinds of problems.

THE EFFECTS OF A CURSED HEAD

We hear about problems like the foregoing in our environment.

When people are operating under the bondage of the head, such people will always fail to listen to any good advice.

Such people are unteachable. They argue in ignorance, have confused dreams, and usually lose their memory without knowing why.

Sometimes during serious prayer sessions, they develop serious headache, and things move about in their heads.

Unexplainable debt comes in.

Inability to settle down in marriage as a man or woman can also set in.

Beloved, when one comes from a polygamous home, where there may be three wives, and all the children from a particular mother are completely unprogressive and poor, something is wrong with their heads.

Constant failure in examination is another sign.

Once somebody's spirit is summoned, and the person does not have sufficient fire to resist, even if the person is not killed, some evil extra luggage will be put in his life. It is the sign of a poisoned head.

Once the head is polluted, the rest of one's life will suffer. That is why, when Jesus died, His substitutionary death, He shed His blood in several different ways, for example;

In Gethsemane, as He prayed in agony, He shed His blood,

His face was disfigured, when the high priest struck Him across the face with a rod; He shed His blood,

When they whipped his back with a whip that had pieces of metals on it, and which tore away His flesh, He shed His blood,

When they put a poisonous crown of thorns on His head, He shed His blood.

The poison in the crown represents curses. Therefore, anybody who goes about with a cursed head, is doing so by a personal decision, since Jesus has made himself a substitute for this and solved the problem 2000 years ago. All you have to do now is to call upon His name, and He will answer.

HOW TO RECEIVE DELIVERANCE

The first thing you must do to get delivered is to change camps by giving your life to Jesus. In case you are not saved, ensure that you get saved today. Give your life to Jesus, and He will translate you from the kingdom of darkness to the kingdom of light.

You can receive deliverance from head problems through the baptism and anointing of the Holy Spirit. When the power of the Holy Ghost falls upon your life, it causes demonic yokes to break. The in filling and anointing of the Holy Spirit will break every yoke.

You can receive deliverance from the cursed head through the Word of God, too. When you keep renewing your mind with the Word of God, demonic bondage get broken.

You can receive deliverance from the cursed head by breaking those curses and casting out the demons in charge of them.

You can also receive deliverance from a cursed head by spiritual warfare, praying warfare prayers, and by your violent faith and confession.

What am I saying? I am saying that many of us have to go back in time to when we were little rascal boys or girls, when our parents and friends were saying all kinds of things upon our heads, thereby polluting them.

Or you have been going to all kinds of people who have seen the virtues in your life and they know that the only way to steal them is to have access to your head. Once they get them, they remove them, and trouble starts. Some go to prayer meetings, where they are asked to bring soap, sponge and towel. When they go there the next day, the sponges, etc., are redistributed and one doest not know which one is his. Even, if he gels his own, he does not know what has been done with it. They start by scrubbing his head with it and problem starts.

To get delivered from the cursed head, you have to be serious and pray these prayer points aggressively.
