

I Know the DNA 12-6-24@6:48 AM

I was awoken to these words:

Nuclear threat toward Israel. Israel threatened by the nuclear.

Tehran..... Iran.

Nuclear threatens Israel.

War on 8 sides. War against Israel My people, My land heightens.

Tehran has gone nuclear in its power capabilities.

Gog, Magog is soon to begin in full.

8 sides, 8 rulers but under 1 of old to form this epic attack against My wayward, rebellious people of Israel.

Some want to squabble over who's who. I know who each person is and who possesses which DNA. I know who has been scattered to what regions of land and to where. Not man!

Inside every nation My Jewish people were scattered as I said they would be. So who are these who declare they know in truth which people, which race has the DNA of the true Israelite nations.

Daughter I created each body with each strand of written DNA of every man, woman, and child that I breathed a living soul into upon their creation. Be careful My people and people of your world how you speak ill of My chosen nation of Israel because what you call unclean and not really of this bloodline have indeed some within its ranks of Jewish Israelite DNA. Just like it's found all over the inside of this firmament, this world I created.

If there is one true Israeli person from the original bloodlines found in Israel then I caution you My children from speaking harshly your misjudgment. I am referring to those whose bloodlines are from the 12 tribes of Israel. You were told through David My servant to pray for the peace of Israel. (Jerusalem is the capital of Israel.) It does not say only when you think the true bloodlines of the 12 tribes have arrived back inside her walls.

Foolish people, many are already there among the others who have come into Israel's land. But tell Me, how do you know who is who? Instead you lump them all together as bad figs in a basket that needs to be thrown out when not all the things are bad.

I say now the 12 tribes of Israel as mentioned in My Holy Word were scattered to every known continent at the time. Some have already returned while others are coming now. I listen to so many of My children who talk with disdain about the people in My land of Israel. Yes, there are some who have been allowed to enter so the end time prophetic Word spoken by My prophets can be fulfilled. But not all inside Israel's walls are of foreign blood but are indeed in reality from one of the original tribes of Israel.

So be careful My children in who and what you listen to because I know each and every heart, each and every thought, and each strand of created DNA. Whether it's still original as I created, or somehow mutated by the kingdom of darkness' evil agendas.

Before you condemn the whole land of Israel and turn your backs away from praying for this land and its people, remember I know the truth in full. You have it only in part and part of that information has come from governments of your world who rewrite your world's history so you will believe all they prefer for you to believe. This is again why in My Holy Word I left instructions on how to test and prove all things.

I give this warning because out of your own harshness toward Israel's people because some are indeed of a pure DNA bloodline you shall be judged just as harshly. I am warned repeatedly Israel is a world's timepiece whether you want it to be or not.

Take notice I say for those with the true listening heart and ear, Tehran..... Iran has gone nuclear. She has now acquired in full strength the power of the nuclei in the form of weapons.
