## **MULTIPLE BONDAGE**

When a problem is on the surface, it is easy to get rid of through prayers within a few minutes or hours. When it is deeply rooted, it would need more effort to pull out. Many people have confessed to witchcraft. One of them was a small girl who brought a clay pot in which she had 17 padlocks. It was amazing that she knew the functions of each of the padlocks. Out of the 17, she had used 12 on her own father. She said she had locked up all the money that the man had, or would ever have in life.

### **MULTIPLE BONDAGE**

If this kind of things exist, is it not then necessary to take spiritual warfare serious? Imagine a person at a prayer meeting, praying and then three of such padlocks were destroyed. He was not even aware of their existence, not to talk of their destruction. If such a person is not serious, those three that were destroyed would be replaced by more wicked ones. That is why you have to pray and be sure you pray through.

I would like you to know that there are some problems that are deeply rooted. There are some that people cannot discuss with others because they sound very strange, For example, there is something called spiritual

blockage where a person cannot connect to heaven: no vision, no dream, no prophesy: he sees nothing, and hears nothing from God.

### **DARK, DEAF AND DUMB**

Everything in the spirit realm is dark, deaf and dumb. Any time such a person decides to fast and pray, it is a serious problem; whenever he picks the Bible to read, he falls asleep; any time he starts to pray, his thoughts wander from one thing to another; he cannot concentrate. Sometimes, when he goes through deliverance, he falls sick and lands in a hospital. Any method he uses in progressing spiritually lands him in trouble, Such a person needs deep deliverance.

There is something called dry faith. The person prays but doubts God in the depth of his or her heart. He cries and weeps all the time despite the fact that he has prayed. He may even prophesy, but he will still cry.

### **STRANGE THOUGHTS**

Some people have abnormal thoughts. Dreadful things always pass through their minds: strange thoughts about suicide, sex, cruelty, tormenting thoughts and so on. For some people, everything would be going on well and they would almost be at the verge of their breakthroughs, then they would have a strange dream and the breakthrough will not come; and instead there would be a lot of attacks and strange things will happen to them.

For some people, there will be no problem when they have no money but as soon as they have, one problem will come after the other, until the money is exhausted. Then, before money comes again, problems would have piled up, waiting to gulp it. Such people need deep deliverance.

There is something called prayer-blockage: that is when a person cannot pray on his own. The only time that he can pray is when he is in the church, in the midst of other people praying. Some people experience excessive tiredness. They are exhausted beyond measure without doing any hard work. It means the devil is toying with their body. Some experience unexplainable hatred. People are just hostile towards them without cause.

They are not wanted around for no reason. All these people need very deep deliverance.

## **STEPS TO DEEP DELIVERANCE**

### **1. Know that there is a problem.**

Know that something is wrong somewhere. Once you realise the fact that there is a problem, the solution has started. A youngman came for deliverance and after much prayer, he calmed down and asked why he was on the floor, why his clothes were dirty. He then asked where his parents were and he broke into tears. That showed that he had been delivered and had come back to his senses.

### **2. Pray with desperation.**

When a person prays and become desperate, progress begins.

One day, a woman came to me crying that her husband was always beating her. He would beat her to the extent that she would faint and he would take her to the hospital. I told her that there were two ways to it. She had to pray for the salvation of his soul. The Lord told me that his salvation would come in a hard way and I told her. She agreed to pray the prayer points given to her.

The second day of her prayers, her husband was arrested and taken to the police station and later to prison. He had been there for some weeks, when it dawned on him that the beggarly powers he was depending on could not help him. When the wife went to visit him again, he showed her the incisions on his back and said they were useless.

By the time he had spent two months in prison, the wife came to me again, saying she was tired of going to give him food in the prison everyday. She said she was ashamed of being referred to as the wife of a prisoner. I told her that the Lord had not finished dealing with him but she wanted him out of prison. We prayed and he was released. As soon as he came back home, the beating started again.

## **DESPERATE PRAYERS**

When you get desperate, there are some prayers that you will pray. They do not have to be long. Many Christians need to pray desperate prayers today. A brother explained his problems and I gave him some prayer points; I told him that they were dangerous because anything could happen. He said he was ready for any thing. Within five days of prayers, the Lord dealt with the 'troublers of his Israel.'

If a person has made a covenant in the dark world, that they would kill another person who happens to be a child of God, whatever they do to the person in the dark world, will backfire. If the evil doer vowed that he or she would rather die than see the person alive and prospering, it will come to pass when the Lord rises on behalf of the person. That is why some evil people that are unrepentant die when the children of God pray.

## **THE POWER OF PRAYER**

Some of us really need to pray some deep prayers today. There is nothing that prayer cannot do. It can quench fire; it brought down fire on soldiers before and roasted them. It has sealed the mouth of lions before.

*And Elijah answered and said unto them, If I be a man of God, let fire come down from heaven, and consume thee and thy fifty. And the fire of God came down from heaven, and consumed him and his fifty. 2 Kings 1:12.*

Prayer has pulled down a witchcraft bird from the sky before, and it became a human being. It has introduced confusion into the camp of enemies before. It has made owners of evil load to carry their load. There is nothing that it cannot do. To be quite honest with you, anyone who can really pray has no problem. Many of the churches, which did not believe in our kind of prayers, have started praying them now. Some members are asking for deliverance sessions to be conducted in their churches.

## **HOLY MADNESS**

The prayers that I am suggesting below are not for gentle men; they are for mad prophets. When a prophet prays in holy madness, fire falls. Are you

tired of the harassments of the devil and his cohorts? Then, you have to become desperate and pray with all the aggression that you can gather. I want you to pray and be expectant. Beloved, if you pray these prayers fervently and lose your voice in the process, you would have made a good bargain, because you would have obtained your deliverance from those powers that are trying to prove stubborn.

These prayers will cause a lot of havoc in the camp of the enemy. These were the kind of prayers that chased out demons and they were begging Jesus not to send them out.

## **POWER IN THE BLOOD**

Beloved, if you have not yet surrendered your life to the Lord Jesus Christ the prayers are not for you. You cannot really pray them. If you are not born again, you cannot claim to be a child of God and He cannot reveal any secret to you. All you need to do first of all is to acknowledge the fact that you are a sinner and that you cannot approach God in your sinful state. If you are ready, confess your sins to Him and ask Him to forgive you and cleanse you from all unrighteousness.

Claim the redemptive power in the blood of Jesus that was shed on the cross at Calvary for the remission of your sins. Say good-bye to the world and the devil and make sure you do not go back to them.

Invite the Lord Jesus Christ into your life and ask Him to come in and become your personal Lord and Saviour. Ask Him to take absolute control of your life and all that concerns you. Then you can pray the prayers below.

