

The Unleashing 11-13-24 @3:04 PM Shared 11-14-24

“Father God, in Jesus Christ’s Name, I pray. It looks like it’s supposed to rain, but it looks eerie. It feels unnatural, it almost feels scary. So, God, what’s going on? Father God, what’s going on? Is it time? Is it time? What’s going on, God? It feels unnatural (I’ve been feeling this for days). As gloomy and as dark as it looks, it makes me think the darkness is starting to fall, but it’s overcast Father God (I was in prayer).”

“Great evil daughter, great evil has come. The time of the unleashing has arrived upon your world. Hear Me now, daughter, hear Me now.

The time of unleashing,.

The time of the unleashing.

The time of the unleashing has occurred upon your world.

The unleashing, daughter, the unleashing of it all.

The unleashing of the nuclear weapons upon your world, followed by the unleashing of all Hell. All the kingdom of darkness that has not been bound and sent back to the abyss reserved until the time they’re thrown into the Lake of Fire. If you had not prayed this way and others, daughter, you would have all of Hell, except for those designated to be released a few moments later. (Understand the abyss, pit, deep— they’re all the same).

Great sorrow has come to your world. The eerie calm, daughter, that is you feeling in the spirit what’s about to erupt and be unleashed. Some call it super sensitivity, I call it being in tune with My Holy Spirit. Being in tune with the spirit realm that’s converging with your physical realm. The unrest that’s in these realms are merging. They’re merging, daughter, they’re merging.

An unleashing. An unleashing of nuclear power, of nuclear weapons of mass destruction I declare shall come to your world. I shall burn this world with a man-made product manufactured by the blueprints of the kingdom of darkness, of the fallen angels, and nephilim. But I shall unleash My own fire and I shall melt this world. I shall purge it removing all the filth and the sin. A new earth and a new Heaven shall come forth, not ever touched by sin ever again. An unleashing, daughter, it’s time for an unleashing. It’s time for the unleashing of all these things. It’s time, daughter, it’s time. This is what you are feeling.

Triggered, triggered, triggered by the election of Trump. Donald J Trump. And when the world turn their eyes upon him, a mere man, a mere person, a mere inferior being to Me, God

Almighty then you initiated the destruction because it was not just your nation, daughter, but the whole world has risen up saying 'He will save us.' No, he will not! No, he will not, daughter, no he will not. He is the enemy in disguise, yet he is still in between choices. There's still hope for him, daughter, but not for much longer. He's going to have to choose just like every man, woman, and child that comes to the age of accountability, comes to the age of realizing that they need a Savior, that they can't do it on their own. They are not their own savior. The fallen angels, lucifer is not the savior. Satan cannot save them. It takes the Blood of My Son to save each man, woman, and child. So their souls, their souls, their souls can be redeemed instead of being cast into Hell where all souls go if they're not bought by My Son's Blood.

So the unleashing goes forth and it goes forth now. I have commanded it from My Throne and My Son has carried that order out. Now is the time for the unleashing.

It's time for the unleashing.

It's time for the unleashing.

The unleashing of nuclear power being used.

The unleashing of the darkness to come.

The unleashing of war and the invasion of Babylon.

The unleashing of war around My Beloved Land, Israel.

The unleashing. The unleashing of the man of sin.

The unleashing. The unleashing of the One Word Religion.

The unleashing of the One World Government.

The unleashing of the One World Money.

The unleashing of antichrist's regime.

The unleashing of hunting down My children left behind that refused to live godly according to My Word to obey what My Son has instructed.

The unleashing, the unleashing, daughter, is now upon your world.

This is what you are feeling, daughter. It's like when you open something that's been vacuum sealed and you hear that whoosh, that air escaping. Daughter, this is that eerie feeling. It begins with nuclear weapons. That time is now. It's time for dirty snow as I have called it to you symbolically, daughter. Dirty snow. It's time for dirty snow to be spread around and contaminate this world. A just reward for the fallen angels for destroying My world I created. The unleashing, daughter this is what you're feeling.

This is it.

This is it.

This is it.

This is it.

I wish for none to perish, so it's time to repent and repent now. Those that My Spirit is calling, it's time to repent and come to the arms of My Son.

Come to His Cross.

Come to His Cross where you crucified Him.

Come to His Cross where you tried to take His life.

Come to His Cross where victory was bought for each one that comes.

Repent of your sins. Ask for forgiveness and He will wash you clean with His Blood that He shed. Every drop He shed was not in vain. It was shed for the whole world, all that will come and all that's been chosen. If not, many of you, I say, will burn. Many of you shall burn.

You will burn.

You will burn.

You will burn.

And many of you will be left in a world barely livable and recognizable. This is the heritage of what the fallen angels produce. Corruption, decay, misery, death, pestilence, plagues, famine. All a product of sin that you allowed in when you chose them over My Son and Me. It's the time of the unleashing. This is the heaviness in your heart. This is what you're feeling. The unleashing, daughter. It's done. It's done. It's declared. It's commanded. It's been brought forth by My Son. It's time for the unleashing.
