

The Great Day of the Lord 2-19-25 @9:26 AM Shared 2-21-25

A time of wrath
A time of woe.
A time of burning judgment
A time of trials.
A time of devastation
A time of darkness.
A time of death
A time of My Wrath and My Judgment.

The Day of the Lord is here, Daughter, it is here. The season, the moment, is My Return that initiates the beginning with a moment of 3 for My children left behind and others to fall upon their faces and repent, before I begin pouring all that is written fully upon this evil, wicked world.

No longer shall it be a refuge for the fallen ones. No longer shall those in high places smugly sit in their lofty peaks of raised positions of power. I strike it down.

One government, one unified world of man controlled by the Antichrist, the Man of Sin. Yet even then, he will be having his strings pulled. He will be pulling some of the fallen ones strings themselves, because I have called him to rule at this time. It's not going to be as they have fully planned or imagined. Though Antichrist shall be called to lead and elected, raised into power over your world, I shall send resistance against their every move until he will no longer hide behind a facade of false peace. And what he does in the shadows he will openly do. Killing and destroying all who oppose him, especially My children left behind by their own decisions to not serve Me wholeheartedly before I came for My Holy Bride in Me.

When I return, when I come, it will be a dark time upon your world. The force of My entry into your world, with My full restored glory, and that of My Heavenly Host shall rent the heavens and the earth, causing all to shake like never before since the creation of time. This is recorded in My Holy Word, spoken by My prophets of old. It shall be followed by another in the foretold times of 3, that I have spoken through you. From the time I return and raise up those in the graves, who are Mine, and gather the others, then the 3 period allotment; My Great Day shall begin.

The kings, the rulers, the people, and inhabitants of this world shall recognize this time has come by these happenings, as written in My Holy Word, declaring My Day has come. For they recognize with My Bride removed, the heavens rolled back like a scroll for My entry, that this foretold time is now. But not before a period, an allotted season of time of 3. The 2 are 1 in the same event, but covering this stated time. Search the Scriptures and see if this is not how it is written. That man, recognizing that My time has come, so does the fallen ones.

I leave to you, O fallen ones, a world I shall devastate with holy judgment for you to rule. Gone will be the lush, green valleys, beautiful lakes, and hilly lands of the world I created. I shall burn a third with fire and brimstone, raining it down. And it shall be your actions and technology, in part, so you will know, as you look at the devastated wastelands you are to rule, you will remember. I sit and watch as you ruined My earth I created, poisoning the air, polluting the waters, manipulating the climate and weather, while I bided My time waiting for My Father's command. You have your agents and nephilim screaming, 'Climate Change! The earth is heating up!'

Programming this into the minds of the inhabitants of the earth, including My children. When, in reality, your kingdom of darkness are behind it. You know the time of the end of days has come. You've kept accurate calendars of the day and years, approximately, more so than mankind. So, through your technology, like the heating and the fake suns, you have begun melting the ice so when the merging of the spirit realm and the physical begins it's final merging, the ice wall surrounding it will fall, and access into the world of men will be freely given during the 3 Days of Darkness. This is only done because I have allowed it for My Father's will to be done. Yet, not all of the spirit barrier, or ice wall, shall fall until the very last day comes to an end upon this world, because I shall be given 1,000 years of your time, Daughter, to reign righteously upon the earth as it was created to be.

Then, afterwards, all of mankind's mapped out timeline of days will have expired. A new earth and a new Heaven, a New Jerusalem, shall be in existence where time never ends. So to you, Lucifer, and your whole kingdom of darkness, I send opposition as the 7 years of Tribulation begins. I give you division among your ranks. I give to you a wasted barren land, most areas for you to reign. I give you sickly, diseased people, barely able to give you the worship you demand in your cruelty. And I bring to you so much more, but the rest you shall see as the time arises. I am in control. Not you. These things are done, these things are allowed to the fulfilling of the Written Word of God given to man and the end result will be a world without evil. A world without sin. And with these locked away in the Lake of Fire, this temptation shall never rise again in My children. I came to save the lost, to expose the kingdom of darkness; to rid this world of sin. The time of this beginning is upon the world. You have been warned, world, of My judgment to come. Now it is up to you to decide. It's your choice. Be wise in how you make it.