### **Prayer Points**

1. Every power, circulating my name for destruction, wherever you are, die, in the name of Jesus.

## CHAPTER

### *Two*

### *The Anointing*

### *And Your*

## **DELIVERANCE**

There is a strong Link between your anointing and your deliverance. But deliverance cannot be without the anointing. As you read through the New Testament, you will understand that anointing means the power that will enable you to function supernaturally. It is a supernatural power for a supernatural assignment. The question then is, how can you be anointed? How can you be spiritually equipped so that instead of running away from your enemies, you will stay and cause power to change hands.

### **WHEN THE ANOINTING COMES**

The anointing is a kind of power that comes upon you to enable you to operate as a Christian. Without it there is little you can achieve for God. Something would definitely happen when the anointing comes upon you. It is the anointing that breaks the yoke of poverty, sicknesses and problems.

Isaiah 10:27 confirms this:

*And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the anointing.*

The anointing can crush all attacks launched against you. No matter the resistant force of your attackers, the anointing would scatter their strongholds. It is the anointing that stands between the believers and the powers of darkness. It is what makes the believer to shine. Even if the enemy has locked up your potentials, when the anointing comes upon you, they would be released. This anointing makes you to operate in the supernatural and increases your level of understanding.

## **THE INITIAL CONTACT**

Your first contact with me anointing is when you become born again, because nobody can get born again except by the spirit of God.

John 3:3 tells us that except a man is born of water and spirit he cannot enter into the kingdom of God. Believers need to be anointed from heaven to exhibit power.

***But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth. Acts 1:8.***

It means that without the power of the Holy Spirit, there cannot be anointing. Jesus was careful enough to warn His disciples not to venture to preach without this power. He charged them to wait at Jerusalem until they were endowed with power from on high. Of a truth, when they received the power, they were accused of turning Jerusalem upside down. The manifestation of the power made them VIPs in Jerusalem. When they were locked up in prison, the angel of God went there and got them out and charged them to go forth to minister the word. The chief priests and scribes were informed that the men they put in custody were found preaching in the temple and in market places.

## **THE EVIDENCE**

When the power of God comes upon you, you will know. If I ask you whether you have been baptised in the Holy Spirit or not, and your answer

is "I am not sure," what you are saying in effect is "no," because when the power of God comes upon a person, he will know, because many things will happen.

You will pray in tongues, your prayer life will change, strange dreams will disappear and it will be as if heaven had come down.

It is one thing to receive the baptism of the Holy Spirit and it is another thing to be continually filled with the Holy Spirit. If the apostles needed more of the in-filling of the Holy Spirit, we need it much more in this dispensation. We should realise that the last days are here.

One blind man was brought to Jesus for healing. Jesus held his hands and took him outside the town where He touched him. Then He asked him, if he could see and the man said he could see men walking like trees. Jesus touched him a second time before he could see clearly. In the same way, most of the modern believers need the second touch of God. It is when the power of God comes upon your life that things will begin to happen in your life.

Many believers have never seen any divine revelation prophesied before. All they do is just come to fellowship and allow other do things there. When the Lord comes and brings out the record of our services, what will you tell Him?

## **WHAT IS THE DOUBLE PORTION ANOINTING?**

In 2 Kings 2, we see an important thing. We know that the Old Testament is a shadow of the New Testament, that whatsoever is laid down for us in the Old Testament, has its substance in the New Testament.

There we read about two men, one known as Elijah whose name means God is God, and the second, Elisha, who had a double portion anointing and his name means God is salvation. These two persons were men of God and they gave us a pattern of how to move if we really want power. They were very important and wonderful prophets in the Old Testament, for several reasons. For example, we don't know anything about the parents of Elijah, meaning that your parents do not have to be important for God to use you.

In fact, in some places in the Bible, some parents were downright demonic but their children were men of God. For example, the father of Jehoshaphat, king of Israel, was demon-possessed and the Bible does not hide it at all. We don't know anything about Elijah's parents but he was the first prophet to announce a punishment against God's enemies. He decreed that there would be neither rain nor dew except by his word. And for three and half years he closed the windows of heaven and put the key in his pocket. That was in the Old Testament, and the Bible says that we can do greater things than that.

### **A MAN OF LIKE PASSION**

That is why the book of James says that Elijah was a man of like passion as us. He was the first prophet to multiply food. Of course, our Lord Jesus Christ did a lot of this later. Elijah was also the first prophet to raise the dead and the first to call down fire. Now, Elijah was going away and a replacement had to be made.

So, the first qualification for somebody who wants the double portion of God's power is that he must receive a call. The reason you are a child of God now is that God has called you. You did not become that by your own design. In fact, many people would not have come to the Lord at all if not for the fact that He drew them with a powerful hand. Some would have still been dancing away at the parties of the world. But the Lord organised situations for them to drag them to the gospel and now they are there and they see that there is no life better than that.

### **THE CALLED**

The church as a whole is a constitution of people who were called out from the world. The Bible says, "Come out of them and be ye separate." God called you out by unseen ordination, not by anybody's brain. He calls out His people. You don't become a member of the church by somebody writing your name in his or her register. You don't become a member of the church just because on your 40th day you were taken to the church. No. It is something only God can do.

Elisha received his call unexpectedly. He did not question it. He just accepted it. He did not struggle with God.

*And Jehu the son of Nimshi shalt thou anoint to be king over Israel: and Elisha the son of Shaphat of Abel-meholah shalt thou anoint to be prophet in thy room. And it shall come to pass, that him that escapeth the sword of Hazael shall Jehu slay: and him that escapeth from the sword of Jehu shall Elisha slay. Yet I have left me seven thousand in Israel, all the knees which have not bowed unto Baal, and every mouth which hath not kissed him. So he departed thence, and found Elisha the son of Shaphat, who was plowing with twelve yoke of oxen before him, and he with the twelfth: and Elijah passed by him, and cast his mantle upon him. And he left the oxen, and ran after Elijah, and said, Let me, I pray thee, kiss my father and my mother, and then I will follow thee. And he said unto him, Go back again: for what have I done to thee? And he returned back from him, and took a yoke of oxen, and slew them, and boiled their flesh with the instruments of the oxen, and gave unto the people, and they did eat. Then he arose, and went after Elijah, and ministered unto him. 1 Kings 19:16-21.*

## THE CALLED

The call was unexpected but he understood it. He did not question it. They did not force it upon him. It was unconditionally accepted. The Bible says that many are called but few chosen. God has called you and that is why you are a Christian. Elisha was already a warrior. These days, some people just come and say, "I am not doing my work again. God has called me."

The person who says God has called him has done nothing for two years. He is just sleeping and waking up. Occasionally, he would go out and make some noise in the name of preaching. He tried carpentry, it did not work; he tried bricklaying, it did not work; he tried to be a bus conductor and that did not work; so he stays at home now and says that God has called him. It is a big lie.

Those that God called in the Scriptures, beginning from Abraham to the last person, were busy doing their thing and God called them for what they were.

