

Take Cover In Me Your God 11-21-24 at 1:13 PM

Take cover, take cover, take cover. It's unleashed now. Take cover My people, take cover. Run to My wings, run to My wings. Lock the door. Hide in your homes for My anger, My anger, My anger is to be displayed in the form of a man-made weapon.

Watch them run in fear to start grabbing this and start grabbing that. What will it do in protecting you? What will it do when you should be running to Me? Falling on your knees and begging your Holy God to forgive you of your evil wicked ways.

Take cover My children, take cover. Take cover in Me. Hide in Me. Take cover, the nuclear war begins now. Someone has to be first in this time of war upon your land, your world. It starts with Vladimir Putin and as I have said once the first nuclear weapon is dropped then everything is unleashed. Everything is unleashed.

Repent and repent now! Get the sin out of your lives. Some you have to say by fire. This is what it means in the natural as well as the spiritual. Each opponent is playing their part to the "T." The hatred is real between these but they still do what the council of 13 and the hidden society tells them. And "they" can only do what I allow because I own this Earth.

I created this Earth and all that's in it. And lucifer has to come to me for permission. Satan has to come to Me and ask of Me, petition Me for some wrong My child has done for permission. And I will grant this at times because when he brings up the legalities... yes you sinned....you did not repent. You were given time to repent. Or as like with My servant Job who was righteous in the eyes of all. He was righteous, but I've purged him and I tested him. I tried him like no other so that he was found perfect in My eyes because I loved him.

(My understanding when praying and speaking to the Lord Jesus Christ and Father God about this word is when Father God said Job was perfect in His sight He was referring to Job's worshiping of Him.)

Hear Me now, it's time to take cover. It's time to hide. It's your Isaiah 26:20-21 manifesting on your world now. Be ready, be ready children. My Son's coming for those that are His. Daughter be prepared to go further into hiding.

Putin waits patiently for the right moment. He is not cowering in fear. He knows he has the council of 13's power behind him. Take cover, take cover My children, take cover in Me. Take cover in Me your God. Take cover under My wings. Hide under the shadow of My wings and I will enclose them around you and hold you safe. Those that are not called to go at this time. Take cover. It is time for nuclear war upon this world.

Devastation
Destruction
Desolation
Calamity
Chaos
Pestilences
Plagues
Drought
Death upon death on an ungodly and unfaithful world.

I have called you to repent and you scoffed and you laughed and you shook your hands at Me up into the sky and to My face. You continued your abominable acts, your murdering of your children, the stealing from the poor, the killing of My children, the embracing of lucifer, and satan, the embracing of antichrist, the fallen ones, the aliens. I'm giving you exactly what you desire, O' world.

Those who desire aliens...
Those who desire freedom from Me the righteous God...
Those who desire to be their own little gods...
Those who look for any excuse, any way to prove disprove I sit in the Heavens ruling and reigning...
I give you the man of sin.
And I give you the 3 days of darkness.
I give you nuclear war.
The season, the time is now. All hell, all the kingdom and darkness except for those few remaining bound shall be unleashed in the darkness.

Before the time of the red eyes to be worshiped he will have already been moved into place ready to step out.

You will worship these aliens as gods.
They're demons. They're fallen angels. They're nephilim.
I'm turning you over to reprobate minds, many of you, so you will believe the delusion. You will take that mark because you have rejected Me. You have rejected My Son and you have rejected My Holy Spirit grieving Him. Grieving Me. Grieving My Son after time, and time, and time, and time, and time, and time, and time I reached out to you.

I reached out through people.
I reached out through medias.

I reached out through flyers.
I reached out to the whole world... Your internet.
Every way possible.
I reached out in your dreams.
I spoke to your subconscious.
And you have still refused to repent.

My children, and I'm referring to those who have accepted My Son Jesus Christ into their hearts as the Lord, take cover. Hide in Me. Nuclear war starts now upon your world.
