

I AM LOVE 4-1-25 @ 9:59 AM Shared 4-2-25

This video is an audio recording made while we were driving when I received this word and has been converted from mp3 to video. It is from Jesus Christ concerning His mercy and love and His granted mercy. It is the raw audio minus what was removed that pertained to me as sweet Holy Spirit has led me to do. Please pray, try, test and discern this in the mighty Name of Jesus Christ.

“Father God, I am not looking for the next great word; I’m looking for a closer relationship with You! And I will keep warning! I won’t sit down, I won’t shut up! I won’t back down, God. You put me in a very hard place, but that’s okay. If You’ve granted mercy to one of Your children, or more, that’s okay! But I have to know, I am receiving pure word...I’m not looking to make up what to say. If You have something to say, I’ll say it, God. But I’m not getting out on my own! I’m not stepping out on my own, in the Name of Jesus Christ”. I heard You say, “Good, Daughter, good.”

“I ask You bless this journey. Let me find the right blinds for his time, God.”

“Lord, I love You and I praise You, God. I praise You, I praise You, Lord. And I seek Your will. I seek Your perfect will for my life. And if this be Your perfect will, so be it. I submit to You! I submit to You! I submit to You, God. I submit to You and “I bind this flesh and I beat it down with a stick,” as I say God. Hallelujah. Hallelujah. Hallelujah, Lord.”

“Has it been moved to 2026? No. There is a full (blood) moon at Purim. Has it, Father God, in the Name of Jesus Christ? How much mercy was granted, God? And I am grateful for the mercy granted, God, I am.”

“Lord, I ask whatever this is with Charlie and Deborah. I ask You move on them and move on their hearts, and lead them to the truth that you showed me, God. And if I have offended them or anyone else, God, give them the truth and move and help them, because I stand by what You showed me about Your crucifixion, God. And we’re almost on Passover, now. Are You gonna let the false get it right, while Your true prophets get it wrong, God? I’m just asking. “No, Daughter, I am not.”...God, help me, Lord! Help me to refocus on You, whom I love the most!”

“The Darkness comes, Daughter, the Darkness comes. This judgment has been called forth since the beginning of time...And I have spoken only truth through you, because I can do nothing but truth, Daughter. I am Truth...I am the Way, the Truth, and the life. THESE THINGS ARE COMING. I will not hold them back much longer.

Yes, mercy granted, Daughter, for one of My children. Mercy granted for those in New York praying that this would not detonate. The horror of these things, though just and fair. My children are still crying out.” “And what happens, God? What happens, if every time You start to move one of Your children cries out and You move again? Does it ever get to the point as with Noah, as in the Days of Noah, when you DO stop hearing mercy, and You DO proceed? I don’t understand the balance here.”

“You don’t have to, Daughter. This is coming and it’s coming fast. It’s not next year, Daughter. It’s still this year. Mercy granted. Mercy granted. Mercy granted! Mercy granted!...To allow all to be prepare.” “Oh, God!...I’m not asking for a sign, God. I’m not asking for anything but Your truth.” You are hearing it, Daughter.” “Spirit that said this, do you confess Jesus Christ is the Son of God?” “I do, spirit... I do, Daughter, I do.” “Spirit that said this, do you confess that Jesus Christ has come in the flesh?” “I do, Daughter, I do.” “Spirit that said this, is Jesus Christ the Son of God? “Yes, Daughter, but you’ve asked that already.” “Is Jesus Christ your Lord, spirit that said this?” “He is.”

“Do not hesitate to, Daughter, to speak what I say, what I tell you. For surely it shall come to pass. It will, Daughter, and these things will all line up...Hear Me, Daughter. Hear Me. I will not fail you. I have not failed you. I’m moved by mercy. I AM LOVE! I Am Love, Daughter. I Am Love.

Look to the heavens, Daughter. Look to the Heavens...and you will see the day, the sign...pinpointing when this happens.”

Do You have something I need to share?” “I do, Daughter...Mercy granted from the horrors of a nuclear device should cause all hearts to be happy. But it’s only a temporary space of time. I know My children long to be with Me...As I long to be with them, but they do not recognize or realize the horrors that’s coming WHEN THESE DEVICES GO OFF. So when My children cry out for them to be delayed, to reach their lost, to make final preparations... I Am Love. I Am Love, I Am Love, and My mercy extends always to My children.”

“Yes, I said this is coming fast, and it is. It will not be stopped. This judgment will go forth. But I Am Love, first and foremost. I am just and I am righteous, but I Am Love...and it's love that brought Me to this earth to die for your sins, so why should I not extend My love and mercy to someone else...that’s crying out to Me?”

A changing of the Moon, Daughter. A changing of the Moon. Watch the heavens. Watch the heavens.”