They were busy men working. We still have to pray for a lot of people to be delivered from the spirit of laziness. Elisha was not lazy. He was busy working when God took him. There is another man in the Bible called Amos who was preaching his message and the chief priest came unto him and said: "O seer, don't prophecy here, we don't want that kind of message here. How could you be saying that Israel shall go into captivity. Go back to Judah and eat the bread there." So, the work of God was described as eating of bread.

But Amos said: "Once I was a herdsman and a keeper of sycamore trees and the Lord took me from doing that work saying, Go unto my people tell them about the transition, but you, high priest, because you say, Don't preach here, don't say what God wants you to say, hear the word of the Lord.", then he issued curses on him. He knew who called him and what he was doing. Think about it. Some people who say they want to work for God wake up by 8.00 a.m. Certainly, God has not called them. To obtain the power of God you must be serious with Him.

CHAPTER  
*Three*  
*The*  
**RESULT**  
*of*  
**DARKNESS**

There is no expressway to the top. If you take this pathway you will experience uncommon problems. Until you make certain changes, you will not be able to rise to the highest height. When you change you shall rise. Let me make it clear again, when you change, you rise.

*Moab hath been at ease from his youth, and he hath settled on his lees, and hath not been emptied from vessel to vessel, neither hath he gone into captivity: therefore his taste remained in him, and his scent is not changed.* Jeremiah 48:11.

God has designed this message for some specific people. Here, we see that Moab had problems. He was used to a life of ease. He settled on his lees. He was not emptied from vessel to vessel. He had not really tasted what is called captivity and because of that, his taste remained unaltered, and his flavour was not changed. The long and short of the matter concerning Moab was that he refused to change, and because of that he stank.

**CHANGE AND ADVANCEMENT**

Anybody who would like to work with Jesus must be prepared to change. Somebody who was a drunk suddenly gave his life to the Lord and became a new person. He has changed and when you say, "Sir, were you not the one drinking in that place?" He would say, "That was before, I have now changed."

Change is actually the very essence of life itself and when a person resists change, he is working against life. There are some changes that one may be required to make which he is not ready to embrace. A lot of people would rather stick to their familiar past. A lot are afraid of going into unlevelled territories or taking any risk.

Many stubbornly cling to their ideas and habits. The Lord does not allow that. The nature of God's work includes changing. You must sincerely change. Read your Bible very well and you will find out that, men and women in the Scriptures, who moved mountains for the Lord, travelled in unknown territories. Moses did not see a previous example anywhere but he did something and the Red Sea parted. He took a holy risk and God backed him up. So, you have to make a decision now to make a change.

Some friends may have to go, some ideas may have to be dropped and some habits may have to be changed if you want the fullness of God in your life. You must make that decision to change. You must examine all your old habits and practices. You must examine all your old friends, and challenge all those traditions you have been following which have yielded nothing.

In spite of the fact that God is trying to bring some people out of these traditions, their hearts and spirits are still there, and so Jesus is still looking at them, asking, "Can I really use these ones?" So, you must challenge the things you have been doing.

## **MOVING BEHIND**

Many of us are moving behind schedule. Some are meant to have helped thousands of people but they are still busy picking marbles in the streets. Sometime ago, a couple came to see me because they were fighting. I asked: "What is the matter?" The husband said, "Dr., tell this woman to be submissive?" and I said, "Madam, why are you not submissive?" She said,

"Excuse me, man of God, this submission, what is the meaning?" I counselled them and after sometime, I said, "Let us pray."

When I prayed, I was amazed at the revelation I got. I saw the couple standing on top of a very tall building and there was a long queue of people before them, and they were distributing money to these people. These people were very grateful and were thanking God for their lives. But as they were distributing the money, I saw some naked women at their back firing arrows at them, so I said, "You people are busy fighting instead of doing what God wants you to do. A change is necessary."

You must question those customs that have not got you anywhere, Somebody told me he had been going to church for 40 years and when I asked him if he had received the baptism of the Holy Spirit, he said, "How much do they sell it?" So, I gave him a lecture and after that, he gave me the sum of N2,000. I thanked him and before he left, I used the money to buy for him some books that would help him.

## **NEW ERA**

This is a new era and we must change for the better. Remember, a seed does not take root unless it falls to the ground and dies there. It will then change to something else and begin to grow, The seed would first of all look ugly, and you wonder why life is so unkind to it as to break it in the middle. But the truth is that, it has to change before it grows and bring out fruits.

The stars that you see in the sky do not shine too much until it is very dark. So, anybody who is saying, "I am always what I was," should be pitied, It means he is not ready for progress and a person who never changes is a fool. It is a stagnant water that breeds mosquitoes. The law of change is so powerful that you must comply with it. Sometimes, the problem with those who refuse to change is that they love themselves more than the truth. If you love yourself more than the truth, deceive yourself for a while, then things will start to happen.

## **RESULTS OF DELIVERANCE**

Some brethren and I ministered to a sister who had a lot of problems. She read medicine but it was as if she did not go to school. She was married with four children. Her husband woke up one morning and said, "I don't know why, but I hate you and I am leaving." The woman thought it was a joke, but the man packed his things and left. I asked her if she was a Christian and she said yes and she described her church to me.

The first day she attended our service, I saw her and asked, "How was the service today?" She said, "Strange." I asked her what was strange about it and she said, "In the church I used to attend, we danced for four hours, from 9 a.m. to 1 p.m. Sometimes when you get home your waist would be paining you because of the dancing." She kept coming and I asked her to go for deliverance and she did. I saw her again and asked her how she was getting on and she said, "Fine, but tough." "What is tough?" I asked her. She said, "'You see, I have had to remove my hair attachment and discard my jewellery and I am looking ugly now.'" It was hard for her to change, but when she began to follow the necessary directions things began to happen.

The first miracle she received was that the British Nationality that had been denied her was given to her after three weeks of her coming. She was pleasantly surprised. Immediately her husband heard that she had got the British Nationality, he came back and said, "Well, I just said I should come and congratulate you." Then she said, "Go now." He said, "No. I am staying here." That was how her marriage was restored.

So, when you change, things happen. We do a lot of spiritual warfare here. Eventually everybody will get involved. There is no other way because the dark forces surrounding us are so many and are fighting the battle of their lives against us.

9. I bind the strongman behind my spiritual blindness and deafness, and paralyse his operations in my life, in the name of Jesus.
10. All powers behind demonic alteration of my destiny, die, in the name of Jesus.
11. Lord Jesus, walk back into every second of my life and deliver me where I need deliverance, heal me where I need healing, transform me where I need transformation.
12. All those laughing me to scorn shall witness my testimony, in the name of Jesus.
13. Let all iron-like curses break, in the name of Jesus.
14. O you devourers, vanish from my labour, in the name of Jesus.
15. Let my point of ridicule be converted to a source of miracles, in the name of Jesus.
16. Let all leaking bags and pockets be scaled up, in Jesus name.
17. Let every spirit of Herod be disgraced, in the name of Jesus.
18. I release myself from every evil domination and control, in the name of Jesus.

