

## **An Official Proclamation from The Courts of Heaven 12-21-21 at 4:00 AM**

I awoke this morning with a sense of a heavenly presence in my room only it wasn't my lovely Jesus who I know well. My eyes immediately fell upon the clock. It says 4:00 am on the dot and I am hearing a man's voice. This is what he is saying:

"Hear ye, hear ye the word of the Lord. Why halt ye America between two opinions? The Lord, He is the living God. Serve him." "Hear ye, hear ye a proclamation I bring to thee this day from the Courts of Heaven above. The charges against you be fierce and they be true. Now the time of fulfilling of your sentence of guilty hearts of unrepentance is here." "Excuse me, but you are the Angel who was here before. Are you not who came to me last month with another proclamation that I was not meant to share? I recognize your voice. I feel your mighty and holy presence, but for some reason I can't see you with my eyes." "Yes, Daughter of Faith. I am he, holy messenger of the living God Jehovah and His Son, the Lamb Jesus. I am here this day, this hour to bring to your world a holy proclamation." "Forgive me, I didn't mean to interrupt."

"Now I shall bring forth the holy proclamation sent from the Courts of Heaven: "On this day, oh ye, inhabitants of the earth, let it be known you will no longer wonder if there sits a God in Heaven who is in charge of all things great and small. This day, this night, this hour begins the trials of faith for those who belong to the Lamb and trials of fear and destruction for those who do not. Because today the fulfilling of your guilty sentence begins for your nation America's failure to repent. The world is included in the completion of these things."

I am seeing two arms now and an opening scroll as if it is about to be read from directly in front of me with my eyes fully open. "Jesus let your perfect will be done, for I am here and I am your humble servant, your humble daughter." "Hear ye, this day oh great nation of America, that which you were warned of it starts today. It begins now! Shuddering and shaking like never seen or heard before begins...now. Signs, great signs and wonders within the skies you shall behold. Great and terrible things from the hand of the living God Jehovah and the great Lamb of love. Let it be known to all mankind that this day, this hour, this moment your remaining judgments are to commence ...now!"

I'm hearing short blasts of a trumpet. I count three of them. "Jesus, Jesus, what does this mean?" "Hear the proclamation My daughter. Listen well to the Angel's words for they are an official proclamation from the Courts of Heaven. All things by design have an order to their ways." "Yes, Jesus, thank you." "I'm sorry. I didn't mean to interrupt you." I feel like he, the Angel, has nodded his head in understanding. He is speaking again, but this time his voice sounds like thunder and I find myself trembling at these words.

“Hear ye I say, hear ye one and all, this official proclamation sent forth for all to hear. You have been judged. You were found guilty and judgment has been given yet the great God Jehovah, the Creator granted you an extension of time before you served your time of judgment. So you could return unto Him once again or receive His Son Jesus for the very first time. This extension of time has been abused and squandered by most and now has been revoked. Your time of serving your sentence of judgment, the sentence of war starts today, this day and this hour. Nations shall be allowed to rise against your nation no longer protected by the hand of God, the Creator. You have forfeited the right for protection and favor when you turned from Him with your hearts in pursuit of other gods.”

“ You have forfeited your right as a whole people for the covering protection of the Lamb’s Blood, again as a whole people...a whole nation which stands condemned by your own acts of sin. No longer do you hold the title of “Chosen and called by God.” For your sins against Him and against the Lamb they are many. The greatest of all sins you have committed, oh ye people of the great land of America is the sin of rejecting Jesus the Lamb who freely died for all. This very act if not repented of, seals your fate to an eternity of damnation by your own choosing. This proclamation from Heaven is to all people of this wicked land of America. It is sent down upon the just who live in faith in the Holy Lamb and those who do not. It has been decreed by God in Heaven that these things come to pass...now. No more delays shall be given once more and not many days hence the war of the world will begin upon your world.”