CHAPTER  
*Four*  
HOW TO  
*Keep*  
YOUR  
DELIVERANCE

After your deliverance, you need to learn the art of spiritual warfare. When we talk about spiritual warfare, it involves the following:

1. **Dealing with the devil and his cohorts.**
2. **Taking control of your mind:** You should decide that certain things must not stay in your mind again. You establish a solid immigration control at the door of your mind to block any entity you know is not welcome.
3. **You have to crucify your flesh:** It is in this last area that many people fail. The big truth is that, satanic attacks cannot prosper in our lives if our flesh refuses to cooperate with the devil. Colossians 3:5 says: "Mortify therefore your members which are upon the earth..." Paul says, "I die daily." If you are living a life that is dead to sin, as we are commanded by the Scriptures) all the demonic suggestions and the fleshly temptations will not have a hold on you because you are already dead to the temptations, and the suggestion of the devil.

**DEAD MEN**

Dead men do not respond to temptation. They do not know whether somebody is winking at them or not. They do not even know whether somebody is criticizing or abusing them. They do not commit fornication. They do not abuse people. But when a person is not broken, any small criticism will upset him to the point of crying. Many of us go for deliverance. It is good, but the greatest deliverance is to crucify the flesh. Once the flesh is dead, no demon will be able to stay there. When you live that kind of crucified life, the devil would find you a dangerous person. A man may scream and shout at the devil at the top of his voice: "You devil, you are under my feet," etc, but if after the screaming he misbehaves in any area of his life as a result of unbrokenness, the devil would attack him because he still has a door through which he can come in to his life.

After some people would have shouted, prayed and done all kinds of activities in the church, the devil would say to his demons, "Don't worry, we will follow them home." Then immediately they get home they find that their children have poured oil on the clothes they washed before going to church. They now say, "Who is the bastard that did this thing?" The devil would turn to his agents and say, "I told you" and they will move in quietly.

This is the problem. A lot of people who go for deliverance do not need it. All they need is to crucify their flesh, be completely broken and take every word of God they hear as a very serious matter. Sometime ago, I spoke to some people on "How to make yourself perfectly miserable or how to convert yourself into a very sad person." What does that mean? One way a person can convert himself into a very sad person is to get provoked by any insult passed to him, and then he begins to fight with everybody. That is an evidence of lack of brokenness.

So, all the prayers against the devil are to no avail. The devil knows that when you get home, he can get you easily. But when you crucify the flesh, you will enter into a new realm of life. Your life cannot be a candidate of satanic devourers again. You would know the secrets of the Lord. The secrets of the Lord are with those who are broken and living crucified lives.

## **BROKENNESS TODAY**

A person could dress to 'kill', but there is nothing in the dress. If the devil knows that all you are out for is to seduce through dressing, then he has got you. But once you live a crucified life, you would be immune to satanic arrows. You would become a terror to demonic forces and when the Lord decides to call you home, demons would be rejoicing that a troublesome person has been removed from here. The removal of some people does not affect the devil at all.

When you are broken, the anointing of the Holy Spirit becomes powerful upon your life; you would be dead to worldly opinions and would offer no protection to your enemies. But if you are not broken and you are not living a crucified life, you offer the enemy a lot of assistance. Christians are supposed to mount up with wings as eagles. Anything that wants to convert an eagle to a hen, must be pointed out so that you can deal with it.

One of the reasons why God does a lot of things to people who come to our meetings is that, when they come here, their lives undergo a revision. Sometimes all that some people require is just a little change in their prayer lives and that is all. What happens to many people when they come here is that their prayer lives change. They are encouraged to pray and they learn how to pray straight forward and well-directed, aggressive prayers which are different from the dead prayers they were used to. They can also fast now and serve God better. These are changes that help them to make some progress both physically and spiritually.

## **GOD'S TRUMPET CALL**

Sometimes, what we call a problem is actually a trumpet call by the Almighty for a change. Sometimes it is a help not an hindrance; sometimes, it is a blessing not a burden to develop you and not to destroy you. Sometimes it is to cleanse you and not to corrupt you, to train you, not to torture you, to mould you not to break you. Sometimes, problems arise as a result of our ignorance, laziness or unseriousness in the things of God. God may talk to a person through dreams but he may forget the dreams.

A person may find himself naked in a dream and may not understand what that means. When God speaks to you through a dream and you do not

understand, He may give you that same message through a vision. And if you still fail to understand, He may speak to you through prophecy. If that fails, He could speak to you through an audible voice, through messages, or through prevailing situations surrounding you, and if you still refuse to understand, then He will now have to create something that will cause you to change. This is what some of us call a problem.

When you go through deliverance and pray, "I bind you, release me, this, that, stop holding my leg, this, that, stop harassing me," you pray fire prayer, do fire fasting, and the situation remains the same, perhaps you should change because sometimes, God Himself can resist us.

### **WHEN GOD HINDERS**

Sometimes God blocks the way like He did to Adam. He pulled him and his wife out of the garden, pm an angel there with the sword of fire and said, "Don't allow them to enter this place." God can also do what He did to Balaam. His angel stopped the horse and hindered Balaam.

The problem of Jonah would not have been solved by any deliverance minister because it was God that he had problem with. He wanted Jonah to change but he did not want to change. Then He said, "Ok, I know what to do to you." He threw him into the sea and a big fish swallowed him. Jonah did three days dry fast inside the belly of the fish. By the rime God finished with him and the fish vomited him at the place he did not want to go, he preached with fire. When he gar there, everybody repented to the disappointment of even Jonah himself.

So, when a person says, "Hindrance, clear out of my way, clear out of my way," and the hindrance says, "By whose authority should I clear out?" and the person says, "By the authority of the Almighty God," what if it is the Almighty God hindering the person? This is the problem. Failure sometimes can befall an expert like the fisherman Peter. God engineers something to make a person change. The instruction to the Apostles was as it is written in Acts 1:8: "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in

Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth."

But after they had received power, they refused to change but sat in Jerusalem and God needed to make them change, So He created a crisis. He allowed James to be arrested and killed. The fact that James could be killed like that, shook them, and those of them who were not praying before began to pray. Those who were not serious with vigil began to attend.

Before they could say, "Jesus is Lord," Peter was grabbed, because after James was killed, they still sat in Jerusalem. So, the Lord allowed them to take him and allowed him to be roughened a little bit before the angel released him from the prison. Peter then discovered that Jerusalem was no longer a place of blessing and moved out. He said, "Brethren, I am going away." And as he left, the power of God followed him anywhere he went.

## **WHY YOU MUST CHANGE**

God had to use the purifying power of persecution to change them. God's purification came in the form of persecution. You know who the genuine Christians are when persecution comes.

A sinner wearing a suit is the same as a sinner wearing rags. A frightened sinner is still a sinner, an academic sinner is still a sinner. A clever sinner is still a sinner. One man said, "If you educate a sinner, you make him a clever devil." But when God's purification power touches him, it brings about a change. God's ultimate aim for our lives is to make all of us conform to His image and align to His destiny for our lives.

God does not operate like worldly tailors who alter dresses to suit you. If you say, "Tailor, this pair of trousers is too long," he would say, "No problem I will cut it short." Or if you say, "This dress is too big," he would say, "No problem, I will reduce it." God is not like that. Our garment is Christ, we have to put Him on as He is. He never changes. It is you who have to change to be like Him. If you are fatter than that garment, you have to trim down. If you are too slim to fit in, the Holy Ghost will plump you up. But all the same, you have to change.

When you respond to the will of God for your life, a change is involved. At this juncture, I think you should make the following prayer point:

"Oh Lord, show me the areas of my life that require changes, in Jesus' name."

## **Prayer Points**

1. Thou power of God, penetrate my spirit, soul and body, in the name of Jesus.
2. Association of demons, gathered against my progress, be roasted by the thunder fire of God, in the name of Jesus.

CHAPTER  
*Five*  
*Tips*  
ON  
**DELIVERANCE**

This is a book the devil does not want you to read. It is going to reveal some secrets to you. I pray that your spiritual eyes would be opened to behold some wondrous things. The Bible says:

*And they shall fight against thee; but they shall not prevail against thee; for I am with thee, saith the LORD, to deliver thee. Jer 1:19.*

If you have been pushed to the wall by one problem or the other, this message is dedicated to you. When you want to fight back sometimes, the devil tries to scare you and tell you that you are not strong enough to fight.

**FIRE SCRIPTURES**

If you are a fighter for the Lord, I would like to show you two passages in the Bible that the devil does not want you to know, so that you will not read them. A deliverance case may look tough but if you quote these passages, the demons will flee.

*And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying. Babylon the great is*

*fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities. Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double. How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow. Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her. And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her: when they shall see the smoke of her burning. Standing afar off for the fear of her torment, saying. Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come. Rev. 18:1-10.*

*This passage prophesies about the fall of Babylon, the kingdom of the devil on earth.*

*For want and famine they were solitary; fleeing into the wilderness in former time desolate and waste. Who cut up mallows by the bushes, and juniper roots for their meat. They were driven forth from among men, (they cried after them as after a thief;) To dwell in the cliffs of the valleys, in caves of the earth, and in the rocks. Among the bushes they brayed; under the nettles they were gathered together.*

*They were children of fools, yea, children of base men: they were viler than the earth. Job 30:3-8.*

Evil spirits that are bad do not want you to quote these scriptures, I want you to keep them in your heart because they have a purpose in your life.

## **WHAT IS A DOOR?**

A door is an entrance or exit. It keeps our unwanted visitors and hinders those inside from going out. It is an essential part of a building. According to the Bible, it has a different meaning. In the head of a man, for example, there are seven different doors. These are two eyes, two ears, two nostrils and one mouth.

Jesus calls Himself the door. It means that He is the entrance to the kingdom of heaven. Paul talks about the door of faith which, through him, was opened to the Gentiles. He was referring to the Gentiles' opportunity to hear the Gospel. Also, Psalm 141:3 talks about keeping the door of the lips.

## **THE INNER SECRETS**

When God created everything at the beginning, it was a perfect work. The Bible says God examined everything He had created and said they were all good. Then, the devil came into those things that God had created through open doors:

- (i) The mouth - Eve had a discussion with the serpent.
- (ii) The ears - She hearkened to its suggestions.
- (iii) The eyes - Her eyes saw the beauty of the fruit.
- (iv) The mouth - She ate it. Adam too ate.

There are many doors through which problems get into good works in the lives of people. Sometimes, final solutions don't come until you have located the doors that gave entry to the problem. When you chase out the enemy, you then closed the door against future attacks.

There are three stages to deliverance:

1. Cutoff the spirit by chasing it out of the person.
2. Repair the destruction done by the spirit.
3. Keep it away from coming back by closing the doors.

The spirits in our environment have done a lot of havoc in the lives of many people. That is why I want you to take this message seriously and take the warfare prayer at the end with aggression, so that you will locate and chase out all the activities of these spirits.

Every geographical location, has a peculiar spirit controlling it. The commonest evil spirits in Nigeria are as follows:

**1. The African witches:** They leave their physical bodies at night to attend meetings. This type of witches manifest by putting their feet on the wall when they go Out. They put marks on the lives of many people.

Many churches are afraid of talking about witches because they don't know the kind of attack they will receive. Note that, God kept you when you were ignorant of these things, so He will keep you when you tell others about them.

**2. The African wizards:** These are men that are in the demonic world. Many of them go about collecting virtues from women and converting them to theirs. A man vomited his poverty into the life of a woman and she became poor while he became rich.

**3. Familiar spirits or "Ogbanje":** The root of the problems of some men is the sexual relationship they had with the girls that had familiar spirits.

**4. Water spirits:** In the Edo region of Nigeria, for example, they are called Olokun. In Yoruba land, they are called Yemoja. In the sea towns like Lagos and Port-Harcourt, they are called Mammy water or mermaid.

They are destroying many lives and if we as Christians keep quiet and not warn people about them, they will destroy those lives and the people could land in hell.

Already they have confused many people and businesses because they have been operating unhindered.

**5. Spirits impersonating the dead:** These are demon spirits that take the form of dead people and roam about causing confusion.

**6. Demon idols:** These are sent to paralyse and kill people.

**7. Forest demons:** They are found in thick forests but sometimes come to town to do harm to people.

A great havoc was done to this country some years ago when witchcraft powers were allowed to come on television screens and people watched them far into the night before going to bed. Even Christians were watching, saying they were learning from them.

### **SATANIC TRAPS**

A sister came to me one day and said she saw a character in a film, Ogunjinmi, physically in her room. I asked her why she was watching satanic films.

Normally, nobody would invite a magician to his sitting room. But beloved, by watching such films on television, you have invited them and they can cause you havoc. They are satanic traps under the cover of entertainment. They are doors through which the devil enter into many homes and put fear into the hearts of many people.

Many enter into more satanic traps in a bid to find solutions to their problems. Many enter into traps because they want power to control others and be feared and respected. Some get into satanic traps because they want to know the future. Instead of knowing the One who owns the future, they consult diviners, read horoscopes, look into crystal balls, etc. You should not worry about the future because the One who owns the future is our Father.

### **SATANIC DOORS**

Many get into these traps because of poverty and in a bid to get rich they consult and give their lives to the devil. For some, it is through foolish intellectual curiosity. They read all sorts of books, for example, on astral projection, occultism, etc and are pushed to put what they read into practice.