“I give this proclamation to notify the inhabitants of your nation American accordance with the laws of Heaven, the Courts of Heaven. The starting of your sentence handed down to you with your verdict of guilty starts today, this day, this hour, this moment in time.” “May I ask you a question?” “Yes, Daughter of Faith. What is your question?” “Okay, Thank you. In this official proclamation from Heaven, you said the time of starting our sentence is now. Or I should say it starts today, this day, this hour, this moment in time. What does this actually mean time wise for us here on the earth and what has kept it from beginning already?” “That is two questions: Daughter of Faith. Not one, but I shall expound to you the meaning. Although judgment was passed on your verdict of guilty your sentence was not instantly imposed upon you to begin serving your time of punishment immediately because the living God Jehovah out of love placed a hold on the commencement of these things coming to full fruition more than once because He is love.”

“What this proclamation means is the extension of time has been revoked and removed and all things once restrained to hold these events upon your world from occurring have all been removed by His command. It will not be stopped again, but shall come to light fully for He has spoken it and although circumstances have changed around the judgment your sentence remains the same. Your world will go into war and your nation America will be the focus of the attack from others.” “I understand. What of my other question?” “To answer your other question is

simple: Daughter of Faith. Today, this day, this moment of time, this hour...is now. The moment of now of this official proclamation of Jehovah God's command to remove all restraints and for the procession of all these things to continue moving forward. And Daughter of Faith, they shall begin moving swiftly upon your world for time will no longer be given as the Creator has already broken the great hourglass of time. So, no more will be given to fallen men and women of your world or your nation America." "What am I to do with this Heavenly proclamation? Who am I to share it with? No one is going to believe that you, an angel, has come down to speak to someone like me. Most don't even listen and heed the words that my lovely Jesus Christ speaks to me."

"Why would you think so, Daughter of Faith? I am simply a messenger from God of Heaven. I am no greater than any other of my kind. You are to give this proclamation to all who will listen. There is an order created by the God of Heaven for both the Heaven and the earth. Nothing is done without holy order. When you hear the trumpet sound once again before I depart from you then know this oh, Daughter of Faith, this will be the completion of the official proclamation of Heaven. And at this moment in time, God the Creator moves His final restraints from off your world and all these things that have been held back by Him out of love shall come suddenly upon your world. The time of "suddenlies" the Lamb has spoken to you about often will then begin."

"You mean the domino effect? Something happens and before it ends another has already begun?" "Yes, Daughter of Faith, this is that which I speak of." "Is there anything else you can tell me of these coming things upon our world and my nation?" "Daughter of Faith, why ask of me these things when you, yourself have been speaking already directly with the Risen Lamb?" "Oh, you're right, I'm sorry. I wasn't really thinking about that and time with my lovely Jesus. Talking with Him, praying together is so sweet. I will ask Him." "Yes, Daughter of Faith, that is the wise choice to make." I am seeing the angel's hands with the rolled-up scroll as they began disappearing from my sight as I hear the angel say these words: "Daughter of Faith you are hereby charged by the living God Jehovah and His Son the Lamb to make this proclamation known to all who will have ears to hear."

As I am feeling and sensing his holy presence begin to leave my room, I now am hearing a very, very loud trumpet being blown and it echoes throughout my apartment and mind. It is sounded in three sharp long blasts and then it's gone including the angel who I was speaking with. I am sitting here trembling and in awe at what has happened just now. Then I began questioning myself and asking, "Who am I to deliver such a message, a proclamation from the Courts of Heaven itself?" "An obedient one My daughter. This is who you are and why you have been chosen for this task." "Jesus, my lovely Jesus I'm so glad you're here." "Daughter, I have always been here for I never leave you for a moment when you have a burning desire in your heart to be with me, to truly be part of my bride." "I do Jesus, I do." "Yes, Daughter of Faith, this I know,

for I am looking directly into your heart for it speaks for you as all men's hearts do. (This conversation and journal entry ended at 5:17AM)