When a person is in a bondage of sin, he opens a door to the devil. Some people drink alcoholic wine instead of gin or brandy, thinking they are

modest. Some have only one girl friend and claim God will not judge them as fornicators.

If wickedness is in your heart, if you are heartless, if you have no feeling of pity or sympathy for those around you, you have opened a door to satan.

Some people are spiritually blind. Hence they get into traps and feed at the devil's cable without knowing it. When you practise the religion of deception, a door is opened to the devil. Sometimes, when people open doors to the devil, they feel as if they were running mad. Some experience chains of problems and are perplexed. Sometimes, powers of darkness confront them openly, press them down on their beds and feed them in their dreams.

## **THE SYMPTOMS**

Sometimes a divine promise on a person's life fails and all efforts to be successful prove abortive. Sometimes dullness and poverty set into the life of a rich person, or a person experiences unexplainable failures and threats. All these show that a door has been opened to the devil.

Many people move about like dogs, having girlfriends and children all over the place. Such people are constructing coffins for themselves even before they die.

When problems seem to multiply and trials seem unending, a door has been opened to the devil. When there is itching heat or strange movement in the body, a door has been opened.

Beloved, demons or evil spirits have no loyalty to anybody. If you go to the hospital, you will find out that what the patients are going through is as a result of conflicts between demons or against the power of God. For example, if parents consult a witch doctor because their child is convulsing, the witch doctor puts incisions on the child and gives him concoctions to drink. By so doing, he assigns a demon to protect the child. Most times, the convulsion or whatever problem the child has, stops but he is being followed by demons. If such a child encounters the power of God, there will be a conflict. The demon will bow and the child will be set free.

We need to ask the Lord for help, to search our lives to locate all the doors that have been opened to the enemy and close them.

## **Prayer Points**

1. Every evil power struggling to re-programme my life, fall down and die, in the name of Jesus.
2. Lord, shake me to my senses where I have made mistakes.
3. I thank the Lord Jesus for scattering the enemies of my divine destiny.
4. Every organ of my body, be washed by the blood of Jesus.
5. I withdraw every organ of my body from every satanic altar, in the name of Jesus.
6. Every spiritual parent, release me now. In the name of Jesus.
7. Every unprofitable love targeted against me, be broken now, in the name of Jesus.
8. Every evil load prepared by household wickedness, be smashed unto desolation, in the name of Jesus.
9. Every stubborn curse, be broken by fire, in the name of Jesus.

11. I paralyze the activities of household wickedness over my life, in the name of Jesus.
12. I reject every backward journey, in the name of Jesus.
13. Lord, fortify me with your power.
14. Father Lord, give me the tongue of the learned.
15. Lord, give me power for a new beginning.
16. Lord, make my Life a miracle and be glorified in every area of it, in the name of Jesus.

CHAPTER  
*Six*  
*Secrets*  
YOU MUST  
KNOW

*He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him.* Daniel 2:22.

Certain things are deep and others are on the surface. When you want to get something that is deep, you have to dig deep to find it, Gold and oil are treasures that cannot be found on the surface of the ground; you have to dig deep to find them. There are some deep secrets about life. The Bible tells us that it is God that knows the things that are in secret and that can also reveal them.

**GOD KNOWS**

The word of God goes on to say that He knows the things that are in the dark. One fact about darkness is that the person in it can see the person in the light very clearly, but the one in the light would need a special anointing to see the person in the dark.

Until certain secrets are revealed, it may be difficult to experience victory. The enemy of our soul fights a very terrible battle for the souls of men. The devil is the father of lies. So, his tactics are very deceitful. He has no honour

or integrity. As far as he is concerned, there is nothing like fairness. If you want to destroy him, you have to know his secrets.

## **DEEP SECRETS**

The following secrets will lead to victory and total deliverance.

### **1. Not everyone who calls GOD is calling God.**

You may be surprised to find out that some people pray to petty gods and if you are not careful, you will say Amen to what they are saying. Such utterances they call prayers are actually incantations. In such utterances you will never hear the name of Jesus and they will never address the God of Abraham, Isaac and Jacob. They will just say 'god, god.'

*For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many, But to us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him. 1 Corinthians 8:5-6.*

Many people are deceived every day. A brother got into a serious trouble one day. He thought he had problems and a friend took him to see someone for spiritual assistance. When they got there he was taken to a very dark room. It was just 11 a.m. and he saw birds flying about and he was hearing voices as if the birds were talking. As he felt very uncomfortable and got up to leave, he sighted a Bible on a table and he sat back, reassuring himself that the Bible meant the presence of God.

Then someone came to 'pray' for him and he noticed that the person was addressing 'the creator' and never mentioned Jesus. He thought he was referring to God the Creator. Before he knew what was happening, he had got himself into his three children being deported from abroad in one day. They were not living together but all of them met at the airport in Nigeria. None of them brought back anything. They came back empty handed and could not explain why they were deported.

That is why we should be careful where we go. If the Holy Spirit begins to rebel within you, it means you are not supposed to be where you are or you are not supposed to be doing what you are doing. If you stay on, you are looking for trouble and are likely to get it.

**2. The devil has an organised kingdom:** The devil has followers and emissaries and runs his kingdom contrary to the kingdom of God.

**3. The worst attack comes during sleep:** Some of the problems that people are struggling with start at night, during the hours of 12 and 3 a.m. That is why it is advisable to stay awake and pray during these hours.

*But while men slept, his enemy came and sowed tares among the wheat, and went his way.* Matthew 13:25.

**4. If food is taken out of existence, demonic oppression will decrease:** A major part of the afflictions of man comes from the food he eats. It is a serious thing to find oneself eating in the dream. Spirits do not eat food but when they force-feed a person in the dream, the person will experience different types of affliction.

**5. Witchcraft powers use some creatures to afflict people in their dreams:** If you see the following animals in your dream, you should pray seriously, because it means you are under witchcraft attacks: Goat, cat, fat, bat, termite, serpent or mud-fish.

**6. Agents of darkness like to put on black clothes:** Beware of a person who is not mourning, but is always putting on black clothes.

**7. People use candles to destroy others:** If you have ever been at a gathering where candles are lit to perform rites, you need to go through deliverance.

**8. The enemy can mix with the wind to afflict people:** Some people got paralysed or started to have serious ailments after a strange wind blew on them suddenly. I pray that if you have been afflicted that way, you shall be delivered today, in the name of Jesus.

## Prayer Points

1. I release myself from every dream pollution, in Jesus' name.
2. Let all the rivers, trees, forests, evil companions, evil pursuers, pictures of dead relatives, snakes, spirit husbands, spirit wives, masquerades manipulated against me in the dream be completely destroyed by the power in the blood of Jesus.
3. I command every evil plantation in my life: **come out with all your roots, in the name of Jesus!** (lay your hands on your stomach and keep repeating the emphasised area.)
4. Evil strangers in my body, come all the way out of your hiding places, in the mighty name of Jesus.
5. Let all avenues of eating or drinking spiritual poisons be closed, in the name of Jesus.
6. I cough out and vomit, any food eaten from the table of the devil, in the name of Jesus. (Cough them out and vomit them in faith. Prime the expulsion.)
7. Let all negative materials circulating in my blood stream be evacuated, in the name of Jesus.
8. I drink the blood of Jesus. (physically swallow and drink it in faith. Keep doing this for some time.)
9. Lay one hand on your head and the other on your stomach or navel and begin to pray like this: Holy Ghost fire, burn from the top of my head to the sole of my feet. Begin to mention every organ of your body: your kidney, liver, intestine, blood, etc. You must not rush at this level, because the fire will actually come.
10. Lord, make me a vessel capable of knowing your secret things.
11. Let the spirit of prophesy and revelation fall upon the totality of my being, in the name of Jesus.
12. Holy Spirit, reveal deep and secret things to me about my life, in the name of Jesus.
13. O Lord, open my spiritual understanding.

14. O Lord, let every evil preventing me from having spiritual vision be removed.
15. O Lord, teach me deep and secret things.
16. O Lord, reveal to me every secret behind any problem that I have.
17. O Lord, give me divine wisdom to operate my Life.
18. O Lord, remove spiritual cataract from my eyes.
19. O Holy Spirit, open my eyes and help me to make the right decision, in the name of Jesus.

CHAPTER  
*Seven*  
*Secrets*  
*of*  
**PERMANENT  
DELIVERANCE**

You can keep your deliverance. You will learn a lot in this chapter on how to do that.

**HOW TO CLOSE DOORS AGAINST THE ENEMY**

1. Confess your sins to the Lord
2. Ask for forgiveness.
3. Plead the blood of Jesus.

When a demon wants to arrack a person, he looks for open doors; things mat are not godly. When there is no open door, he hangs around for opportunities. Sometimes, he succeeds due to the carelessness of the person. Unconfessed or cleverly concealed sin is a doorway to the devil.

There are deaf and dumb spirits. They don't hear your commands, therefore their activities continue. You have to ask God to make them hear and they will pack their load and go. Man is a spirit, soul and body. All these three areas can create open doors in the life of a person:

**1. The Body:** It has many doors and can be afflicted and eventually killed by the evil powers. A person can yield his or her body to sin through any of the doors. The intellect could be affected. Some people allow incisions to be made on them, thereby giving these powers access to their blood. This could be manipulated at witchcraft meetings and different kinds of diseases can develop and the person's strength can be sapped. Many people are killed gradually, either from the top or the lower region.

**2. The soul:** This can gain control over the body or spirit. A witch can be in Yaba, and her soul will be in Oyingbo, which is a distance of about 5km, and be causing havoc. This is possible because there is a demon attached to it. It links the soul to the spirit. It can be cast out or attacked through the right prayers and the witch becomes powerless.

**3. The spirit:** It is the part of man that has a relationship with either God or satan. The spirit of a person can be wounded through fights in the dream.

Sometimes, the wound inflicted on the spirit in the dream manifests physically. Many fights that take place in the dream are not meant to kill but to wound the spirit of a person and to render him or her helpless.

## **BIG SECRETS YOU NEED TO KNOW**

**1. Demons can physically manifest in the form of human beings.** If a person has sexual intercourse with a demon that comes in the physical form, it will take the grace of God to get the person delivered. The person will be in trouble and if he or she cannot trace it to the relationship, he or she may not be able to pray meaningfully.

The demon can manifest as a very beautiful, handsome or ugly person. It can take the physique of a person who really exists somewhere. All these descriptions are not useful to a Christian who does not open any door to them.

Sometimes, certain objects can have demons attached to them. Such objects are called spiritually contaminated objects. They include rosary, crucifix, decorations, jewellery, clothing, etc. These demons go about with the person as he or she goes about with the objects.

## **DEMONIC GIFTS**

The servants of satan can call up a demon and attach it to an object and present the object to a person as a gift.

A couple received a lot of gifts at their wedding. After their honeymoon, they came home and started unwrapping the gifts. There was a carton in which they saw two cowry shells. This was what a wicked person came to present at the church.

Christians should be very careful these days. They should not be ignorant of the devices of these powers. You should be alert and careful about the people you receive gifts from. Some people take food anyhow and without praying.

## **SPIRITUAL SPIES**

There are spirit spies that are programmed into domestic animals, so that they can gather day-to-day, first hand information about the person and relay it to these powers.

People are afraid of black cats. It is true that witches use them, but the deception of the devil is to conceal the fact that they actually prefer the white ones. The eyes and ears of a domestic animal in many houses are for gathering information. If you want to carry out a test, pour anointing oil on your animals at home and see what happens. However, it is easier to deliver an animal from evil powers than a human being, because animals do not commit sin and so the devil has no legal right to stay in their lives when chased out.

## **EVIL MARKS**

It is possible to find out that the spirit of fornication that many people are battling with came from the dogs they were playing with. A lot of people carry evil marks put on them by evil powers for identification with demons. Sometimes evil people steal strands of hair, nails, sweat, clothing etc and give to demons to fish the owners out for destruction. These demons act like police dogs that sniff and identify culprits.

*Have respect unto the covenant: for the dark places of the earth are full of the habitations of cruelty.* Psalm 74:20.

Perhaps you have not been praying aggressively. Now is the time to start. There are many things to cut off, pull down, root out or rebuild.

## **EVIL MEALS**

Wickedness is being practised in the dark places of the world. When a person was fed in the dream and he wakes up heavy, it is his spirit that was fed. Some people hear their names called and they wake up from sleep. It is the spirit that is being summoned and it can be unto death if not prayerfully dealt with.

What I am saying is very serious. A lot of people get contaminated at a tender age; some get contaminated when they start moving about. For some, it is through false teachings and doctrines.

## **THE IMPORTANCE OF DELIVERANCE**

Is it possible to have an evil spirit as a Christian? YES. Why? It is because when a person gets born again, it is the spirit that is renewed while the mind and body may still be under the control of the devil. A born again Christian cannot be possessed by demons, unless he or she goes back to sin; but someone who is already demonised before conversion needs to go for deliverance. A believer filled with the Holy Spirit can never be possessed.

There are two powers that the Lord will not give the devil:

1. **Your mind:** The devil and his demons cannot read your mind although some times they behave as if they could.
2. **Your will:** They cannot control your will except you hand it over to them. Everyone has a wilful power. There are many things you can do by your will power alone. You must learn to exercise your will against things that you don't want in your life.

## **Prayer Points**

1. I cut myself off, from every spirit of... (mention the name of your place of birth), in the name of Jesus.
2. I cut myself off, from every tribal spirit and curses, in the name of Jesus.
3. I cut myself off, from every territorial spirit and curses, in the name of Jesus.
4. Holy Ghost fire, purge my life completely.
5. I claim my complete deliverance, in the name of Jesus from the spirit of ... (mention those things you do not desire in your life).
6. I break the hold of any evil power over my life, in Jesus' name.
7. I move from bondage into liberty in every area of my life, in the name of Jesus.
8. Let the blood of Jesus flush out from my system every inherited satanic deposit, in the name of Jesus.
9. O Lord, send your axe of fire to the foundation of my life and destroy every evil plantation.
10. Let the blood of Jesus be transfused into my blood vessel, in the name of Jesus.
11. Lord, break down every evil foundation of my life and rebuild a new one on Christ me rock.
12. Let every gate opened to the enemy by my foundation be dosed for ever with the blood of Jesus.
13. I confess that my deliverance shall remain permanent never to be reversed again, in the name of Jesus.

CHAPTER  
*Eight*  
THE  
DOOR  
YOU MUST  
*Close*

There are entry points and exits that we need to think about and close.

**1. Idolatry:** This is the worship of idols or bearing names that have to do with idol worship. The ancestors of many families worshipped idols and dedicated their descendants to these idols. If your family has a shrine or you have consulted a herbalist or native doctor before or you have incisions on your body, all these are open doors. Dedication of children to an idol is an open door because those spirits will come back and claim a right over those children. Sometimes, children are dedicated to rivers, rocks, etc.

**2. Chieftaincy titles are open doors to the devil because they go along with rituals and dedications:** A man of God once said that it was a demotion for a Christian to get a chieftaincy title. A Christian is a king, a prince of God and a priest. It is strange that many people have been demoted this 'way just because they want popularity.

**3. When people fry and distribute bean cakes (locally called akara) to commemorate anything:** Those who prepare such bean cakes and those who eat them open doors in their lives to the devil.

4. Carrying sacrifices to crossroads opens doors to the devil.
5. Consultation of white-garment prophets who invoke the names of angels.

Treating Angel Michael like Jesus also constitutes open doors to the devil and creates problems.

*Let no man beguile you of your reward in a voluntary humility and worshipping of angels, intruding into those things which he hath not seen, vainly puffed up by his fleshly mind. Col. 2:18.*

This passage shows that believers are not meant to pray with the names of angels.

6. **Incense:** Burning incense is an open door, and so are special use of selected Psalms as if they were incantations, the taking of bath in rivers or at sea shores or blood-bath, cracking or breaking of eggs on people's heads, or raking perfumes from prophets and being camped in a white garment place of worship under the guise of protection.
7. Pilgrimage to mountains for special prayers on a yearly or monthly basis opens doors to demons.
8. Use of special sponges and soaps, which fake prophets call holy, to have special or daily baths.
9. Immorality and sexual intercourse outside marriage attract strange spirits that move from one person to the other.
10. Possession of demonic materials for protection or decoration.
11. Astrology and horoscope consultation.
12. **Evil inheritance:** Some people got evil spirits passed on to them from their parents and ancestors and this contaminated their lives.
13. Kissing a corpse physically or seeing oneself in the dream eating with dead relatives.

14. Consultation of soothsayers and fetish priests.
15. Incest, that is, sexual intercourse with family members.
16. Having girl-friends and concubines outside marriage. It is worse than polygamy
17. Shaving hair when a relative dies.
18. Probing into the cause of death by conjuring evil spirit to ask them.
19. Pouring libation.
20. Forming blood covenants with people.
21. Loss of shoes on wedding day or loss of wedding ring.

When you open the door to an evil spirit, the door closes and it abides with you. For you to pray through, you have to reopen the door for it to go Out and you will now keep the door permanently closed to it.

***He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? Romans 8:32.***

Who shall by anything to the charge of God's elect? It is God that justifieth.

***Nay, in all these things we are more than conquerors through him that loved us. Romans 8:37.***

The Bible says, "Children, this is the last hour." The devil is increasing his tempo because his time is almost up. Many people have practised religion all their lives. It is time to practise the supernatural power of God. Let us prove to every witch and wizard around that they don't have power like our God and they don't have the final say on anything that concerns us, that God has the final say.

I want you to say these our loud:

1. God has the final say.

2. I cover myself with the blood of Jesus.

The Bible says that the devil is the accuser of the brethren. If the devil is accusing you day and night before God, petitioning every time, you can counter-petition against him. Take the following prayer points aggressively.

## Prayer Points

1. I counter-petition the devil, in the name of Jesus.
2. All my goodness swimming in the ocean of life, angels of God catch them and bring them back for me, in Jesus' name.
3. I reject the authority belonging to any demonic object kept secretly on my behalf, in the name of Jesus.
4. Every doorway, that is open to the devil, be closed by the blood of Jesus, in the name of Jesus.
5. Every door that I opened to the devil (pick from the list below), be closed forever by the blood of Jesus, in the name of Jesus.  
While I was in the womb.  
The day I was born.  
At my tender age.  
At my adolescence.  
At my youth.  
At my adulthood.
6. I bind and command every death demon (insert from the list below) 10 flee, in the name of Jesus.  
Over my body.  
Over my soul.  
In charge of my spirit.
7. Any spiritually contaminated food that I have eaten, I neutralise your power, in the name of Jesus.)
8. I bind the power-demon operating any wicked spirit against me, in the name of Jesus.
9. Holy Ghost, torment my tormentors, in the name of Jesus.
10. My Father, perfect that which concerns me, in the name of Jesus.

11. O Lord, make a way in my wilderness and provide rivers in my desert, in the name of Jesus.
12. Thou power of the Highest, overshadow my life, in Jesus' name.
13. Thou miracle working power of the Most High God, begin full-time manifestation in my life now, in the name of Jesus.
14. My life and my destiny, reject bewitchment, in the name of Jesus.
15. Every power raising and strengthening dead problems in my Life, die, in the name of Jesus.
16. My Father, turn the wisdom of my enemies to foolishness, in the name of Jesus.
17. My Father, turn the joy of the enemy over my life to sorrow, in the name of Jesus.
18. O Lord, cause my life to reflect You forever, in the name of Jesus.
19. Blood of Jesus, speak instant and permanent solution to my problem, in the name of Jesus.
20. Fire of the Holy Ghost, barricade my life and my family, in the name of Jesus.

## ABOUT THE *Book*

Everybody has one challenge or the other to contend with in life. It is one thing to identify and recognize the challenge; it is another thing to know the solution(s) to the challenge.

This book contains a detail account on the different types of the spiritually traceable bondages under which human beings are knowingly or unknowingly operating. The bondage could be so cryptic and hidden that it requires the death of your king Uzziah to have a view of it.

Can you identify the root of the bondage in which you are? Do you know how to trace the root of your physical and spiritual bondage? Do you know how to uproot, destroy and overcome your bondage? The answers to the three questions are contained in this book.

If you read this book and comply with all that is contained in it, you are given the key on the secret of having a permanent deliverance from your bondage.
